PREAMBLE

THIS AGREEMENT entered into this March 21, 2006 BETWEEN
THE BOARD OF TRUSTEES of the COUNTY COLLEGE OF MORRIS, in the County
of Morris, New Jersey (hereinafter referred to as the "COLLEGE" or "BOARD"; and
ACADEMIC ADMINISTRATIVE PERSONNEL FEDERATION OF COUNTY
COLLEGE OF MORRIS, LOCAL 3983, AMERICAN FEDERATION OF TEACHERS, A.F.L.
- C.I.O., (hereinafter referred to as "FEDERATION" or "UNION").

ARTICLE I
RECOGNITION

A. The Board of Trustees hereby recognizes the Academic Administrative Personnel Federation, Local 3983, affiliated with the American Federation of Teachers, A.F.L.-C.I.O., as the exclusive representative for collective negotiations of the terms and conditions of employment of the following employees:

1. Those full-time employees eligible under Subsection B and occupying job titles as set forth in Exhibit A attached to this agreement; and
2. Those part-time employees occupying job titles as set forth on Exhibit A, provided such part-time employee's regular workweek consists of thirty (30) or more hours and the total term of employment of such part-time employee in a twelve-month period is one hundred eighty (180) days or more.

B. For purposes of this article, full-time employees occupying job titles as set forth in Exhibit A attached to this agreement who are employed for a total term of employment of one hundred eighty (180) days or more in a twelve-month period shall be covered by the terms and conditions of this agreement. For purposes of this article, full-time employees occupying job titles as set forth in Exhibit A attached to this agreement who are employed for a total term of employment of less than one hundred eighty (180) days in a twelve-month period, shall be deemed temporary employees and shall not be covered by the terms and conditions of this agreement.

ARTICLE II

DURATION OF AGREEMENT

This agreement shall be in full force and effect as of July 1, 2006 and shall continue in effect through June 30, 2009, without any reopening date. This agreement shall continue in full force and effect from year to year thereafter, unless one party or the other gives notice, in writing, no sooner than August 1 nor later than September 1 of the year preceding the year in which the agreement expires, of a desire to change, modify or terminate this agreement.

ARTICLE III

NEW POSITIONS

A. Nothing contained in this agreement shall limit the authority of the Board to create new job titles and to employ individuals within such job titles. The Board specifically reserves the right, in its sole discretion, to determine the qualifications and salary grade for all new positions.

B. In the event the Board authorizes the creation of a new administrative position or supervisor of staff or facilities, and such position is not within any of the job titles in Exhibit A, the College shall, within thirty (30) calendar days of this action, advise the Federation, in writing, of the title, proposed grade level, and a brief description of the proposed duties of the position.

C. Within ten (10) calendar days after delivery of such notification, the Federation may deliver to the President of the College a written request that the proposed new position be included in the bargaining unit covered by this agreement. Within ten (10) calendar days after delivery of the Federation's request, representatives of the Board and the Federation shall meet in an effort to reach agreement as to whether the position shall be included in the bargaining unit.

D. If the parties are unable to reach such agreement, either party may file a petition with the Public Employment Relations Commission, seeking a determination of such dispute. The parties agree that the Public Employment Relations Commission shall have exclusive jurisdiction and determination of inclusion of an additional title in the bargaining unit, and such dispute shall not be subject to the grievance procedure set forth in this agreement.

ARTICLE III continued

E. In the event the parties agree or it is otherwise determined that a new position shall be included in the bargaining unit, any employee who is employed in such a position shall be covered by the terms of this agreement retroactive to his/her date of hiring in such new position.

F. Failure of the Federation to request inclusion in the bargaining unit of a new job title within the ten-day period specified above shall be conclusively deemed an acceptance that such title should properly be excluded from the bargaining unit.

ARTICLE IV

VACANCIES AND TRANSFERS

A. Notice of any vacancy in an administrative position, faculty position, or supervisor of staff or facilities position shall be posted and provided to the Federation when submitted for publication. Such job opportunity notice shall be in such form as may then be in use by the College and shall be forwarded to all College departments.

B. When an employee applies for appointment to a vacant position for which he/she is qualified, such employee shall be notified in writing when the position is filled.

C. An employee shall have three work days from receipt of a written offer of promotion to accept or decline in writing such offer. Prior to the employee's acceptance of the offer of promotion, and the Board's approval of same, the College may temporarily assign the employee to such new position at his/her previous salary for a period not to exceed ten (10) calendar days. No employee offered promotion shall be considered to have vacated entitlement to retain his/her previous position until the Board has approved such promotion and the promotional salary adjustment, and the employee has received a letter of appointment and has accepted the appointment in writing.

D. The College shall have the right to temporarily assign an employee to an acting position in a higher rank for sixty (60) calendar days at such employee's present salary. If the College elects to continue such temporary assignment beyond sixty (60) calendar days, the employee's annual salary shall thereafter be increased for the balance of such temporary assignment. The

ARTICLE IV continued

increase shall be \$2,200 for a transfer to a job title that is one grade higher than the employee's permanent job title, or the minimum salary of the higher grade, whichever is greater. The increase shall be \$3,000 for a transfer to a job title that is more than one grade higher than the employee's permanent job title, or the minimum salary of the higher grade, whichever is greater.

ARTICLE V

BOARD RIGHTS AND RESPONSIBILITIES

A. The Board of Trustees of the College hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this agreement or which may hereafter be conferred upon and vested in it by the laws and Constitution of the State of New Jersey and of the United States, or the regulations of the Commission on Higher Education.

B. The exercise of the foregoing powers, rights, authority, duties or responsibilities of the Board of Trustees, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited by the terms of this agreement, and the New Jersey Employer-Employee Relations Act, and then only to the extent such terms hereof are in conformance with the Constitution, laws and administrative regulations of New Jersey and of the United States, and the regulations of the Commission on Higher Education.

C. Nothing contained herein shall be construed to deny or restrict the Board of Trustees of its rights, responsibilities and authority under Federal or state laws or administrative regulations.

ARTICLE VI
EMPLOYMENT

A. The College shall provide each employee in the bargaining unit with a copy of this agreement and a letter of appointment which shall include:

1. Employee's name
2. The dates of the term of appointment
3. The salary
4. Academic rank, if any is granted
5. The job title and grade classification

B. Probation--the first six months of an employee's employment shall be considered a probationary period, during which such employee may be discharged for any reason deemed appropriate by the College and such discharge shall not be grievable.

C. Discipline--after completion of the probationary period, the College may discipline, reprimand in writing, reduce in rank or compensation, or dismiss an employee prior to the expiration of such employee's current employment term, for just cause only and any such action shall be grievable.

D. Reappointments for twelve-month employees normally are for one year ending June 30. Initial appointments normally terminate on June 30. Written notice of reappointment or non-reappointment shall be provided to each employee in the bargaining unit who has been employed for more than three months. Written notice of reappointment shall be given no later than June 1.

ARTICLE VI continued

Written notice of non-reappointment shall be given not later than March 17 to an employee who has completed more than three months but less than five years of employment at the college.

Written notice of non-reappointment shall be given not later than December 17 to an employee who, as of such date, has completed more than five but less than ten years of employment at the college. Commencing on the first day of the eleventh year of employment, each employee's contract shall be understood to give to the College the Right to terminate such employee's employment by giving such employee written notice of termination ten months in advance of the effective date of termination, whether or not such termination is in the middle or at the end of the next fiscal year. Such termination shall not be deemed a dismissal.

E. The decision of the Board not to renew or reappoint an employee for the succeeding year nor the decision to terminate a ten-year employee after ten months' advance notice is a prerogative reserved to management and therefore shall not be grievable.

F. Any employee who receives written notification from the College of non-reappointment for the succeeding academic year, or ten-month termination notice for ten-year employees, may within fifteen (15) calendar days from receipt of such notification, deliver to the Office of the President of the College a written request for reasons for such non-renewal or termination. The President will provide such employee with a written statement of reasons within thirty (30) calendar days of receipt of such request. Employees who have completed more than three years of employment as of the date of such non-reappointment notice, shall have the further right to request a conference with the President of the College provided that written request is received

ARTICLE VI continued

by the Office of the College President within seven (7) calendar days after the employee receives the requested statement of reasons for non-renewal. At such conference, the employee may be represented and counseled by one representative selected by the employee. The President shall give the employee at least five (5) days notice of the date and time of the appearance which shall not be more than twenty (20) calendar days after receipt of request for same. The purpose of the conference shall be to afford the employee the opportunity to convince the President that the determination not to offer employment was incorrect. Within five (5) calendar days following such conference, the President shall notify the employee in writing whether he will recommend that the Board revise its determination not to offer reemployment.

G. Employees who have completed more than five years of employment as of the date of the notice of non-renewal (or termination for ten-year employees) shall have the further right to request an informal appearance before the Personnel Committee of the Board, provided that a written request for such appearance is received by the Office of the College President within seven (7) calendar days after the employee received the determination of the College President under subparagraph F. The Personnel Committee will schedule an appearance within twenty (20) calendar days from receipt of the employee's request for such appearance. The informal appearance before a quorum of the Personnel Committee shall be private and closed to the public and shall not be an adversary hearing, but rather shall afford the employee an opportunity to convince the committee that the determination not to offer employment was incorrect. The committee shall give the employee at least five (5) calendar days' notice of the date and time of

ARTICLE VI continued

the appearance. An employee may be represented and counseled at such committee appearance by counsel, and by a representative of the Federation or by one individual of his/her choice. The employee may present other persons to speak on behalf of the employee. Such persons shall be called individually, and each excused after making his/her statement. Within five (5) calendar days following the informal appearance, the Personnel Committee will notify the employee in writing whether the committee will recommend that the Board of Trustees revise its determination not to offer reemployment. The committee may delegate such notification to the President of the College.

H. Failure to make timely request for a statement of reasons or to request a conference or committee appearance shall be deemed a waiver of such right. Similarly, the determination of the President for employees with less than five years employment, and the decision of the Personnel Committee for employees with five years or more of employment, following an informal appearance, shall not be grievable.

ARTICLE VII

REDUCTION IN FORCE

A. The Board of Trustees shall have the right to implement a reduction in force and to lay off employees in the event of financial or administrative necessity. The Board shall give written notification to the Federation at least sixty (60) days in advance of implementation of a reduction in force, and at least forty-five (45) days prior to such implementation, the Board shall also give written notice to each employee scheduled to be laid off and each employee who may be laid off as a result of the exercise of seniority rights provided in this article. Within ten (10) days from receipt of written request from the Federation, representatives of the College and the Federation shall meet to discuss proposed layoffs.

B. In the event of a reduction in force, the selection of employees to be laid off shall be a prerogative of management, except that:

(1) Where there is more than one incumbent in the affected job title, the remaining positions in such job title shall be offered in writing to the incumbents who meet the qualifications for the remaining positions, in order of seniority. If any incumbent declines to accept such offer, he/she shall be deemed to have waived rights of seniority under this article, including subparagraph 2.

(2) Where an employee's current position is to be eliminated, such employee shall be entitled to replace an employee with less seniority in a job title of equal or lower grade (but not higher grade), providing:

ARTICLE VII continued

- i. The employee with seniority has within three (3) years prior to notice of layoff, actually performed as an employee of this College, substantially the same job functions as the job title being retained and such prior performance of substantially the same functions was undertaken for at least one (1) full year; and
- ii. The employee with seniority meets the current qualifications for such other job title; and
- iii. The employee with seniority agrees in writing within ten (10) days from receipt of the job offer, to accept the hours of employment in such other position and a salary which shall be the lesser of (a) the senior employee's current salary, or (b) the maximum salary for the grade of the person to be replaced.

(3) Employees being laid off shall be offered in order of seniority the right to replace any part-time employee in the same job title.

C. Any offer of employment made by the College under paragraph B must be accepted by the employee in writing within ten (10) days of receipt, or the employee shall be deemed to have waived any further rights of seniority under this article. There shall be no other rights of seniority applicable to reduction in force except as set forth in this article.

D. For a period of one (1) year from the date of layoff, the recall rights of employees who are laid off shall be limited to:

(1) The right in order of seniority to any vacancy in the same job title held at the time of layoff; and

(2) The right in order of seniority to fill a vacancy in a job title of equal or lesser grade (but not higher grade) than the job title held at the time of layoff providing:

ARTICLE VII continued

- i. That within three (3) years prior to notice of layoff, the laid off employee actually performed, as an employee of this College, substantially the same job functions as the job title in which such vacancy occurs, and such prior performance of substantially the same functions was undertaken for at least one (1) full year; and
- ii. The employee laid off meets the current qualifications for such other job title; and
- iii. The employee laid off agrees in writing within ten (10) days from receipt of such job offer to accept the hours of employment in such other position and a salary which shall be the lesser of (a) the salary of the returning employee at the time of his/her layoff, or (b) the maximum salary for the grade of the person to be replaced.

(3) The returning employee must actually commence such employment within forty-five (45) days from the date of his/her acceptance of the job offer. Failure to accept any job offer made under this paragraph shall be deemed a waiver of any further right of recall.

E. Any notice required under the provisions of this article to be given by the College to an employee shall be deemed adequately delivered if given to the employee personally or mailed by certified mail to the employee at such employee's last known address as shown on the records of the College. A copy of any layoff or recall notice given by the College under the terms of this article shall be sent to the Federation.

F. With regard to any employee who is recalled, a layoff shall not be considered a break in service under the terms of this agreement, but layoff time shall not be counted toward length of service.

ARTICLE VII continued

G. For purposes of this article only, the term "seniority" shall mean the length of continuous employment for not less than thirty hours per week, commencing from the date that such employee was first appointed to or promoted to a position included in the Federation bargaining unit, except that for all employees in the bargaining unit on or prior to July 1, 1980 "seniority" shall mean the length of continuous employment for not less than thirty hours per week, commencing from the date such employee was first employed by the College. For ten-month employees in the bargaining unit, the two months not worked shall not be considered a break in service, but such two months shall not be counted toward length of service.

ARTICLE VIII

MAINTENANCE OF OPERATIONS

A. It is recognized that the need for continued and uninterrupted operation of the College is of paramount importance and that there should be no interference with such operation.

B. The Federation agrees that neither the Federation nor any person acting in its behalf will cause, authorize, engage in, sanction, nor will any of its members take part in, a strike against the County College of Morris, or the concerted failure to report for duty, or willful absence of a Federation member from his/her position, or refusal to perform his/her duties of employment as defined in this agreement.

C. The Federation further agrees that it will not cause, engage in, encourage or assist in any strike or similar action or conduct on the part of students of the College.

D. Nothing contained in this agreement shall be construed to restrict or limit the College in its right to seek and obtain such judicial relief as it may be entitled to have under law.

ARTICLE IX
NEGOTIATIONS

The College and the Federation will agree to commence negotiations over a successor agreement in accordance with the rules and regulations of PERC. Any agreement so negotiated will be reduced to writing and signed by the parties. The parties will attempt to schedule such negotiations so as not to interfere with the employment responsibilities which the negotiating representatives have to the College. Neither the College nor the Federation shall have or exercise control over the selection of the negotiating representatives of the other party, except that no employee who is excluded from the Federation collective bargaining unit shall serve as a negotiating representative for the unit governed by this agreement. The representatives shall have all necessary authority to make proposals and counterproposals during negotiations, subject to ultimate ratification by the College and Federation. It is recognized that no final agreement may be executed or become binding without ratification by the Board of Trustees and the Federation.

ARTICLE X

PERSONNEL FILE

A. The College shall maintain one (1) official personnel file for each employee in the bargaining unit. Material relating to initial employment at the College solicited under conditions of confidentiality shall be excluded from the personnel file. Material not placed in the official personnel file, such as notes or memoranda of supervisors, data in College computer systems, or health records shall not be utilized for personnel decisions affecting such employee unless such material is placed in the official personnel file and is thereby available for inspection and written response by the employee.

B. Upon advance written notice, an employee shall have the right to personally examine the contents of his/her official personnel file during College business hours within five working days of such request. At option of such employee, one representative of the Federation may also be present. The employee shall review such file in the presence of a representative of the College, and the employee shall not remove any material from such file. The employee shall initial and date all material reviewed, which initialing shall not be deemed to constitute an approval of the contents of such material. Because of limitations of College personnel, only one employee at a time may review his/her personnel file. If it is not possible, due to the number of requests, to grant such requests within the time specified, the requests will be handled in the order they are received.

ARTICLE X continued

C. Upon request of the employee, the College will, without charge to the employee, make one copy of any material in such employee's personnel file which the employee has not previously received. If a copy of any material in the official personnel file was previously furnished to the employee, the College shall not be obligated to make a copy of same unless the employee agrees to pay the College the expense of duplication at the rate of \$.20 per page.

D. An employee may have inserted into such personnel file his/her written response to any item in the file. An employee may also request in writing that the College remove any material considered obsolete or inappropriate. Such request for removal of material may be granted or denied in writing at the discretion of the appropriate administrator appointed by the College to review such request.

E. Whenever anonymous or signed materials commenting on an employee's performance are deemed appropriate by the College administration for placement in an employee's official personnel file, and the College has not given a copy of same to the employee, written notice of placement of such material in the personnel file shall be given to such employee.

F. The written consent of the employee shall be required prior to release of information to individuals not acting on behalf of the College, except that such information may be released by the College without the prior written consent of the employee in the following instances:

1. Information required pursuant to a Court order or subpoena;
2. Information required by the Commission on Higher Education;

ARTICLE X continued

3. Information required by a Federal, state or county governmental agency charged with the responsibility to enforce, administer or monitor programs or activities of the College; or

4. College insurance carriers.

Upon receipt of request for information within any of the above-exceptioned categories, the College shall notify the employee of such request, but the College shall nevertheless have the right to release such information without the employee's consent.

G. The College shall protect the security of personal employee data from access by persons who have no legitimate need for or right to know this information.

ARTICLE XI

EVALUATION

A. All employees of the bargaining unit shall be formally evaluated pursuant to this article at least once per year. The College reserves the right in all cases to evaluate such employee more than once per year. In all cases of evaluation other than the annual formal evaluation set forth herein, the College, in its discretion, may complete any or all portions of the evaluation procedure.

B. The formal evaluation procedure shall be twofold:

1. Administrative Evaluation
2. An Optional Self-Evaluation

C. The Vice President under which such employee serves shall be entitled to request an administrative evaluation by any supervisory personnel who are in a position to evaluate such employee's performance, except that no individual who is in the Federation bargaining unit shall participate in the administrative evaluation of any employee in the same bargaining unit.

D. Self-evaluation will be presented in writing to the employee's evaluating supervisor. To be considered, the self-evaluation report must be submitted prior to the initial evaluation conference.

E. A formal evaluation conference shall be scheduled prior to May 1 by the same supervisor designated to write the final administrative evaluation. The employee shall be given timely notice of a formal administrative conference in order to have the opportunity to submit an optional self-evaluation to the supervisor in advance of the conference. At such formal

ARTICLE XI continued

evaluation conference, the employee will be given a copy of the final administrative evaluation report and shall have an opportunity to discuss with such supervisor the final administrative evaluation report and the employee's self-evaluation if it was submitted in a timely fashion. At the formal evaluation conference, the supervisor and the employee shall sign the final evaluation report signifying that such report and the self-evaluation were reviewed and discussed at such conference.

F. All evaluation reports will be maintained in the employee's official personnel file. An employee may append his/her written response to any written evaluation reports in the official personnel file. Any employee who exercises the right of response to his/her formal evaluation shall not be criticized, reproached or reprimanded for having exercised that right, nor shall having exercised such right be considered detrimental in any subsequent evaluation. If, in the opinion of the Vice President under whom such employee serves, such response contains statements which exceed fair comment or derogate a supervisor, the Vice President shall confer with the employee and such supervisor to evaluate such statements. If, as a result of such conference, the Vice President deems such statements to be unjustified, or if the employee declines to attend such conference, such statements then may become subject to reply, criticism and reproach to be included within such employee's official personnel file.

ARTICLE XI continued

G. The College, in its sole discretion, shall have the right to develop and modify evaluation forms for the administrative evaluation, providing that during a given contract year, the same form is used for each employee in the bargaining unit, and a copy of the form is given to the Federation.

H. The substance, opinions and conclusions of any evaluation report shall not be grievable.

ARTICLE XII

EMPLOYMENT RIGHTS AND RESPONSIBILITIES

A. DISCIPLINARY ACTION

1. Whenever the employee is scheduled to have a disciplinary conference with his/her supervisor, director, vice president, other administrator of the College or member of the Board, the employee shall have the right to be accompanied by a representative of his/her choice at such conference, providing that the representative so selected shall be available at the conference time which shall be scheduled at least twenty-four (24) hours in advance by the supervisor or other College administrator. The employee shall not be excused from reporting for such interview because of the unavailability of such representative. If the representative selected by the employee is not an employee of the College, the name and occupation of such non-employee shall be given in advance to the College administrator requesting the interview. When advised that the employee is to be represented by a person other than a College employee, the College administrator shall have the right to reschedule the interview and to have the College attorney or other College representative present. Recording devices shall not be used at such interviews.

2. Disciplining of employees shall be at private conferences limited to the employee, his/her representative, and appropriate representatives of the College. Employees shall not be disciplined publicly in the presence of students, or other persons except those representing the College. Nothing contained in this paragraph shall limit the ability of the

ARTICLE XII continued

College to give directions, orders or instructions to employees whether in private or public, nor shall this paragraph limit the right of the College to fully investigate, gather facts or conduct hearings, administrative proceedings or litigation. The disposition of a disciplinary charge may be given to any third party complainant or other party whose interest is affected thereby, and a copy of such notification shall be given to the employee in question.

B. JOB RESPONSIBILITIES

Within sixty (60) days from initial appointment each new employee, and within ninety (90) days from the execution of this agreement each current employee shall be given, for informational purposes, a written outline of his/her job responsibilities and the name or names of his/her supervisor(s). It shall be the prerogative of management to change, add to and delete functions and job responsibilities and to change an employee's supervisor. Changes in job outlines and/or supervisors shall not be grievable. All job outlines shall include the statement that the College has the right to assign such other duties and responsibilities as the employee's supervisors may direct and deem appropriate. The College shall also have the right to make temporary assignments as provided in Article IV of this agreement even though the functions temporarily assigned are not in the job outline. The employee's supervisor shall notify the employee in writing of any change in supervisor or any substantial change in the job outline. If the employee fails to receive such notification, his/her sole remedy shall be the right to make written request and receive from his/her supervising Vice President a written clarification of

ARTICLE XII continued

his/her job outline and whether or not such changes, if any, might affect his/her job reclassification or supervisor designation, and to grieve the failure of the Vice President to provide such clarification.

C. COLLEGE PROPERTY AND EQUIPMENT

College property and equipment shall not be removed from the campus by an employee without authorization of his/her supervisor. Each employee shall comply with the procedures, rules, and policies of the College concerning use of College equipment, services and facilities. Employees shall utilize College facilities, equipment, services and personnel only for College-related business.

D. REPORTING ABSENCES

Each employee shall report as soon as possible to his/her supervisor any inability to report to work.

E. PERSONAL ACTIVITY

Lawful private personal activity of an employee shall not be of concern to the College unless it affects the ability of the employee to perform his/her employment duties.

F. SAFETY ON CAMPUS

In the interest of keeping a safe and secure campus, the administration will notify immediately the local police authorities whenever it is aware of a threat to harm an employee or a threat against the life of an employee.

ARTICLE XIII

GRIEVANCE PROCEDURES

A. PURPOSE AND GENERAL PROCEDURES

1. The purpose of the grievance procedure set forth in this agreement is to secure, at the lowest level possible, equitable solutions to grievances of employees. Nothing contained in this article shall preclude an employee and his/her supervisor from discussing matters with each other, and each shall be free to do so without recourse to the grievance procedure. The parties involved in grievance proceedings shall keep such proceedings as informal and confidential as may be appropriate at each level of such procedure.

2. Failure of a grievant to proceed to the next level within the time limits set forth shall be deemed to be an acceptance of the decision previously rendered and shall bar further processing of the particular grievance.

3. Failure of the College or its representatives to respond at any step of the grievance procedure shall be deemed to be a negative response and the grievance may proceed within the time limit specified to the next step.

4. The time limits set forth may be mutually extended in writing.

5. It shall be the practice of all parties to process grievances during times when they do not interfere with assigned duties. Whenever an employee is scheduled to participate

ARTICLE XIII continued

in a grievance proceeding held during working hours at the request of the College or at the direction of an arbitrator, said employee shall suffer no loss in pay by virtue of such participation.

6. "Days" as referred to in this article shall mean calendar days, including semester recesses, except that holidays established in this agreement shall not be counted.

Whenever a time period established in this article ends on a Sunday or holiday recognized in this agreement, the time period shall be extended to the next working day.

7. Any grievance which arose prior to the effective date of this agreement shall be governed by the policies and procedures in effect at the time such grievance arose and shall not be governed by this agreement.

8. No claim for back wages shall exceed the amount of wages which the individual would have earned at his/her earned rate established in this agreement. All back pay claims shall be limited to the amount of wages the individual would have otherwise earned from his/her regular employment.

9. Any grievant may be self-represented at all stages of the grievance procedure, or at the option of the grievant, by a representative selected and approved by the Federation, providing the grievant and the Federation are in agreement as to whether the grievance is non-contractual or contractual as defined in this agreement. If the Federation disagrees with a grievant's designation of a grievance as contractual or non-contractual, the Federation shall limit its participation and representation to either the contractual or non-contractual grievance, but not

ARTICLE XIII continued

both. When the grievant is not represented by the Federation, the Federation shall have the right to be present at all stages of the grievance procedure, and subject to the limitation in the next sentence, the Federation shall also have the right to state its views at all stages of such grievance procedure. If the Federation participates in a representative capacity or as a grievant in a separate grievance on the same subject or seeking the same relief as a grievance separately filed by another grievant, the Federation shall not participate in the other grievance, except for the right to be present as an observer, and such other grievant shall have the right to withdraw such grievance without approval of the Federation.

10. All conferences and hearings conducted under any grievance procedure shall be conducted in private and shall be limited to the parties in interest, their representatives, and witnesses. Each witness shall only be present during the course of his/her testimony.

11. There shall be no reprisals against any employee by virtue of participation in any grievance. Implementation of a grievance determination, including the upholding of prior disciplinary action, shall not constitute reprisal.

12. A grievance shall not be considered properly filed and shall not be processed unless the grievant, on the form annexed to this agreement, designates the grievance as either a non-contractual or contractual grievance.

13. All grievances and appeals therefrom shall be filed on the grievance and appeal form which is attached to this agreement and made a part thereof.

ARTICLE XIII continued

B. DEFINITIONS

1. A contractual grievance is an alleged misinterpretation, misapplication or violation of the express terms of this agreement, but shall not include:

(a) Those matters which under the law or terms of this agreement are not grievable; or

(b) Those matters which fall within the definition of "non-contractual or statutory-regulatory grievances" in Section B2 of this article.

2. A non-contractual grievance is an alleged misinterpretation, misapplication or violation of the policies or administrative decisions of the College which affect the terms and conditions of the grievant's employment, except that non-contractual grievances shall not include matters which under law are inherent managerial prerogatives or matters which under the terms of this agreement are not grievable. A statutory-regulatory grievance is an alleged misinterpretation, misapplication or violation of any New Jersey statute, or of any administrative rule, regulation or order of the New Jersey Commission on Higher Education, or other state or federal administrative agency affecting the terms and conditions of employment; including specifically any statute or administrative rule or regulation expressly or implicitly incorporated in this agreement.

C. GRIEVANCE STEPS

Informal Conference - When an employee feels aggrieved over a subject matter which is within the definition of a non-contractual or statutory-regulatory grievance, such employee shall discuss the grievance informally with his/her immediate supervisor within fifteen (15) days after the occurrence, or within fifteen (15) days after the grievant should reasonably have known of such occurrence, with the objective of resolving the matter informally. If within fifteen (15) days following the initial informal discussion, the non-contractual or statutory-regulatory grievance has not been resolved to the satisfaction of the employee, the grievant may formally submit a Statement of Grievance on the form attached to this agreement under Step I below, to the supervising Vice President or, for the Division of College Advancement and Planning to the Executive Director of College Advancement and Planning.

Step I - Within thirty (30) days after the occurrence of the event which gave rise to a contractual grievance, or within thirty (30) days after the grievant should reasonably have known of such event, the grievant shall formally submit to his/her supervising Vice President or to the management representative named in the above paragraph, a Statement of Grievance on the form attached to this agreement and made a part hereof. Within twenty (20) days from his receipt of a Step I grievance, the supervising Vice President or other administrator receiving the Grievance, as provided for above, or their designee shall render a written report of the disposition of the grievance to the grievant. During such twenty (20) days, the Vice President or his

designee may require one informal conference between the individual grievant and his/her supervisor with the object of resolving the grievance informally.

Step II - In the event the grievant is not satisfied with the grievance decision at Step I, the grievant may, within fifteen (15) days after receipt of the Step I disposition, file with the President of the College a written Statement of Appeal on the form attached. The Statement of Appeal shall be accompanied by a copy of the Step I decision. The President or his designee (who shall not be the author of the Step I decision) shall conduct a closed hearing of the grievance appeal. Testimony at the hearing will be recorded by written notes only. The hearing shall not be limited by strict rules of evidence. All documents submitted shall be marked in evidence. The hearing shall be concluded and the President of the College shall render his report and decision on the grievance appeal within thirty (30) days from his receipt of the Statement of Appeal. Copies of the President's decision shall be given to the individual grievant and to the Federation.

Step III - If the aggrieved party is not satisfied with the disposition of the grievance by the President of the College, or if no disposition is made by the President within thirty (30) days from his receipt of the Statement of Grievance Appeal, the aggrieved party, if it is not the Federation, may request that the Federation submit the grievance to arbitration. If the Federation desires to submit the grievance to arbitration, it must, within twenty (20) days after receipt by the Federation of the Step II decision of the President of the College, submit such

grievance to the New Jersey Public Employment Relations Commission in accordance with the rules and regulations of such organization. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to add to, alter, amend or modify the terms of this agreement, and without authority to make any decision which requires the commission of an act prohibited by law. The arbitrator shall also be bound by the laws of the State of New Jersey and of the United States, and the decisions of the New Jersey Commission on Higher Education. The arbitrator shall not issue any monetary award which shall predate the occurrence of the event which gave rise to the grievance, or the date on which the grievant should reasonably have had knowledge of such event. The decision of the arbitrator shall be submitted to the Board and the Federation. In the case of non-contractual and statutory-regulatory grievances, the decision of the arbitrator shall be advisory and shall not be binding on either party. In the case of contractual grievances, the decision of the arbitrator shall be binding on the College, the grievant(s) and the Federation. The costs of the services of the arbitrator, including per diem expenses, and the cost of a hearing room shall be borne equally by the College and the Federation. Any other expenses incurred shall be paid by the party incurring same.

D. ELECTION OF REMEDIES

1. The filing of a non-contractual or statutory-regulatory grievance with the supervising Vice President shall be deemed an acknowledgement by the grievant that the subject

ARTICLE XIII continued

matter appealed is beyond the definition of "contractual grievance" as set forth in Section B(1) of this article.

2. If the grievant or Federation initiates a proceeding or appeal arising out of the same factual circumstances or seeking similar relief before any administrative agency or judicial authority to which jurisdiction of the subject matter has been conferred by law, the pending contractual, non-contractual, or statutory-regulatory grievance proceeding shall be stayed until such administrative agency or judicial authority renders a final determination or remands the matter for continuation of the grievance proceeding. Nothing contained herein shall limit the right of the grievant or the Federation to take a judicial appeal or initiate administrative proceedings after the grievance proceeding has been concluded.

An employee shall not have the right to refuse to communicate with or furnish to his/her supervisor information or College records received or generated while performing employment duties, or to disregard or refuse to comply with the lawful directions of his/her supervisors. B. Employees who perform adjunct, part-time teaching or other additional employment for the College during their regular working hours will make up the time by working an equivalent number of extra hours at their regular duties. Employees will be expected to do preparation for adjunct, part-time teaching outside of their regular hours.

C. Occasional guest lectures for the College shall, with the consent of the employee's supervisor, be considered part of an employee's regular duties, and both lecture and preparation time will be included as regular work time.

E. PROMOTIONAL INCREMENTS

Those members of the bargaining unit who are promoted to a job title that is one salary grade higher than the job title previously held shall be entitled to the minimum salary of the new salary range applicable to the employee or to his/her previous salary plus an increment of \$2,200, whichever is greater. Those members of the bargaining unit who are promoted to a job title that is more than one salary grade higher than the job title previously held shall be entitled to the minimum salary of the new salary range applicable to the employee or to his/her previous salary plus an increment of \$3,000, whichever is greater. At management's sole discretion, it may extend an offer for a promotional increment greater than the amount provided above within the framework of the position's salary structure. The decision to offer a greater amount, or not to offer a greater amount, shall not be grievable.

In the event that a promotion occurs on or after July 1 of the current contract year, the annual salary determined according to paragraph C above (if the employee is eligible for it) shall be computed on the basis of the salary for the previous contract year without taking the promotion into account. Such employee shall then receive the appropriate promotional increment as defined above. A transfer from employment outside the bargaining unit to a job title within the Federation shall not be deemed a promotion for purposes of this subparagraph.

ARTICLE XVIII

COMPENSATORY TIME AND OVERTIME

A. REGULAR WORKWEEK

For the annual salaries established in this agreement, the regular workweek of each employee in the Federation bargaining unit shall consist of thirty-five (35) hours, except that for such annual salaries the regular workweek of the following job titles shall consist of forty (40) hours:

- 1) Manager, Systems and Maintenance
- 2) Custodial Supervisor (Shifts)
- 3) Environmental Health & Safety Coordinator
- 4) Lieutenant, Security
- 5) Supervisor, Grounds and Custodial Services
- 6) Supervisor of Printing and Mail Services
- 7) Assistant Director of Safety and Security
- 8) Media Services/Facilities Supervisor
- 9) Aquatic Supervisor

The defined regular workweek shall be exclusive of meal periods. The College administration, excluding bargaining unit members, shall have the right to schedule and require services of employees beyond the regular workweek, provided the employee receives compensatory time, premium payment or overtime payment as provided in this article. Attendance at commencement exercises shall be without credit for compensatory time, overtime or premium payment except for those scheduled to perform their normal work functions.

B. SCHEDULING OF WORK HOURS

The administrative and professional responsibilities of employees in this bargaining unit are such that the scheduling of their services by the College must be flexible in order to

ARTICLE XVIII continued

accommodate the varying needs of the College. Accordingly, non-bargaining unit supervisors of such employee shall have the right to schedule regular hours of employment of an employee during the day or evening, on no more than five (5) days from Monday through Saturday, except that no employee may be regularly scheduled to work more than two (2) evenings each week without the consent of such employee. For purposes of this paragraph, evening employment is defined as time worked after 6:30 p.m. Nothing contained in this paragraph shall limit the employer's right to require the occasional scheduling of evening assignments on more than two (2) evenings per week. The limitations in this paragraph on scheduling of employment on Sundays and more than two (2) evenings per week shall not apply to the Custodial Supervisor (Shifts), Facilities Manager, Theater Technician, Coordinator of Special Events, Assistant to Athletic Director/Trainer, or Planetarium Astronomer who may be scheduled without limitation on Sundays and evenings. The limitations in this paragraph on scheduling of employment on more than two (2) evenings per week shall not apply to the Assistant Director of Safety and Security and the Help Desk Specialist, who may be scheduled without limitations on evenings.

C. MEAL PERIODS AND ALLOWANCES

Each thirty-five (35) hour employee shall be assigned one (1) unpaid meal period by his/her immediate supervisor during each seven (7) consecutively scheduled hours of work. Each forty (40) hour employee shall be assigned one (1) unpaid meal period by his/her immediate supervisor during each eight (8) consecutively scheduled hours of work. A second meal period shall be assigned by the immediate supervisor after an employee's regular shift has been extended by a minimum of three hours. Meal periods shall not be considered a break in service. Such

ARTICLE XVIII continued

meal periods shall not be less than one-half (1/2) hour nor more than one (1) hour in the discretion of the supervisor, except for additional time when College cafeterias are closed.

Whenever an employee is required by his/her supervisor to defer a meal period to a time when the College cafeterias are closed, such employee, without reducing his/her regular workweek, shall be given an additional one-half (1/2) hour to obtain a meal off campus. An employee who is entitled under this paragraph to a second meal period in a work day shall be paid eight dollars and fifty cents (\$8.50) as a meal allowance for the second meal only.

D. COMPENSATORY TIME

Employees whose regular workweek is thirty-five (35) hours shall, in lieu of additional compensation, earn one (1) hour of compensatory time for each hour actually worked per week in excess of thirty-five (35), and one and one-half (1-1/2) hours of compensatory time for each hour worked per week in excess of forty-five (45). All additional work assignments in excess of thirty-five (35) hours must be authorized by the employee's supervisor, and any such additional work assignment which is likely to exceed the regular workweek of such employee by more than one (1) hour must be authorized in advance by such employee's supervisor. If an employee undertakes an additional work assignment after being directed not to do so by his/her supervisor, the employee shall not receive credit for such additional work assignment.

E. OVERTIME

Employees whose regular workweek is forty (40) hours shall be entitled to overtime compensation at the rate of one and one-half (1-1/2) times the employee's regular hourly rate of pay for hours actually worked in excess of forty (40) hours in a payroll week, except as limited

ARTICLE XVIII continued

by section F of this article. Payment for overtime shall be made by the end of the second payroll period following the date on which the overtime was worked. All additional overtime work in excess of forty (40) hours must be approved by the employee's supervisor, and any such additional overtime work which is likely to exceed the regular workweek of such employee by more than one (1) hour must be authorized in advance by such employee's supervisor. If an employee undertakes overtime work after being directed not to do so by his/her supervisor, the employee shall not receive credit for such overtime work.

F. EXCLUSIONS OF CERTAIN LEAVE TIME

All hours for which compensation is paid shall be counted for overtime pay entitlement for 40-hour employees, except sick leave, personal and compensatory time, and Federation business. All hours for which compensation is paid shall be counted for the first ten (10) hours of compensatory time entitlement for 35-hour employees. However, for purposes of computing the 45-hour threshold for entitlement of 35-hour employees to the "time and a half" comp-time rate, leave time for Federation business, personal and compensatory time requested by the employee less than two weeks in advance, shall not be counted for purposes of computing compensatory time and overtime pay.

G. CALL IN AND CALL BACK TIME

If an employee is called in to work on any day which such employee is regularly scheduled to be off, or is called in to work before his/her regularly scheduled work day, or after

ARTICLE XVIII continued

having completed his/her regularly scheduled work day and having left the premises, such employee shall receive credit for having worked a minimum of four (4) hours. The provisions of this paragraph shall not apply to pre or post shift hours which are contiguous to the work day, meaning less than a one-half (1/2) hour break between the commencement or termination of the employee's regularly scheduled duties and the call in duty.

H. PREMIUM PAY

Premium pay as used in this article means compensation at the rate of two times the employee's regular hourly rate of pay. At the employee's option, two hours of compensatory time leave may be granted for each hour worked in lieu of premium pay. Employees whose regular workweek does not include Sunday shall be eligible for premium pay for hours actually worked on Sunday after 2:00 a.m., provided that such employee during that workweek has actually worked the minimum regular workweek as defined in this article. If an employee works the minimum regular workweek set forth in this article, such employee shall be entitled to premium pay for each hour worked on the Sunday falling within such workweek. The provisions of this paragraph shall not apply to the Facilities Manager, Theater Technician, Assistant to Athletic Director/Trainer, and Coordinator of Special Events. Compensatory leave time, vacation, personal leave which are not requested by the employee at least two weeks in advance and leave for Federation business shall not be counted for purposes of determining the minimum regular workweek under this paragraph. However, College-recognized holidays and time off when College operations are cancelled shall be counted towards the minimum regular workweek

ARTICLE XVIII continued

under this paragraph. Employees shall be entitled to premium pay for hours actually worked during days when the College has both cancelled classes and generally excused employees because of an occurrence which lawfully necessitates cancellation of College operations, and for hours an employee is required to work on a holiday to which such employee is entitled under Article XXIII of this agreement.

I. COMPUTATION OF HOURLY RATE

The hourly rate of pay for employees shall be computed annually by the Accounting Department by taking the total number of week days (defined as Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays) occurring in the contract year, and multiplying that number by seven (7) for thirty-five (35) hour employees and by eight (8) for forty (40) hour employees. The resulting numbers of annual work hours shall be used as the divisors by which employees' annual base salaries shall be divided to compute their hourly rates of pay.

J. SCHEDULING OF COMPENSATORY TIME

An employee shall be entitled to a leave with pay to the extent of earned compensatory time. The request of an employee to schedule compensatory time leave must receive the prior approval of a supervisor not in the bargaining unit to assure that the scheduling of compensatory time leave will not occur during a critical time period or otherwise disrupt essential services. In the absence of a request from the employee to utilize accumulated compensatory time, a supervisor not in the bargaining unit shall have the right to require the employee to schedule a compensatory time leave during a period designated by the supervisor.

ARTICLE XVIII continued

K. ACCUMULATION AND PAYMENT FOR UNUSED COMPENSATORY TIME

1. On or before June 30, an employee may advise the Human Resources Department in writing, with a copy to the employee's supervisor, of the employee's election to carry over accumulated compensatory time up to a maximum of thirty-five (35) hours beyond June 30 cutoff date. With the written authorization of the employee's immediate supervisor, on or before June 30 of each fiscal year, employees may further advise the Human Resources Department in writing that the employee shall utilize accumulated compensatory time in excess of the thirty-five hours maximum carry-over during the following July or August. Any compensatory time not designated for either carryover beyond June 30 (up to 35 hours) or authorized by the immediate supervisor to be utilized during July or August, shall be paid out on or before August 31 at the employee's straight time hourly rate as of the previous June 30 and not at the hourly rate on the date of payment.

2. On termination of employment, payment shall be made for accumulated unused compensatory time at the straight time hourly rate as of the date of termination, except that there shall be no entitlement to payment for unused compensatory time where an employee elects to terminate his/her employment and fails to provide the termination notice as required in Article XXIV (subparagraph G) of this agreement.

L. RECORDING AND COMPUTATION OF TIME WORKED

All employees in the bargaining unit shall be required to record in writing and accurately account for time worked on time records furnished by the College, which time records must be

ARTICLE XVIII continued

submitted to and approved by the employee's supervisor prior to submission to the College Payroll Department. The form used in recording time for all employees in the bargaining unit shall be the same. In making any computation of time worked under the provisions of this article, the following rules shall apply:

- 1) Zero (0) to fifteen (15) minutes - zero (0) minutes
- 2) Sixteen (16) to thirty (30) minutes - thirty (30) minutes
- 3) Thirty-one (31) to sixty (60) minutes - sixty (60) minutes

M. DEFINITION OF "WORKWEEK"

The term workweek, wherever used in this article, shall mean a payroll week.

N. APPLICATION OF ARTICLE TO PART-TIME UNIT MEMBERS

Part-time bargaining unit employee's entitlement to compensatory time, overtime or premium time under this article shall be determined by assuming that the regular workweek for such part-time employee is the same as the regular workweek for a full-time position in such job title, i.e., 35-hour category or 40-hour category. Any additional hours worked by such part-time employee up to the regular workweek for such job title shall be paid at straight time hourly rate. Thresholds for entitlement to compensatory time, overtime or premium time shall be the same for part-time bargaining unit employees as it is under this article for full-time employees in the same job title.

ARTICLE XVIII continued

O. RESTORATION OF LEAVE TIME TAKEN DURING COLLEGE EMERGENCY CLOSING

When an employee has had one pre-approved compensatory leave, personal leave, or vacation leave day (seven or eight hours) scheduled as a single day off with pay (there is no other paid leave scheduled the work day immediately preceding or following) and an emergency closing of the College occurs, the employee's leave time balance will be restored. The amount of leave time restored shall be limited to the amount of time that the emergency closing coincides with the employee's work schedule and shall be restored in increments of one hour. Leave time will only be restored if the emergency closing encompasses at least fifty percent (50%) of the daily hours that the employee would have normally worked.

ARTICLE XIX

FEDERATION RIGHTS AND RESPONSIBILITIES

A. FEDERATION BUSINESS

The Federation shall be permitted to transact Federation business on campus, provided that it shall in no way interfere with the College operations or the scheduled duties and/or work hours of employees. Officers and employees of Federation affiliates shall have access to the campus to assist the Federation at its request. The Federation shall be entitled to use appropriate space on campus designated by the College, provided that the space is requested and approved in accordance with the room reservation policies and procedures which the College has established or may hereafter establish, and provided that such meetings shall not interfere with College operations, College-initiated activities, or scheduled duties or working hours of employees.

B. BULLETIN BOARD

The College shall install one bulletin board approximately three feet square in a permanent location in each College-owned building. The Federation will be advised of the proposed locations of such bulletin boards as designated by the Vice President for Business and Finance. If the Federation declines any or all of such proposed locations, the College shall be under no obligation to install those bulletin boards declined by the Federation. Such bulletin boards shall be used solely for posting notices and other materials relating to Federation activities. The Federation shall reimburse the College for the cost and installation charges

ARTICLE XIX continued

of each such bulletin board. All materials posted shall relate to official business of the Federation and shall be signed by an appropriate official of the Federation. The President of the Federation shall advise the Vice President for Business & Finance in writing of the name of the person who is responsible during the term of the agreement for the content and utilization of Federation bulletin boards.

C. PARTICIPATION IN MEETINGS

Whenever any employee in the bargaining unit is mutually scheduled to participate during working hours in grievance proceedings, negotiations or meetings of the College Standing Committees or the joint committee established in this agreement, or meetings scheduled by the President of the College, the employee shall suffer no loss of pay, and shall not be charged with leave time.

D. USE OF COLLEGE EQUIPMENT

The Federation shall have the right, with the permission of the Vice President for Business & Finance or his/her designee, to use on campus College typewriters, photocopy machines, calculating machines and audiovisual equipment, at reasonable times when such equipment is not otherwise required for College operation. Permission will be granted for the use of such equipment, provided a person trained and experienced in the use and operation of such equipment is in attendance. For purposes of this subparagraph only, an approved leave of absence will not be deemed a break in continuous employment service, but the period of such leave shall not be counted towards the five, ten and fifteen year thresholds required for eligibility under this subparagraph.

All sick leave payments under this subparagraph shall be computed at the employee's hourly rate of compensation as of the date of retirement or termination of employment. Retirement and medical benefits shall be granted during the period of parental leave in conformance with the laws, rules and regulations established by appropriate state departments. The College shall have the right to require certification from the pregnant employee's physician that she is physically able to return to duty. Written request for extension of the parental leave may be made to the supervising vice president provided that such request is accompanied by a certification from the attending physician that the employee who has taken the leave due to pregnancy is physically unable to return to duty, and further provided that no extension of the parental leave may go beyond one year from the date the leave first commenced. Should the total unpaid parental leave exceed six (6) months, the employee shall not be eligible for the salary adjustment or increase applicable to the fiscal year following the termination of the parental leave. The time spent on unpaid parental leave shall not be considered a break in service, but shall not be counted as regular service for purposes of promotion, seniority, length of service or any other ancillary or fringe benefits, except as herein provided, and except as may be otherwise provided by applicable law. Upon timely return from unpaid parental leave, the employee shall retain the same seniority that he/she held at commencement of such leave.

ARTICLE XXVI continued

H. FAMILY ILLNESS

1. Upon a request submitted to the Human Resources Department, through his/her immediate supervisor, up to four (4) days leave (up to three (3) days for part-time employees as defined in Article I) with pay may be granted in each contract year to an employee in the event of hospitalization, post-hospitalization convalescence or medical care by a physician or licensed practitioner for an employee's spouse, child, parent, father-in-law, mother-in-law, brother or sister. The College may require for approval of such absence certification from a physician of such hospitalization, post-hospitalization convalescence or medical care by a physician or licensed practitioner. In the event of extenuating circumstances, consideration will be given by the College to an extension of such leave with or without pay in the sole discretion of the College.

I. SPECIAL PURPOSE LEAVE

Leave of absence without pay, up to one year in length, for special purposes may be granted by the President of the College upon written application of the employee, after favorable recommendation of such leave by the employee's supervisor and supervising vice president. Insofar as possible, within ten (10) days after receipt of such request by the College President, the employee shall be notified of the disposition of his/her request. Decisions of the College with regard to a special purpose leave request shall not be arbitrable. The time spent on this leave

ARTICLE XXVI continued

shall not be deemed a break in service under the terms of this agreement, but where the leave extends beyond six (6) months, shall not be counted as regular service for purposes of promotion, increases in salary, seniority, length of service, retirement, or any other ancillary or fringe benefits except as may be otherwise provided by applicable law. Upon timely return from unpaid leave, the employee shall retain the same seniority that he/she held prior to the commencement of the leave.

J. If an employee is eligible for leave time pursuant to the Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act ("Statutory Leave"), any paid sick, vacation, family illness, or personal leave permitted and taken under the provisions of this contract for a purpose covered by the Statutory leave shall be substituted for and credited against the Statutory leave entitlement.

ARTICLE XXVII

SABBATICAL LEAVE

A. PERIOD AND SALARY

Regular sabbatical leaves are awarded for either one (1) academic semester (not to exceed five months) at full pay or two (2) academic semesters (not to exceed one continuous ten-month period) at half pay. "Mini" sabbaticals are awarded for not less than one (1) month and not more than three (3) months at full pay. At the time of application, applicants are required to include the specific dates desired for sabbatical leave. The College will consider the needs and wishes of the applicant with respect to the timing of the leave, but reserves the right to adjust or defer the leave in accordance with the needs of the College for the applicant's services. Salary payments will be made once every two weeks during the leave.

B. PURPOSE AND USE

Sabbatical leaves are awarded by the Board of Trustees to selected employees to foster their creative activities related to services rendered by the administrative area (academic, student, administration) in which they are employed, which activities will increase their professional effectiveness and usefulness to the College. Acceptable pursuits include graduate studies, writing in completion of a degree, scholarly research, writing for publication, or other intellectual activities relevant to and designed to enhance the recipient's value to the College. Except as provided in Paragraph F of this article, sabbatical leave recipients shall not engage in any

ARTICLE XXVII continued

remunerative employment while on leave other than acceptance of fellowships, scholarships or similar grants awarded to accomplish the stated purpose of the leave.

C. ELIGIBILITY

Eligibility to apply for regular sabbatical leaves shall be limited to those employees who have completed at least six (6) consecutive years of full time active employment with the College subsequent to the expiration date of any previous regular sabbatical leave granted by the College. Eligibility for "mini" sabbatical leaves shall be limited to those employees who have completed six (6) consecutive years of full time employment with the College and who have not been on a "mini" sabbatical leave during the previous three (3) years. No more than two (2) employees from the same administrative area of the College shall be on a sabbatical leave at the same time.

D. SABBATICAL LEAVE COMMITTEE

There shall be an Academic Administrative Personnel Sabbatical Leave Committee consisting of six (6) members. The committee shall be composed of two (2) members from the Division of Academic Affairs, two (2) from the Division of Student Development and Enrollment Management, and two (2) from either the Division of Business and Finance or the Division of College Advancement and Planning. Committee members shall be elected by secret ballot vote of all members of the Federation bargaining unit, and shall serve a two (2) year term commencing September 1. A vacancy occurring on the Committee during an unexpired term shall be filled by an appointment from the Division in which the vacancy exists, which

ARTICLE XXVII continued

appointment shall be made by the President of the Federation for the balance of the unexpired term. Individuals elected or appointed to the Committee shall not file an application for a sabbatical leave during the period of his/her elected or appointed term on the Committee, and in the case of resignation from the Committee, for a period of one year following the date of resignation. The President of the Federation, by October 15 of each year, shall notify the Director of Human Resources and Labor Relations of the membership of the Committee.

E. APPLICATION PROCEDURE

Sabbatical leave proposals will be received at stated intervals during the academic year preceding the year in which the leaves are to be taken. October 15 and April 15 are established as the dates for receipt of sabbatical leave proposals. Applications filed for the April 15 date will be considered only if the funds available under the provisions of this agreement have not been previously committed for the academic year in which the requested sabbatical leave is to be taken. Applications shall contain a detailed prospectus of the intended activity, including purpose, objectives and plans, and shall explicitly describe how the proposed activity will increase the recipient's value to the College. The Sabbatical Leave Committee will meet, interview, evaluate and vote on proposals expeditiously after each deadline date. All six committee members shall have full voting rights. A recommendation from the Committee shall require the affirmative vote of four (4) members. Because of the sensitive nature of approval or disapproval of the sabbatical leave proposals, the recorded vote of each committee member

ARTICLE XXVII continued

shall not be made public. The Sabbatical Leave Committee shall rank separately in order of priority all full- and mini-sabbatical leave proposals which have received the affirmative vote of four committee members. The chairperson of the Sabbatical Leave Committee shall forward to the respective supervising Vice President all proposals, and the rationale in writing for committee acceptance of each proposal. The supervising Vice President shall appropriately review and evaluate the sabbatical leaves recommended by the Academic Administrative Personnel Sabbatical Leave Committee, including the ability of the College to maintain services which would otherwise be provided by the applicant during the specified sabbatical leave dates. The supervising Vice President shall forward his evaluation and recommendation to the President of the College within thirty (30) days. The President shall also appropriately review and evaluate the sabbatical leaves recommended by the Sabbatical Leave Committee, including application of the criteria set forth in this article. Any sabbatical leave proposals approved by the President shall be presented and recommended by him to the Board of Trustees for its consideration and award of sabbatical leaves. The President of the College shall have the right to reject any or all sabbatical leave proposals recommended by the Academic Administrative Personnel Leave Committee. The President of the College will advise the Committee and the Federation in writing of his reasons for rejecting any sabbatical leave proposals recommended by the committee, which reasons may include insufficient funds.

ARTICLE XXVII continued

The substance, opinions and conclusions of the President of the College or Board of Trustees to deny any sabbatical leave proposals shall not be grievable, but employees may grieve an alleged violation of the procedural rights established in this article or an alleged violation of Article XXX of this agreement.

F. SPECIAL CONDITIONS OF SABBATICAL LEAVE AWARDS

1. The period of sabbatical leave shall be credited as regular full-time service for retirement purposes, the granting of increments and other benefits as though the recipients were in regular employment.

2. The Board of Trustees may approve exceptions to the rule of "no remunerative employment" where unusual circumstances prevail, such exceptions to be individually determined and non-precedent setting. A sabbatical recipient may continue, but may not increase, the level of preexisting part-time remunerative employment, if such part-time employment was disclosed in writing to the Director, Human Resources, at least sixty (60) days prior to the filing of the sabbatical application with the Sabbatical Leave Committee.

3. Recipients of sabbatical leave shall, upon acceptance of such sabbatical leave award, signify in writing their obligation to remain in the employment of the College for a period of not less than two (2) consecutive years following the expiration of a sabbatical leave of one semester or longer, or for a period of not less than one (1) year following the expiration of a

ARTICLE XXVII continued

"mini" sabbatical. The written acknowledgement shall include an obligation to repay sabbatical funding on a prorated basis if the recipient voluntarily chooses not to remain in the employment of the College for the required period following the expiration of the sabbatical leave.

Recipients of sabbatical leaves shall, upon their return to the College, submit to the Board of Trustees and to their supervising vice president, copies of a comprehensive written report of the activities and accomplishments of the leave and its value to the College, such report to be of publication quality.

G. FUNDING

For each contract year, a sum equal to one percent (1%) of the combined annual contracted salaries (exclusive of compensatory time, overtime, or premium pay) for the members of the bargaining unit employed as of September 30 of the previous fiscal year shall be available to fund academic administrative sabbatical leaves to be taken by bargaining unit members during next fiscal year commencing July 1. The sum available to fund academic administrative sabbatical leave to be taken by bargaining unit members during the next fiscal year shall be equal to:

a. one percent (1%) of the combined annual contracted salaries (exclusive of compensatory time, overtime, or premium pay) for the members of the bargaining unit employed as of September 30 of the previous year, and

b. the unused balance up to a maximum of \$10,000 from the Federation sabbatical fund for the previous contract year. Under no circumstances shall the unused balance of funds from any given fiscal year carried forward for use in the following fiscal year exceed \$10,000.

ARTICLE XXVII continued

If, after granting one or more sabbatical leaves to bargaining unit members, the remaining funds available are insufficient for full funding of additional sabbatical leaves awarded by the Board of Trustees, the successive applicants approved by the Board of Trustees shall have the option of accepting a sabbatical with less than full funding, limited to the balance of the funds available. There is no fixed minimum or maximum number of sabbatical leaves to be granted in any fiscal year, but it is the intent of the Board of Trustees to make such awards, within the limitation of funds available, to those applicants whose past performance, promise and plans for leave are demonstrably superlative and whose absence would not impair or impede the effectiveness of their department during the time of the leave.

The Director of Human Resources and Labor Relations of the College shall report by October 15 to the Academic Administrative Personnel Sabbatical Leave Committee, the President of the College, and the President of the Federation the amount of funds available to be allocated under this subparagraph for sabbatical leaves in the next fiscal year.

ARTICLE XXVIII

INSURANCE AND DISABILITY

A. INSURANCE

In addition to the insurance benefits described below, the College shall continue all existing insurance benefits previously provided to employees in the Federation bargaining unit.

B. LONG TERM DISABILITY

The College agrees to pay the premium for a Group Policy (Union Mutual LTD or a comparable policy by the same or other carrier, which policy shall be agreed to by the parties), which shall provide coverage during the terms of this agreement.

C. SALARY CONTINUANCE PLAN

1. Purpose - The purpose of this plan is to provide protection against income loss after the elimination period, due to an employee's inability to work because of personal illness or injury, except that this plan shall not apply to illness, injury or other disability absence arising out of employment and covered by the Workers Compensation Law.

2. Elimination Period - Benefits payable under this plan shall begin on the first regularly scheduled work day following the date when an employee employed in a job title in the bargaining unit exhausts all of his or her accrued sick leave payable by the College, or after thirty (30) calendar days have elapsed since the onset of the employee's inability to work, whichever date shall occur later.

ARTICLE XXVIII continued

3. Benefit Period - Subject to the Fund limitations in Section 9, the College shall pay the employee at the rate of eighty percent (80%) of his or her regular base salary for the period of absence from work in excess of the elimination period until the earliest of the following dates:

- a. one hundred eighty (180) calendar days have elapsed following the onset of the employee's inability to work due to a disability covered by this plan; or
- b. the employee has been paid benefits under this plan equal to one-third of the employee's annual base salary; or
- c. the employee returns to work.

Benefits payable under this plan shall be paid only for days during the employee's inability to work when the employee would normally be scheduled to work, and shall not be paid for days scheduled as holidays or any other form of leave prescribed elsewhere in this agreement, or for days for which the employee would not normally be eligible to receive salary. This plan does not apply to employees who have not completed their new hire probationary period as stated in Article VI-B.

4. Recurrence of Disability - If an employee who is receiving benefits under this plan returns to work and subsequently becomes disabled because of personal illness or injury, that employee shall be eligible for an additional benefit period under this plan as described above, provided that the employee has worked at least six months upon return to work. The period of absence prior to the return to work and the subsequent absence shall be treated as one

ARTICLE XXVIII continued

disability with both absences counted towards the maximum benefits under paragraph 3, except that if an unrelated or recurrent disability arises before completion of six months of work, such illness shall not require an additional elimination period.

5. Other Benefits - The period of absences during the elimination period and the benefit period shall be counted as regular full-time service for purposes of promotion, increases in salary, seniority, accrual of leave, length of service, retirement or any other ancillary or fringe benefits, except as may be otherwise provided by applicable law.

6. Coordination of Benefits - Benefits payable to an employee under this plan shall be reduced by any amount payable to the employee under any other disability payment plan provided under the laws of any State or Federal law of the United States, any insurance or other employee benefit plan which pays for loss of time on account of disability due to sickness or injury for which an employer has paid all or any portion of its cost, and any insurance which pays benefits for loss of time on account of injury suffered in an automobile accident. Benefits under this plan shall not be payable to any employee for any period during which an employee may be receiving benefits provided under a workers compensation law.

7. Certification of Disability - An employee claiming benefits under this plan shall submit to the College a written certificate by a physician attesting to his or her inability to work, including a projected date for return to work, and shall submit subsequent certification by a physician of his or her continued inability to work if requested by the College. The College

ARTICLE XXVIII continued

shall have the right as a condition to payment of benefits, to require the employee to provide relevant medical records and to submit to an examination by a physician designated and paid for by the College. If the physician selected by the College declines to certify the employee's inability to work, the Federation shall have the right within twenty days from notification of declined benefit eligibility to elect, by written notice to the College, to submit the eligibility determination to the third physician. If the Federation requests submission to a third physician, the College physician and the employee's treating physician shall select a qualified physician to determine the matter. If the College and employee's physician are unable to agree upon the selection of a third physician, such third physician shall be designated by the President of the Morris County Medical Society. The determination of the physician so selected, as to whether the employee is unable to work because of a disability covered under this Plan, shall be binding upon the College, Federation, and the employee. The cost of the services of the third physician shall be paid equally by the College and Federation, and shall not be subject to further grievance.

8. Limitations of Benefits - No benefits shall be payable for any period of disability which did not commence while the employee was employed by the College, for any period of disability due to willfully or intentionally self-inflicted injury, or for any period during which the employee performs any work for remuneration or profit.

9. Limit of Liability - The Board shall not be liable for any benefits under the Federation Salary Continuance Plan in excess of twenty thousand dollars (\$20,000) payable during any one fiscal year. In the event that claims for benefits to the entire Federation

ARTICLE XXVIII continued

bargaining unit exceed that amount, the Federation may elect to reduce the accrual under Article XXVI, B (1) of one day of sick leave by each employee in the bargaining unit, which shall be accounted according to the hourly rate of each employee that may be in effect at the time, and such additional amount of money shall be made available to pay additional claims for benefits.

D. DENTAL PLAN

The College shall provide and pay for a dental program providing individual coverage for all members of the bargaining unit by a dental care insurance policy. The College shall have the right to substitute a dental policy for the Delta Dental policy in effect as of June 30, 2000 which has an overall level of benefits that is equivalent. The College shall offer a voluntary dental program for spouses and eligible children for all bargaining unit members with premiums fully paid by the employees who elect this coverage. The overall level of benefits will be equivalent to those dental benefits provided to employees. The availability of this dental coverage on an annual basis will be subject to minimum participation limitations established by the insurance provider.

E. HEALTH BENEFITS

1. As long as the college remains in the State Health Benefit Plan ("SHBP"), eligible Federation employees may enroll in the SHBP in accordance with established procedures. The College shall bear the full cost of the premiums for the employee and his/her dependents for coverage under either the SHBP or under any substitute health insurance plan selected by the

ARTICLE XXVIII continued

College which provides a traditional indemnity program and one or more managed-care options.

If the College elects to withdraw from the SHBP, the substitute health insurance plan will provide (i) benefit levels that, in the aggregate, are more beneficial to the covered employees than the two medical plans having the greatest enrollment of CCM employees at the time of withdrawal from the SHBP, and (ii) an appeal process by which employees may appeal to the insurance carrier denials of coverage or benefits. The College will provide the Federation with a copy of the master contract for the new plan ninety (90) days before implementing the new plan.

2. Should the College decide to substitute another insurance plan for the SHBP, the College will provide affected employees with forty-five (45) days written notice of the effective date of the change in health plans. Affected employees shall be furnished with a description of the substitute health plan. During the forty-five (45) day period, employees shall have the option of electing any benefit options that may be offered by the substitute health insurance plan.

3. If the College ceases to participate in the SHBP, the College Department of Human Resources will continue to provide on-campus administration of health benefits and will distribute to affected employees notification of changes in the level of benefits. The Department of Human Resources will assist the employee in obtaining an expeditious determination by the insurance carrier of any appeal of a denial of coverage or benefits.

4. All questions and disputes arising under the terms of any health insurance plan substituted for the SHBP shall be determined under the appeal process established by the

ARTICLE XXVIII continued

insurance carrier and not under the grievance procedure set forth in Article XIII. A decision of the College to withdraw from the SHBP and the selection of the health insurance plan providing substitute coverage are prerogatives of management and are not grievable. However, the Federation shall have the right within forty-five (45) days after its receipt of the master contract for the new plan, within which to advise the College in writing of its position that the substitute health insurance plan does not provide benefit levels that, in the aggregate, are more beneficial to the covered employees than the two medical plans having the greatest enrollment of CCM employees at the time of withdrawal from the SHBP ("Notice of Dispute"). Within ten (10) days from the College's receipt of the Notice of Dispute, the College and the Federation will agree upon the appointment of an independent employee benefit specialist firm or individual. Should any other collective bargaining unit(s) at the County College of Morris file a Notice of Dispute with the College, the Federation agrees to jointly propose the appointment of an independent benefit specialist with the other bargaining unit(s). The independent specialist shall only determine whether the substitute health benefit plan does or does not provide benefit levels that, in the aggregate, are more beneficial to the covered employees than the two medical plans having the greatest enrollment of CCM employees at the time of withdrawal from the SHBP. The independent specialist must have offices in the State of New Jersey and shall not then be providing services or consultation to county colleges in New Jersey or to the New Jersey Education Association or any of its affiliates. If an independent specialist has not been mutually agreed upon and appointed within the ten (10) day period, either party may apply to the Superior

ARTICLE XXVIII continued

Court Assignment Judge, Morris County, to appoint an independent health benefit specialist to determine the dispute. The determination of the independent health benefit specialist shall be binding on the parties and shall not be grievable. The costs of the services of the independent health benefit specialist will be shared equally by the College and Federation and any other bargaining unit(s) who have filed a Notice of Dispute. If a Notice of Dispute as permitted in this Section E.4 is timely served upon the College, the substitute health insurance plan shall not become effective unless the parties agree in writing otherwise, or the independent specialist determines that the new benefit levels, in the aggregate, are more beneficial to the covered employees than the two medical plans having the greatest enrollment of CCM employees at the time of withdrawal from the SHBP.

ARTICLE XXIX

DEDUCTIONS FROM SALARY

A. The College agrees to deduct from the salaries of its employees dues which said employees individually and voluntarily authorize the College to deduct. Such deductions shall be made in compliance with Chapter 233, New Jersey Public Laws of 1969, N.J.S.A. (R.S.) 52:14-15,9c. Said monies, together with records of any collections, shall be transmitted to the Treasurer of the Federation once per month. Employee authorizations shall be in writing and such authorizations shall continue in accordance with law until a notice of withdrawal is filed by the employee.

B. If during the life of this agreement there shall be a change in the rate of membership dues, the Federation shall furnish to the College written notice sixty (60) days prior to the effective date of such change. It is understood that the only obligation of the College shall be to remit to the Federation the total deductions.

C. The Federation will provide the initial necessary "checkoff authorization" form and the Federation will secure the signatures of its members on the forms and deliver the signed forms to the President, or his designee. Upon the College compliance with the provisions of Chapter 233, the Federation shall indemnify, defend and save the College harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the College in reliance upon salary deduction authorization cards submitted by the Federation to the College.

ARTICLE XXX

NONDISCRIMINATION

A. Pursuant to the New Jersey Employer-Employee Relations Act, the College and the Federation hereby agree that every employee of the College covered by this agreement shall have the right to freely organize, join and support the Federation for the purpose of engaging in collective negotiations, or to refrain from doing so. The College and the Federation agree that they shall not directly or indirectly discourage or deprive or coerce any employee covered under this agreement in the employment of any rights conferred by the New Jersey Employer-Employee Relations Act, and that they shall not discriminate against any such employee by reason of his membership or non-membership in the Federation, or his participation or non-participation in any activities of the Federation.

B. Neither the College nor the Federation shall discriminate against any employee because of gender, sexual orientation, race, religion, age, color, national origin, veteran's status, marital status or disability.

ARTICLE XXXI

SEPARABILITY AND SAVINGS

If any provision of this agreement or any application of this agreement to any employee or group of employees is held invalid by operation of law or by a Court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

ARTICLE XXXII

AMENDMENT OF AGREEMENT

This agreement shall not be modified in whole or in part except by mutual agreement of the parties. Mutually acceptable amendments shall be reduced to writing and submitted for ratification by the Board of Trustees and the Federation.

ARTICLE XXXIII

JOINT COMMITTEE

A. There shall be a joint committee of no more than three (3) members from the Federation and three (3) representing the College Administration. This committee shall meet at the request of either party for the purpose of reviewing mutual problems arising out of the employer-employee relationship or the administration of this agreement. The meetings of the committee shall be scheduled at mutually agreed upon times. It shall be the practice of the parties to schedule such meetings at times which do not interfere with the assigned employment duties of the committee members.

B. The committee created pursuant to this article shall have no power to alter, modify or amend the provisions of this agreement, nor shall this article be deemed to be an authorization to conduct negotiations during the course of this agreement or a waiver of any other rights of the parties pursuant to this agreement.

ARTICLE XXXIV

PAYMENT OF SALARY

Salary for the contract term shall be paid to each employee biweekly during the calendar year. Salary payments shall not be advanced. Those on paid leave shall be paid in accordance with the regular College pay schedule. Paychecks will be distributed via each employee's supervisor, or pursuant to an automatic deposit agreement, or, at the request of an employee on paid leave, shall be mailed to the employee. The College reserves the right to determine the form of checks, accounting procedures, and whether to issue same manually or by computer or have such services performed by outside contractors. The College further reserves the right to require paychecks be distributed via automatic direct deposit. The College shall incur no liability to any employee for the delay in the distribution of salary checks due to causes beyond the control of the College.

ARTICLE XXXV

B. DETERMINATION OF RIGHTS

1.
