### **Article Two**

#### **EXISTING LAW**

The provisions of this Agreement shall be subject to and subordinate to, and shall not

annul or modify existing applicable provisions of the State or Federal Laws or Civil Service Commission Administrative Regulations. Disputes arising exclusively under such laws or regulations shall not be grievable under Article Six of this Agreement.

### **Article Three**

#### **PAYROLL DEDUCTIONS FOR ASSOCIATION DUES**

##### **Section 1**

Upon request, the County agrees to deduct from the salaries of those of its employees who authorize it, membership dues from the Association. Authorization must be in writing and comply with the provisions of N.J.S.A. 52;14-15.9e of the Statutes of New Jersey. Deductions shall be made in compliance with the law, and monies collected together with a listing of the employee, shall be transmitted to the treasurer of the Association by the fifteenth (15th) day of each month following collection.

#### **ASSOCIATION REPRESENTATIVES, RIGHTS AND ACTIVITY**

##### **Section 1: Association Representatives**

The Association shall have the right to designate such members of the Association as it deems reasonably necessary as Association representatives, who shall not be discriminated against due to their legitimate Association activities.

##### **Section 2: Association Rights**

###### **A. Access to Premises**

1. (a) Upon twenty-four (24) hours advance notice the Association President or Vice

President shall be admitted to the premises of the County for the purpose of conducting legitimate Association business, provided this does not interfere with or interrupt normal operations of the employer's facility. Admittance to the Warren County Correctional Center shall not be afforded to said Association representatives during meal periods and lock up periods.

(b) Said representatives shall have the opportunity to consult with employees in the negotiations unit. The County shall designate appropriate places for said consultations. Such consultations may be held provided they do not interfere with or interrupt the orderly flow of work and normal operations of the employer's facility.

(c) The employer's permission, which shall not be unreasonably denied, must be obtained in advance of admission to the premises and/or consultation with employees, as set forth in subsections (a) and (b) above. Reasons for denial shall be stated in writing, in the absence of which, permission is deemed granted.

### Section 3: Association Activity

A. The County agrees that during working hours and without loss of pay the number of designated Association representatives set forth below shall be permitted to engage in the activities specified, provided prior approval is granted by the Warden or his designee and provided participation in such activities does not interfere with or interrupt the normal operations of the employer's facility:

1. Two (2) Association representatives, namely the Association President and Vice President, shall be permitted to represent an employee at a grievance meeting. The aggrieved employee will also be permitted to attend the meeting without loss of pay. In his discretion, the Warden may permit other employees to attend a grievance meeting without loss of pay. Failure of the Warden to excuse from duty more than the said two Association representatives and the employee shall not be grievable.

2. Up to two (2) Association representatives who are on duty on the same shift shall be permitted to attend negotiations meetings with the County's representatives without loss of pay. Up to two (2) additional employees who are off duty may attend negotiations meetings provided they are authorized to do so by the Association. A total of no more than fifteen (15) paid days shall be taken in any one calendar year under the terms of this Section. This leave is to be used exclusively for the purpose stated. Notification of the need to use such leave shall be given to the Warden in writing at least fourteen (14) days in advance by the Association. The Association agrees to make its best efforts to avoid creating an overtime situation in selecting attendees. The County agrees to cooperate in work scheduling to accommodate the foregoing.

### **Article Five**

#### **MANAGEMENT RIGHTS AND RESPONSIBILITIES**

##### Section 1

In order to effectively administer the affairs of the County Government and to properly serve the public, the County of Warren hereby reserves and retains unto itself, as public employer, all the powers, rights, authority, duties and responsibilities conferred upon and vested in it by law prior to the signing of this Agreement. For the purpose of this Agreement, these meetings, which shall not exceed four (4) per year except upon mutual consent, are not intended to bypass the grievance procedure nor to be considered collective negotiation meetings, but rather are intended as a means of fostering good and sound employment relations through communications between the parties.

B. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such meeting.

C. A maximum of two (2) representatives of the union may attend such meeting and if held during regular work hours, they shall be granted time to attend without loss of pay.

#### **Article Six**

### **GRIEVANCE PROCEDURE**

#### Section 1: Definition

A. Grievance: A grievance is an alleged violation of terms and conditions of employment as set forth in this Agreement or any dispute with regarding to the Agreement's meaning or application. (This is also referred to as a contractual grievance.) A grievance as defined herein shall also include a dispute concerning the meaning, interpretation or application of personnel policies or administrative decisions affecting the welfare of an employee covered under this Agreement. Such latter grievance, which is known as a non-contractual grievance, may only be processed to Step 2 below. The term grievance (including contractual and non-contractual) and the grievance procedure

set forth herein shall not apply:

1. To matters which involve the interpretation or application of a Civil Service Rule or Regulation or N.J.S.A. Titles 11 and 11A (Civil Service), and in which method of review is prescribed by law, rule or regulations;
2. To matters which involve the interpretation or application of any other State or Federal statutes or rule or regulation of any Federal or State agency and in which a method of review is prescribed by law, rule or regulation;
3. To matters where the County is without authority to act;
4. To those matters which the Association raised or could have raised during the negotiations that led to this Agreement;
5. To those matters excluded from the grievance procedure by other provisions of this Agreement.

B. Immediate Superior: An employee's immediate superior is the person to whom the aggrieved employee is directly responsible under the prevailing Table of Organization.

#### Section 2: Purpose

The purpose of the grievance procedure is to secure equitable solution to the problems affecting employees arising under this Agreement.

The parties agree that disputes shall be resolved at the lowest possible administrative level. Thus the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual and his immediate superior and only in the event that such discussion fails to produce a satisfactory adjustment of the complaint shall it be reduced to writing and submitted as a grievance.

#### Section 3: Steps of the Grievance Procedure

Step 1: An aggrieved employee must file his grievance in writing with his immediate superior within ten (10) calendar days of the occurrence of the matter complained of or within ten (10) calendar days after he would have reasonably been expected to know of its occurrence. In order for a written grievance to be timely and effective, the written grievance must set forth a statement of the factual and legal contentions upon which the grievant relies, and statement of the contract violation(s) alleged (if any), a statement of the results of prior discussions thereon, and a statement explaining why the grievant is dissatisfied with such results. The grievant shall be prohibited from subsequently expanding the matters contained in the written grievance, except for additional matters that occurred subsequent to the date the written grievance was filed.

If the grievance is not resolved satisfactorily or if no written decision is made within five (5) working days by the immediate superior, the employee may present his grievance to the Warden, setting forth the reasons for his dissatisfaction with his immediate superior's decision.

Step 2: In the event there is not a satisfactory resolution of the grievance at Step 1 or an answer given within the time provided, the aggrieved employee may present his grievance to the Warden within five (5) calendar days thereafter. Upon receipt of the grievance, the Warden shall investigate the grievance and shall render a written decision thereon within ten (10) calendar days. Grievances involving the meaning, interpretation or application of personnel policies and/or administrative decisions shall be finally decided at this Step by the Warden or his designee. Only contractual matters may be appealed to Step 3 or higher.

Step 3: In the event there is not a satisfactory resolution of the grievance at Step 2 or an answer given within the time provided, the grieved employee may present his grievance to the Board of Chosen Freeholders or their designated representative within ten (10) calendar days thereafter. To be timely and effective, the written grievance must set forth a statement of the factual and legal contentions upon which the grievant relies, a statement of the contract violation(s) alleged (if any), a statement of the results of prior discussions thereon, and a statement explaining why the grievant is dissatisfied with such results. The grievant shall be prohibited from subsequently expanding the matters contained in the written grievance, except for additional matters that occurred subsequent to the date the written grievance was filed. Upon receipt of the grievance, the Board of Chosen Freeholders or their designated representative shall investigate the grievance and shall render a decision thereon within ten (10) calendar days.

Step 4: If the grievance is not settled through Step 3, then either the Association or the County may move an arbitrable grievance to arbitration by notifying the Public Employment Relations Commission. The request for arbitration shall be made within fourteen (14) calendar days after decision is rendered at Step 3. Request for arbitration shall be made upon written notice to the opposing party.

An arbitrator shall be selected in accordance with the Rules and Regulations of the agency where the arbitration has been filed, and shall be appointed to hear the grievance and render his award in writing. The award shall set forth the facts and the arbitrator's reasons for reaching his result, and shall be final and binding on both parties, subject to applicable review procedures under Title 2A. The cost of the arbitrator's fee shall be paid by the losing party as well as all other costs reasonably related to the arbitration including the prevailing party's attorney's fees. The arbitrator

shall hold a hearing at a time and place convenient to the parties and shall issue his decision within thirty (30) calendar days after the close of the hearing unless the time for rendering the award is extended upon the consent of the parties. The arbitrator shall only consider a dispute which comes within this Article (i.e., a contractual grievance as defined above) and shall interpret this Agreement as written and shall have no authority to alter, amend, or add to or delete from the terms of this Agreement.

If the County fails to meet on any grievance and/or answer any grievance within the prescribed time limits as herein above specified, the grievance may be processed to the next step of the grievance procedure if it is otherwise allowed by this Article.

#### Section 4: Representation

In the presentation of a grievance, an employee shall have the right to present his grievance or to designate a representative to appear with him at any step in his grievance. An employee is entitled to be represented by an attorney of his own choosing at Steps 3 and 4.

#### Section 5: Exclusivity and Timeliness

This grievance procedure shall constitute the exclusive method for raising disputes covered by the terms of this Article Six. The failure to file or process a grievance in accordance with the time lines herein shall constitute an abandonment of the dispute. Nothing herein shall prevent the parties from mutually agreeing in writing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.

#### Section 6: Discipline

A. The parties agree that all disciplinary actions shall be appealed through this Section 6 and shall be in accordance with the New Jersey Civil Service Rules, as applicable to employees in Local Service.

The County agrees to abide by the Attorney General Guidelines concerning internal affairs policy and procedures, which guidelines are incorporated herein by reference.

B. Employees as defined in N.J.A.C. 4A:2-2.1 shall be subject to major discipline as defined in N.J.A.C. 4A:2-2.2 and minor discipline as defined in N.J.A.C. 4A:2-3.1(a) for the general causes set forth in N.J.A.C. 4A:2-2.3.

C. A provisional or temporary employee may be disciplined at any time at the discretion of the Employer. A provisional or temporary employee who has been disciplined shall have no right of

appeal or to a disciplinary hearing unless as otherwise provided by law or by the terms of this Agreement, provided, however, that a provisional employee employed continuously for six (6) months or more may have a hearing with the Freeholders or their designee as provided below, with no right of appeal beyond that.

D. If an employee is entitled to a hearing under this Section 6, the hearing shall be conducted by the Warren County Board of Chosen Freeholders or their designee, and pursuant to such rules or procedures which the Freeholders shall deem appropriate or as required by the New Jersey Civil Service Rules and Regulations.

E. Employees shall be provided with the appropriate Civil Service disciplinary notice. Any employee appealing such action within ten (10) days of receipt of the notice shall be granted a disciplinary hearing. If the employee is not satisfied with the decision of the Freeholders or their designated hearing officer, the employee may appeal as permitted by law to the Civil Service Commission for a hearing before an Administrative Law Judge. Appeals from minor disciplinary decisions may be submitted to final and binding arbitration (pursuant to the procedures set forth in Step 4 of the above Grievance Procedure) to the extent permitted by law.

F. The Freeholders' designated hearing officer, if any, in such disciplinary hearings shall be chosen with a view to his objectivity and in no case shall the said hearing officer be the person who brought or prepared the charges against the employee.

G. At any disciplinary hearing, the employee may be represented by any union representative or attorney of his choice.

H. The employee's representative will be provided, upon request, at least four (4) days prior to the hearing, with all written documents and statements which will be used against the employee at the hearing, as well as a list of witnesses that will be called by the Employer. At least two (2) days prior to the hearing, the employee's representative shall provide to the Freeholders or their representative copies of all documents and written statements the employee intends to rely upon at the hearing and names and addresses of all witnesses.

I. All such hearings shall follow the following format:

1. Reading of charges and specifications
2. Presentation of case by the County
3. Presentation of case by the appellant
4. Rebuttal by County and appellant, if necessary
5. Summation of case by appellant

6. Summation of case by County

J. Direct and cross-examination of witnesses shall be allowed. Either party may request that witnesses be sequestered. The Freeholders or their designated Hearing Officer, if any, may determine that witnesses be sequestered without a request from either party.

K. Whenever written eyewitness accounts of incidents are used as evidence the person who signed such document shall be available for cross-examination or the documents cannot be used at that hearing.

L. The Freeholders or their designated hearing officer shall render his decision within twenty (20) days of the close of the hearing. Said decision shall include discussion of testimony or evidence, specific findings of fact and conclusions based on findings of fact and applicable laws and rules and regulations.

#### Section 7

At the time of separation from service any advanced sick, vacation or personal time shall be paid back out of the employee's final pay check.

### **Article Eight**

### **OVERTIME**

#### Section 1

All employees in full-time positions shall be paid time and one-half prorated on their current salary for such time as they are requested to work in excess of their normal workweek. It shall be the policy of the County that no overtime shall be allowed for work which could be accomplished during the normal working hours; therefore, accompanying the vouchers submitted for overtime pay must be a statement submitted by the Warden or his designee certifying to the necessity and reason for overtime. #### Section 5

The County shall provide seven days notice prior to the change of an employee's shift, but only in the event the County is aware of the need for a shift change at least seven days in advance of such change. If less than seven days notice is given under the circumstances described above, the employee will be paid at the rate of time and one half.

#### Section 6

Employees shall be paid double time for each hour worked by them during a storm or other emergency when the storm day or emergency is officially declared by the Employer and nonessential employees are officially excused from work or from reporting to work. This Section only applies to countywide circumstances. The word "officially" as used in this paragraph shall mean only an official declaration by either the County Administrator or the Board of Chosen Freeholders.

### **Article Nine**

#### **VACATIONS**

#### Section 1

All permanent or provisional full-time employees covered by this agreement and eligible for vacation leaves with pay shall be entitled to the use of vacation Leave as provided herein.

1. One working day of vacation for each month of employment during the first calendar year of employment.
2. Twelve working days of vacation from one through five years of service.
3. Fifteen working days of vacation from six through twelve years of service.
4. Twenty working days of vacation from thirteen through twenty years of service.
5. Twenty-five working days of vacation from the twenty-first year of service.

## Section 2

Vacation leave is credited and advanced at the beginning of the calendar year in anticipation of continued employment for the full year and may be used on the basis and in accordance with established employer policy. Vacation allowances must be taken during the current calendar year at such time as permitted or directed by the department head, unless the department head determined it cannot be taken because of pressure of work. Only one year of earned vacation allowance may be carried forward to the next succeeding year. Where an employee has earned vacation in excess of one year allowance as of October 1, the employee will meet with his supervisor to schedule such vacation time as may not be carried into the succeeding calendar year, so that no accrued vacation time will be lost.

## Section 3

Upon separation from the County or upon retirement, an employee shall be entitled to vacation allowance for the current year prorated upon the number of months worked in the calendar year in which the separation or retirement becomes effective and any vacation leave which may have been carried over from the preceding calendar year.

## Section 4

When a vacation allowance for an employee changes based on his years of service during any calendar year, the annual allowance shall be computed on the basis of the number of full months at each rate. The new rate shall be effective on the first day of the month of the anniversary of employment if the date of employment is from the first day of the month through the fifteenth day of the month. The new rate shall be effective on the first day of the month following the anniversary date of hire if the date of employment is from the sixteenth day of the month through the last day of the month.

## Section 5

The Employer and his delegated representatives shall attempt to schedule work, in so far as possible, to preclude changes in the vacation scheduling.

## Section 6

Employees shall submit a request for vacation time of five (5) consecutive workdays or more, with first and second choices. The first choice for the first two (2) weeks requested shall be scheduled where practicable on the basis of seniority within specific job title classifications. No more than three (3) superior officers shall be permitted to be absent at any one time, it being understood that the county reserves the right to transfer employees to cover for employees on

vacation, and it being further understood that whenever an employee is on National Guard (or similar military) duty the maximum number of employees on vacation shall be reduced to two (2). Vacations of less than five (5) consecutive workdays may be scheduled by mutual agreement between the employee and his supervisor or department head.

After the vacation selections according to seniority (“seniority picks”) have been concluded, additional selections for vacation leave may be submitted for one or more days. These selections will be granted subject to availability of the time according to the master vacation schedule and advance notice to administration of at least 21 days and administrative approval. Vacation days may not be taken in single day increments on weekends or holidays.

Requests for vacation leave made after completion of the seniority picks but not made 21 days in advance may be granted subject to the development of the work schedule for the period in which the vacation leave is desired and the staffing requirements for that period as determined by administration.

The vacation policy as described above is intended as an ongoing method to ensure the maximum ease of access to accumulated vacation leave time for staff. It shall not nor is intended to compromise or infringe upon management rights as described in Article Five of the labor agreement.

#### Section 7

If a permanent employee dies having vacation credits, a sum of money equal to the compensation figured on his salary rate at the time of death shall be calculated and paid to his estate or legal representative.

#### Section 8

No vacation days shall be taken for less than a full day, except at the discretion of the department head.

#### Section 9

Employees shall not be credited with vacation time if they are on an approved leave of absence without pay for period in multiples of one month or major part thereof.

Washington's Birthday (Third Monday in February)

Easter Sunday

Memorial Day (Last Monday in May)

Independence Day

Labor Day

Columbus Day (Second Monday in October)

Election Day

Veteran's Day

Thanksgiving Day and the Friday succeeding the same

Christmas Day

## Section 2

Holidays shall be celebrated on the days on which they occur for all purposes including the receiving of holiday pay. However, with regard to employees who work Monday through Friday with weekends off, when holidays fall on a Saturday or Sunday respectively, said holidays shall be celebrated on Friday or Monday respectively.

## Section 3

A. Employees working on legally declared holidays shall be paid holiday pay as defined in Article Eight above. With regard to the scheduling of compensatory days off, the first through the fourth such days off in any calendar year shall be requested by the employee to occur by no later than August 1<sup>st</sup>, but no weekend day may be selected. Any days not scheduled by August 1<sup>st</sup> shall be scheduled by the Warden. Requests shall be made at least fourteen (14) calendar days in advance, which request shall be granted by the employer provided that the requested day off may be granted without interference with the proper conduct of the government function involved. Any compensatory days off beyond the fourth in any calendar year shall be scheduled by the Employer.

B. In order to qualify for holiday pay, employees must work their scheduled workday immediately preceding and scheduled workday immediately following the holiday, unless on

excused absence. An excused absence includes an absence for which a note from a doctor is tendered by an employee, subject to verification by the Employer.

C. In order to achieve the Employer's needs in terms of minimum manning on holidays, the employees who are permitted to be off will be selected on the basis of a "first come, first served. If additional selections are required, such selections shall be based upon the employees having the greatest number of accrued and unused holiday compensatory days off.

D. In the event that low staffing levels or other circumstances make it advantageous to the efficient, effective and secure operation of the facility, the Warden or his designee may offer, by December 1 of each calendar year, all affected employees the opportunity to be paid for any unused holiday compensatory days remaining at that time. Said payment will be included in the regular December pay cycle.

The rate of pay for these unused holidays will be the regular rate including applicable shift differential.

Employees may notify the Warden of the willingness to take this option, if offered, at any time during the year. If the situation arises in which it proves useful and advantageous to do so, the employee may be given that opportunity.

#### Section 4

In addition to the aforementioned holidays, the County will have the option to grant a holiday when the President of the United States as Chief Executive of the U.S. declares a holiday by proclamation; or when the Congress of the United States shall pass and declare a holiday to be legal under the laws of the U.S., or when the Governor of the State of New Jersey shall pass and declare a holiday to be legal under the laws of the State of New Jersey. Additionally, if the County elects to close any County office by virtue of a County declared holiday for that office (including weather related closings), and the employees in this unit are required to work on such declared holiday, such employees shall be entitled to equivalent compensatory time off to be scheduled by the employees on such dates as are approved by the Warden or the Warden's designee.

### **Article Eleven**

#### **LEAVES OF ABSENCE**

##### Section 1: Sick Leave

Sick leave shall accumulate at the rate of one day per month in the first calendar year of service, commencing in the first month or major portion thereof, from the date of hire.

Beginning with the second calendar year of employment, in anticipation of continued

employment, employees shall be credited with fifteen (15) sick days as of January 1 of the calendar year. If separation from employment occurs before the end of said year and the employee has used more sick leave than appropriate on a pro rata basis, he shall have an amount equal to his daily rate of pay deducted from his final pay for each day of sick leave in excess of the number to which he was entitled.

Employees shall not be credited with sick leave days if they are on an approved leave of absence without pay for periods in multiples of one month or major part thereof.

Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, or illness in immediate family, accident or exposure to contagious disease.

Sick leave may also be utilized for the purpose of prenatal care and/or birth of an employee's child.

#### Sick Leave Verification

1. At the discretion of the appointing authority, he may at any time require the employee seeking sick leave to submit acceptable medical evidence on county-approved form.

2. If an employee is absent for five consecutive working days, a doctor's certificate may be required upon returning to work.

3. For sick leave totaling more than fifteen days in a calendar year, a doctor's certificate shall be required upon returning to work.

4. Up to two weeks sick leave shall be approved to any employee for emergency attendance upon a member of his immediate family (father, mother, spouse, child, foster child, sister, brother, or other near relatives residing in the employee's household) critically ill and requiring the presence of such employee. Additional sick leave may be granted by the Board of Chosen Freeholders if special circumstances so require.

5. If all bereavement leave set forth below in Section 6 has been exhausted, then up to two weeks sick leave may be approved because of death in the immediate family as that term is defined in Section 1 (4) above.

6. If the sick leave is not approved by the employer, time off taken will be charged against any available leave time. If the employee does not have any available leave time, the employee will suffer loss of pay for such time off taken.

7. An employee who does not expect to report to work because of personal illness or for any of the reasons included in the definition of sick leave in Civil Service Rule 4A:6-1.3, shall notify the on-duty supervisor by telephone at least one (1) hours prior to the beginning hour of work

for his position. Notification on less than one (1) hours notice may be acceptable only in extremely compelling circumstances that are documented to the Warden's satisfaction.

#### Section 2: Unused Sick Leave -Retirement

A permanent employee who enters retirement (other than deferred retirement) from the Employer's service and has to his credit any earned and unused accumulated sick leave shall be entitled to receive supplemental compensation for such earned and unused accumulated sick leave. The supplemental compensation to be paid shall be computed at a rate of one-half of the eligible employee's daily rate of pay for each day of earned and unused accumulated sick leave based upon the average annual compensation received during the last year of his employment prior to the effective date of his retirement provided, however, that no such supplemental compensation payment shall exceed \$15,000.00. This supplemental compensation shall be paid in a lump sum after the effective date of retirement or at the option of the employee on quarterly dates: January 1, April 1, July I and October 1, with payments beginning on the quarterly date next following the date of retirement.

The foregoing reference to the option of the employee, is predicated upon the employee notifying the County of his intention to retire by no later than October 1 of the calendar year prior to the calendar year in which retirement shall be effected. If such notification does not occur until subsequent to said October 1 date, then the aforesaid option shall be the County's rather than the employee's it being understood that the County will make its best efforts to honor the employee's preference.

#### Section 3: Worker's Compensation Insurance & Sick Leave Injury Insurance

The employer agrees to purchase and maintain in force sick leave injury insurance to cover all employees for work loss due to injuries received on the job. The county was informed by its carrier that any members of the SERT team participating in training exercises at the county correctional center, even if doing so on their own time without pay, are protected by the county's worker's compensation insurance coverage if injured during such participation.

The employee shall receive full pay from the first day for an on-the-job injury. Sick leave injury will not be charged to the employee's sick leave. Worker's Compensation and insurance accident reports must be filed with the Employer's Office in accordance with current county policy. Future changes can be made unilaterally only if required by the County's insurance carrier. The County agrees to provide thirty (30) days advance written notice to the Association of any proposed change to such policy.

The insurance carrier will issue the Worker's Compensation checks to the County for disbursement to the employee and the County will also issue, to the employee, the portion representing the difference between the compensation payment and the employee's full salary.

The Employer or the sick leave insurance carrier at their discretion may, at any time, required the employee on sick leave injury time to submit to a physical examination by a physician of the Employer's or insurance carrier's choice.

If the sick leave injury leave is not approved by the Employer and/or sick leave insurance carrier after examining all evidence submitted by the employee, including witnesses, if requested and all evidence required to substantiate the claim including the opinion of the examining physician then the time involved during which the employee was absent shall be charged to his sick leave credit, if any, and/or his vacation credit, if any; otherwise the employee shall suffer loss of pay for such time loss.

A total amount of up to one year's compensation shall be paid by the sick leave injury insurance for work loss caused by an injury received on the job provided the aforesaid requirements are complied with.

A doctor's certificate authorizing an employee to return to work shall be required upon returning to work from Sick Leave Injury or after receiving Worker's Compensation.

It shall be the policy of the County that any employee absence qualifying under worker's compensation be considered as, and run concurrent to, an absence covered under the Federal Family Leave Act. In other words, a worker compensation injury will, going forward from the signing of this agreement, simultaneously qualify as an absence under the County's Federal Family Leave Policy.

#### Section 4: Maternity Leave

Employees covered by this Agreement shall be entitled to maternity leave as hereinafter set forth. An employee shall notify the Employer of her pregnancy as soon as it is medically confirmed but no later than the end of the third month of the pregnancy. Except for reasons of health and safety or inability to perform her job, the pregnant employee shall be permitted to work provided the attending physician approves and so advises in writing. Such employee shall be granted any earned and accumulated sick leave during the time prior to the expected date of confinement and for six weeks after the actual date of birth. Additional time beyond the six weeks shall be granted upon presentation of doctor's certificates setting forth the necessity therefore. Additional time off associated with maternity, other than the medically related sick leave mentioned above may be

requested as leave without pay, provided that in no event shall such leave extend beyond one years duration. Such leave without pay requests are subject to the provisions of Section 9 below, with the following exception: the employee may request a leave with pay without having first exhausted accumulated sick leave.

#### Section 5: Administrative Personal Leave

Employees covered by this Agreement shall be entitled to four (4) days of administrative personal leave of absence with pay in each calendar year.

Administrative personal leave may be used for emergencies, observation of religious or other days of celebration (but not holidays as defined herein), personal business or other personal affairs such as death in the employee's immediate family, but not limited thereto.

Newly hired employees shall be granted one full day of administrative personal leave after each three calendar months of employment to a maximum of four days during the remainder of the calendar year in which he is employed.

Administrative personal leave shall be granted by the Employer upon request of the employee and leave shall be scheduled in advance, provided the request may be granted without interference with the proper conduct of the government function involved.

Requests for Personal Leave will be granted so long as the granting of leave does not take the staffing level of the shift below minimum.

This commitment will be honored under all circumstances except in situations requiring full or heightened security within the Correctional Center as determined by the Warden or his designee.

A request made for personal leave which will take the shift below minimum (causing overtime) may still be granted provided the reason for the request constitutes an emergency situation and the superior officer declares his need as such when the request is made.

The Warden reserves the right to review the declaration of an emergency after the fact and to require proof of emergency to his satisfaction. The Warden (or his designee's) decision as to whether a situation qualifies as an emergency will be final and not subject to appeal beyond Step 3 of the grievance procedure, see Article Six, Section 3.

Such administrative personal leave credit shall not accumulate. Unused balance in any year shall be canceled at the end of the calendar year.

#### Section 6: Bereavement Leave

The County shall provide bereavement leave with pay not to exceed three (3) working days in the case of death of an employee's spouse, children, brothers, sisters, mother, father, mother-in-

law, father-in-law, grandchildren or grandparents. Additional days may be approved by the Warden in advance and charged against administrative personal leave.

The County may provide one working day's bereavement leave with pay in the case of death of a relative of the second degree, that is, uncle, aunt, niece, nephew, cousin, sister-in-law or brother-in-law provided the granting of such leave by the Warden is not grievable under his contract.

As soon as possible, an employee shall notify the Warden of a death in his family, and of his need for leave. Notification must be given as in the case of Sick Leave. Proof of death may be required by the County.

#### Section 7: Jury Duty:

Should any employee be obligated to serve as a juror, he shall receive full pay from the Employer for all time spent on Jury Duty less any remuneration received from the court for such service. In the event an employee is excused from jury duty prior to one-half the employee's workday having been concluded, such employee shall promptly report to work for the balance of the workday. For employees serving jury duty outside of Warren County, travel time, distance and location should all be considered in determining whether an employee may be able to return to work if released early from jury duty. This determination shall be made by the department head, with the assistance of the personnel director if necessary.

Employees who are "on call" for jury duty and not actually serving said duty shall not be excused from work. They shall report for work at their normal starting time and shall work as usual unless excused by the Warden or his designee if they are called for active jury duty.

Employees must obtain a certificate from the County Clerk's Office certifying the number of days the employee served on Jury Duty and submit the certificate to the Freeholders' Office.

#### Section 8: Leaves

Except as provided under Section 4 of Article Four, proper and authorized leaves as provided in the Rules of the Civil Service Commission shall be recognized and constituted as part of this Agreement and are incorporated herein by reference. Leave for Association activity is governed by Section 4 of Article Four of this Agreement. Family Leave is governed by the Warren County Family Leave Policy.

#### Section 9: Leaves Without Pay

The grant or denial of request for leave without pay is discretionary with the County. The request must be made in advance and must be recommended by the Warden, with the appointing authority retaining the ultimate decision-making power. If the Warden is opposed to the request, the

employee shall have the right to file a written submission with the appointing authority. The appointing authority shall have the discretion, on his own or at the employee's request, to schedule a meeting with the employee and his union representative, to discuss the request. The decision of the appointing authority shall be final and non-reviewable. A leave without pay request based upon non-job-related medical reasons where a physician has indicated that the employee cannot work, will require the employee to first exhaust accumulated sick leave. If the leave without pay request is denied, the employee is expected to report to work and the employee's absence under such circumstances will be considered Absence Without Leave (AWOL) which will give the County cause for discipline in accordance with Civil Service Commission procedures.

#### Section 10

If an officer dies while in active employment status with Warren County, earned and unused leave time balances for vacation leave, administrative leave, holidays and compensatory time, shall be paid to the deceased officers designated beneficiary as acknowledged by the New Jersey Division of Pensions and Benefits, Police and Firemen's Retirement System. Such compensation shall be calculated upon the deceased officer's base salary rate at the time of death.
