ARTICLE III

GRIEVANCE PROCEDURE

A. Definition

1. The term "grievance" means a claim that there has been a violation or the improper application or interpretation of any term or provision of this contract.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party of interest" is the person or persons making the claim and any other person who might be required to take action, or against whom action might be taken, in order to resolve the claim.
4. Any grievance must be filed at the proper initiating level within fifteen (15) calendar days of the happening of the event.

B. Level 1 - Informal Attempt to Resolve

An individual, or group of administrators, who has a grievance must discuss it first with his/her immediate supervisor in an attempt to resolve the matter informally. If the problem is not resolved to the satisfaction of the grievant within ten (10) working days after the conclusion of the discussion, the grievant may proceed to Level 2.

C. Level 2 - Immediate Supervisor

If, as a result of the informal discussion, the matter is not resolved to the satisfaction of the grievant, he/she may set forth his/her grievance in writing to the immediate supervisor specifying:

1. The nature of the grievance
2. The nature and extent of the injury, loss or inconvenience
3. The result of the previous discussion
4. The provision of the Agreement which is violated
5. The dissatisfaction with previously rendered informal and/or formal decisions
6. The vice principals shall initiate the grievance procedure at the principal's level. The principal shall communicate his/her decision to the grievant in writing within five (5) working days of the receipt of the written grievance. If the grievance is not resolved to the grievant's satisfaction, he/she, within five (5) working days after the receipt of the principal's decision, may take the grievance to the superintendent, or next level.

7. The principals, director of special services and director of curriculum shall initiate the grievance procedure at the superintendent's level. The superintendent shall communicate his/her decision in writing to the grievant within five (5) working days of the receipt of the written grievance.

Nineteen (19) of the twenty-one (21) vacation days must be taken during the summer months. Two (2) vacation days may be taken during the school year. Vacation days do not accumulate from year to year. If the twenty-one (21) vacation days are not taken during the summer (with the option of taking two during the school year), they are lost.

The Board recognizes the fact that there are situations which could prevent an administrator from taking the twenty-one (21) allotted days during the summer months. In the event of an emergency situation which would prevent an administrator from taking his/her allotted vacation days during the summer months, the administrator and superintendent shall mutually agree on a solution regarding the unused vacation days. If an agreement cannot be reached, the Board will make the final decision.
