ARTICLE EIGHT

GRIEVANCE PROCEDURES

A. Definition

A grievance is an appeal by a member or by the Association on behalf of a member or members, alleging improper interpretation or application or violation of this Agreement, policies, or administrative decisions.

B. Purpose

The purpose of these procedures is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting members of the unit. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedures.

C. Time Limits

1. Failure at any step to communicate the decision on a grievance within the specified time limits shall permit the Administrator(s) to proceed to the next step.
2. Failure at any step to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
3. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual written agreement.
4. In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
5. A grievance must be raised at Step 1 no later than 45 calendar days following its occurrence, or within 45 calendar days after the aggrieved party knows or should have known of the events or conditions on which it is based.

D. Procedures

1. Step 1

An Administrator who has a grievance shall discuss it first with his/her immediate Supervisor in an attempt to resolve the complaint. If, as a result of the discussions, the matter is not resolved to the satisfaction of the Administrator within seven (7) calendar days, the complaint(s) shall be set forth in writing to said Supervisor.

The Supervisor shall communicate a decision in writing to the Administrator within seven (7) calendar days after delivery of the written complaint.

2. Step 2

The Administrator may appeal the decision of the Supervisor to the Superintendent within seven (7) calendar days after the decision of the Supervisor has been delivered to the Administrator. The appeal shall be in writing and shall set forth specifically the reasons for the appeal. A copy of this appeal shall be sent by the Administrator to the Supervisor who rendered the decision.

The Superintendent of Schools shall hold a hearing on the grievance, if requested by the grievant. At least two (2) school days prior to the hearing, the Administrator and the Supervisor involved, if any, shall be given written notice thereof. The Administrator shall be present at the hearing. The Supervisor involved may be present. A maximum of three (3) witnesses each to offer facts on behalf of the Administrator and/or the Supervisor may be present. The Administrator may be represented by the Association. Each party shall notify the other and the Superintendent at least 24 hours before the hearing if witnesses are to be present.

The Superintendent of Schools shall communicate a decision in writing to the Administrator and Supervisor involved within ten (10) calendar days after delivery of the appeal.

3. Step 3

The Administrator may appeal the decision of the Superintendent to the Board of Education within ten (10) calendar days after the decision of the Superintendent has been delivered. The appeal shall be in writing and

shall set forth specifically the reasons for the appeal. This appeal shall be sent or given to the Superintendent of Schools who shall present it to the Board.

The Board, after reviewing the appeal and the report of the Superintendent of Schools, may hold a hearing. At least two (2) school days prior to the possible hearing, all necessary parties shall be given written notice thereof. At the hearing, all parties concerned shall be present, present witnesses and may be represented by persons of their own choosing. The Board shall communicate its decision in writing to the Administrator and the Supervisor involved, through the Superintendent of Schools, within forty-five (45) calendar days after the receipt of the appeal to the Board by the Superintendent.

Except as limited in this contract where the decision of the Board is final and binding if the grievance is not resolved at Step 3, within 15 calendar days thereafter, the matter may be referred by either party in the form of a written request to the Public Employment Relations Commission (PERC) for arbitration. PERC shall submit a list of ten names to the parties and if agreement cannot be reached on an arbitrator, a second list shall be obtained. If agreement is not reached on the second list, PERC shall appoint an arbitrator for the parties.

The decision of the arbitrator, in all cases, shall be advisory in nature. Cost of arbitration shall be borne equally by both parties.

ARTICLE NINE

LEAVES OF ABSENCE

A. Excused Absences

1. Death in Family

In the case of the death of the father, mother, husband, wife, child, sister, brother, or grandchild of any Administrator, such Administrator will be excused for a period of up to five (5) days within a period of up to three weeks from the date of death.

In the case of the death of the mother-in-law, father-in-law, grandparent, daughter-in-law, son-in-law, sister-in-law, or brother-in-law of any Administrator, such Administrator will be excused for a period of three (3) days within a period of up to three weeks from the date of death. One (1) day's absence will be allowed to attend the funeral of an uncle, aunt, nephew, niece, cousin or close friend.

2. Jury Duty

There shall be no salary deductions for an Administrator who is absent due to service on a Grand or Petit Jury.

3. Legal Requirements

The Board of Education shall provide legal assistance to the Administrators as per NJSA 18A:16-6, 16-6.1. An Administrator shall be excused with no loss of pay to attend any hearing, court or administrative law proceeding as a result of any school matter or act arising out of and in the course of the performance of the duties of the Administrator, and within the scope of employment.

4. Personal Business

If, for personal reasons, a day's absence is necessary, an Administrator may be excused from her/his duties upon notice to and permission from the immediate Supervisor. Notice should be submitted at least one (1) week before the requested absence unless an unanticipated emergency occurs, which precludes such notice.

"Personal Business," as herein defined, is an emergency or the performance of a duty that cannot be done on out-of-school time. In all cases in which an Administrator requests an excused absence for Personal Business, a slip must be filed with his/her immediate Supervisor for approval and ultimate approval by the Superintendent.

Administrators receive four (4) Personal Business days in any one contract year. The number of unused days shall accumulate as sick leave from year to year.

5. **Paid Holidays**

All Administrators will receive sixteen paid holidays each year. The sixteen paid holidays shall be mutually agreed upon each year between SHAA and the Superintendent.

If, for professional reasons, an Administrator must work on one of the paid holidays, she/he will be granted a day off from her/his duties upon notice to and permission from the Superintendent of Schools.

B. **Sick Leave**

Sick Leave is defined by Revised Statutes 18A: 30-1 et seq. All administrators shall be entitled to twelve (12) days of Sick Leave per year. Unused days of Sick Leave shall be accumulated from year to year. Sick Leave in excess of the above shall be at the discretion of the Board.

Absence after Reporting for Duty

Any person who must leave his/her duties because of personal illness after reporting for duty and has worked three (3) hours will be paid for that day and this will not be charged to his/her sick leave.

Terminal Pay on the Basis of Sick Leave (Each Administrator eligible may choose either Option I or Option II)

Option I

Any Administrator with a minimum of ten (10) years in the district or more, upon submission of a letter of retirement to collect a T.P.A.F pension shall be entitled to receive the following compensation: one quarter (1/4) of his/her final per diem rate for all accumulated sick days up to a maximum of 120 days. This benefit shall only be paid once for each Administrator. Said payment shall be made as soon as possible but no later than 45 calendar days from last date of employment.

Option II

Administrators on the payroll as of July 1, 2002, who separate from the district no sooner than July 1, 2007, shall receive 50% of their current per diem rate for a maximum of 300 accumulated sick days. All administrators hired after July 1, 2002, must complete 5 years of service with the District in order to receive this benefit.

Removal of Option II

Beginning with the 2005-08 contract, Option II will be removed from the contract. However, anyone hired prior to July 1, 2005 shall be grandfathered. The administrators who are grandfathered include, Lynn Caravello, Richard Charwin, Mariann Helfant, Mike Hoppe, Judy Impell, Lynn Kratz, Pat Lott, Richard Palazzi, and Debra Wilkins. For those administrators eligible for Option II, the date shall be changed from July 1, 2007 to January 1, 2006.

C. Transferred Sick Days

New administrators to the district, hired after July 1, 2005, may bring up to 120 days accrued sick days from their immediate previous district. Documentation of accrued sick days shall be submitted to the Superintendent. The intent of the transferred days is to provide the new administrator with some coverage in case of a severe injury or illness. The days shall not be reimbursable under the sick day provisions of this contract. During each year of employment in the district, accrued sick and unused personal days shall replace the transferred days until all sick days have been earned in the district.

D. Parenthood Leave

The Board of Education shall grant Parenthood Leave without pay in accordance with the following procedures:

1. All initial applications for and applications for extensions or reductions of Parenthood Leave shall be made in writing to the Superintendent.
 - a. The Administrator shall request Parenthood Leave of the Superintendent of Schools in writing at least sixty (60) calendar days prior to the date the leave is to commence except in cases of emergency.
 - b. The request for Parenthood Leave shall specify the date when the Administrator wishes the leave to commence and terminate.
2. Parenthood Leave shall be granted for all Administrators for a period of up to the end of the academic school year in which the Parenthood Leave commenced or a minimum of six (6) months, whichever is greater. An additional school year of Leave shall be granted upon request to an Administrator under tenure or one who has received a tenure-year contract. An Administrator on Parenthood Leave shall notify the Board in writing of the intention to return to the district by March 1 of the school year preceding the school year in which the Administrator wishes to return, or sixty (60) calendar

days prior to said intended return date, whichever is sooner.

3. An Administrator returning on the first day of the school year in September from Parenthood Leave shall be placed in her/his previously held position or a comparable one as provided by law.
4. Any Administrator who has applied for and received Parenthood Leave may reapply for permission to return to employment during any academic school year for which such leave was granted, and such leave may thereupon be terminated by the Board, at its sole discretion.
5. No Administrator on parenthood Leave shall, on the basis of said leave, be denied the opportunity to substitute in the school district in the area of her/his certification or competence.
6. Time spent on Parenthood Leave shall not count towards salary guide placement experience, seniority, or sick leave accumulation.
7. Anyone who accepts Parenthood Leave after December 31, in any given year, is given credit on the "salary guide" for a full year upon returning to the district.
8. An Administrator receiving Parenthood Leave shall not accept full time employment in the administrative field during all or part of the period of the Parenthood Leave. This provision shall cease to be operative at such time as the Administrator shall have been denied her/his request under Paragraph 4 to return to employment.
9. Adoption - Any Administrator adopting a child of age 10 years or less shall receive a leave similar to Parenthood Leave which shall commence upon receiving de facto custody of said child, or earlier if necessary to fulfill the requirements for the adoption.
10. The Board is not required to continue employment of a non-tenure Administrator beyond the year in which the leave is taken, or a six-month period, whichever is applicable. The Parenthood leave shall not be counted towards tenure.

E. Maternity Leave

1. The Board shall grant sick leave for the period of actual disability associated with the pregnancy and the birth to a pregnant Administrator on the same terms and conditions governing leaves of absence for illness or medical disability.

The pregnant Administrator will be entitled to her annual and accumulated sick leave, with pay, during the period of absence due to her actual disability in accordance with law.

2. Any pregnant Administrator who does not elect to take a Parenthood Leave in conjunction with Maternity Leave may continue to perform her duties as long as physically able to do so and will be entitled to return to her duties when she is physically able.
3. The Board may require an Administrator during her pregnancy to produce a certificate from her physician stating that she may continue working effectively at the duty to which she has been assigned. In the event of any question as to the condition of the pregnant Administrator, a conference shall be arranged between the Board's physician and the Administrator's physician.
4. No Administrator shall be required to leave work because of pregnancy at any specific time prior to expected childbirth nor be prevented from returning to work after childbirth solely on the ground that there has not been a time lapse of specific duration between childbirth and the desired date of return.
5. In all matters, including discipline, a pregnant Administrator shall be treated like any other Administrator. Furthermore, the Board has the right to remove any pregnant Administrator from her daily duties if her physical condition or capacity renders her incapable of performing her assigned duties which shall be deemed to exist if, (1) the pregnant Administrator fails to produce a physician's certificate that she is medically able to continue working; or (2) the Board's physician concludes she is unable to continue in the role of an Administrator. However, the Board shall not discriminate against the pregnant Administrator in violation of NJSA 10:5-1 or any laws of the State of New Jersey or the United States.

F. Advanced Study

1. The Board feels that, in certain cases, benefits will accrue to the school system if Administrators are granted a one(1) academic year's Leave of Absence without pay, for advanced study. The Administrator must have acquired tenure in the Somerset Hills School District as a prerequisite for such Leave.
2. Request(s) shall be submitted in writing to the Superintendent by January 1 of the year prior to the commencement of a Leave.

3. The Board will give consideration to such application after it has been reviewed and recommended by the Superintendent and the applicant shall be notified no later than March 1.
4. The Leave activities must be directly related to Administration/Supervision or for an advanced degree program or related travel.
5. The denial of the request for such Leave by the Board shall not be arbitrable.
6. As an administrator earns additional credit toward advanced degrees, no administrator shall make less than 3% more than the equivalent step and degree of a certified teacher. This calculation shall be based upon a certificated teacher's annual salary divided by 200 which will establish the per diem rate. This number will then be multiplied by 240 to establish the 12-month rate. 3% will then be added to this number.

Administrators earning a Doctorate degree after July 1, 2005 shall receive a \$5,000 increase. During the first year, the salary increase will be prorated based upon the month that the Doctorate was completed.

G. Other Leaves

Other leaves of Absences with/without pay may be granted for good cause and for exceptional reasons upon recommendation of the Superintendent and approval of the Board of Education. Request(s) for the above shall be submitted in writing to the Superintendent. The denial of such Leave by the Board shall not be arbitrable nor actionable at law. However, the denial of same shall be reduced to writing with explanations for the reason of said denial.

H. Miscellaneous

1. Any requests for modifications of previously granted Leaves shall be submitted in writing to the Superintendent. The denial of any modification by the Board shall not be arbitrable.
2. Administrators, while on Leave without pay, shall have the option to continue paying premiums for health insurance benefits regularly provided by the Board in accordance with applicable law.
3. Upon return from paid Leave or unpaid Leave of six (6) months or less granted by the Board, an Administrator shall be placed on the salary schedule at the level he/she would have achieved if he/she had not been on said Leave with all seniority rights.

4. All benefits to which an Administrator was entitled at the time his/her approved Leave of Absence commenced, including unused accumulated sick leave, shall be restored upon return. An Administrator returning from approved Leave shall be placed in the previously held position or a comparable one as provided by law.

ARTICLE TEN

ADMINISTRATIVE VACANCIES

A notice of vacancy in an administrative position shall be sent to the Association twenty (20) calendar days before the final date when applications must be submitted. The notice of vacancy shall set forth the position, its qualifications, its duties, and the rate of compensation. If there is a change in qualifications or job description when applications are pending, the Association shall be notified of these changes as soon as possible.

ARTICLE ELEVEN

SCHOOL CALENDAR

Input to the school calendar shall be solicited from representatives of this Association prior to its being adopted by the Board of Education.

ARTICLE TWELVE

INVOLUNTARY TRANSFERS

Notice of involuntary transfers or reassignment shall be given to a member of the Association as soon as practical, and except in case of emergency no later than ninety (90) calendar days before the date of transfer. When an involuntary transfer is being considered by the Board, every effort should be made to provide for a smooth transition.

ARTICLE THIRTEEN

INSURANCE PROTECTION

- A. Insurance-excluding employees who work less than 20 hours per week.
1. Through the Somerset Hills Board of Education Health Insurance Program, the Board of Education shall provide all covered employees working 20 or more hours per week with full individual or family (spouse and/or dependent children) health benefit coverage which shall include:
 - A. Blue Cross/Blue Shield Traditional Plan Hospital, medical-surgical, major medical, Rider J
 - B. Blue Cross/Blue Shield/Blue Choice Point of Service Plan
 - C. Blue Cross/Blue Shield/HMO Blue
 - D. New employees hired after June 30, 2005 will have the option of selecting either POS or HMO for the first three years. After three years of employment all medical plans will be available to these employees at no cost. With the exception of non-renewals, benefits are provided from the first day of employment through the last day of employment.
 2. In lieu of the above for employees over 65 years of age, Medicare payments shall be reimbursed by the Board of Education.
 3. The Board of Education shall request the carrier to provide each covered employee with a description of conditions and limit of the health benefit coverage herein provided.
 4. The above-referenced health insurance coverage shall provide for mandatory second surgical opinion for non-emergency procedures as provided by the carrier.

Employees may waive their health insurance coverage on an annual basis for the following school year by completing a medical insurance waiver request form and submitting it to the Board Office during the month of May (the open enrollment period). The waiver request shall indicate whether the employee is requiring no insurance benefits or reducing benefits to employee only benefits. In return for this waiver, the employee will receive 50% of the applicable premium savings.

Employees have the right to opt back into the health insurance plan during the open enrollment period on an annual basis.

In order to implement this provision the parties agree to fulfill the requirements of Section 125 of New Jersey Law regarding taxability of insurance benefits.

In order to be eligible to waive insurance coverage an employee must have insurance coverage through another source for the applicable period which is being waived.

B. Disability Insurance

The Board of Education permits the Administrators to purchase group disability insurance, through payroll deduction, similar to the option provided to teachers. The premium cost shall be borne by the Administrator, at no cost to the Board.

C. Dental Insurance

The Board of Education will select a carrier to underwrite and administer a non-contributory dental insurance plan for all covered employees working 30 or more hours per week.

The dental plan shall provide the following coverages:

- a. deductible of \$25 per individual per year.
- b. maximum benefit of up to \$1,500 per year.
- c. Orthodontia coverage with a lifetime maximum of \$1,000.
- d. A non-exclusive network.

Employees will also have the option of selecting from the two additional dental plans:

1. An HMO dental plan with an exclusive network and no maximum yearly benefit at no cost.
2. An administrative dental plan which provides a maximum benefit of up to \$2,000 per year, with the employee paying the cost differential through payroll deductions.

ARTICLE FOURTEEN

VACATION POLICY

A. Administrators who are employed on a twelve (12) month basis shall earn vacation days at a rate of 2 1/3 days per month. Administrators shall also receive, not chargeable as vacation days, all district holidays as set forth in the twelve (12) month employee calendar. For example, if a contract year begins July 1, by September 30 each Administrator shall have accumulated seven (7) vacation days if none have been used by the Administrator between July 1 and September 30. By June 30, each administrator will have accumulated twenty-eight (28) vacation days if none have been used. An administrator, hired prior to August 30, 2005, upon leaving the employment of the district, will receive compensation for twenty-eight vacation days at his/her per diem rate. The administrators who are grandfathered include, Lynn Caravello, Richard Charwin, Joseph Ciulla, Mariann Helfant, Mike Hoppe, Judy Impell, Lynn Kratz, Pat Lott, Richard Palazzi, and Debra Wilkins.

B. Administrators may carry a maximum of twenty-eight (28) days until the following August 31 and 18 of those 28 days thereafter until the following May 1.

For example, if an Administrator, by June 30th, has used two (2) of his/her twenty-eight (28) vacation days, twenty-six (26) vacation days will remain unused. The Administrator may, pursuant to the contract terms, carry over twenty-six (26) of those vacation days to the following contract year. If the Administrator uses only five (5) vacation days during the summer, although twenty-one (21) of the twenty-six (26) days carried over remain, only eighteen (18) vacation days may be carried over beyond September 1, pursuant to the contract. The Administrator, of course, continues to earn vacation days on a monthly basis under his/her present contract.

C. Generally, vacations should be taken when school is not in session.

D. Time for vacations must be approved by the immediate supervisor and then recommended to the Superintendent for his approval.

E. Administrators shall be charged with vacation days if they are not excused under any other leave provision of this contract. Therefore, Administrators must take vacation days or personal days when they wish to be absent during periods when school is open even though students are not in attendance with the exception of closings due to inclement weather or other emergency reasons, by the superintendent or appointed designee. (See Article VII, D).

F. No extra remuneration will be made to an administrator for performing any school related activity or function while school is closed.

G. Prior to the negotiation of the first Administrator's contract (in effect from 4/4/88-6/30/90), Administrators in the district had accrued unused vacation days. These unused vacation days were fixed by the Superintendent and each individual and were set forth in a written memorandum in each Administrator's personnel file. The Administrator who remains employed in the district and who is affected by this paragraph is: Richard Palazzi. This Administrator shall be entitled to use these accumulated unused vacation days either by:

-Taking some days each year, in addition to his regularly earned vacation, at the approval of the Superintendent, or

-when the Administrator intends to leave the district, receive the cash equivalent of the unused days, at the rate of 1/240 of his/her annual salary per day:

-over 2-3 years as pensionable salary, or

-as a lump-sum payment at one time or extended payment until the days have elapsed.

ARTICLE FIFTEEN

PROFESSIONAL DEVELOPMENT

- A. The Board of Education endorses the benefits accrued to the district as a result of Administrators' participation in professional growth, activities, and meetings. Therefore each unit member shall be allotted \$5,000 per contract year for expenses related to professional growth, activities, and meetings. Such expenses shall include for example: books; workshops and conferences; travel expenses; professional dues; expenses related to activities and meetings Administrators are required to attend by the nature of their Administrative positions and responsibilities in the district; professional equipment and materials. All requests for the use of such funds shall be made directly to the Superintendent. Consent to these requests shall not be unreasonably withheld.

Tuition Reimbursement

Tuition shall be paid by the board of Education at the prevailing Rutgers University rate up to a maximum of 12 credits per year. Criteria and guidelines for reimbursement shall be as defined in the SHEA contract. Courses are approved by the Superintendent of Schools prior to enrollment and denial of same is non-arbitrable.

- B. Mentoring

The Somerset Hills Board of Education shall pay for the mentoring of new administrators at the state recommended rate.

ARTICLE SIXTEEN

USE OF AUTOMOBILE

For the required use of Administrators' automobiles in the performance of their duties, reimbursement shall be made on the basis of the current IRS rate.

ARTICLE SEVENTEEN

TAX SHELTERED ANNUITIES

An Administrator may request, and the Board shall make deductions from his/her pay for the purpose of tax sheltered annuities pursuant to the provisions of the requisite statute.

SUPPLEMENTAL RETIREMENT PLAN

The Administrators' Association may participate in a 403b governmental special pay plan.
