**ARTICLE 2
NEGOTIATION PROCEDURE**

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Laws of 1974 in a good-faith effort to reach an agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall not begin later than December 1 of the calendar year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall apply to all teachers, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board and the Association.

- B. During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counterproposals. The Board shall, upon request, make available to the Association for inspection, all public pertinent records, data and information of the Gateway Regional School District.

- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party, the parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals and make counterproposals in the course of negotiations.

- D. 1. Representatives of the Board and the Association's negotiating committee shall meet at mutually agreeable times for the purpose of reviewing the

administration of the agreement, and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure.

2. All meetings between the parties shall be regularly scheduled to take place when the teachers involved are free from assigned instructional responsibilities.
 3. Should a mutually acceptable amendment to this agreement be negotiated by the parties, it shall be reduced to writing, be signed by the Board and the Association, and be adopted by the Board and the Association.
- E. The Board agrees not to negotiate concerning said employees in the negotiating unit as defined in Article 1 of this agreement, with any employee organization other than the Association for the duration of this agreement.
- F. This agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3 MANAGEMENT RIGHTS

The Gateway Regional Board of Education on its behalf and on behalf of the electors of the district hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and constitution of the State of New Jersey and of the United States, including:

- A. The right to hire, promote, assign, reassign, transfer, appoint, or retain employees in positions within the school district and to suspend, demote, discharge or take other disciplinary action against them for cause.
- B. To take necessary actions to abolish positions when needed to maintain the efficiency of the school district.
- C. To determine the methods, means, personnel and systems by which all school district operations are to be conducted.
- D. To maintain the executive management and administrative control of the school system over its properties and facilities.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board; the adoption of policies, rules, regulations and practices and furtherance thereof and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this agreement.

ARTICLE 4 WORK CONTINUITY

The Gateway Regional Education Association agrees that during the duration of this agreement there shall be no strikes, work stoppages, or other concerted refusal to perform work by employees covered by this agreement.

ARTICLE 5 GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of a teacher or group of teachers and/or the interpretation, meaning or applications of any of the provisions of this agreement.
2. The term "grievance" and the procedure relative thereto, shall not be deemed applicable in the following instance: The failure or refusal of the Board to renew a contract of a non-tenure teacher.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. The parties further agree that time constraints of this procedure are to be considered as maximums and the failure of the Board or Association to process any grievance according to the time limits contained in the procedure below will render the grievance settled in favor of the Board or the grievant/Association.

C. Procedures

1. Grievances shall be processed promptly and expeditiously.
2. Formal grievances and appeals shall be filed in writing.
3. Communications and decisions concerning formal grievances shall be in writing.
4. A grievant shall be permitted a representative at all levels.

5. No additional evidence shall be submitted by either party once a grievance has been submitted to the Board of Education at Step 4 of the grievance procedure. If either party attempts to submit information after Step 4 that has not been previously submitted at Step 4 or another prior step in the grievance procedure such evidence shall be excluded from any hearing or consideration by an arbitrator.
6. Grievances shall be adjudicated according to the terms of this procedure and the filing, pendency or hearing of any grievance shall not impede the normal management of the work force or operations of any of the activities or functions of the Board.
7. Forms for grievance processing shall be developed between the parties and shall be mutually agreed by the parties and distributed on an as needed basis by either party.
8. The parties in interest will cooperate in investigating and providing pertinent information concerning a grievance being processed.
9. Notice of hearings shall be given to the grievant at least five (5) days in advance and such hearings shall be held on mutually agreeable premises.
10. If either party violates any procedural aspect of this agreement such a violation shall constitute a bar to the presentation of that specific grievance to arbitration by the party which has violated the procedural section of the agreement.
11. The parties agree that whenever the term "day" is referred to in this agreement, that term shall refer to calendar days.
12. All grievances must be processed by the last day of the school year. If a grievance is not completely processed by the last day of any school year then that grievance shall be held over until the first day of the next school year. Any time limits on that grievance based upon the step the grievance is in on the last day of the school year will be frozen until the first day of the next school year when the days in questions as they apply to time limits will again be counted.

Calendar days will be calculated except for school calendar holidays and specific days when Christmas and Easter breaks are observed in the school calendar.

D. Processing

1. Level One

The aggrieved shall first discuss it informally with their principal within twenty (20) days of the occurrence of the alleged events leading to the grievance. The principal shall review any facts presented by the aggrieved and shall render a decision to the aggrieved within seven (7) days of the actual receipt of the grievance.

2. Level Two

If the aggrieved is not satisfied with the disposition of the grievance at Level One, he/she may submit the grievance to the building principal, in writing, within seven (7) days after receiving the decision of the principal. The building principal will investigate the information presented and will prepare a written decision within seven (7) days after receipt of the appeal.

3. Level Three

If the aggrieved is not satisfied with the disposition of the grievance at Level Two, he/she may submit the grievance, in writing, to the Superintendent, within seven (7) days after receiving the decision of the building principal. The Superintendent will investigate the information presented and will prepare a written decision within seven (7) days after receipt of the appeal.

4. Level Four

5. Level Five

- a. If the Association is not satisfied with the disposition of the grievance by the Board at Level 4, it may submit the grievance to arbitration within fifteen (15) days of the decision by the Board. If during this period the Association determines to proceed, it must notify the Superintendent in writing and submit a request to the Public Employment Relations Commission for the submission of an initial list of arbitrators. If the parties are unable to agree upon an arbitrator or obtain such a commitment within the specified period, the parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.
- b. The arbitrator so selected shall confer with the representatives of the Board and the PR and R Committee and hold hearings promptly and shall issue his/her decision not later than twenty (20) days from the date the final statements and proofs on the issues are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
- c. The arbitrator must first rule on the arbitrability of the grievance if so requested by either party.
- d. The cost for the services of the arbitrator, including per diem expenses, if any, and actual necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

As a duly selected body exercising governmental power under color of law of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 123, Public Laws of 1974, or other laws of New Jersey or the Constitution of the State of New Jersey and the United States; that it shall not discriminate against any teacher with respect to hours, wages or any terms and conditions of employment by reason of his/her membership in the Association and its affiliates, his/her participation in activities of the Association and its affiliates collective negotiations with the Board, or his/her institution of any grievance, complaint or proceedings under this agreement or otherwise with respect to any terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher such rights as he/she may have under New Jersey laws or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

The request shall enumerate the type of facility that is to be utilized, specifically typewriters, mimeograph machines or duplicating equipment. If the principal determines that the machines are otherwise not engaged and the facilities are available for Association use, the Association may then utilize the equipment provided the Association presents to the principal payment for the cost of all materials and supplies that are to be utilized in conjunction with the facilities or equipment. The approval and payment must be obtained prior to the utilization of facilities or equipment.
 - 2. When using the computer printer terminal, the cost shall be computed on the following basis: 10% of the cost of the equipment per month, pro-rated for daily use. The Board will also present the Association with a table of cost for materials on an annual basis (yearly - 10 months).

Such day shall not exceed six hours and thirty-six minutes and shall include a duty free lunch period. Each instruction period shall be 43 minutes. The in-school teacher day shall begin fifteen (15) minutes before the opening of the pupils' school day and shall end fifteen (15) minutes after the close of the pupils' school day. On Fridays or on days preceding holidays or vacations, the teachers' day may end at the close of the pupils' day.
2. Effective July 1, 2002, the in-school teacher day shall be eight periods. Such day shall not exceed seven hours and three minutes and shall include a duty-free lunch. Each instruction period shall be 43 minutes. The in-school teacher day shall begin five (5) minutes before the opening of the pupils' school day and shall end five (5) minutes after the close of the pupils' school day. On Fridays or on days preceding holidays or vacations, the teachers' day may end at the close of the pupils' day.

B. Teaching, Duty, Preparation and Professional Periods

1. Effective September 1, 1995: Additional classes requiring teachers to work a sixth period will be posted; teachers may volunteer to teach said classes and if assigned by the Board will relinquish either a preparation period or a duty period; teachers relinquishing a preparation period shall be compensated \$3300; teachers relinquishing a duty period shall be compensated \$2200. No more than 50% of those assigned will be able to relinquish a duty period. This provision is applicable to teaching staff hired on or before January 1, 1999.

2. Effective June 30, 2004: Teaching staff hired on or before January 1, 1999, shall be eligible to be assigned up to 30 teaching periods in any week at no additional salary compensation. No such teacher shall be assigned more than 25 teaching periods in any week in more than one year in each two-year period beginning with the 2004-2005 school year. In the second year, a teacher may volunteer to teach more than 25 teaching periods in any week but, if they are so assigned, that year shall be treated, for the purpose of the preceding sentence, as if they had not been so assigned. If a teacher teaches a sixth period in that second year, he/she shall be compensated at the rate of \$2,500 per year.

3. Teaching staff hired after January 1, 1999, shall be eligible to be assigned up to 30 teaching periods in any week at no additional salary compensation. Teaching staff hired after January 1, 1999, will not be assigned more than 25 teaching periods in any week until they have completed, at a minimum, one full semester of teaching experience in the profession, unless they should choose to waive this limitation without compensation.

4. The following provisions are effective July 1, 2002 and are applicable to all teaching staff members:
 - a. Teachers who are assigned to 25 teaching periods in any week shall also be assigned to five duty periods, five preparation periods and five professional periods.
 - b. Teachers who are assigned to 26 teaching periods in any week shall also be assigned to four duty periods, five preparation periods and five professional periods.

- e. Teachers who are assigned to 29 teaching periods in any week shall also be assigned to one duty period, eight preparation periods and two professional periods.
 - f. Teachers who are assigned to 30 teaching periods in any week shall also be assigned to nine preparation periods and one professional period.
 - g. A professional period may include teacher/supervisor contacts, teacher/parent contacts and other professional duties as assigned but may not include direct instruction of students or pupil supervision except as limited in the next sentence. A teacher with a professional period may be assigned up to six (6) times per year to a class coverage with no additional compensation.
 - h. A "week" is defined as five full-length instructional days as defined above.
 - i. Effective July 1, 2002, the Board shall make every reasonable effort to limit the number of preparations to three (3) in a day. In any event, the maximum number of preparations for a teacher shall be four (4) in one day. The parties recognize that special circumstances make a preparations limit impossible to devise for the following teachers: World Language, Family and Consumer Science, Art, Music, Technology Education, Title 1 and Special Education. The Board recognizes that it is desirable to take into consideration the number of preparations for these teachers.
- C. The Board and the Association recognize and agree that the teachers' responsibility to the students, community and profession generally entails the performance of duty and the expenditure of time and service beyond classroom duty hours. However, teachers shall be required to attend only "Back-to-School Night" annually without additional compensation.
- D. Unexcused lateness or early leave will be reported to the Superintendent. Flagrant violation will be grounds for suspension or dismissal.
- E. The agenda for any meeting of teachers shall be given to the teachers involved as soon as possible prior to the meeting except in an emergency. Teachers shall have the opportunity to suggest items for the agenda.

**ARTICLE 10

 - b. (1) Any unit member who is scheduled to work less than five (5) days per week must have worked or been on approved paid leaves of absence under the terms of this contract at least seventy (70) days to earn an increment.
 - (2) If the total number of days for a less-than five day-a-week employee is less than seventy (70) days, the actual days worked plus paid leave days shall carry over to the next work year. In this event, the employee shall be eligible to receive an increment on the September 1 following the completion of the 70th day.
 - (3) If there are days over and above the required seventy (70) days at the time an increment is granted to an employee under (1) or (2) above, the excess time earned in that year will count towards the next increment.
- 2. For purposes of placement on the salary guide, credit for years of experience in teaching in a duly accredited school shall be given on a year-for-year basis up to the tenth (10th) year. Credit for teaching experience beyond the tenth (10th) year shall be at the discretion of the Board. But in no event shall the Board pay a new employee a salary not represented in the salary guide or inappropriate for the level of that employee's education.
- B. Teachers with previous teaching experience in the Gateway Regional High School District shall upon returning to the system receive full credit on the salary schedule for all outside teaching experience, military experience or alternative civilian service required by the Selective Service System, Peace Corps, VISTA or National Teacher Training Corps work and time spent on a Fulbright Scholarship.
- C. Previously accumulated unused leave days from this system will be restored to all returning teachers.
- D. Teachers shall be notified of their contract and salary status for the ensuing year no later than April 30.
- E. All teachers shall be given written notice of their class and/or subject assignments for the forthcoming year not later than May 30. In the event that changes in such

assignments become necessary, any teacher affected shall be notified as soon as possible.

ARTICLE 11 POSTING VACANCIES

- A. Notice of a vacancy shall be posted and a copy sent to the Association President prior to public notification.
- B. The notice shall be posted on the high school office bulletin board for eight (8) days and a copy of the notice shall be sent to the Association President.

ARTICLE 12 TEACHER-ADMINISTRATION LIAISON

The Association shall be represented by a Liaison Committee which shall meet with the Principal and/or the Superintendent at least once a month during the school day for the duration of the school year to review and discuss local school programs and practices and to play an active role in the revision or development of building practices.

ARTICLE 13 CURRICULUM IMPROVEMENT

In the matters of curriculum improvement, teacher recommendation shall be made to Instructional Supervisors. Recommendations should be approved by members of a Department before presentation to Administration.

ARTICLE 14 SICK LEAVE

- A.
 - 1. All teachers employed shall be entitled to ten (10) sick leave days each school year as of the first official day said school year, whether or not they report for duty on that day. Unused sick leave days shall be accumulated from year to year with no maximum limit. In the event a teacher is employed for a period less than a full school year, he/she shall be entitled to one (1) day of sick leave for each month of employment.
 - 2. In the event a teacher who has accumulated sick leave qualifies for a service, age or disability retirement under the New Jersey State pension plan and notifies the Board of Education on or before December 15th of the school budget year in which he or she retires, the Board shall make payment at the beginning of the next school budget year to that teacher in the following amounts:

through 150 days

\$40 per day

In the event a teacher does not provide the aforementioned notice by December 15th of the school budget year in which he or she plans to retire, the aforementioned payments shall be made at the beginning of the school budget year next following the year in which payment would have been made had timely notice been provided. Should a teacher die any time prior to receipt of such payment, payment shall be made to his or her estate.

B. The parties agree to abide by the provisions of N.J.S.A. 18A:30-6.:

"N.J.S.A. 18A:30-6. Prolonged absence beyond sick leave period

When absence, under the circumstances described in section 18A:30-1 of this article, exceeds the annual sick leave and the accumulated sick leave, the board of education may pay any such person each day's salary less the pay of a substitute, if a substitute is employed or the estimated cost of the employment of a substitute if none is employed, for such length of time as may be determined by the Board of Education in each individual case. A day's salary is defined as 1/200 of the annual salary."

ARTICLE 15 TEMPORARY LEAVES OF ABSENCE

A. Teachers shall be entitled to the following temporary non-accumulative leaves of absence with full pay each school year.

1. Two (2) days leave of absence for personal, legal business, household or family matters, which require absence during school hours. Application to the teacher's principal for personal leave shall be made at least one (1) week, (seven [7] days), before taking such leave (except in the case of emergencies) and the applicant for such leave shall not be required to state the reason for taking such leave other than he/she is taking it under this section.  - c. Up to three (3) days in any year in the event of a critical illness of a member of the teacher's immediate family. The parties agree that the term "critical" illness refers to those situations where an employee or a member of the employee's immediate family is substantially incapacitated. In the above situations, the person(s) shall be under the care of a physician and unable to care for themselves.
- 4. Time necessary for persons called into temporary duty of any unit of the United States Reserves of the State National Guards, provided such obligations cannot be fulfilled on days when school is not in session. A teacher shall be paid his/her regular pay, less the cost of a substitute. It is clearly understood that this is not to apply in the case of a six (6) month active duty call-up.
 - 5. Other leaves of absence with pay may be granted by the Board of Education for good reason with the recommendation of the Superintendent of Schools. Any recommendation shall be at the discretion of the Superintendent and this decision on such recommendation shall be final and binding and not subject to the Grievance Procedure of this Agreement. Said decision shall be in writing.
- B. Leaves taken pursuant to Section A. above, shall be in addition to any sick leave which the teacher is entitled.

- C. Disability Leave
 - 1. Any teacher who anticipates undergoing a state of disability such as but not limited to surgery, hospital confinement, medical treatment or pregnancy, may apply for a leave of absence based upon said anticipated disability in accordance with provisions hereinafter set forth.

 - 2. All teachers anticipating a state of disability shall notify the Superintendent of the condition expected to result in disability as soon as the condition which may result in disability is known.
 - a. In the case of anticipated disability due to childbirth, the teacher must request a leave of absence under this section at least ninety (90) days prior to the anticipated delivery date.

 - 3. The teacher requesting a leave under the provisions of Paragraph C. shall specify in writing the anticipated date on which he or she wishes to commence said anticipated leave and the date on which he or she wishes to return to employment following recovery from said disability.

 - 4. The teacher requesting leave under Paragraph C. must produce a statement from his or her physician stating that the teacher is or will be disabled pursuant to Section C.1. The statement must include anticipated commencement and termination dates for said disability.

 - 5. The Board may request that its physician, or a physician of its choosing, confer with the teacher's physician. The Board may require, with cause, the teacher to be examined by its own physician if recommended by the Board's physician after said conference. Said examination will be at the Board's expense.

 - 6. In all cases where there is a dispute or difference of opinion between the teacher's physician and the Board's physician, the two doctors will select a third, and the parties will be governed by the opinion of the third physician. The expense of the third physician will be borne by the Board.

7. If the provisions of the foregoing sections have been met, the Board shall grant an unpaid leave of absence to a tenured teacher up to the balance of the year which concludes on June 30 and for one (1) additional year, if necessary.
8. During the period of actual disability, a teacher may use accumulated sick leave pursuant to the provisions of N.J.S.A. 18A:30-1 et seq.
9. Any pregnant teacher will be deemed eligible for sick leave to the extent allowable or to utilize accumulated sick leave twenty (20) working days prior to the expected date of birth (whichever date last occurs) and shall continue until twenty (20) working days. If an employee shall file a certificate from her physician that she is disabled beyond the times stated as a consequence of an abnormal pregnancy or birth, she shall be paid sick leave for the period of time she is so disabled.
10. A statement from a physician certifying that the employee is physically able to return to duty shall be furnished to the Board before the person is permitted to return from disability leave.
11. Except as provided above, no teacher shall be barred from returning to duty after the birth of the person's child solely on the ground that there has not been a specified time lapse between the birth and the employee's desired date of return.
12. No teacher shall be required to leave work because of her pregnancy at any specific time prior to expected birth nor be prevented from returning to work after birth solely on the grounds that there has not been a lapse of specific duration between child birth and the desired return date.

D. Child Care Leaves

1. A nontenured teacher shall only be entitled to a leave up to the expiration of his/her contract.
2. Tenured approved leaves of absence shall run from their commencement date until the end of that school year or any marking period within the year requested by the employee. These leaves of absence may be extended for the subsequent school year or any number of consecutive marking periods in that year by applying to the Superintendent of Schools by April 1st of the initial leave year or within thirty (30) days after the date of birth or adoption, whichever is later. No further extensions shall be granted.
3. Nothing herein shall prevent the employee and the Board from agreeing that a tenured teacher may return on other than the beginning of a marking period if such earlier return is administratively convenient to the Board. Such decision is not grievable. Any change in the return date shall be submitted in writing to the Superintendent sixty (60) days prior to the return.

4. Application

- a. Application for child-rearing leave shall be made by the teacher to the Superintendent at least ninety (90) days prior to the anticipated birth of the child.
- b. Any teacher adopting a child shall be granted a child-rearing leave in conformity with the provisions of D.1. or D.2. as relevant, which shall commence upon the date such employee obtains custody of the child. Since such date of custody cannot be predicted in all cases, notices shall be given to the Superintendent at least ninety (90) days prior to the anticipated date of custody if possible and, if not, as soon as practicable.

The expiration of all child-rearing leaves shall coincide with the beginning of the next school year unless a tenured teacher is permitted to return at another time under the provisions of D.3. above.

5. Child-rearing leave time shall not be credited toward seniority nor shall the time involved in such leave be counted toward the fulfillment of the time requirements for acquiring tenure.
6. The Board and the principal assume no responsibility for reassigning the teacher to the same classroom or the same grade.
7. A teacher on a voluntary leave of absence shall not be eligible to either receive or accrue benefits except as statutorily required.

- E. All other extended leaves (except child-care leaves) shall terminate at the first day of the last or 2nd semester.

**ARTICLE 17
SABBATICAL LEAVES**

- A. A sabbatical leave shall be granted to a teacher by the Board for approved graduate study, including study in another area of specialization, or for other reasons of value to the school System, subject to the following conditions:
1. If there are sufficient qualified applicants, sabbatical leaves shall be granted to not more than two (2) teachers in any one school year. Sabbatical leaves are for one full year only.
 2. Requests for sabbatical leave must be received by the Superintendent in writing in such form as may be mutually agreed on by the Association and the Superintendent no later than December 1, and the action must be taken on all such requests no later than March 1 of the school year preceding the school year for which the sabbatical leave is requested and the teacher shall be notified in writing of such action.

3. The teacher has completed at least seven (7) full school years of service in the Gateway Regional School District.
 4. A teacher on sabbatical leave shall be paid by the Board at fifty percent (50%) of the salary rate which he/she would have received if he/she had remained on active duty.
 5. Upon return from sabbatical leave, a teacher shall be placed on the salary schedule at the level which he/she would have achieved had he/she remained actively employed in the system during the period of his/her absence.
 6. A teacher who is granted a sabbatical agrees to return to Gateway for a period of at least two (2) contract years after his/her sabbatical leave. In order to be granted a sabbatical leave, the teacher shall sign a promissory note indicating his/her obligation to repay the District in the event that he/she does fail to continue working for at least two contract years after his/her sabbatical leave.
 7. To be eligible for a second sabbatical leave, a teacher must complete another seven (7) full years of service in the Gateway Regional School District.
 8. A teacher who is granted sabbatical leave shall take a minimum of twelve (12) graduate credits.
 9. Teachers on sabbatical leave are not considered on active duty but nevertheless will be eligible for co-curricular assignments, if mutually agreed upon.
- B. Before any teacher becomes entitled to a second sabbatical leave, eligible teachers who have never received sabbatical leave will be given preference.

ARTICLE 18 CLASS COVERAGE

It is desirable for each teacher to have an uninterrupted preparation period each day. The practice of using a regular teacher as a substitute, thereby depriving him/her of his/her preparation period, is undesirable and shall be discouraged. In those cases where regular substitutes are not available, regular teachers who volunteer may be used as substitutes during their preparation period. In the absence of volunteers, a teacher may be assigned to serve as a substitute. Volunteers and assigned teachers shall be paid at the class coverage rate set forth in Appendix D. whenever the extra assignments cause them to give up their preparation period or to teach more than their regularly assigned work periods.

ARTICLE 19 PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

- A. The parties agree that the following is their educational improvement program:
1. To pay one-half (1/2) of the cost of the tuition incurred in connection with courses beyond the Bachelor Degree which aid in the performing or improving of teacher duties. The Superintendent of Schools or his/her designee has the right to review the course reimbursement requests prior to enrollment and reimbursement will be granted if approved by the Superintendent. No specific course grade shall be required for a tuition refund. Claims for tuition reimbursement shall only be honored if they are made within sixty days of the conclusion of the course for which reimbursement is sought. If the teacher can establish that he/she has not yet received a grade, the deadline will be extended to the teacher's grade receipt. This provision does not apply to those granted sabbatical leave under Article 17 of this Agreement.
 2. Reimbursement for all course work shall be paid within thirty (30) days of the first board meeting following the employee's presentation of proper documentation, provided that documentation is filed at least five (5) days prior to the Board meeting. Furthermore, any employee who terminates employment with the Board of Education before such payment is made shall forfeit any amounts due under this subsection.
 3. Workshops, seminars, in-service training sessions or other sessions approved by the Superintendent will be paid in full.
 4. To cooperate with the Association in arranging in-service course, workshops, conferences and programs designed to improve the quality of instruction.

- C. Whenever any action is brought against a teacher before the Board or before the Commissioner of Education of the State of New Jersey which may affect his/her employment or salary status, the Board of Education shall reimburse him/her the cost of his/her defense if the action is dismissed or results in a final decision in favor of the teacher.
- D.

Such notification shall be immediately forwarded to the Superintendent who shall comply with any reasonable request from the teacher for information in the possession of the Superintendent relating to the incident or the persons involved, and shall act in appropriate ways as liaison between the teacher, the police and the courts.
- F. If criminal or civil proceedings are brought against a teacher alleging that he/she committed an assault in connection with his/her employment, such teacher may request the Board to furnish legal counsel, if the teacher prevails in the proceeding, then the Board shall reimburse the teacher for reasonable counsel fees incurred by his/her own defense.
- G. The Board shall reimburse teachers for any loss, damage or destruction of clothing or personal property of the teacher, as a result of an assault, while on duty in the school, on the school premises, or in a school sponsored activity.

The money deducted will be deposited in the ABCO Public Employees Federal Credit Union in an interest bearing account in the name of each individual teacher. Deductions will be made on a semi-monthly basis. No cancellations will be permitted until the ten (10) month period ends.

It will be the responsibility of the Association to act as the agent for the purpose of signing up members and collecting membership dues for the ABCO Public Employees Federal Credit Union.

**ARTICLE 24
