1. Purposes of Fee. All eligible non-member employees in this Bargaining Unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

2. Amount of Fee.

a. Prior to the beginning of each contract year, the Union will notify the employer in writing of the amount of regular membership dues; initiation fees and assessments charged by the Union to its own members for that contract year, and the amount of the representation fee for that contract year.

b. The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. a. Deduction and Transmission of Fee. a. After verification by the Township that an employee must pay the representation fee, the Township will deduct the fee for all eligible employees in accordance with this Article.

b. The mechanics of the deduction for representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

c. d. The Township shall deduct the representation from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this Bargaining Unit.

4. Demand and Return System.

a. The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

b. The burden of proof under this system is on the Union. The Union shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

c. The employee shall be entitled to a review of the amount of the representation Fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and procedures established by the Union.

d. The Union shall submit a copy of the Union review system to the Township. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system. If the employee is dissatisfied with the Union's decision he may appeal to a three-member board established by the Governor.

Courses and costs must be presented in a written memo, to the Department Head and Township Manager prior to enrollment for their approval.
