(Teachers, Secretaries, Custodians, and Aides)

Definitions

- 5.1 A *grievance* shall mean a complaint by a person or persons covered by this Agreement and/or the Association relating to the application of, or interpretation of, any of the provisions of this Agreement, except the following shall not be the basis of any grievances:
- A. the method of review as prescribed by law;
 - B. any matter where the Board is without authority to act; and
 - C. the Board's right to hire, re-employ or terminate the services of any prospective or non-tenure employee.
- 5.2 A *grievant* is a person or persons and/or the Association covered by this Agreement asserting a grievance.
- 5.3 A *party in interest* is a person or persons and/or the Association asserting a claim or against whom a claim has been made.
- 5.4 No employee shall be disciplined, reprimanded (excluding employee evaluations) reduced in rank or compensation or deprived of any professional advantage without just cause. Any such asserted action by the Board, or any agent or representative thereof shall be subject to the grievance procedure herein set forth. Furthermore, the parties agree that only grievances affecting mandatory negotiable terms and conditions of employment as defined by the New Jersey Public Employment Relations Commission (PERC) shall be subject to the just cause provision.

Purpose

- 5.5 Good morale is maintained, as problems arise, by sincere efforts of all persons concerned to work toward constructive solutions in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may, from time to time, arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

- 5.8 Any employee shall also have the right to be represented at all levels of the grievance procedure by himself, or at his/her option, by the Association's representative.

Time Limits

- 5.9 The number of days at each level shall be considered as a maximum. However, the limits specified may be extended by written agreement of the parties in interest. Failure to file a grievance at any level within the time prescribed in this policy shall constitute a waiver of the grievance. Failure by the Administration or the Board to respond to a grievance within the time prescribed shall automatically advance the grievance to the next step of the process.
- 5.10 A grievance must be filed, in writing, within twenty-five (25) working days of the act or condition on which the claim is based and shall specify the nature of such grievance, the reasons therefore, including reference to the specific provision or provisions of this Agreement in dispute.
- 5.11 Failure by the grievant at any level to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decisions rendered at that level.
- 5.12 If a grievance is filed which might not be finally resolved at **Level Three** under the time limits set forth herein prior to the end of the work year, and which, if left unresolved until the beginning of the following work year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be concluded prior to the end of the work year, or as soon thereafter as is practicable.

ARTICLE X

PERSONAL AND ACADEMIC FREEDOM

Section 1 (Teachers)

- 10.1 The Board and Association agree to educate the Glen Ridge students in the democratic tradition to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of, and respect for, the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for teacher and student is encouraged.
- 10.2 Academic freedom shall be guaranteed to teachers in order to create in the classroom an atmosphere of freedom which permits and encourages students to raise questions dealing with critical issues of the time and which maintains an atmosphere conducive to the study investigation, presentation, and interpretation of facts which stress the interplay of ideas. Teachers have the right to express their points of view provided their students clearly understand that they are their personal opinions and are not to be accepted by the students as authoritative statements. Teachers are responsible for exercising their judgments in selecting for discussion those relevant issues, which they may deem to be of value consistent with the maturity and understanding of the students involved.

Section 2 (All Employees)

- 10.3 Freedom of individual conscience, association and expression will be observed both to safeguard the legitimate interest of the school and to exhibit by appropriate example the objectives of a democratic society.
- 10.4 Employees will be entitled to full rights of citizenship and no religious or political activities of any employee, or lack thereof, will be grounds for any discipline or discrimination with respect to the professional employment of such an employee.
- 10.5 There will be no reprisal of any kind taken against any employee by reason of his/her membership in the Association or participation in its activities.
- 10.6 Employees shall not engage in outside employment that will impair the effectiveness of the employee's service or permit commercial exploitation of their position.

A copy of any material placed in the permanent personnel files and originating within the School District shall be provided to the employee within seven (7) working days of such placement.
- 11.2 No material derogatory to an employee's conduct, service, character or personality shall be placed in his/her personnel file unless the employee has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The employee shall also have the right to submit a written answer to such material and his/her answer shall be reviewed by the Superintendent or his/her designee and attached to the file copy.
- 11.3 Once every two years an employee shall have the right to indicate those documents and/or other materials in the employee's personnel file which the employee believes to be obsolete or otherwise inappropriate to retain. Said documents shall be reviewed by the Superintendent or designee and, if in fact they are obsolete or otherwise inappropriate to retain, they shall be destroyed. Disputes over the retention of said documents may be appealed directly to the Board. The Board's decision in this matter shall be final and not subject to grievance.

ARTICLE XII TRANSFERS

Section 1 (Teachers)

- 12.1 The principal criterion for consideration of a request for transfer is whether or not the request will result in the best educational program for the School District. A request for transfer will not be granted if the teacher does not qualify for the existing vacancy.
- 12.2 A change in teaching position from one school to another may be requested by a teacher, Principal, or the Superintendent. In considering such a request for transfer, the convenience and wishes of the teacher will be considered.

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

- 12.3 The Superintendent shall have posted in the office of each school a list of the known vacancies as they occur during the school year.
- 12.4 In the event that a teacher objects to the transfer or reassignment, upon the request of the teacher, the Superintendent shall meet with the concerned parties. The teacher may, at his/her option, elect to have an Association representative present at such a meeting.
- 12.5 A teacher being involuntarily transferred or reassigned shall be placed only in an equivalent teaching position, one which does not involve reduction in rank or in contractual compensation, unless the result is a reduction in force.

Section 2 (Secretaries)

- 12.6 Consideration of a request for transfer, assignment, or promotion by an employee shall be based on qualifications and the existence of a vacancy. If one or more employees are deemed equally qualified to fill a vacancy, the employee with the longest period of service in the district shall be given preference.
- 12.7 The Board shall have the right to make assignments within the same job classification without limitations.
- 12.8 Ten-month secretaries assigned to a twelve-month work year shall be given equal experience credit.

Section 3 (Custodial)

- 12.9 **STATEMENT OF INTENT** - In determination of transfers, assignments and promotions, the principal consideration is whether or not said transfer, assignment, or promotion will, in the judgment of the Board, result in the best and most effective administration for the school district. The Board will, however, consider the desire of the individual or individuals involved in reaching its decision.
- 12.10 Initiation of request for transfers, assignments, changes, or promotions may be made by either the Board or an employee.
- 12.11 **FILLING A VACANCY** - The following procedure shall be followed in filling a vacancy:
- A. When a vacancy occurs in the school district, the Board shall post a notice at a place to be agreed upon by the Board and the Association of the existence of such vacancy, the requirements of the position, the job title, and the hours associated with said position and the conditions upon which an application may be made. A copy of the notice shall be sent to the Association president.

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

- B. In considering the filling of a vacancy, the Board shall consider the employee's application, and, if more than one employee is deemed by the Board to be qualified, the Board shall give the employee with the longest period of service in the district preference where the employees are deemed equally qualified to fill the vacancy.
- 12.12 Nothing in the ARTICLE shall be deemed to require that a said vacancy be offered to an employee.
- 12.13 All personnel assuming employment for the first time are subject to a trial or probationary period until June 30th of the current contract year or 90 days, whichever is longer. The board may exercise the right to shorten the probationary period if it so votes by a majority of its members. A new employee shall be considered as a probationary employee. Upon satisfactory completion of probation period, employee shall not be disciplined, dismissed, non-renewed, or reduced in compensation without just cause. No probationary employee shall acquire permanent status without formal resolution by the board, but a probationary employee may request reclassification to permanent status within ten (10) working days after the expiration of the first thirty (30) working day period. In no event shall the grant of permanent status be considered as a grant of tenure. All employees shall be afforded full benefits as of the date of the Board affirmation of the employees' status.
- 12.14 The Board shall have the right to make assignments within the same job classification without limitation. The Board may require a Black Seal for any position at the Board's sole discretion. Any employee affected shall have the opportunity to take the first available Black Seal course and exam before any adverse action is taken with respect to the position.
- 12.15 Any employee promoted, either within the same job classification or to another job classification (i.e., Head Custodian), who does not successfully complete the trial period, shall be returned to the job classification from which he left and shall retain all rights, privileges and seniority he had obtained prior to the change in job classification.
- 12.16 If the Association objects to any move made in accordance with the provisions of this ARTICLE, the matter may, if presented within ten (10) working days of the effective date of such move, be processed in accordance with ARTICLE V - GRIEVANCE PROCEDURE. Only a grievance dealing with assignment of employees shall be subject to arbitration as expressly provided in ARTICLE V.

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

- 12.17 It is understood and the Board agrees to offer each employee an employment contract, the position and salary to be described in the individual contract to be issued by the Board to the employee.
- 12.18 Nothing in this Agreement shall be construed to grant an employee tenure. The tenure laws of the State of New Jersey shall prevail in the instances of employment of custodians.

**ARTICLE XVI
WORKING CONDITIONS**

Section 1 (Teachers)

16.1 The Association and the Board agree that the teachers' responsibility to their students and their profession generally entails the performance of duties and an expenditure of time beyond the assigned class periods.

16.2 As a professional, the teacher has the right and obligation with the accompanying responsibility to determine the time required to effectively discharge his/her duties. The workday shall consist of 7½ hours to be determined by the building principal and to start no earlier than 7:30 AM and end no later than 3:30 PM unless a teacher volunteers. No future change may occur without negotiations. Extensions of the normal teacher responsibilities beyond the classroom may include meeting with parents to discuss areas of mutual concern. The Administration shall not unilaterally extend this time.

16.3 It is expected that preparation periods will be used for such things as thorough class preparation, conferences with students, teachers, parents, and administrators, teaching interns, supporting personnel, and special assistance to students individually and/or in small groups, professional reading, writing, and research. The Board and Association agree that an extensive professional and curriculum library should be established as soon as possible. Secondary teachers shall have at least one uninterrupted instructional preparation period per day.

16.4 All elementary teachers shall have nine (9) preparation periods within a six (6) day cycle with at least one uninterrupted instructional preparation period per day. Elementary teachers whose full-time assignment is limited to special education, fine and performing arts, or any instruction area considered an elective/special type may be assigned a routine instructional assignment that prevents nine (9) preparation periods in a six (6) regular instructional day cycle will receive a stipend for each of the lost preparation periods in accordance with the following schedule:

8 preps in 6-day cycle:	20% of the sixth period teaching stipend amount
7 preps:	40% of the sixth period teaching stipend amount
6 preps:	60% of the sixth period teaching stipend amount

A teacher cannot be scheduled fewer than six preparation periods in a 6-day cycle. The teacher shall have one uninterrupted preparation period per day.

On school days when the routine schedule is interrupted, preparation time will be scheduled relative to that day's schedule. For example, a half-day instructional schedule would warrant a preparation period equal to an instructional block of time relative to the time

schedule for the day. If a teacher does miss a preparation time due to a scheduling conflict, then the teacher will be compensated at the class coverage rate.

ARTICLE XXIV

PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

Section 1 (Teachers, Secretaries, and Aides)

- 24.1 The Board agrees to pay \$178.00 per credit for graduate level courses that are part of a planned program and have been approved in advance by the Superintendent of Schools. Payment is made after submission of an official transcript indicating satisfactory completion of the work. The Board shall fully reimburse employees for course work that it requires those employees to take. Reimbursement under this provision shall not exceed \$32,526.00 per year for each year of this Agreement.

A maximum of three (3) credit hours per person (initial payment) shall be paid during the school year not to exceed the annual tuition reimbursement provision. However, should the tuition reimbursement provision exceed the total amount paid during the school year, a final tuition reimbursement will be paid to those individuals who were not reimbursed for credit hours completed in excess of three (3) credit hours during the school year.

In the event a final tuition reimbursement payment is made, the amount a person will receive per credit hour shall be the total amount of the unused annual tuition

reimbursement provision, divided by the total of all completed credit hours submitted for unpaid reimbursement, multiplied by the individual's completed credit hours not reimbursed not to exceed per credit hour.

In the event that the annual tuition reimbursement provision is insufficient to pay for all of the initial payment (maximum of three (3) credit hours) reimbursement requests submitted, the order of payment shall begin with the lowest assigned course approval form number. The Superintendent will implement a sequential numbering system

- 25.2 Mentoring shall be voluntary. No teacher shall be assigned to mentoring if there are qualified volunteers available. If a mentor is required and no qualified volunteer is available, the Superintendent shall assign a mentor. Any teacher who is involuntarily assigned as a mentor shall not be involuntarily re-assigned until all other qualified teachers have been assigned. Mentoring assignments shall be made by the Superintendent. Any teacher assigned to a sixth period assignment shall not be assigned involuntarily as a mentor. A mentor must be a tenured teacher. The mentor shall be certified in the same subject area or closely aligned subject area as the Novice Teacher.
- 25.3 The District shall provide training for all teachers who serve as mentors prior to the start of their assignments. The District shall pay all costs associated with the mentoring program including training, travel, meals and lodging, pursuant to Board policy and subject to the prior approval of the Superintendent.
- 25.4 The novice teacher and the mentor shall meet at a mutually agreeable time on a weekly basis providing it does not interfere with student contact time. If the novice teacher and the mentor are unable to mutually agree on a time to meet, the novice teacher and mentor shall be required to meet once per week during period nine on Fridays or the last day of the work week. All meetings regardless of when held shall be documented as part of the mentoring plan.

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

**ARTICLE XXVII
COMPENSATION**

Section 1 (Teachers, Secretaries and Aides)

27.1 The basic salary schedule for all persons covered by this Agreement is set forth in a separate attachment and is considered part of this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.

27.2 Extra-curricular duties shall be compensated according to the separate attachment, which is considered part of this Agreement.

All new and existing non-compensated clubs/activities should run for a minimum of one year without compensation. During that year, a job description for the club/activity advisor will be created. Goals and objectives for the club will be developed along with minimum time expectations for the club/activity. At the end of the year, the club/activity will be evaluated for its effectiveness by the administration and a recommendation will be made to the Superintendent to make it a compensated position for the following year.

Upon the recommendation of the Superintendent, all new and existing non-compensated clubs/activities will be approved for compensation over a three year phase-in period, not to exceed, in total, \$7298.00 for the 2007-2008 school year, \$7517.00 for the 2008-2009 school year, and \$7742.00 for the 2009-2010 school year.

The Superintendent, or his/her designee, will then negotiate the compensation based on comparability with existing clubs and their job descriptions. All will be reviewed by the Board of Education for their final approval. Each compensated club/activity advisor will be evaluated yearly by the administration.

27.3 The Board reserves the right to withhold salary increments in accordance with applicable statutes.

27.4 Employment or adjustment increments in any one year may be withheld, in whole or in part, for inefficiency or other just cause related to the performance of duties only with the following:

A. The Procedure shall be adhered to as outlined in ARTICLE VII – EVALUATION.

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

B. The appropriate administrator shall not forward any recommendation to withhold an employee's increment or any part thereof, through the Superintendent to the Board, unless at least ninety (90) calendar days prior

thereto, and in no case later than April 1st of the preceding school year in which such action shall take effect, the appropriate administrator has given to the employee against whom the recommendation shall be made, written notice of the alleged cause(s) for the recommendation specifying the nature thereof with such particulars as to furnish the employee an opportunity to correct and overcome the same.

Section 2 (Teachers)

27.5 Longevity payments shall begin after twenty (20) years of service. The second step shall be added after twenty-five (25) years of service. For all employees hired after July 1, 1992, only years of service in Glen Ridge shall be counted.

27.6 Calculations for longevity payments shall be made by adding the number of years of experience credited by the Board at initial employment to the number of years of service in Glen Ridge. This section shall not apply for any employee hired after July 1, 1992.

Section 3 (Secretaries)

27.7 Longevity payments shall begin after fifteen (15) years of service in Glen Ridge. The second step shall be added after twenty (20) years of service in Glen Ridge.

Section 4 (Custodial)

27.8 The salary schedule for all persons covered by this agreement is set forth in a separate attachment and is considered part of this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.

27.9 Payroll date normally falling on December 30 shall occur on the last day regular school sessions are held in December.

27.10 The Board reserves the right to grant credit for any experience which it deems of value to the Glen Ridge school system at the time of initial employment.

27.11 Longevity payments shall begin after ten (10) years of service. The second step shall be added after fifteen (15) years of service.

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

**ARTICLE XXVIII
REPRESENTATION FEE**

Section 1 (All Employees)

- 28.1 The Board agrees to deduct from the salaries of its employees dues for the Glen Ridge Education Association, the Essex County Education Association, the New Jersey Education Association, the National Education Association, or any one or any combination of such Associations as said employees individually and voluntarily authorize the Board to deduct. Such deduction shall be made in compliance with Chapter 310, Public Laws of 1967 (NJSA 52:14-15, 9R) and under rules established by the State Department of Education.
- 28.2 If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.
- 28.3 Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.
- 28.4 In order adequately to offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.
- 28.5 Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 28.6 below,

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010
the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

- 28.6 The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:
- A. Ten (10) days after receipt of the aforesaid list by the Board; or
 - B. Thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deduction will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.
- 28.7 If any employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this ARTICLE, the Board will deduct the unpaid portion of the fee from the last paycheck paid to each employee during the membership year in question.
- 28.8 Except as otherwise provided in this ARTICLE, the mechanics for deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.
- 28.9 The Association will notify the Board in writing of any changes in the list provided for in paragraph 28.5 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.
- 28.10 On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association, a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles, and dates of employment for all such employees.
- 28.11 The Association shall indemnify and hold the Board harmless against any and all claims, demands, suits and other forms of liability including liability for reasonable

counsel fees and other legal costs and expenses that may arise out of or by reason of
any action taken by the Board in connection with this ARTICLE.

ARTICLE XXIX CLOTHING (Custodial)

- 29.1 Uniforms are mandatory. A joint committee shall choose the clothing. The Board agrees to provide each employee of the unit with three (3) uniforms per year on or before September 1. New employees will not be furnished uniforms until after the probationary period.
- 29.2 The Board also agrees to provide each employee with one (1) pair of gloves per year.
- 29.3 A sufficient quantity of the following items will be provided in each work location:
- A. Winter jackets
 - B. Rain boots
 - C. Raincoats and pants

The Association shall be consulted prior to purchases of the items for input on number, sizes, and types of material to be purchased.

ARTICLE XXX EFFECTIVE DATES AND DURATION

Section 1 (All Employees)

- 30.1 The provisions of this Agreement shall be effective on July 1, 2007.
- 30.2 This Agreement shall remain in full force and effect until *June 30, 2010* at which time it shall terminate unless the Association and the Board agree to extend or amend the Agreement.

Section 2 (Custodial)

MASTER AGREEMENT

Glen Ridge Board of Education and GREA Draft May 08 July 1, 2007 to June 30, 2010

- 30.4 Nothing contained in this Agreement shall be construed to deny or restrict to any Employee, the Association or the Board such rights as they may have under New Jersey laws or other applicable laws and regulations. The rights granted to employees, the Association and the Board hereunder shall be deemed to be in addition to those provided elsewhere.
