ARTICLE I - RECOGNITION

- 1.1 The Board agrees to and hereby does recognize the Organization as the sole and exclusive negotiating agent for the purposes of collective negotiations in any and all matters relating to terms and conditions of employment on behalf of all employees under contract in the classifications set forth below.
- 1.2 Unless otherwise indicated, the term "employee", when used hereinafter in this Agreement, shall refer specifically to those employees identified in the negotiating unit defined above, and references to male employees shall include female employees.

Employees Included:

Custodians, Light-Duty Custodians, Groundsmen, Maintenance Men.

Employees Excluded:

Head Custodian in the High School, Night Foreman, and Maintenance Foreman.

ARTICLE II - NEGOTIATIONS PROCEDURES

- 2.1 It is agreed that all employees covered by this Agreement in accordance with Article I, "Recognition", shall have all rights granted to employees under Chapter 303, Public Laws of 1968. The parties agree to enter into collective negotiations over a Successor Agreement in accordance with Chapter 303, Public Laws of 1968, in good faith effort to reach agreement on all matters concerning terms and conditions of employment. Such negotiations shall begin not later than November 1 of the calendar year preceding the calendar year in which the Agreement expires. Any Agreement so negotiated shall apply to all members of the negotiations unit and shall be reduced to writing. The Organization shall notify the Board in writing when the Agreement has been ratified by the membership. The agreement shall be adopted by appropriate resolution of the Board and shall be signed by the Board and the Organization.
- 2.2 The Organization and the Board of Education shall exchange their contract proposals on November 15, of the calendar year preceding the calendar year in which this Agreement expires. This date may be waived and changed to another mutually agreed upon date.
- 2.3 The Board agrees to furnish the Organization, from time to time, available public information and data concerning the Ramsey Schools which the Organization may require. Nothing herein contained shall impose any obligation on the part of the Board to disclose any information which may be classified as privileged and/or confidential.
- 2.4 It is understood and agreed between the parties that negotiations contemplate that a complete Agreement be signed by the respective parties and, in the event either of the parties do not receive authorization to execute the Agreement negotiated by the members of negotiations team, the clauses which have been agreed upon between the representatives of the negotiating parties shall not be deemed to have any binding effect.
- 2.5 Representatives of the Board and the Organization shall be available to meet upon request of either party for the purpose of reviewing the administration of the Agreement. These meetings are not intended to by-pass the grievance procedure nor are they to be negotiating sessions.
- 2.6 Each party shall submit to the other, at least three (3) days prior to the meeting, an agenda covering matters which they wish to discuss.
- 2.7 All meetings between the parties shall be scheduled, whenever possible, to take place when the employees involved are free from assigned duties.
- 2.8 Whenever any representative of the Organization is mutually scheduled to participate during regular duty hours in negotiations or grievance proceedings, he shall suffer no loss in pay.
- 2.9 This agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
- 2.10 Should a mutually acceptable amendment to this Agreement be agreed upon by the parties, it shall be reduced to writing, be signed by the Board and the Organization, and be adopted by the Board.

ARTICLE IIa - GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application of any of the provisions of this Agreement, with exception of contract renewal for non-tenure employees.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party of interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. It is understood and agreed that both the Board and the Organization have the right to utilize all provisions of this Article and that grievances may be processed either by the employee who has been aggrieved or by the Board or the Organization.
2. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
3. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Organization, provided the adjustment is not inconsistent with terms of this Agreement, and that the Organization has been given the opportunity to be present at such adjustment and to state its view.

C. Procedure

1. An aggrieved employee shall institute action under the provisions hereof within twenty (20) working days of the occurrence complained of, or within twenty (20) working days after he would reasonably be expected to know of its occurrence. Failure to act within said twenty (20) day period, shall be deemed to constitute an abandonment of the grievance.
2. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite this process. The time limits specified may, however, be extended by mutual agreement.
3. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the party of interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
4. Level One

An employee with a grievance shall first discuss it, either directly or through the Organization's designated representative, with his (her) immediate supervisor in an informal conference in the hope of resolving the matter at the lowest possible administrative level.

5. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of the grievance, he may file the grievance in writing with the Organization within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Organization shall refer it to the Business Administrator.

6. Level Three

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Business Administrator, he may within five (5) school days after a decision by the Business Administrator or fifteen (15) school days after the grievance was delivered to the Business Administrator, whichever is sooner, request in writing that the Organization submit his grievance to the Board of Education.

7. Level Four

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Board of Education he may, within five (5) school days after a decision by the Board of Education or fifteen (15) school days after the grievance was delivered to the Board of Education, whichever is sooner, request in writing that the Organization submit his grievance to arbitration.

If the Organization determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) school days after the receipt of a request by the aggrieved person, and both parties agree that binding arbitration shall be final and binding.

- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Organization shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission (PERC) by either party. The parties shall then be bound by the rules and procedures of PERC in the selection of the arbitrator.
- c. The arbitrator so selected shall confer with the representatives of the Board and the Organization and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his finding of facts, reasonings and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of any act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Organization and shall be final and binding on the parties if so agreed to as set forth in Section C, Paragraph 7(a).

- d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Organization. Any other expenses shall be paid by the party incurring the same.

D. Rights of Employees to Representation

1. Any party In Interest may be represented at all stages of the grievance procedure by himself, or at his option, by a representative(s) selected or approved by the Organization. When an employee is not represented by the Organization, the Organization shall have the right to be present and to state its views at all stages of the grievance procedure.
2. No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Organization or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. If, in the judgment of the Organization, a grievance affects a group or class of employees, the Organization may submit grievance in writing to the Business Administrator directly and the processing of such grievance shall be commenced at Level Two. The Organization may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.
2. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two, Three and Four of the grievance procedure shall be in writing, setting forth the decisions and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Organization. Decisions rendered at Level Four shall be in accordance with the procedures set forth in paragraph 7c. of this article.
3. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Business Administrator and the Organization and given appropriate distribution so as to facilitate operation of the grievance procedure.
5. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated representatives, heretofore referred to in this Article.

ARTICLE V - BOARD RIGHTS AND RESPONSIBILITIES

- 5.1 The Board, on its own behalf and on behalf of the citizens of the Borough of Ramsey, New Jersey, hereby retains and reserves unto itself, except as specifically limited by this Agreement, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and the Constitution of the State of New Jersey, and of the United States.
- 5.2 The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgement and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.
- 5.3 Nothing contained herein shall be construed to deny or restrict the Board of its rights, responsibilities, and the authority under R.S. 18A School Laws of New Jersey, or any other national, state or county laws or regulations as they pertain to education.

ARTICLE VI - SALARIES AND HOURS OF WORK

6.1 The salaries of all employees covered by this Agreement are set forth in Appendix A

6.9 a. All overtime will be assigned by the immediate supervisor.

b. Lists of all employees will be created at the start of each contract year. The employees will be listed in order of seniority. All new employees hired during the year will have to complete their probationary period prior to being eligible for being placed on the list.

The following lists will be established:

 - ii If the overtime request is deemed an emergency request and so documented by the immediate supervisor, the two hour response period in Article 6.9.c.6.i is deemed waived and an immediate response will be required.
 - iii If all employees on a given list have declined an overtime opportunity or are not available for an overtime opportunity, the overtime opportunity will be reported to the Supervisor of Custodians who will assign the overtime opportunity from a district-wide seniority list of all members of this unit specifically used for this limited situation.
 7. When an employee on the list has worked an overtime assignment, the next overtime opportunity shall be offered to the next most senior employee on the list.
- d. For custodians and light duty custodians it is understood that Black Seal requirements may not permit "next-on-the-list" assignment of overtime where the assignment would result in no Black Seal custodian on the site. In addition, it is understood that the custodian or light duty custodian must be able to carry out all of the duties required during an overtime assignment in order to be assigned the specific overtime.
 - e. Overtime will be offered to maintenance personnel and groundsmen in accordance with 6.9.c. above, as long as the employee is able to efficiently carry out the overtime duties.
 - f. If an employee is passed over for an overtime opportunity by reason of 6.9.d. or 6.9.e. the immediate supervisor will make a written record of the reason.
 - g. Nothing in this article shall be interpreted as a limitation in assigning overtime to non-unit working supervisory personnel.
