The Police Department shall have the ability to schedule said time to bring the vacation bank down to the eighty-four (84) hour maximum. In the event of termination, death or retirement, entitlement to vacation time shall be determined in full days and shall be prorated in accordance with the actual time employed.

Section F. Subject to the reasonable scheduling requirements of the Employer, the Employer shall permit the maximum number of members to take vacation time at the

same time.

Section G. The taking of five (5) consecutive days vacation time will supersede all seniority rights over requests of less than five (5) days in succession. Vacation and/or compensation time shall be allowed to be split with approval of the Scheduling Officer.

Section H. Twenty-four (24) personal hours off shall be granted to each member. The days may be taken in increments of half days or as otherwise permitted by the Chief of Police. No personal days or increment thereof shall be taken except with the permission of the Chief of Police or the Chief's designee. The personal days or increments thereof shall be utilized only for spontaneous or emergent circumstances not known sufficiently in advance to utilize vacation or compensatory time. The personal days shall not be utilized in lieu of sick time for the member him/herself. The Township agrees to allow members of the Collective Bargaining Agreement, who do not use the bank of personal time hours allotted to them in a calendar year, to carry the balance of these hours over into the following year. These hours must be used before April 1st of the following year, or they will be forfeited.

Section I. The parties have agreed to the institution of a progressive day incentive program. Starting with calendar year 2010, if a member does not use any sick days in the first month of the year, they will receive a credit of 2 hours of vacation time; every month thereafter, the member will receive a credit in accordance with the following chart, progressively through a maximum of twelve (12) months. Should a member utilize a sick day or days in a given month, the clock is then reset to zero (0), and the member will start from the first month and will accrue time for the remaining months of the year, terminating on December 31st of each year. Members do not retain any accrued hours prior to the interrupting month. In 2009, the program was started on July 1st, and credit was granted

for those members who had no sick days in the second quarter and no sick days in the first second quarters. The progression chart follows:

First month	2 hours
Second month	2 hours
Third month	4 hours
Fourth month	6 hours
Fifth month	6 hours
Sixth month	6 hours
Seventh month	8 hours
Eight month	8 hours
Ninth month	8 hours
Tenth month	10 hours
Eleventh month	12 hours
Twelfth month	12 hours
Total:	84 Hours

For the purpose of this benefit, sick time incurred because of job-related sickness or injury will not count as sick time.

Section J. A member, upon retirement from the Police Department on a New Jersey Police and Fireman's Pension System-sanctioned full service retirement shall receive ninety (90) calendar days terminal leave prior to the members official date of retirement. Employees hired after January 1, 2015 shall not be eligible for terminal leave benefits.

ARTICLE 11 - BAN ON WORK STOPPAGE

Section A. It is recognized that the prevention of crime, the preservation of Law and Order, and protection of life and property is the responsibility of the Township and the members of the Police Department, and it is further recognized that the need for continued and uninterrupted operations of the Police Department is of paramount importance to the citizens of the community; therefore, there shall be no interference with such operation.

Section B. Adequate procedures having been provided for equitable settlement of grievances arising out of this Agreement, the parties hereto agree that during the term of this Agreement, there shall not be, and that the PBA, its officers, members, agents or principals will not engage in, encourage, sanction or suggest strikes, slow downs, mass resignations, mass absenteeism or other suspension of or interference with normal work performance. In connection therewith, the Township shall have the right to discipline or discharge any Employee, as such shall be deemed just cause for dismissal, and/or to seek and obtain such judicial relief or administrative relief for any breach of this Agreement.

ARTICLE 12 - EMBODIMENT OF AGREEMENT

This document constitutes the sole and complete Agreement between the parties, and embodies all the terms and conditions governing the employment of members in the Police Department. The parties acknowledge that they had the opportunity to present and discuss proposals on any subject which are (or may be) subject to collective bargaining. Any reference to "Employee, or member" shall mean the Police Officers, Corporals, Sergeants, Lieutenants and Captains covered by the Recognition Clause of this Agreement.

This Agreement represents and incorporates the complete and final understanding of the parties. The parties will not rely upon past practices, rights, privileges or benefits having an economic impact upon the parties existing prior to this Agreement. All such rights, privileges and benefits are specifically waived unless incorporated in this Agreement.

Neither party will be required to negotiate with respect to any matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing executed by both parties.

ARTICLE 13 - LEGAL REFERENCE AND SAVINGS CLAUSE

Section A. Nothing contained in this Agreement shall in any way diminish the authority conferred by law, Ordinance, Resolution or Administrative Code and Police Department Rules and Regulations upon any Township Official or in any way abridge or reduce such authority, and the Township reserves the full right and authority to make any additions and modifications of the foregoing as it may deem necessary and advisable from time to time. This Agreement shall be construed as requiring the Township Officials to follow the terms contained herein, to the extent that they are applicable in the exercise of the power conferred upon them by law.

Section B. In the event any provision of this Agreement be invalidated by Federal or State legislation, governmental regulation or Court decision, the remainder of the Agreement not so invalidated shall remain in full force and effect.

ARTICLE 14 - MANAGEMENT RIGHTS

Section A. Except as modified by provisions of this Agreement, the Township of Fairfield reserves and retains solely and exclusively all of its statutory, common law and administrative rights to manage the operation of the Police Department of the Township of Fairfield, and such shall include, but is not limited to, its rights to determine the existence or non-existence of facts which are essential to the proper operation of the Township Police Department and/or managerial decisions, to establish and/or continue such rules, policies, practices, or procedures for the conduct of the Police Department and its services to the citizens of Fairfield, and from time to time, redetermine the number, locations and relocations and types of its Officers and Police Officers and Employees or to require or to discontinue any performance by Employees; to determine the number of hours per day or week any operation of the Police Department may be carried on; and to select such, to schedule and reschedule shifts and tours of duty to maximize the efficiency of the Police Force in a manner most economically beneficial to the Township; to select Police Officers in accordance with the requirements determined by the Department of Police and Township Authorities; to establish training programs and upgrading requirements for Officers and Police Officers within the Department; to establish and change work schedules and assignments; to transfer, promote or demote Officers or Police Officers, or to lay off, terminate or otherwise relieve Officers and/or Police Officers from duty for lack of work; and other legitimate reasons; to determine the facts of lack of work to alter, make and enforce reasonable rules for maintenance of discipline; to suspend, discharge or

otherwise discipline Officers and/or Police Officers for just cause and otherwise to take such measures as the Township may determine necessary for the orderly and efficient operation of the Department of Police for the Township of Fairfield, New Jersey, provided, however, nothing herein shall prevent a member for presenting their grievance for the alleged violation of any Article or specific terms of this Agreement under the provisions of the Grievance Procedure.

It is agreed that nothing in this Agreement shall in any way prohibit the Employer from discharging or otherwise disciplining any member regardless of seniority, for good and just cause.

ARTICLE 15 - GRIEVANCE PROCEDURE

Section A. For the purposes of this Agreement the term "grievance" means any complaint, difference or dispute between the Employer and any Employee(s) with respect to the interpretation, application or violation of any of the provisions of this Agreement or policies, agreements or administrative decisions affecting any Employee(s) covered by this Agreement.

Section B. All grievances shall be settled in accordance with the following grievance procedures:

STEP 1: The grievance shall be taken up by the aggrieved member and their immediate supervisor within seven (7) calendar days. The supervisor shall render a decision, verbally or in writing, within seven (7) calendar days.

STEP 2: If the grievance is not satisfactorily resolved in Step 1, it shall be reduced to writing within seven (7) calendar days and referred to the Chief of Police for further discussion. A meeting will be held between the Chief of Police and the grievant within seven (7) calendar days from presentation. The decision of the Chief of Police shall be in writing within five (5) calendar days following the meeting.

STEP 3: If the grievance is not satisfactorily resolved in Step 2, the grievance shall be referred to the Police Liaison or such other person designated by the Mayor and Council for hearing and decision. The hearing

shall occur within thirty (30) calendar days from notification of the grievance. The hearing shall be on the record below, unless further testimony is requested by the Hearing Officer. They shall render a decision within fifteen (15) calendar days from the date of the hearing.

STEP 4: If the grievance is not satisfactorily resolved in Step 3, the aggrieved party may submit the matter to arbitration within fifteen (15) calendar days of the receipt of the written decision. The arbitrator shall be selected by the parties from a panel of proposed arbitrators submitted by the New Jersey Public Employment Relations Commission.

Section C. The arbitrator mutually selected shall not have the right to alter, add to or detract from the provisions of this Agreement but shall have jurisdiction to interpret, apply or determine in compliance with this Agreement.

Section D. The costs of arbitration shall be shared equally by the parties. In the event that the arbitrator finds that the position of one of the parties was proffered in bad faith or tantamount to being frivolous, such party shall bear all the costs of the arbitration.

Section E. The decision of the arbitrator shall be final and binding upon the parties.

Section F. The time limits specified above shall be complied with unless the parties mutually agree to extend them.

Section G. Any grievance not presented within the time limits shall be deemed as satisfactorily resolved unless a waiver is agreed upon.

Section H. Failure of the Employer to set up a meeting when required or to render

a decision within the time limits shall be deemed as an unsatisfactory resolution and shall entitle the grievant to move to the next step.

Section I. The initial two (2) steps of the Grievance Procedure may be waived by the parties upon mutual agreement.

Section J. All waivers, agreements and postponements must be in writing.

ARTICLE 16 - PROBATION OFFICERS GRIEVANCE RIGHTS

Police Officers in probationary status shall have no right to any grievance concerning the decision to permanently employ the Officer or to dismiss the Officer. Said decision shall be discretionary with the Employer who may promote the Officer to permanent status, discharge or retain the Officer in a probationary status.

ARTICLE 17 - PRIVATE VEHICLE USE

When a member is required to use their private vehicle for Township business, they will be paid a mileage allowance equivalent to the prevailing State of New Jersey rate, plus tolls and parking charges.

ARTICLE 18 - BEREAVEMENT PAY

In the event a member sustains a death in their immediate family, they will be permitted four (4) days bereavement leave without the loss of pay. A member may request additional leave in excess of the four (4) days where exigent circumstances or hardship necessitate the request.

"Immediate family" shall include: father, mother, grandfather, grandmother, grandchild, spouse, son, daughter, brother, sister, sister-in-law, father-in-law, mother-in-law, stepbrother, son-in-law, daughter-in-law, brother-in-law, stepsister or family members in residence not described.

In the event of the death of a member's uncle, aunt, nephew, niece, or cousin of the first degree, the member shall be permitted one (1) day of bereavement leave without the loss of pay.

Exception to this rule may be at the discretion of the Chief of Police, with the approval of the Mayor and Council.

ARTICLE 19 - ASSOCIATION RIGHTS

Section A. The Association shall designate two (2) of its members who shall be the bargaining unit representatives. One (1) representative shall be entitled to be present at all grievance proceedings when requested by a grievant who is not represented by counsel. If so scheduled for bargaining sessions or grievance proceedings, said representative will be granted time off from duty for such purposes.

Section B. The Employer shall permit the PBA through its President or their designees, reasonable use of a bulletin board in Police Headquarters for the posting of notices concerning PBA business and activities affecting the welfare of PBA members. No item shall be posted without the express permission of the Employee representative who shall be responsible for its content.

Section C. Bargaining representatives and/or counsel for the PBA or the PBA's designee may enter the Police Department at reasonable times during working hours for the purpose of investigating facts relating to members' grievances or other matters relating to the operation of this Agreement. A grievant may be released from their duty in order to confer with such representative(s) of the PBA, subject to the reasonable scheduling demands of the Employer. The attorney shall report to the Officer in charge and secure their permission to be on the premises and shall advise him/her of the grievant's name. Permission will be granted only if said meeting does not interfere with the operations of the Department.

ARTICLE 20 - SENIORITY AND TERMINATION

Section A. For purposes of layoff and recall from layoff, members shall be governed by seniority. Seniority shall mean the member's length of continuous service with the Employer. When layoff is to occur, the least senior Police Officer in the bargaining unit shall be laid off first. In the event of recall, members on layoff status shall be recalled in the inverse order of layoff. The Employer shall be permitted to use Special Police Officers while any regular member is on layoff status for an emergency of any other purpose, provided, however, that such Special Police Officers shall not be utilized for the purpose of performing job duties normally performed by a permanent member who is on layoff status and not normally performed by such Special Police Officers except in emergencies.

Section B. Seniority shall be broken only under the following circumstances:

1. Voluntary termination;
2. Termination for just cause;
3. Failure to report to work within five (5) days after receipt of notification of recall. Notice shall be by certified mail, mailed to the last address of the Employee.

Section C. In the event of termination of employment of a member for any reason, all accrued and unused vacation, holidays and compensatory time shall be paid to the member. The provisions of this Section shall apply to members who retire, are separated due to disability, or death. In the latter case, payment shall be made to the member's estate, heirs or next of kin.

Section D. Whenever a member is required or permitted to take a test, whether oral or written, they shall be permitted to see the results of their personal test scores.

Section E. A personnel file shall be established and maintained for each Employee covered by this Agreement. Such files are confidential records and shall be maintained in the office of the Chief of Police, and may be used for evaluation purposes.

Upon advance notice and at reasonable times, any member of the Department may at any time review their personnel file. However, this appointment for review must be made through the Chief of Police or the Chief's designated representative.

Whenever a written complaint concerning an Officer of their actions is to be placed in their personnel file, a copy shall be made available to the Officer and the Officer shall be given the opportunity to rebut it if the Employee so desires, and the Employee shall be permitted to place said rebuttal in their file. When the Employee is given a copy of the complaint, the identification of the complainant shall be excised. However, if any disciplinary action is taken based on any complaint, then the Employee shall be furnished with all details of the complaint, including the identity of the complainant.

All personnel files will be carefully maintained and safeguarded permanently, and nothing placed in any file shall be removed therefrom. Removal of any material from a personnel file by any member of the force shall subject that member to appropriate disciplinary action.

ARTICLE 21 - DURATION

This Agreement shall have an effective term from January 1, 2015 through December 31, 2017, and the terms hereof shall remain in full force and effect until the negotiation of a successor Agreement.

Section B. The Township and the Association agree that all Employees covered under this Agreement have the right, without fear of penalty or reprisal, to form, join, and assist any Police organization or to refrain from any such activity.
