PREAMBLE

THIS AGREEMENT made as of the 1st day of January, 2005 by and between the **MIDDLESEX COUNTY IMPROVEMENT AUTHORITY**, a public body corporate and politic of the State of New Jersey (hereinafter referred to as the "Employer" or "Authority") and **A.F.S.C.M.E., LOCAL #3440**, located at 2653A Whitehouse-Hamilton Square Road, Hamilton, New Jersey 08690 (hereinafter referred to as the "Union");

WHEREAS, the Authority owns and/or operates the Tamarack Golf Course, The Meadows at Middlesex Golf Course and Raritan Landing Golf Course (collectively, the "Golf Courses"); and

WHEREAS, the Union has been selected as the bargaining agent for the employees at the Golf Courses defined in accordance with the Public-Employee Relations Act as amended, and said Union has been certified as such by the Public Employment Relations Commission; and

WHEREAS, the Union and the Employer have engaged in negotiations concerning the terms and conditions of employment for Golf Course employees.

NOW, THEREFORE, subject to law as herein provided and in consideration of the following mutual promises, covenants, and agreements contained herein, the parties agree as follows:

The Authority hereby recognizes A.F.S.C.M.E. Local #3440 as exclusive bargaining representative for Authority employees working at the Golf Courses, with the exception of supervisory, managerial and confidential positions.

ARTICLE I

MANAGEMENT RIGHTS

A. The Authority hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights: the executive management and administrative control of the Authority and its properties and facilities and activities of its employees utilizing personnel methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Authority; to make rules of conduct, to use improved methods and equipment, as well as duties, to decide the number of employees needed for any particular time and to be in sole charge of the quality and quantity of work required; and to hire all employees, whether full-time, part-time or seasonal and, to promote, transfer, assign or retain employees in positions at the Golf Courses.

B. In the exercise of the foregoing powers, rights, authority, duties, and responsibilities of the Authority, the adoption of policies, rules, regulations, and practices in the furtherance therewith, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and expressed terms hereof in conformance with the constitution and laws of the State of New Jersey and of the United States.

ARTICLE II

MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that during the term of this Agreement, neither the Union nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike. A strike is understood to include any concerted failure to report for duty, work stoppage, slow-down, walk-out or other illegal job action against the Authority.

B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activity by any Union member shall entitle the Authority to invoke appropriate penalties and such other action as shall be permitted by law.

C. The Union agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-stoppage, slow-down, or other activity aforementioned or from supporting any such activity by any other employee or group of employees of the Authority and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union order.

D. Nothing contained in this Agreement shall be construed to limit or restrict the Authority in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach of the Union order by its members.

E. The Authority agrees not to lock-out it employees.

ARTICLE III

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss or resolve the matter informally with any appropriate member of the Authority. Nothing contained herein shall prohibit the parties from raising a timeliness argument under this Article. The local Union President or designee, steward or Council 73 shall be recognized as the representative for presenting an employee grievance from initial filing to conclusion of the grievance in accordance with the following procedure:

1. With regard to an employee, the term "grievance" as used herein shall mean: a) a claimed breach, misinterpretation or improper application of the terms of this Agreement; or b) a claimed violation, misinterpretation or misapplication of the rules and regulations, existing policy or order applicable to the Golf Course employees affecting the terms and conditions of employment.

2. The following constitutes the sole and exclusive procedure for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One: The Union shall present the employee grievance or dispute to the employee's immediate supervisor within fifteen (15) business days of its occurrence, or within fifteen (15) business days after the employee knew or should have known of its occurrence. Failure to act within

said time period shall be deemed to constitute an abandonment of grievance. The supervisor should respond to the grievance in writing within ten (10) business days.

Step Two: If the grievance has not been settled, it shall be presented in writing by the Union to the Authority Director of Administration or designee within five (5) business days after the supervisor's response is due in Step One. The Authority Director of Administration or designee shall attempt to adjust the matter and shall respond to the Union in writing within five (5) business days thereafter. The written grievance at this Step shall contain the relevant facts and a summary of the applicable section of the Agreement violated, and the remedy required by the grievant.

Step Three: If the Union wishes to appeal the decision of the Authority Director of Administration, such appeal shall be presented in writing to the Executive Director or designee within six (6) business days thereafter. The presentation shall include copies of all previous correspondence relating to the matter in dispute. The Executive Director or designee agrees to meet if requested in writing within ten (10) business days of the request. The Executive Director or designee shall respond in writing to the grievance within ten (10) business days of the submission or meeting, whichever is later.

C. Specific Issue Arbitration

1. It is agreed to and understood that either the Union or the Authority may petition for a binding principle decision on the specific issue through the arbitrator, which shall be a final and binding decision on the specific issue addressed. The cost of the arbitrator's fee shall be shared equally by the Authority and the Union. Any other expenses incurred shall be paid by the party incurring same. The decision of the arbitrator shall be in writing with reasons set forth therein. Time extensions may be mutually agreed to by the Authority and the Union.

2. Procedures

- a) The parties direct the arbitrator to decide as a preliminary question whether he/she has jurisdiction to hear and decide the matter in dispute.
- b) Only one grievance at a time may be submitted to arbitration under subsection 1.
- c) The arbitrator shall be bound by the provisions of this Agreement and the Constitution and laws of the State of New Jersey, and be restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from, or alter, in any way, the provisions of this Agreement or any amendment or supplement thereto.

D. Upon prior notice and authorization of the Executive Director, the designated Union Representative shall be permitted to confer with employees and the Authority on a specific written grievance in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Authority or the Golf Courses.

E. The time limits expressed herein shall be strictly adhered to. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum, and every effort will be made to expedite the processing of the grievance. Failure to move a grievance to the next step will be considered a withdrawal of the grievance. The Employer's failure to respond to a grievance shall be considered a denial of the grievance at that step. Nothing herein shall prevent the parties from mutually agreeing to extend or lessen the time limits for the grievance at any step in the grievance procedure.

F. Employee grievances shall be presented on the existing approved grievance forms.

G. It is understood that the employees must sign their individual grievances. Grievances without an employee's signature shall not be accepted or processed.

H. A group or policy grievance shall be directly submitted at the Step Three level to the Executive Director or his/her designee.

H. TITLES AND SALARY SCALES

The Employer and the Union agree that they shall be bound by the title and salary scales attached hereto and made a part hereof as Appendix "A".

ARTICLE V

HOURS OF WORK AND OVERTIME

A. Overtime work will be kept to a minimum, except in cases of emergency, and must be authorized in advance by the Personnel Officer or his/her designee. The reasons for the granting of overtime shall be noted by management on the time report along with amount of overtime (time-in-time-out) and shall be certified by the Personnel Officer or his/her designee.

B. Overtime shall be calculated on a weekly rather than daily basis. Time and a half shall begin after the fortieth (40th) hour for forty (40) hour per week employees and after the thirty-fifth (35th) hour for thirty-five (35) hour per week employees. Authorized, paid time-off (holidays, vacation, bereavement, personal) shall count toward the forty (40) hour or thirty-five (35) hour calculation. Unpaid or unauthorized leave shall not be counted. Paid sick time taken or scheduled in advance of an employee's overtime or sick time accompanied by a doctor's note or otherwise authorized by the Personnel Officer or his/her designee shall also count toward the calculation of overtime.

C. An employee shall be paid at a rate of time and one-half (1 ½) in pay when an employee works a sixth consecutive day except when the employee, after being scheduled to work the sixth consecutive day, requests a personal day or a vacation day to be taken during the five days immediately prior to the sixth consecutive day. An employee shall be paid at a rate of double (2X)

time for hours worked on the seventh consecutive day, provided the employee has worked a minimum of an eight (8) hour shift for seven consecutive days.

D. If an employee is called in or back to work by the Personnel Officer or his/her designee, non-contiguous with his or her regularly scheduled work day, the employee shall receive a minimum of four (4) hours pay at the rate of time and one-half (1 ½) in pay, regardless of the actual time worked. If the "call in" occurs on a holiday, the employee shall receive a minimum of four (4) hours pay at the applicable holiday rate of pay, regardless of the actual time worked. The Employer shall have the right to retain the employee for the full call out period. Time is calculated from the time the employee reports to the job. An employee is entitled to only one call-out payment for every four (4) hour period. The foregoing provisions shall not apply to employees regularly scheduled to work split shifts.

1. Employees who are called and report in to work for a period of up to two (2) hours prior to the commencement of their normal shift shall be paid at a rate of time and one-half (1 ½) for the time worked and shall not be entitled to a minimum of four (4) hours. If called in more than two (2) hours prior to the commencement of the shift, the employee shall be entitled to the minimum of four (4) hours regardless of time worked. If the "call-in" occurs on a holiday, the employee shall receive a minimum of four (4) hours pay at the applicable holiday rate of pay, regardless of the actual time worked. The Employer shall have the right to retain the employee for the full call-out period. Time is calculated from the time the employee reports to the job. An employee is entitled to only one call out payment for every four (4) hour period.

2. It is further agreed to and understood that any employee working a period of up to two (2) hours connected with his/her normal shift will revert back to straight-time pay at the start of their normal shift.

3. The provisions of this paragraph will not apply to snow emergencies.

E. Employees requested or scheduled to work in excess of the normal work week shall be paid at the rate of time and one-half (1 ½) in pay for all overtime hours worked.

F. Except as provided in Section 1, all full-time employees scheduled to work on a holiday shall be paid their regular days pay plus an additional rate of time and one-half (1 ½) in pay for all hours worked on the holiday, but shall not also receive a compensatory day.

G. Notwithstanding any other provisions of this Agreement to the contrary, employees scheduled to work on New Year's Day, July 4th, Christmas Day, or Memorial Day, or the days which these holidays are officially observed, shall be paid their regular day's pay plus an additional rate of double time in pay for all hours worked on these holidays, but shall not also receive a compensatory day.

H. Overtime shall be on an equalized basis provided the employee has the ability to perform the overtime assignment as solely determined by management. There is no guarantee of overtime. However, when overtime is required or available, such overtime will be assigned to those employees in the department who normally perform said work. Overtime opportunities will first be offered to the most senior employee who normally performs said work; should the most senior employee refuse the opportunity, it shall be offered in descending order of seniority; if no one accepts the opportunity, the least senior employee will be required to work the overtime.

I. Any hour worked and paid for at an overtime rate shall not be pyramided or used again for computing pay in excess of the normal work weeks or for any other pay.

J. A written schedule shall be posted in respective department areas at all times, and kept current indicating the overtime hours worked by each employee. Overtime will be reviewed on a semi-annual basis to ensure equal distribution.

K. Each employee shall be entitled to one (1) fifteen (15) minute break for each half-day period of work (morning and afternoon shall each be considered a half-day period of work and equivalent periods for shift work shall be also considered half-day periods of work). Employees working a ten (10) hour shift shall be entitled to one (1) twenty (20) minute break for each half day period of work.

L. An employee may request to receive compensatory time for overtime hours worked in lieu of overtime compensation. Compensatory time shall be computed on the same basis as overtime or holiday compensation (Example: If an employee is entitled to one and one-half times in pay, then the compensatory time off shall equal one and one-half times the number of overtime hours worked.) However, the Personnel Officer or his or her designee shall retain the final authority whether to grant compensatory time. Such practice shall be in accordance with the Fair Labor Standards Act.

M. Any employee who works on snow removal or other emergency work as determined by management will be subject to and receive payment of wages in the following manner: employees working twenty-four (24) continuous hours shall receive a rate of pay at time and one-half (1 ½) for the first twenty (20) hours worked. The remaining four (4) hours shall be paid at a double time rate of pay. If any employee continues to work beyond a continuous twenty-four (24) hour period, the rate of pay will revert back to the previous twenty-four (24) hour rate of pay cycle.

N. Flex-Time - It is understood and agreed that flex-time is to be a fixed schedule for the said period of time agreed to for not less than a three (3) month period. However, it is further understood that there will be no alteration of scheduled hours after flex-time selection. The following rules will be strictly adhered to:

1. Proper employee grouping as designated by the Executive Director, or his/her

designee shall be maintained.

2. Work schedules and assignments are to be met within required time frames.

3. Working hours: Starting and finishing times are to be observed in accordance with flex-time scheduling.

It is further agreed to and understood that flex-time work schedules will be based on and consist of a five (5) day work week.

4. It is further agreed to and understood that the change, cancellation or discontinuance of flex-time by the Executive Director or his/her designee shall require one (1) month prior notice to the Union.

5. Flex-time starting shall originate and coincide with Golf Course starting times and quitting times.

6. An employee may request a temporary change in working hours for a specific purpose, during a given week, or longer period, with authorization from the Executive Director and/or his/her designee to facilitate the proper carrying out of the employee's needs. Denial of such request by management will not be arbitrary or capricious.

O. All employees are expected to report to work for their scheduled shift. Supervisors or managers will notify employees prior to the start of a shift if they are not to report to work for their scheduled shift. The employee shall provide the supervisor or manager a telephone number for contact. If the supervisor or manager, or his/her designee, attempts to contact the employee at the designated number and is not able to reach the employee, the supervisor or manager or his/her designee, shall document such call. The employee may be released from working the shift if the supervisor or manager or his/her designee is unable to reach the employee. If the supervisor or

manager fails to make such call and the employee reports to work, the employee shall be entitled to a minimum of four (4) hours pay.

P. All employees who report to work, subject to the provisions of Section O hereinabove, shall receive a minimum of four (4) hours pay, except for those employees regularly scheduled to work less than four (4) hours.

ARTICLE VI

VACATIONS

A. Employees shall earn vacation time in the following manner:

A vacation day shall be considered one eight (8) hour day.

1. One day per month in first calendar year for each month of service.
2. Completion of one (1) year through completion of five (5) years.....12 days.
3. From completion of five (5) years through completion of nine (9) years.....15 days.
4. From completion of nine (9) years through completion of twelve (12) years.....16 days.
5. From completion of twelve (12) years through completion of twenty (20) years.....20 days.
6. Twenty-one (21) years forward.....25 days.

B. All vacation time shall be used in the current year and shall not be accumulated without the prior approval of the Executive Director up to a cap of one (1) calendar year's allotment and further subject to any special provisions that the Executive Director, in his or her sole discretion, determines to be in the best interest of the Authority. The Executive Director shall not be arbitrary and capricious in applying the provisions of this paragraph.

C. Employees must submit vacation preferences by April 1st of each year with first and second choices. Failure to timely submit such request shall result in the employee receiving remaining open vacation time. Timely requests for the same vacation shall be resolved by seniority and staffing needs.

D. When an employee requests permission to use an individual vacation day or part thereof, such request shall be granted at the discretion of the Executive Director and shall not be unreasonably denied. Employee may request use of individual vacation days, or part thereof, on

short notice to Employer, in matters considered a verifiable emergency.

E. Changes in the scheduling of vacations will not be permitted without the prior approval of the Executive Director and shall not be unreasonably denied.

F. If, for any reason, an employee's vacation is cancelled by management, the vacation may be rescheduled in accordance with Section C.

G. Vacation leave shall be prorated for the last calendar year of employment. It shall be assumed that an employee shall remain in the service of the Employer for the full calendar year or portion thereof from date of hire and is entitled to use all vacation time for that calendar year. If separation of employment occurs before the end of the calendar year and the employee has used more than his or her pro rata number of vacation days, the per diem rate of pay for the excess vacation days shall be deducted from the separated employee's last paycheck(s). If separation of employment occurs before the end of the calendar year and the employee has used less than his or her pro rata number of vacation days, the per diem rate of pay for all unused vacation days shall be added to the employee's last paycheck(s). The Authority, upon receiving notification of overpayment, shall write to the former employee to secure reimbursement of the overpayment.

H. Employees may elect to be paid in advance for vacation time provided fourteen (14) days prior written request is given to the Employer's designee. Payment shall be made on the last payday prior to the vacation. An employee may request an advance only twice a year, except in the event of a verifiable emergency. A minimum of five (5) continuous vacation days must be taken, one day of which must include the scheduled payday.

I. Unused vacation days may be carried over for one (1) calendar year at management's discretion or where a vacation request had been denied by management during the calendar year, subject to the approval of the Executive Director.

ARTICLE VII

SICK LEAVE

A. General Policy.

Sick leave is hereby defined to mean absence from post or duty because of illness which makes it impossible for the employee to perform the duties of his or her position because of accident or exposure to a contagious disease requiring isolation, or because of attendance upon a member of your immediate family in your household who requires care. The employee may request sick leave for family residing outside of the home; subject to approval by the Executive Director which shall not be unreasonably denied.

B. Accrual.

A new employee shall earn sick leave at the rate of one and one-quarter (1 1/4) day per month on a monthly basis until the completion of one (1) full year of employment. Upon completion of said year, a pro-rata number of sick days shall be credited to the employee for the balance of the calendar year ending December 31st, based upon the above formula of one and one-quarter (1 1/4) days per month. Thereafter, on January 1st of each year, the employee shall be credited with fifteen (15) days for that calendar year.

C. Verification.

The Authority may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Such requests shall not be arbitrary or capricious. Abuse of sick leave may be cause for disciplinary action. In the event the Authority requires a doctor's certificate to verify an illness, the Authority will reimburse the employee half (1/2) the cost incurred in obtaining said verification.

D. Extended Sick Leave.

1. In all cases of reported illness or disability suffered by an employee, the Authority reserves the right to request a medical physician to examine the report on the condition of the patient and to comment on the report to the Executive Director.

2. During protracted periods of illness or disability of an employee, the Executive Director may require interim reports at Authority expense on the condition of the employee at weekly or bi-weekly periods, from the attending physician and/or an Authority appointed medical physician. The Executive Director shall not be arbitrary and capricious in making such requests. When under medical care, employees are expected to conform to the instructions of the attending physician.

E. The rules herein for payment of sick leave apply to periods of illness or disability for regular full-time employees. Temporary, part-time and seasonal employees are not entitled to compensation for such absences, unless specifically provided for hereunder.

F. The recommendation of the Authority appointed medical physician as well as those of the attending physician as to the justification for the absence from duty on account of disability or illness or of the fitness of the employee to return to duty shall be considered by the Executive Director. The Executive Director reserves the right in such cases where there is a difference of professional opinion between the Authority's medical physician and the employee's personal physician, to require the employee to submit to an examination by a third doctor at the Authority's expense.

G. In charging an employee with sick leave, the smallest unit to be considered is one-half ($\frac{1}{2}$) of a working day. Sick leave shall be paid for the actual time taken not to exceed an eight (8) hour day.

H. If an employee is absent from work for reasons that entitle him or her to sick leave, the

Personnel Officer or his or her designated representative shall be notified as early as possible, but no later than one hour prior to the start of the scheduled work shift from which he or she is absent. Failure to notify the Personnel Officer or his/her designated representative may be cause for denial of the use of sick leave for that absence and constitute cause for disciplinary action. An employee who is absent for five (5) consecutive days or more and does not notify the Personnel Officer of the Authority or his/her designee during any of the first five (5) days will be subject to dismissal.

I. Habitual absenteeism or tardiness may be cause for discipline up to and including discharge.

J. Any employee who engages in outside employment while on sick leave without the permission of the Personnel Officer shall be subject to disciplinary action up to and including discharge.

K. Sick leave shall be pro rated for the last calendar year of employment. It shall be assumed that an employee shall remain in the service of the Employer for the full calendar year or portion thereof from date of hire and is entitled to use all sick time for that calendar year. If separation of employment occurs before the end of the calendar year and the employee has used more than his or her pro rata number of sick days, the per diem rate of pay for the excess sick days shall be deducted from the separated employee's last paycheck(s). The Authority, upon receiving notification of overpayment, shall write to the former employee to secure reimbursement of the overpayment.

L. Whenever the Authority is paying for medical reports pursuant to this Article, the employee agrees to submit to his/her insurance company for reimbursement, partial or total, such monies being turned over to the Authority.

M. At the end of each contract year, an employee may elect to apply for and receive cash

payment for sick days credited and not used during the current year in the amount of one day's pay for every three days credited and not used to a maximum of five (5) days. Only employees having used five (5) days of sick leave or less, out of fifteen (15) sick days credited per current year, qualify for participation. Eligible employees applying for sick leave buy-out will do so on December 15th of each current year by signing an authorization card provided by the Authority. Payment will be made in the second payroll of the succeeding year.

N. Paid holidays occurring during a period of sick leave shall not be charged to sick leave.

O.
