C. The County agrees to apply all rules and regulations promulgated by the New Jersey Department of Personnel concerning any matter whatsoever not specifically covered by the agreement.

ARTICLE 3

MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that during the term of this Agreement, neither the Union nor any person acting in its behalf will cause, authorize of support, nor will any of its members take part in any strike, (the concerted failure to report for duty, work stoppage, slow-down, walk-out or other illegal job action against the County).

B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activity by any Union member shall entitle the County to invoke appropriate penalties.

C. D. Nothing contained in this Agreement shall be construed to limit or restrict the County in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach of the Union by its members.

E. The County agrees not to lock-out its employees.

**ARTICLE 4**

**GRIEVANCE PROCEEDURE**

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problem which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss or resolve the matter informally with any appropriate member of the Department. Nothing contained herein shall prohibit the parties from raising a timeliness argument under this Article. The local Union President or designee, steward or the I.A.F.F. shall be recognized as the representative for presenting an employee grievance from initial filing to conclusion of the grievance in accordance with the following procedure.

C. With regards to employee, the term "grievance" as used herein means an appeal by an individual employee or group of employees, from the interpretation, application, or violation of this Agreement.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One: The Union shall present the employee grievance or dispute to the employee's immediate supervisor within ten (10) working days of its occurrence, or within (10) working days after the employee knew or should have known of its occurrence. Failure to act within said time period shall be deemed to constitute an abandonment of grievance. The supervisor should respond in writing within five (5) working days.

Step Two: If the grievance has not been settled, it shall be presented in writing by the Union to the Department Head within five (5) working days after the supervisor's response is due in Step One. The Department Head or designated representative shall attempt to adjust the matter and shall respond to the Union in writing within five (5) working days thereafter. The written grievance at this Step shall contain the relevant facts and a summary of the applicable Section of the contract violated, and the remedy requested by the grievant.

Step Three: If the Union wishes to appeal the decision of the immediate supervisor, such appeal shall be presented in writing to the Personnel Director or designee within six (6) working days thereafter. The presentation shall include copies of all previous correspondence relating to the matter in dispute. The Personnel Director or designee agrees to meet if requested in writing within ten (10) working days of the request. The Personnel Director or designee shall respond in writing to the grievance within ten (10) working days of the submission or meeting, whichever is later.

1. Specific Issue Arbitration

It is agreed to and understood that either the Union or the County may petition for a binding principle decision on the specific issue through the arbitrator, which shall be a final and binding decision in the specific issue addressed. The cost of the arbitrator's fee shall be shared equally by the Employer and the Union. Any other expenses incurred shall be paid by the party incurring same. The decision shall be in writing with reasons therein. Time extensions may be mutually agreed to by the Employer and the Union.

2. Procedures

a. The parties direct the arbitrator to decide as a preliminary question whether he has jurisdiction to hear and decide the matter in dispute.

- b. Only one grievance at a time may be submitted to arbitration under Section 1.
  - c. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from, or alter, in any way, the provisions of this Agreement or any amendment or supplement thereto.
- E. Upon prior notice and authorization of the Personnel Director, the designated Union Representative shall be permitted to confer with employees and the County on a specific written grievance in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the County.
- F. The time limits expressed herein shall be strictly adhered to. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum, and every effort will be made to expedite the processing of the grievance. Failure to move a grievance to the next step will be considered a withdrawal of the grievance. The Employer's failure to respond to a grievance shall be considered a denial of the grievance at that step. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for the grievance at any step in the grievance procedure.
- G. Employee grievances shall be presented on the existing approved grievance forms.
- H. It is understood that the employees must sign their individual grievances. Grievances without an employee's signature shall not be accepted or processed.

Compensatory time will be paid to an employee upon separation of employment from the County. The only comp-time eligible for payment must be approved time accrued during a period of 365 days prior to separation.

I. SHIFT DIFFERENTIAL (See Article 19).

ARTICLE 6

HOURS OF WORK AND OVERTIME

A. Overtime work will be kept to a minimum, except in cases of emergency, and must be authorized in advance by the Department Head or his/her designee. The reasons for the granting of overtime shall be noted by management on the time report along with amount of overtime (time-in -time-out) and certified by the Department Head. Overtime shall be based on seniority and allocated on an equalized basis. Seniority shall be based on length of employment with the County of Middlesex.

B. Overtime compensation shall be paid at the rate of time and one-half (1 1/2) the regular hourly rate of pay.

C. Overtime will be calculated on a weekly rather than daily basis. Time-and-a-half will begin after the 40th hour of actual work for employees who ordinarily have a 40 hour work week and after the 35<sup>th</sup> hour of actual work for employees who ordinarily have a 35 hour work week except that authorized paid holidays, paid vacation and paid bereavement time at 8 hours per day for 40 hour per work week employees and at 7 hours per day for 35 hour per week employees shall count toward the computation. But, paid sick time, paid personal time, and paid comp time shall not count toward the 40-hour or 35-hour actual time worked calculation for determining eligibility for overtime pay; adjusted rates of pay noted elsewhere in this Agreement for circumstances involving holiday pay, call in pay, call back pay, sixth and seventh consecutive days of work in a County work week, (Sunday through Saturday) and for emergency work, shall continue as is set forth elsewhere in this Agreement.

D. **For calendar year 2013, "On Call" pay shall be \$200.00 per week for each week an employee is "On Call", and effective January 1, 2014, "On Call" pay shall be increased to \$350.00 per week for each week an employee is "On Call".**

E. If an employee is called in or back to work by any Department Head or his/her designee, non contiguous with his or her regularly scheduled work day, the employee shall work a minimum of four (4) hours, and be paid at the rate of time and one-half (1 1/2) in pay. If the "call in" occurs on a holiday, the employee also shall work a minimum of four (4) hours, and be paid at the applicable holiday rate of pay. The Employer shall have the right to retain the employee for the full call out period. Time is calculated from the time the employee reports to the job. An employee is entitled to only one call-out payment for every four (4) hour period.

1. Employees who are called out and report in to work for a period of up to two (2) hours prior to the commencement of their normal shift shall be paid time and one-half (1 1/2) for the time worked and not be entitled to a minimum of (4) hours. If called in more than two (2) hours prior to the commencement of the shift, the employee shall be entitled to the minimum of four (4) hours. If the "call in" occurs on a holiday, the employee also shall receive a minimum of four (4) hours pay at the applicable holiday rate of pay. The Employer shall have the right to retain the employee for the full call-out period. Time is calculated from the time the employee reports to the job. An employee is entitled to only one call out payment for every four (4) hour period.

2. It is further agreed to and understood that any employee working a period of up to two (2) hours connected with his/her normal shift will revert back to a straight-time pay at the start of their normal shift.

F. Employees requested or scheduled to work in excess of the normal workweek and/or the sixth consecutive day, shall be paid at the rate of time and one-half (1 1/2) for all overtime hours worked. Employees working a seventh consecutive day will be paid at the rate of time an one-half (1 1/2) for the first four (4) hours of work. The second four (4) hours worked will be paid at a double time (2) rate of pay. Employees working either a thirty five (35) hour week (Fire Instructors) or a forty (40) hour week (Hazardous Material Employees) will be subject

to and receive pay equivalents based on the said rates of pay for a seventh (7th) consecutive day of work.

G. Except as provided in Section I, employees scheduled to work on a holiday shall be paid their regular days pay plus an additional rate of time and one-half (1 1/2) in pay for all hours worked on the holiday, but shall not also receive a compensatory day.

H. Only employees who either are on the County payroll and working for the County, or are on authorized leave, when this contract is signed by the County shall be eligible for retroactive payments, including but not limited to overtime payments, pursuant to this contract.

I. In all 24-hour 7 day/week agencies employees working regular shifts on a holiday will receive 2 1/2 times pay (1 day holiday pay and 1 1/2 time for working). The current policy will remain in effect for S-day single shift operations. In order to be eligible for holiday pay, unit members must work their scheduled day immediately prior to and after the holiday, unless they are on an authorized leave.

J. Notwithstanding any other provisions of this agreement to the contrary employees scheduled to work on New Year's Day, July 4th, Christmas Day, or Memorial Day, or the days which these holidays are of fiscally observed, shall be paid their regular day's pay plus an additional rate of double time in pay for all hours worked on these holidays, but shall not also receive a compensatory day.

K. Overtime shall be on an equalized basis provided the employee has the ability to perform the overtime assignment as solely determined by management. There is no guarantee of overtime. However, when overtime is required or available, such overtime will be assigned to those employees in the department who normally perform said work. Overtime opportunities will first be offered to the most senior employee who normally performs said work; should the most

senior employee refuse the opportunity, it shall be offered in descending order of seniority; if no one accepts the opportunity, the least senior employee will be required to work the overtime.

L. Any hour worked and paid for at an overtime rate shall not be pyramided or used again for computing pay in excess of the normal workweek or for any other pay.

M. A written schedule shall be posted at all times, and kept current indicating the overtime hours worked by each employee. Overtime will be reviewed on a semi-annual basis to ensure equal distribution.

N. Each employee shall be entitled to one (1) fifteen (15) minute break for each half-day period of work (morning and afternoon shall each be considered a half-day period of work and equivalent periods for shift work shall be also considered half-day periods of work).

O. An employee may request to receive compensatory time for overtime hours worked in lieu of overtime compensation. Compensatory shall be computed on the same basis as overtime or holiday compensation (example: If an employee is entitled to one and one-half times in pay, then the compensatory time off shall equal one and one-half times the number of overtime hours worked). However, the employee's Department Head shall retain the final authority whether to grant compensatory time. Such practice shall be in accordance with the Fair Labor Standards Act.

P. Any employee who works emergency work as determined by management will be subject to a receive payment of wages in the following manner: Employees working twenty-four (24) continuous hours shall receive a rate of pay at time and one-half (1½) for the first twenty (20) hours worked. The remaining four (4) hours shall be paid at a double time rate of pay. If any employee continues to work beyond a continuous twenty-four (24) hour period, the rate of pay will revert back to previous twenty four (24) hour rate of pay cycle.

Q. Flex-Time - It is understood and agreed that flex-time is to be a fixed schedule for the said period of time agreed to for not less than a three (3) month period. However, it is further understood that there would be no alteration of scheduled hours after flex-time selection. The following rules will be strictly adhered to:

1. Proper employee grouping as designated by the Department Head, Director, or his/her designee shall be maintained.
2. Work schedules and assignments are to be met within required time frames.
3. Working hours: Starting and finishing times are to be observed in accordance with flextime scheduling.

It is further agreed to and understood that flex-time work schedules will be based on and consist of a five (5) day work week.

4. It is further agreed to and understood that the change, cancellation or discontinuance of flex-time by the Department Head or his/her designee shall be effected after a prior one (1) month notice to the union.

5. Flex-time starting shall originate and coincide with Department starting times and quitting times.

6. An employee may request a temporary change in working hours for a specific purpose, during a given week, or longer period, with authorization from the Department Head and/or designee to facilitate the proper carrying out of the employee's needs. Denial of such request by management will not be arbitrary or capricious.

R. Emergency Closing

The Union will agree to the County's Emergency Closing Policy as long as:

- a. Essential employees are defined by title rather than name.
- b. Employees will stay as long as required.

- c. They get overtime when called in to work not during his/her regular shift
- d. Vacation or sick time can be used if pre-approved accompanied by doctor's note or approved by the employee's supervisor or designee pursuant to N.J.A.C. 4A:61.3 g & h.
- e. Employees may be required to work if needed. If not all employees are needed, those who stay or leave will be determined by management based on seniority, training, experience and suitability for the assignments to be covered. Management determines the number of staff needed, the length of time called for and the length of stays. SEE APPENDIX "A".

S. Four-day Work Week

The County shall have the right to establish 4-day work schedules, at its option, to overlap existing shifts. Management has right to assign titles to the 4-day schedule. Within title, employees will either bid on a seniority basis or work rotating shifts at the Union's option. Management agrees, to the extent possible, to make the new schedule voluntary but has the right to assign appropriate employees. There will be no shift differential.

T. Pay Periods

The Union will agree to change to semi-monthly rather than bi-weekly pay, if other bargaining units agree and the County elects to change over.

U. Parity Provision

The County agrees to extend any voluntary salary agreement (wages only) in excess of that agreed to by AFSCME 3440 (based on increases on base during a contract year) to include Middlesex County Hazmat Locals IAF #3451 and 3451A. This clause specifically excludes arbitration awards, settlements which are Court ordered, or settlement which are not approved by the Board of Freeholders.

V. Change in Operation to 24 Hours 7 Days a Week

It is in the County's managerial prerogative to change its HAZMAT operation to a 24 hour per day, 7 day per week operation, and before implementing such a change the parties agree to reopen negotiations on notice from the County to the union to address changes to the terms and conditions of employment due to this change of operation.

A. Sick leave is hereby defined to mean absence from post or duty because of illness which makes it impossible for the employee to perform the duties of his position, accident or exposure to a contagious disease requiring isolation or attendance upon a member of your immediate family in your household who requires care. The employee may request sick leave for family residing outside of the home; approval by the Department Head shall not be unreasonably denied.

B. A new employee shall earn sick leave at the rate of one and one--quarter (1 1/4) days per month on a month basis until the completion of one (1) full year of employment. Upon completion of said year, a pro-rata number of sick days shall be credited to the employee for the balance of the calendar year ending December 31st, based upon the above formula of one and one-quarter (1 1/4) days per month. Thereafter, on January 1st of each year, all employees shall be credited with fifteen (15) days for that calendar year.

C. The appointing authority may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Such requests shall not be arbitrary nor capricious. Abuse of sick leave may be cause for disciplinary action. In the event the County requires a doctor's certificate to verify an illness, the County will reimburse the employee, half (1/2) the cost incurred in obtaining said verification.

D. In all cases of reported illness or disability suffered by an employee, the County reserves the right to request a Medical Physician to examine the reports on the condition of the patient to the Department Head.

The Department Head reserves the right in such cases where there is a difference of professional opinion between the County medical physician and the personal physician, to require the employee to submit to an examination by a third doctor at County expense.

G. In charging an employee with sick leave, the smallest unit to be considered is one-quarter (1/4) of a working day.

H. If an employee is absent from work for reasons that entitle him to sick leave, the Department Head or his designated representative shall be notified as early as possible, but no later than one hour prior to the start of the scheduled work shift from which he is absent. deducted from the separated employee's last paycheck(s). The comptroller upon receiving notification of overpayment shall write to the former employee to secure reimbursement of the overpayment.

7. The County, in its discretion, may choose to verify sick leave through home visits or telephone contact. IT IS THE RESPONSIBILITY OF THE EMPLOYEE TO COME TO THE TELEPHONE PERSONALLY. An employee is not permitted to use a beeper or answering machine to screen calls.

The County will reimburse the employee half the amount toward the cost of obtaining such verification. (NOTE: Documentation can be required from first day of illness.) "Verification" means that the employee is required to provide a written statement by a reputable treating physician substantiating any illness. The physician certification must indicate that employee was not physically able to perform any duty connected with his/her job and must give a diagnosis of illness. The County may require the employee to submit to examination by a physician appointed by the County.

Examination BY County Physician- Pattern Absence/Suspicion of Abuse: In cases (1) where the County has reasonable suspicion that an employee has abused sick leave; (2) where an employee has demonstrated a pattern in the use of sick leave (for example, the repeated use of sick leave on the first or last day of the work week or on the day before or after a holiday); or (3) where the employee has used 15 sick days in a twelve month period, the County may require verification of

illness by a physician selected by the County. In cases where County verification is to be required, the employee will be notified, then the request for sick leave is made, to report during the shift to a designated physician at County expense.

10. The County of Middlesex views abuse of sick leave as a serious offense, which will result in employee discipline up to, and including termination of employment.

This prohibition does not extend to the proper, personal use of prescription, or legitimate over-the-counter drugs such as aspirin or cold remedies, to the extent that they do not impair the employee's performance of work duties.
- b. The purpose of this policy is to provide for a safe work environment for all County employees and to provide services to the public by employees not under the influence of unlawful drugs, the abuse of drugs and/or alcohol (collectively referred to as "substance abuse and drug abuse").
- c. The County also recognizes that alcoholism and drug addiction are diagnosable and treatable illnesses. This policy also serves to outline the procedures to be used in dealing with employees under the influence of these substances.
- d. Employees required to have Commercial Drivers Licenses ("CDL") shall be governed by the County policy on drug and alcohol use by CDL employees except when vehicle operation is specifically addressed herein. Corrections Officers and Law Enforcement personnel subject to promulgated Departmental policies based upon guidelines provided by the Office of the New Jersey Attorney General shall be governed by their written Departmental policies, except when vehicle operation is specifically addressed herein. The policies below shall apply to all employees of the County not subject to the CDL policy or Department policies on the subjects of these rules and regulations.

2. The County realizes that there is a need to educate and train its workforce about substance abuse. In order to ensure that this policy will be properly instituted and fairly enforced, a training program for all supervisory personnel, and for all non-supervisory personnel, will be offered to all County employees. All supervisors and non-supervisory personnel will be required to attend this training. The training will be developed and conducted by The Department of Personnel.

### 3. DEFINITIONS

- a. "Reasonable suspicion" that an employee is using or under the influence of, or impaired by, a drug (including alcohol) may be based upon, among other things:
  - i. Observable phenomena such as direct observation of drug use, misuse and/or the physical symptoms of being under the influence of a drug; i.e., slurred speech, dilated pupils, staggering, swaying, excessive sweating, irritability;

In this policy, the terms "Drug" and "Substance" include alcohol, any illegal controlled dangerous substance under N.J.S.A. 24:21-1 et. seq., and any legal substance obtained by prescription, over-the-counter or otherwise, whose intake/misuse impairs the individual's work performance.
- c. E.A.P. - refers to the Employee Assistance Program (See Section X below).
- d. Impairment - refers to conduct or behavior on the job of an employee who is under the influence of a drug or alcohol which renders them unable to perform one or more essential functions of their job or which puts the employee, his/her fellow employee or the public at large at risk of bodily harm or property damage. The supervisor shall identify the behavior itself and objective observable manifestations perceived to be relevant to that behavior and impairment.

Lab tests shall be administered through a laboratory and use proven methodology.

#### 4. VOLUNTARY REPORTING OF SUBSTANCE USE

Employees who have experienced problems with substance abuse are encouraged to come forward and request help. The County will not take disciplinary action for substance abuse against any employee merely because they initiate a request for help. However, acts such as neglect of duty, unbecoming conduct or insubordination which have occurred, which may be due to drug or alcohol abuse, may still subject the employee to disciplinary action. The County may take into consideration mitigating circumstances before any disciplinary action is initiated against any employee who voluntarily seeks help. All information recorded voluntarily will be kept confidential and all these records will be kept separate from the employee's personnel file. Employees seeking help should contact the Employee Assistance Program.

#### 5. REPORTING OF SUBSTANCE USE

When a supervisor, or any employee, detects symptoms which he or she believes has impaired an employee and which may be attributed in whole or part to drug or alcohol use, he or she is to deal with the situation in a rational manner. The supervisor or employee should remain calm and should not become agitated or excited. The priorities in handling this situation are:

- a. Ensure that the employee is not a danger to him/herself or others. This employee should be prohibited from operating any equipment, driving a motor vehicle or having contact with the public. The employee should be accompanied to a safe area to rest and await further instruction from a supervisor or the Personnel Department. The employee shall cooperate with their supervisor when so instructed. If an employee is believed to be under the influence of alcohol or a drug is violent, threatens violence or leaves the worksite by operating a motor vehicle, the local police or the Sheriff's Department should be contacted promptly by phone by the supervisor, if present, or by a witnessing employee if no supervisor is present.

- b. Contact the Department of Personnel at 732-745-3090 and speak to a person designated by the Director of Personnel to call such calls. The supervisor should confidentially and factually report what has been observed and the action taken.
- c. The supervisor and his supervisor or another manager should carefully observe and document the times, places and all relevant behavior symptoms being displayed by the employee. This documentation should also include the names of any other people who have witnessed these symptoms or behavior. Copies of these reports, on the form attached hereto as Exhibit " 1 ", must be hand delivered to the Personnel Department as soon as possible but no later than the close of business on the next working day, and should be marked "CONFIDENTIAL".
- d. The Personnel Director, Department Head or Division Head or his designee shall evaluate the situation and determine the course of action to be taken. In the case of suspected substance abuse, the Personnel Director or the Appointing Authority or his designee will have the right to mandate the employee to submit himself/herself for testing and to recommend that the employee report to EAP. If testing is not mandated and/or it would present a safety hazard for the employee to return to work at that time, the employee shall be permitted to make or be given assistance in making alternative transportation arrangements to take the employee home, or to his/her own physician, or to the EAP. The employee shall be advised against driving themselves anywhere, if they do so, under their impairment is completely over or they can safely drive or find an alternate driver.
- e. The Personnel Director will notify the supervisor that the documentation has been received and that the Personnel Director, Department Head or Division Head has assumed responsibility for the handling of the case.

## 6. TESTING PROCEDURES

- a. It is the policy of the County, not to conduct random substance testing on its employees. The County, however, will mandate that an employee submit himself/herself for testing when the Personnel Director or designee, Department Head or Division Head has reasonable suspicion of substance use or misuse, which impairs the employee's ability to perform a function of his/her job duties. The identity of any employee who is mandated to submit to a test will be kept confidential.
- b. Failure or refusal to submit to a test, or to cooperate therewith, or any step in the procedure leading up to a test, when directed to do so by the Department Head, Division Head, Personnel Director or his designee may be considered to support a presumption of impairment and may be deemed to be insubordination, which may be grounds for discipline up to and including removal or termination.

- i. When a test is mandated by the Personnel Director, his designee, EAP, or Department Head or his designee, the employee shall be asked to sign a statement consenting to the test and authorizing the results of the test to be forwarded to the Personnel Director. This is a step in the procedure which if not complied with by the employee may be used to support a presumption of impairment.
  - ii. Urine testing will be done through a licensed laboratory which the County Department of Personnel contracts with for such testing or on a duly tested properly operating Breathalyzer machine. All costs of this County directed testing will be assumed by the County.
  - iii. Test results are not public information, therefore they will be treated as confidential. They will be shared with the employee, the employee's supervisor (on a need to know basis), and the union (when requested by the employee in writing). The results of this test will be stored in the Department of Personnel files separate from the personnel file. Results may be released to others with written permission of the employee. The results may be used by the Department and County for grievance, disciplinary actions, or court or administrative proceedings.
- c. At the time a urinalysis is performed for the County, a split sample will be properly tagged and secured for the employee for 7 days if the result is "negative", and if the result is "positive", then the specimen is to be kept for at least 90 days so that the employee may request this sample for independent analysis. When an independent analysis is requested by an employee, it shall be made to another County approved laboratory selected by the employee. The laboratory which conducted the first test for the County will be responsible for transferring the urine sample to the second County approved testing facility selected by the employee. This will ensure the security of the sample. All arrangements and costs of this analysis will be assumed by the employee.
- d. Whenever testing off County premises is directed to be done, the Department of Personnel shall make necessary arrangements with the Sheriff's Department to transport the employee to the testing location and then either to return the employee to the worksite, or to permit the employee to make alternate travel arrangements to return home, go to EAP site or to go to his/her physician's office.
- e. A determination should be made by a Department Head or his/her designee as to what screening must be done. Alcohol screening must be done within eight hours of the incident, ideally it should be done within two hours. Controlled substances must be screened for within thirty-two hours.
- f. A Department Head or his/her designee should call the Personnel Department to request on-site screening, or to expect an employee to be transported for

screening. If there is any difficulty connecting to this number, call \_\_\_\_\_. It is important to bring to the site a supply of the controlled substance requisition forms which has previously been supplied. Forms necessary for the alcohol screening will be supplied by the technician.

- g. A Department Head or his/her designee can call Communication 745-3271 to arrange for any necessary employee transportation.
- h. The Personnel Department must be notified the following business day of any incidents which may have occurred.
- i. If there are any questions concerning this procedure, contact the Personnel Department

#### 7. POSITIVE TEST RESULTS

- a. When an employee tests positive for drugs or alcohol, a number of factors will be considered in arriving at an appropriate course of action. Factors which may serve to affect discipline are whether or not there are any previous positive test results, previous disciplinary decisions against the employee, the employee's conduct and the employee's willingness to seek help and to follow through with a treatment plan.

#### 8. REHABILITATION COUNSELING

- a. Employees found to be under the influence of drugs or alcohol during working hours or those who voluntarily seek help, who have available leave time either paid or unpaid, may seek a temporary leave of absence utilizing their available leave time at the discretion of their Department Head to attend a rehabilitation program when advised to do so by the EAP, Director of Personnel or his designee. The employee may apply for temporary disability.
- b. The County commits to hold open the employees job while he is in full-time attendance of a County approved rehabilitation program for six (6) weeks per calendar year, subject to displacement through normal Department of Personnel procedures such as certification against provisionals, lay-offs, expiration of temporary position, etc.
- c. Employees who are found distributing, selling or possessing a drug or drugs on the County premises, or in County vehicles, may be subject to immediate removal, and therefore may not be granted a temporary leave of absence.
- d. The County will not be required to grant further temporary leaves of absence for detoxification or rehabilitation if a test, taken after the employee has had a reasonable opportunity prior thereto to be detoxified and rehabilitated, should the

presence of an illegal or misused drug or alcohol. Each case will be reviewed individually and a determination will be made as to whether or not another leave will be granted. This decision will be made on a case-by-case basis.

9. OTHER INSTANCES OF SUBSTANCE ABUSE

- a. The County is concerned with drug and alcohol misuse problems which adversely affect the employee's work performance. It must be realized that during non-working hours, drug or alcohol use or misuse may have an adverse impact on the employee's job performance.
- b. Employees convicted for drug offenses may automatically forfeit their job in accordance with New Jersey Criminal Code 2C:51-2.
- c. Employees who have their licenses suspended for driving while under the influence of a drug or alcohol and whose job requires them to possess and use a valid driver license may be terminated for inability to perform their job duties. Employees who have been convicted of a drug charge on the job must under Federal law report same to the Employer.
- d. The use of a County vehicle while the employee is under the influence of a drug or alcohol may result in loss of driving privileges of County vehicles for not less than six (6) months in addition to the possibility of disciplinary action up to and including termination.

10. EMPLOYEE ADVISORY SERVICE ("EAP")

- a. Employees who have a drug abuse problem and need help can confidentially call with the information Personnel/EAP. This information will not be used to discipline the employee but will result in the employee being offered counseling concerning substance abuse.
- b. Employees are also reminded that the EAP is available for their use without charge for initial evaluation. Employees need not wait until they have problems on the job or have been referred there before they use it.
- c. If the EAP directs the employee to undergo follow-up testing, the cost of this testing shall be borne by the employee and/or their insurance to the extent the insurance pays for any of this.
