ARTICLE V

GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A "Grievance" is a claim by an employee or the Association based upon the interpretation, application or violation of this Agreement, policies, or administrative decisions affecting an employee or a group of employees.

2. Aggrieved person

An "Aggrieved person" is the person or persons or the Association making the claim.

3. Party in interest

A "Party in interest" is the person or persons making the claim including the Association or the Board.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Level One - principal or immediate supervisor

An employee with a grievance shall first discuss it with the elementary school principal or immediate supervisor within ten (10) school days, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

Level Two - General Supervisor

If the aggrieved person is not satisfied with the decision of his grievance at Level One, or if no presentation is made within five (5) school days after the presentation of his grievance, he may file the grievance with the General Supervisor, within five (5) school days after the decision at Level One, or fifteen (15) school days after the decision at Level Two, whichever is sooner. Within five (5) school days of receiving the written grievance, the Association shall advise the General Supervisor.

Level Three - Assistant Superintendent Business/Board Secretary

If the aggrieved person is not satisfied with the decision of his grievance at Level Two, or if no presentation is made within ten (10) school days after the presentation of his grievance to the General Supervisor, he may, within five (5) school days after the decision of the General Supervisor or the Assistant Superintendent Business/Board Secretary, whichever is sooner, submit his grievance to the Association. The Association may submit its grievance to the Assistant Superintendent Business/Board Secretary.

Arbitration

If the aggrieved person is not satisfied with the decision of his grievance at Level Three, or if no presentation is made within fifteen (15) school days after the presentation of his grievance to the Assistant Superintendent Business/Board Secretary, he may, within five (5) school days after the decision of the Assistant Superintendent Business/Board Secretary, request in writing that the grievance be referred to arbitration. If the grievance is meritorious, it may be referred to arbitration by the American Arbitration Association. The parties shall be notified of the arbitration procedures of the American Arbitration Association.

The parties shall confer with the Association and hold a hearing and issue his decision not later than the date of the hearing or, if the hearing is held, then from the date the hearing is held. Issues are submitted to him in writing and shall be

his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.

(c) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Employee to Representation

1. Employee and Association

Any aggrieved person may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative(s) selected by himself or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. Reprisals

No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Group Grievance

If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the School Business Administrator directly and the processing of such grievance shall be commenced at Level Three. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2. Written Decisions

All decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted

promptly to all parties in interest and to the Association. Decisions rendered at Level Four shall be in accordance with the procedures set forth in Section C, Paragraph 5(b) of this ARTICLE.

3. Forms

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the School Business Administrator and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

4. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this ARTICLE.

5. Upon the occurrence of a grievable event, the employee shall continue to perform as required by his supervisor and then commence the grievance procedure.

6. The following matters shall not be arbitrable:

(a) The failure or refusal of the Board to renew a contract of an employee;

(b) In matters where a method of review is prescribed by law, or by any rule or regulation of the State Commissioner of Education or the State Board of Education;

(c) In matters where the Board is without authority to act;

(d) In matters where the discretion of the Board may not be unlimited, but where, after the exercise of such discretion a further review of the Board's action is available to employees under provisions of State Law.

ARTICLE VI

SENIORITY

- A. Seniority for the purpose of this Article shall be based upon an employee's continuous length of service with the Board.
- B. All employees shall be considered as probationary employees for the first sixty (60) days of their employment. Probationary employees may be disciplined or terminated at any time during their probationary period at the sole discretion of the Board, without recourse to the provisions of the grievance procedure of this Agreement.

Upon completion of such probationary period, their seniority will be dated as of the date of commencement of their employment.

- C. In the event that two (2) employees commence their employment on the same date, their respective seniority shall be determined by alphabetical order of their last names.
- D. The Board shall maintain a seniority list of employees, copies of which shall be furnished to the Union upon request but not more than three (3) times in a contract year.
- E. An employee's seniority shall cease and his/her employee status shall terminate for any of the following reasons:
 - 1. Resignation or retirement;
 - 2. Discharge for cause;
 - 3. In the event of a lay-off, an employee's employment status shall cease immediately upon lay-off, however, seniority shall not be lost except in case of continuous lay-off for a period exceeding nine (9) months.
 - 4. Failure of laid-off employees to report for work either, (1) on the date specified in written notice of recall mailed seven (7) or more calendar days prior to such date; or (2) within three (3) working days after date specified in written notice of recall mailed less than seven (7) calendar days prior to such date, unless the employee has a justifiable excuse for his failure to return to work as provided herein. The Board shall give careful consideration to an employee's reasons, which may have caused a delay in his return to work. Written notice of recall to work shall be sent by the Board by certified mail, return receipt requested, to the employee's last known address, as shown on the Board's personnel records.

5. Failure to report to work for a period of three (3) consecutive scheduled working days without notification to the Board of a justifiable excuse for such absence.
 6. Failure to report back to work immediately upon expiration of vacation, leave of absence or any renewal thereof, unless return to work is excused by the Board.
- F. When circumstances necessitate a reduction of the work force, the Board shall take the following appropriate steps:
1. The Board shall advise the Association in advance of the number of employees to be affected and the job titles and grade levels of the affected employees.
 2. The Board shall first consider for lay-off the employees with the least seniority in the job titles and grade levels affected.
 3. Employees considered for lay-off shall first be considered for filling any existing vacancy in another job title of the same grade level provided they have the requisite qualifications and the ability to perform the work. If no vacancy exists in the same grade level, the employee may displace, in his same grade level, an employee with less seniority in the job title that the displacing employee has the requisite qualifications and ability to perform the work and likewise in successively lower grades. An employee placed in a lower grade shall be paid according to the salary guide for the grade level and job title actually worked. An employee not placed under these provisions shall be laid off. These provisions shall also apply to a displaced employee.
- G. Employees may be recalled to work from lay-off provided that they have the requisite qualifications and ability to perform the available work.
- H. A permanent job opening in the bargaining unit shall be posted on appropriate bulletin boards for a period of five (5) consecutive work days. Permanent employees may bid on such job openings. However, probationary employees are ineligible to bid on permanent job openings.
- I. In filling permanent promotional job vacancies within the bargaining unit, the Board will first attempt to fill such vacancies by promoting an employee from the next lower rated job title who had bid for the opening and who has, in the Board's sole discretion, the requisite qualifications and ability to perform the work. Where, in the Board's sole discretion, two (2) or more employees possess equal qualifications and ability

to perform the work, the employee with the greatest seniority in the bargaining unit who had bid for the job will be given preference.

- J. When a lateral job vacancy occurs, employees in that category who desire to transfer to another school and who have filed a written request for such transfer with the Board shall be considered for transfer by the Board. If such a request is to be granted, it will be granted on the basis of the most senior employee being given preference. Once such transfer has been granted or a transfer offered and refused, the employee applying therefor or refusing shall be ineligible for further transfer for a period of two months. Nothing herein shall be construed to limit the right of the Board to transfer employees as the needs of the school system require.
- K. It is recognized that seniority is only one criteria to be considered by the Board. The Board retains all authority and discretion allowed by law with respect to reductions in force, recall from lay-offs, transfers and promotion of employees.

However, in the case of a prolonged sick leave extending into a new school year, an employee shall not be credited with the twelve (12) days for the new year until active duty actually begins, except as provided in Paragraph 3 hereof.

2. Termination of employment shall result in immediate cancellation of accumulated sick leave. Subsequent re-employment shall not reinstate any old sick leave accumulation, and the person re-employed shall begin anew his personal illness benefits.
3. The purpose of personal illness benefits is to provide relief in case of personal sickness, personal accident and quarantine. Any other use of sickness allowance shall be in violation of contract, provided, however, extension of sick leave for employees covered by this agreement may be made at the discretion of the Board of Education.
4. Continuous personal illness absence of three (3) days or more must be certified by a properly licensed physician.
5. Each employee who meets the qualifications enumerated below and is absent because of personal illness, may be paid, upon application to the Board, up to an additional two (2) weeks' salary at half pay. The qualifications for said payment are as follows:
 - (a) Employee must have exhausted all current and accumulated sick leave.
 - (b) The benefit shall be a yearly benefit, shall be noncumulative and shall be effective as of the anniversary date of the fifth year of employment.
 - (c) There shall be a qualification period of five (5) consecutive work days of sickness for which period no payment shall be made, provided however, that regular accumulated sick leave days (for which payment shall be made) may be utilized in establishing said qualification period.
 - (d) The physician's certification required by Paragraph 4 above shall be filed with the Administration.
6. Employees who are absent due to personal illness shall call their immediate supervisor or his designee within one-half hour before they are scheduled to begin work and advise him

of the illness and expected date of return. No further communication from the employee is required unless he cannot return to work on the date given, in which case the employee shall notify his immediate supervisor of the new expected date of return.

C. Death in Immediate Family

1. In the event of a death in an employee's immediate family, such employee shall be allowed absence with pay not to exceed five (5) consecutive work days. All such absences shall be approved by the employee's immediate supervisor.
2. For the purposes of this section, "immediate family" shall mean husband, wife, father, mother, child, sister, brother, step-parent, grandparent, mother-in-law and father-in-law.
3. The Board may require proof of death such as an obituary notice or death certificate as a condition for payment of salary for such leave.

D. Jury Duty and Court Appearance

1. Any employee who is required by law to serve on a jury in a court of record, upon satisfactory proof to the Board of such service rendered, shall be reimbursed by the Board for and during the time he is required to be in attendance in court in an amount equal to the difference between his regular pay and his jury pay.
2. When an employee is called for jury service, he shall be excused from work on the days when he is required to be in court, provided, however, that if the time required for jury service in any one day does not extend beyond 12:00 o'clock noon, the employee will be required to report for work for the remainder of the day.
3. In the event that an employee is required to appear in a court of law in a matter which does not involve moral turpitude on the part of the employee or is not an adversary action between the Board and the employee, he shall receive his regular pay for time so spent in court.
4. Each employee requiring time off for jury duty or court appearance shall notify his immediate superior as soon as possible of the day or days involved.

E. Leave for Cause

1. An employee shall be granted a leave of absence without pay for good and sufficient personal reasons, after reasonable notice to the Board, for a period not to exceed three (3) months, during which time seniority shall accumulate. If the employee overstays his leave of absence or accepts employment elsewhere during such leave of absence, without the Board's permission, his employment with the Board shall be terminated.
2. Except in emergencies, reasonable notice shall mean notice given prior to the First Monday of the month preceding the month in which the leave is to commence.

F. Personal Business

An employee shall be granted two (2) days' leave with pay in any contract year to attend to personal business.

Requests for such absence must be filed five (5) days in advance with the immediate supervisor or his designee, and on a form prescribed by the Board, except in the case of medical emergency as orally approved by the Building Principal.

G. Association Conferences and Conventions

The Board agrees to allocate a number of working days not to exceed ten percent (10%) of the number of members in the unit with pay per school fiscal year in aggregate, to delegates chosen by the Association to attend bona fide Association conferences and conventions. Any employee for whom the Association makes such a request must present to the Board one week in advance of the conference or convention a written request for time off, specifying the dates for each occasion such employee is required to be absent. Such request will be honored unless conditions at work at the time are such that the employee's services cannot be spared. In such case an alternate representative may be designated by the Association.

- H. Any employee who must leave work due to an emergency and who has worked four (4) hours or less shall be paid for the full day but shall have 1/2 day charged against sick days. Employees who have worked more than four (4) hours shall be paid for the full day.

For the purpose of this paragraph, emergency shall mean accident or illness of a member of the employee's immediate family requiring hospitalization or medical care. The Board may condition payment as outlined above upon submission of such proof as the Board may require.

I. When an employee retires pursuant to the rules and regulations of the Public Employee Retirement System or the Teachers Pension and Annuity Fund, such employee shall be paid for each day of accumulated unused sick leave in accordance with the following schedule:

If termination of employment is due to death, the employee's estate shall receive such pay.

ARTICLE VIII

WORK ASSIGNMENT

- A. All work shall be assigned to employees by their immediate supervisor (viz. shift foreman, head custodian, Supervisor of Buildings and Grounds or his designee). The Association recognizes that the school principal is individually responsible for the operation of the school. In the case of emergency or when immediate action is required, employees may be given work assignments by any superior within the employee's job jurisdiction.

RE: Delta Dental Plan

Dear Don:

As you know, the Board of Education of the Township of Cherry Hill currently provides the captioned dental plan for the Cherry Hill Supportive Staff Association and other units in the school district. It is the position of the CHSSA that they may be able to provide what they consider to be more appropriate coverage for their unit members and other unit members at no additional cost to the Board of Education.

In view of the above, the CHSSA is willing to undertake the initiative to attempt to pursue the above goal.

In order to assist the association in this matter, the Board will, in January of 1989, provide the experience data necessary for a carrier to analyze coverages.

That data will be supplied and the proposed coverages reviewed under the following conditions:

1. That the association will take the initiative in this matter.
2. That all units presently covered by the Delta Dental Plan agree to the change in coverages.
3. That the new coverage can be provided by a carrier at no additional cost to the Board of Education over the 1988-1989 rates.
4. That the Board will pay no commissions to an agent, broker or any other person or company to provide the new coverages.
5. That the Cherry Hill Township Board of Education shall have the right to make the final decision in any change of carriers and/or coverages pertaining to the above.
