RECOGNITION

This Agreement entered into this 1st day of July, 2002 by and between the Board of Education of Howell, Township of Howell, New Jersey, hereinafter called the "Board", and the Principals, Vice Principals, and Administration Supervisors, hereinafter called the "Administrative Council".

WHEREAS, the Board has an obligation, pursuant to Chapter 303, Public Laws 1968, to negotiate with the Administrative Council as the sole representative of employees hereinafter designed with respect to the terms and conditions of employment.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 2

NEGOTIATIONS PROCEDURE

- A. The parties agree to enter collective negotiations over a successor Agreement in accordance with Chapter 303, Public laws 1968 in a good-faith effort to reach agreement on all matters concerning the terms and conditions of administrators' employment. The proposal of the Council shall be presented to the Board at the earliest mutually convenient time. Such negotiations shall begin not later than October 4th of the calendar year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall apply to all administrators, be reduced to writing, be signed by the Board and the Administrative Council, and be adopted by the Board.

- B. During the negotiations, the Board and the Administrative Council shall present relevant data, exchange points of view and make proposals and counter-proposals. The Board shall make available to the Administrative Council for inspection all public records, data, and information of the Howell School District.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representative of the other party. The parties mutually pledge that their representatives be clothed with all necessary power and authority to make proposals and counter-proposals in the course of negotiations.
- D. The Board agrees not to negotiate concerning said employees in the negotiating unit as defined in Article 1 of this Agreement with any organization other than the Council for the duration of this Agreement.
- E. This Agreement incorporates the entire understanding of the parties on all matters which were, or could have been, the subject of negotiation. During the term of the Agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both parties at the time they negotiated or executed this Agreement.
- F. This contract shall remain in force until June 30, 2005, and thereafter until superseded by another.

ARTICLE 3
GRIEVANCE PROCEDURE

A. **DEFINITION:**

A grievance shall mean a complaint by a member of the unit that there has been a personal loss, injury, or inconvenience because of a violation, misinterpretation or inequitable application of policy, agreement, or administrative decision.

B. **PROCEDURE:**

1. Any member of the Council who has a grievance shall discuss it first with his/her immediate supervisor in an attempt to resolve the matter informally.
2. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he/she shall set forth his/her grievance, in writing, to the immediate supervisor, specifying:
 - a. The nature of the grievance and the injury, loss, or inconvenience suffered;
 - b. The results of previous discussion(s);
 - c. His/her dissatisfaction with decisions previously rendered on this specific case.
3. Upon receipt of the grievance, the immediate supervisor will send a copy of the grievance to the Superintendent, and the grievant will forward a copy of the grievance to the Council.

4. Upon receipt of the grievance, the Council may elect to have a representative present at all grievance meetings. It is understood that all grievance meetings will be strictly private and executive sessions.
5. The immediate supervisor will communicate his/her decision to the employee and the Council, in writing, within three (3) school days of receipt of the written grievance.
6. Any member of the aggrieved party may appeal the immediate supervisor's decision to the Superintendent of Schools. The appeal to the Superintendent must be in writing, reciting the matter submitted to the immediate supervisor as specified above, and his/her dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent shall communicate his/her decision in writing to the employee and Council.
7. If the grievance is not resolved to the satisfaction of the aggrieved, he/she may request a review by the Board. The request shall be submitted, in writing, through the Superintendent of Schools, who shall attach all related papers and immediately forward the request to the Board and Council.
8. The Board, or committee thereof, shall review the grievance. The Board shall hold a hearing with the employee. A decision shall be rendered, in writing, within fifteen (15) calendar days of the receipt of the grievance by the Board, or the date of the hearing, whichever comes later.

9. At no point after a grievance has been filed, and prior to an official hearing or meeting of the Board, shall any employee discuss with any members of the Board, the subject of the employee's grievance or matters relating thereto, nor shall any Board member or employee discuss the grievance with person or persons not concerned with the grievance.
10. No reprisals of any kind shall be taken by the Board or any member of the administration against any member of the Council participating in the grievance procedure.
11. Nothing contained herein shall be construed as limiting the rights of any member of the Council having a grievance to discuss the matter informally with an appropriate member of the administration, and having the grievance adjusted without intervention of the Council, provided adjustment is not inconsistent with the terms of this Agreement, and that the Council has been given the opportunity to be present at any level, and to state its views.
12. An employee may have a legal representative and/or witness of his/her choice in attendance at an appeal before the Board.
13. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file, and not be kept in the personnel file of any of the participants.
14. If an employee is dissatisfied with the decision of the Board, and if the grievance pertains to a matter of previous formal agreement between the

Board and the Council, the Council at its sole option may request the appointment of an arbitrator, such request to be made known to the Superintendent no later than two (2) weeks after the Board decision was made known in writing. The following procedure shall be used to secure the services of an arbitrator:

- a. A joint request shall be made to the New Jersey Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the dispute in question;
- b. If the parties are unable to determine a mutually satisfactory list, they will request the New Jersey Public Employment Relations Commission to submit a second roster of names;
- c. If the parties are unable to determine within ten (10) school days of the initial request for arbitration from the second submitted list, the New Jersey Public Employment Relations Commission may be requested by either party to designate an arbitrator;
- d. The arbitrator shall limit his/herself to the issue submitted to him/her and shall consider nothing else. He/she can add nothing to, nor subtract anything from, the agreement between the parties. The recommendations of the arbitrator shall be binding on both parties. Only the Board and the aggrieved and his/her representatives shall be given copies of the arbitrator's report of findings and recommendations. This shall be accomplished within thirty (30) days of the completion of the arbitration hearings;

e. Costs:

- 1) Each party will bear the total cost incurred by themselves.
- 2) The fees and expenses of the arbitrator are the only costs which will be shared by the two (2) parties, and such costs will be shared equally.
- 3) All arbitration proceedings will be conducted after normal school hours.

ARTICLE 4

RIGHT TO ORGANIZE

- A. The Board recognizes the right of the administrators to form or join any employees' organization and to assist such organization in any such activity for the purpose of collective negotiations with the Board in accordance with state statutes. The Board and the Administrative Council agree that there shall be no reprisal of any kind taken against any administrator by reason of his/her membership in or refusal to join with the Administrative Council.

In these rare cases, the administrator is to notify the Superintendent of the reason or reasons for the absence, and that the administrator wishes to apply for personal leave upon the administrator's return to work. The Superintendent shall then evaluate the request and approve or disapprove as if the form had been turned in before the employee's absence.

ARTICLE 12

SABBATICAL LEAVE OF ABSENCE

- A. Professional employees shall be considered eligible for sabbatical leave after completion of seven (7) years of satisfactory service in the Howell Township School District.

Consideration of eligibility for an additional sabbatical leave will be given upon completion of a further seven (7) years of satisfactory service in the Howell Township School District subsequent to completion of a prior sabbatical leave.

- B. In determining eligibility for sabbatical leave, primary consideration will be the potential benefit for the school as it relates to the professional employee's particular responsibilities as a professional in the Howell Township School District. In making its determination, the Board of Education shall consider the regularity of attendance, and the quality of service. The Board may also consider, in making its determination, the number of years of actual full time service in the Howell Township School District.

- F. No other compensation shall be payable by the Board to a professional employee while on sabbatical leave other than one-half (1/2) of his/her salary payable in regular installments commencing with the start of the sabbatical leave, and such payments for pension and other benefits normally paid by the Board. Deductions from a professional employee's compensation will continue to be made. The employee's retirement status will in no way be affected by such leave. The full amount of the employee's normal retirement contribution will be

deducted. The returning professional employee shall receive the same salary which he/she would have received had he not been on sabbatical leave. All rights which are accruable will continue to accrue.

- G. When sabbatical leave is acquired for a National Science Foundation or other institutional grant, monies received from the Foundation or institution plus sabbatical leave monies from the Board, should not exceed in total amount the professional employee's full contract salary. Payment made by the Board shall be reduced in order that a professional employee will not receive more than the full contract salary.
- H. In cases where the applicant plans to study, the names of the institution, if possible, must be included in the application, and a record from those institutions must be submitted at the end of the period of leave or as soon thereafter as practical, to the Superintendent. A minimum of twelve (12) semester hours or equivalent academic work must be taken each half-year.
- I. In the case where the leave is asked for the purpose of travel, the applicant should indicate in what way his/her travel will directly benefit the teaching experience in his/her own area, or the education program of the Howell Township School District. He/she should inform the Superintendent of dates and plans. A brief report must be submitted at the end of the period of leave. Leave for travel will only be granted to those who can derive benefit from the experience that will directly influence their particular function in the Howell Township School District. Travel for recreation or to meet broad general goals will not be acceptable.

- J. Application for sabbatical leave should be sent to the Superintendent by February 1st of the year for which the leave is requested. The application shall include:
1. A summary statement of service to the Howell School District and in the profession.
 2. A detailed outline of the proposed sabbatical program and clarification as to its availability.
 3. A statement clarifying the benefit of the program for the Howell Township School District and for the applicant as it relates to the persons' particular responsibility as a professional in the Howell Township School District.
 4. The dates during which former sabbatical leave, if any, had been taken.
- K. Upon termination of the sabbatical leave, the professional employee is obliged to return to the Howell Township School District. Any professional employee who returns from sabbatical leave and does not remain in the District for at least two (2) years following the return from sabbatical leave, shall be required to reimburse the Board for the salary paid during the sabbatical year. Failure to reimburse the Board shall constitute unprofessional conduct.
- L. Each application shall be reviewed by the Superintendent and/or his designee and be presented to the Board of Education, who shall have the final authority for the granting or denial of a sabbatical leave request. The Board shall make its determination no later than March 1st.

- M. Recipients of sabbatical awards shall notify the Superintendent by March 15th whether or not they have accepted the said stipend. In the event the professional employee shall fail to notify the Board of his or her acceptance by March 15th, then the candidate shall forfeit his or her right to the sabbatical leave.
- N. Should the professional fail to substantially complete the sabbatical program as proposed, or its equivalent, the professional employee shall reimburse the Board all monies paid by the Board to the professional employee during the period of the sabbatical leave, and the time the professional employee was absent on the sabbatical leave shall be treated as extended leave, without pay.
