If the grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed there under, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at steps one and two in the grievance procedure, then the grievance shall be deemed to have been granted. G. In the event of the elimination of a department and/or division, and a similar department and/or division is created, the seniority/layoff and recall shall be adhered to.

H. Recall

- In the event that a recall is required in a given classification, employees shall be recalled in a
 strict seniority order inverse to the sequence of layoff, with the employees having the most
 seniority being recalled first and the employees having the least seniority being recalled last.
 Upon a recall, employees on layoff may exercise their seniority to return to the classification
 formerly held or to any classifications within the job family which they were placed at the time
 of the layoff.
- 2. Notice of recall shall be given in writing, return receipt requested, to the employee's last recorded address as reported to the Personnel Department. An employee shall be deemed to have received the notice of recall on the date the return slip is signed. If the employee is unable to receive written notice, for whatever reason, he shall be deemed to have received said notice five (5) working days after the notice is sent by the Township. A copy of said written notice will be given to the Union. Recalled employees shall be given up to five (5) working days after receiving certified notice of recall to return to Township employment before their recall rights are forfeited.
- In the course of a recall, employees who have displaced less senior employees, as provided in Paragraph four (4), will be given the opportunity to return in seniority order to their former classifications.
- 4. When an employee is recalled from layoff and reinstated, the employee is considered to have continuous service credit for computation of future earned benefits. The calculation of total period of continuous service however, does not include the length of the period of the employee's layoff.

- I. An employee who is transferred or "bumped" as a result of a layoff, shall have his/her salary reduced to the highest salary in the lower classification to which the employee is bumped, provided that the salary is not higher than his/her current salary. When such an incident occurs the employee shall receive a salary equal to the next highest salary in the lower classification. In the event that an employee is transferred or "bumped" as a result of the layoff, into a job classification which is in the same tier as the job classification from which he/she is displaced, he/she will not have his/her salary reduced.
- J. In all applications of seniority, departmental seniority shall be given preference in vacation schedules, overtime, personal days and work shifts where a dispute arises between two (2) or more employees.
- K. In matters of promotion or demotion, if qualifications, abilities and fitness are equal, then the employee with the highest seniority shall prevail.
- L. The Township shall maintain an accurate, up-to-date seniority roster showing each employee's date of hire, classification and pay rate and shall furnish copies of same to the Union upon request.
- M. The Township shall promptly advise the appropriate Union representative of any change which necessitates amendments to the seniority list.

ARTICLE XXXVI JOB DESCRIPTION/JOB QUALIFICATION/PROMOTIONS

- A. The Employer will provide the Union, upon request, with a complete set of job descriptions for all job classifications covered by this Agreement. The Union shall be notified of any proposed changes in any job classification and shall have the right to negotiate on this subject.
- B. Telecommunicator Trainers will be compensated at three dollars (\$3.00) per hour to be paid in their regular pay check. Trainers are to have a training officer certification and be chosen on a rotating seniority list. The Township will make every effort to have as many Telecommunicators certified as possible. In the event the Township does not have a certified trainer, they may choose the person that they feel is best qualified.
- C. All titles covered in Appendix A are available as part time. The part time hourly rate will be calculated as follows: Yearly salary divided by twenty six (26) pays divided by hours seventy (70) or eighty (80) = hourly rate.
- D. When an employee meets the criteria as stated in the Job descriptions to become a Senior or Principal in their title, the salary step stated in Appendix B will become effective July 1st of the following year. Two years of experience equates to thirty (30) college credits.
- E. Current employees will be credited with having time in grade in their new titles for time served performing the same duties under the old job titles, as long as they meet the educational requirements.
- F. Promotion is an advancement in title with a higher level of duties and responsibilities and/or with a higher salary range. Receiving a salary step within a job title is not considered a promotion.
- G. In matters of promotion all employees promoted, shall receive a higher salary calculated in the following manner:
 - For Promotions, the employee's salary under his or her old job title shall be increased by \$2,500 or the new starting salary; whichever is greater.

During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both the parties at the time they negotiated or signed this Agreement.
- C. It is the intent of the parties that the provisions of this Agreement, except where noted in this agreement, will supersede all prior agreements and understandings, oral or written, expressed or implied, between the parties, and shall govern their entire relationship and shall be the sole source of any and all rights or claims, which may be asserted. The Union for the life of this Agreement, hereby waives any rights to request to negotiate or bargain with respect to any matters contained in this Agreement. It is mutually understood that this clause is a clear waiver as to any right not expressed in this Agreement.
- D. This Agreement is separate and distinct from, and independent of all other agreements entered into between the Union and other Employer organizations irrespective of any similarity between this Agreement and any such other agreements. No act or thing done by the parties to such other agreements, or notices given under the provision thereof, shall change or modify this Agreement, or in any manner affect the contractual relationship of the parties hereto.
- E. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing only executed by both parties.
 - F. This contract is to work in compliance with Federal and State laws.

ARTICLE XXXVIII LABOR/MANAGEMENT MEETINGS
