CEDAR GROVE BOARD OF EDUCATION
AND

CEDAR GROVE EDUCATION ASSOCIATION

PREAMBLE

This Agreement entered into this first day of July, 1987 by and between the Board of Education of Cedar Grove, Cedar Grove, New Jersey, hereinafter called the "Board" and the Cedar Grove Education Association, hereinafter called the "Association."

The Board and the Association recognize and declare that providing a quality education for the children of the Cedar Grove School District is their mutual aim, and that the character of such education depends predominantly upon their mutual cooperation.

The Board has an obligation, pursuant to Chapter 303, Public Laws, 1968, to negotiate with the Association as the representative of employees hereinafter designated with respect to the terms and conditions of employment.

The Board and the Association are mutually pleased with the years of cooperation and non-interruption of the academic life of the schools and agree that, during the validity of this contract, there will be every effort on both sides to maintain that continuity even when matters of dispute arise.

The parties have reached certain understandings which they desire to confirm in this Agreement.

The Board and the Association agree as follows:

ARTICLE I RECOGNITION

The Cedar Grove Board of Education hereby recognizes the Cedar Grove Education Association as the exclusive and sole representative for collective negotiations concerning the terms and conditions of employment for all personnel listed below, whether under contract or on leave, employed by the Board:

Counsels	Nurses
Learning Disability	Psychologists
Teacher Consultants	Remedial Teachers
Librarians	Social Workers
Long-term substitutes	Teachers
under contract	

but excluding:

Administrative Assistants
Daily substitutes not under
contract
Directors

Non-professional staff
Principals
Vice Principals
Hourly employees

Unless otherwise indicated, the term "teachers," when used hereinafter in this Agreement, shall refer to all professional employees represented by the Association in the negotiating unit as above defined.

ARTICLE II REPRESENTATION FEE

A. Purpose of Fee

If an employee covered under the recognition clause of the Agreement does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative, provided that the representation fee in lieu of dues shall be available to the majority representative only if it has established and maintained a demand system which provides for pro rata returns in accordance with the Employer-Employee Relations Act-Agency Shop.

B. Amount of Fee

1. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law.

2. Legal Maximum

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues charged by the Majority Representative to its own members less the costs of benefits financed through the dues and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues.

C. Deduction and Transmission of Fee

1. Notification

Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2 below, the representation fee and will promptly transmit the amount so deducted to the **State Association**.

2. Payroll Deduction Schedule

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first midmonth paycheck paid after the latter of the following dates:

- a. Fifteen (15) days after receipt of the aforesaid list by the Board; or
- b. Thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first midmonth paycheck paid fifteen (15) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment, with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question, provided the Association and/or employee informs the Board that the employee is leaving the position in time to modify the paycheck so that the remainder of the deductions can be made.

4. Mechanics

Except as otherwise provided in this Article, the mechanics

for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. Changes

The Association will notify the Board in writing of any changes in the list provided for in paragraph 1 above, and such changes will be reflected in any (**monthly**) deductions made more than fifteen (15) days after the Board received said notice.

6. New Employees

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association, a list of all employees who began their employment in a bargaining unit position during the proceeding thirty (30) day period. The list will include names, job titles and dates of employment for all such employees.

D. Indemnification and Save Harmless Provision

1. Liability

The Association agrees to indemnify and hold the Board and its agents harmless against any liability which may arise by reason of any action taken by the Board or its employees in complying with the provisions of this Article, provided that:

- a. The Board gives the Association notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph; and
- b. If the Association so requests in writing, the Board may surrender to it responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses, and in all other aspects of said defense.

2. Exception

It is expressly understood that paragraph 1 above will not apply to any claim, demand, suit or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's breach of the obligations imposed upon it by this Article.

E. Membership Availability and Demand and Return System

1. Membership in the Association is available to all employees on an equal basis and the Association has established and maintains a demand and return system which complies with the requirements in Section 2 (c) and 3 of the Act.
2. The Association shall furnish to the Board a copy of its demand and return systems rule and regulations and any modifications which occur during the duration of the contract.
3. Nothing herein shall be deemed to require any employee to become a member of the Majority Representative.

ARTICLE III NEGOTIATIONS OF SUCCESSOR AGREEMENT

- A. The parties agree to enter in to collective negotiations over a successor agreement in accordance with Chapter 303, Public Laws 1968, in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin not later than the date established in Ch. 303, Public Law 1968 or as amended. Any Agreement so negotiated shall apply to all teachers, be reduced to writing, and be signed by the Board and the Association.
- B. The reopening of negotiations during the term of the Agreement as specified in Article XXVII shall be by mutual agreement.
- C. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE IV GRIEVANCE PROCEDURE

A. Definition

A grievance is a claim by a teacher (group of teachers) or his representative that he has suffered harm by the interpretation, application or violation of policies, agreements, and administrative decisions affecting him.

B. Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option by the Association or by a representative selected or approved by the Association. The Association requires any person filing a grievance who is represented by the

Association to notify the President of the Association in writing, the nature of the grievance, and of all instructions for the processing of the grievance.

2. When a teacher is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the grievance to the Superintendent and at any later level be notified by the Superintendent as to the nature of the grievance, when the hearing will be held, and notified of the result.

C. Procedure

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified limits shall be deemed to be a waiver of further appeal of the decision.

b. It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.

c. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum; and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

d. In the event a grievance is filed at such time that it cannot be processed through all the steps in the grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the grievant, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

2. Any employee grievant who has a grievance shall discuss it first with his principal (or immediate superior to department head or Board Secretary, if applicable) in an attempt to resolve the matter informally at this level.

A principal, department head, Board Secretary, or any immediate superior shall give his decision within five (5) school days. This informal grievance procedure must be completed within twenty-four (24) school days from the time when the grievant knew or should have known of its occurrence, and a record of the informal grievance shall be noted on the appropriate form.

3. The employee grievant may appeal the decision to the Superintendent. If a grievance is to be considered under this procedure at the Superintendent's level, it must be stated in writing within thirty (30) school days from the time when the grievant knew or should have known of its occurrence. The appeal to the Superintendent must specify:
 - a. the nature of the grievance; (b) the nature and extent of the injury, loss, or inconvenience; (c) the results of previous discussions; (d) his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed seven (7) school days from the receipt of the appeal. The Superintendent shall communicate his decision in writing to the employee grievant, to the Association, and to the principal, or Board Secretary, or other immediate superior.
4. If the grievance is not resolved to the grievant's satisfaction, he, no later than five (5) school days after receipt of the Superintendent's decision, may request a hearing by the Board. The request shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall hold a hearing within fifteen (15) school days after receipt of the request, with the employee grievant and render a decision in writing and forward copies thereof to the grievant and to the Association within ten (10) school days of the completion of the hearing.
5. If the decision of the Board does not resolve the grievance to the satisfaction of the employee grievant and he wishes review by a third party, and if the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent within twenty (20) school days of receipt of the Board's decision. However,

the Board's decision shall for the purpose of this grievance procedure be final and binding on the grievances concerning:

- a. Any matter for which a specified method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or
 - b. A complaint of a non-tenure teacher which arises by reason of his not being re-employed; or
 - c. A complaint by any certificated personnel occasioned by appointment to, retention in, or lack of retention in any position for which tenure either is not possible or not required; or
 - d. Any matter which according to law is beyond the scope of Board authority.
6. a. The following procedure shall be used to secure the services of an arbitrator:
- (1) Either party may request the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
 - (2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they may request the American Arbitration Association to submit a second roster of names.
 - (3) If the parties are unable to determine within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.
- b. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to or subtract anything from the Agreement between the parties or any policy of the Board. The recommendations of the arbitrator shall be advisory.

7. The cost for the services of the arbitrator, including per diem expenses if any, actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be born equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

ARTICLE V TEACHER RIGHTS

- A. Pursuant to Chapter 123, Public Laws 1975, the employees of the Board covered by this Agreement shall have the right freely to organize, join and support the Association for the purpose of engaging in collective negotiations. As a duly selected body exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 123, Public Laws 1975, or other laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association collective negotiations with the Board or his institution of any grievance, complaint or proceeding under this agreement or otherwise with respect to any terms or conditions of employment.

Upon retirement or reduction in force with fourteen (14) years of service in Cedar Grove, each accumulated sick day over fifty (50) days shall be compensated at the rate of twenty dollars (\$20.00) per day to a maximum of one hundred (100) days. It is understood that the preceding time schedule will not apply for faculty, department, or curricular meetings and other after school activities, such as detention, clubs, parent and student conferences. It is further expected by both the Board and the Association that teachers will be available beyond the twenty-minute period for after school help for students.

- D. During the period of this agreement, all teachers will arrange to be available to meet parents on evenings to be designated for this purpose, on an appointment basis. If no appointments are requested by parents for such evening meetings, teachers will not be expected to be in school.

ARTICLE XVIII INSURANCE PROTECTION

For the duration of this Agreement the Board shall continue to make available the following health care protection:

- A. The Board shall pay the full coverage premium to the New Jersey State Health Benefits Program provided the employee does not have similar coverage in the same or any other program.
- B. The individual staff member shall be responsible for completion and filing of application forms with the Board Secretary. Coverage will become effective in accord with the terms of the insurance contracts held by the Board.
- C. The Board and the Association are greatly concerned with the ever increasing cost of employees' and their dependents' hospitalization and the unnecessary waste of insurance premium dollars because of duplicate coverage and the failure of employees to notify the Board Secretary's office of a change in the employees' status. Therefore, in an effort to avoid the unnecessary waste of insurance premium dollars, the Association agrees to urge its membership to terminate duplicate coverage and promptly file reports of change in status. Furthermore, each staff member will be required to list annually on a form distributed by the Board Secretary his or her eligible dependents with their birth dates and file said list in the Board Secretary's office by May 15 for the following school year.
- D. The Board shall provide and administer a prescription drug plan for the employee and eligible dependents based on \$1.00 co-pay plan. The carrier may be changed from time to time at the discretion of the Board after consultation with the Association.

Staff members who retire after January 1, 1984 may elect to continue prescription coverage on a voluntary and pre-paid basis. Payment for the coverage is the obligation of the retiree and shall be made to the Board quarterly in advance of the coverage.

- E. The Board shall provide and administer a full-family dental plan including orthodonture.

Staff members who retire may elect to continue the dental plan coverage on a voluntary and prepaid basis. Payment for the coverage is the obligation of the retiree and shall be made to the board in advance of the coverage.

100% Preventive and Diagnostic
70% Rest of basic except crown and bridge
50% Major work
50% Orthodontia up to a maximum of \$1200

No Deductible.

ARTICLE XIX ABSENCES

The appropriate printed form with the reason for the request stated must be submitted through the proper channels.

A staff member requiring a day off for a highly confidential and personal reason may initiate a request stating "Confidential Personal Family Business" as the reason.

Each staff member may be granted not more than four (4) days per year. These days are not accumulative.

Some examples are as follows:

2. Court appearance
3. Academic Examinations

Any extension of this leave may be granted for just cause on recommendation of the Superintendent.

C. Salary Deduction

A salary deduction of 1/200 for the ten month and 1/250 for the twelve month employees will be made for time in excess of that permitted. The Superintendent may recommend that only the cost of a substitute be deducted or that no deduction be made.

The Superintendent will report to the Board those people who exceed the allowable number of days. Adjustments in salary will be made within a two-month period. Each case will be handled on its own merit by the Superintendent for recommendation to the Board. Final salary adjustments, if necessary, will be made in June.

A change will be approved only if it does not substantially alter the original purposes of the leave or change is required and is beyond the control of the staff member.

The candidate shall be notified of the decision of the Superintendent and the Board at the earliest possible moment.

For example, if he completes one(1) year, he will repay two thirds(2/3); if he completes only two(2) years, he will repay one third(1/3).
 4. Each staff member returning from sabbatical leave shall file a final report with the Sabbatical Leave Committee not later than one(1) month after the day on which the staff member again takes up active service.
