A grievance to be considered under this procedure must be initiated by the teacher within thirty (30) days from the time when the teacher knew or should know of its occurrence.

B. Procedure

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

(b) It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
2. The Association may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.
3. Any teacher who has a grievance shall discuss it first with his principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.
4. If as a result of the discussion, the matter is not resolved to the satisfaction of the teacher within five (5) school days, he shall set forth his grievance in writing to the principal specifying:

The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the teacher and render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board.
7. If the decision of the Board does not resolve the grievance to the satisfaction of the Association and the Association wishes review by a third party they shall notify the Board through the superintendent within ten (10) school days of receipt of the Board's decision, except in the case of grievance involving any of the following points:
