A principal shall, within twenty (20) school days of the known occurrence of the claim, present and promptly discuss the claim orally with the Superintendent or his designated representative with the objective of resolving the matter informally. Failure to do so shall be deemed to constitute an abandonment of the claim.

B. ELIGIBILITY

Principals may apply for grants during each year of employment. Applicants may apply each year to the Superintendent of Schools for a non-cumulative grant of a maximum of \$2,300. The calendar year is defined in the same manner as the school budget year of July 1 through June 30.

ARTICLE V

SABBATTICAL LEAVE

A. PURPOSE

The purpose of sabbatical leave is a plan designed to help maintain and improve the quality and efficiency of instructional services to the children of the Springfield Public Schools. This privilege is granted to certificated employees in order that they may extend their professional competence and thus better serve the school district.

B. APPLICATION

Preliminary application for sabbatical leave shall be made prior to December 15 of the year previous to the year for which the leave of absence is desired.

The purpose, date of this application, and length of service will be factors in determining the number of grants within the budgetary limit for that year. The final application must be submitted by February 15. Due consideration shall be given to the reasonable and equitable distribution of the applications among the different schools. The Board shall give notice of the approval for sabbatical leave, or rejection, together with an explanation thereof, no later than April 1 of the year previous to the year for which the leave is requested.

C. CONDITIONS

1. Since the policy for sabbatical leave is solely to promote the more efficient conduct of the schools, no application for such leave shall be recommended by the Superintendent or approved by the Board unless, after considered judgment, the professional competence of the principal and the general efficiency of the school system will thereby be benefited.
2. During any sabbatical leave, the principal shall not engage in any employment for remuneration without approval of the Superintendent and shall devote the major portion of his/her time and effort toward the purpose of the sabbatical leave.
3. As a condition of sabbatical leave, the principal shall agree that, if he does not continue in service for two years after the expiration of the leave of the absence, he shall be required to repay the Board a sum of money bearing the same ratio to the amount of salary received while on leave of absence that the unperformed part of the subsequent two years of service bears to the full two years, unless such principal is incapacitated, has been discharged without cause or has been released by the Board from this obligation.
4. If the Superintendent has reason to believe that a principal on sabbatical leave is not fulfilling the purpose for which the leave of absence was granted, he shall report this fact to the Board. The Board may eliminate the leave of absence for non-fulfillment of purpose after giving the principal involved the opportunity of a hearing.
5. If a principal on sabbatical leave shall ascertain that she is pregnant, she shall immediately report this fact to the Superintendent. The Superintendent shall, after considering her doctor's report, recommend to the Board whether or not the leave shall continue, dependent upon the probability of the successful completion of the sabbatical program. Transfer to maternity leave shall be governed by the maternity leave policy.

D. ELIGIBILITY

1. Any principal who has completed seven (7) or more years of satisfactory service in the Springfield Public Schools may, on the recommendation of the Superintendent and the approval of the Board, be granted a leave of absence for one academic year or one-half (1/2) of an academic year, for the purpose of professional improvement through study and research. Such study shall be directly connected with his/her work in the school system. The principal's application for a sabbatical shall outline in detail the proposed professional study plan for administrative review.
2. Any principal shall be eligible for another sabbatical leave after he has had seven (7) additional school years of service in the Springfield district. This time limit may be waived at the discretion of the Board.

E. SALARY

The recipient shall receive, in lieu of salary, a sum equal to two thirds (2/3) of the salary to which the principal would otherwise be entitled if not on leave, less such regular deductions for government income tax, Pension and Annuity Fund, and other deductions as required by law or customary in the District. Said sum shall be paid in installments in accordance with the general time schedule for payment of salaries to employees in the regular employ of the school system.

F. RETURN

1. A principal on sabbatical leave shall notify the Superintendent, in writing, on or before March 1 of that year, of his/her intention to return to duty. Failure to give such information on the part of the principal on leave will be interpreted as an indication that such principal does not wish to return to employment by the Board. Every principal on sabbatical leave shall present a written report to the Superintendent covering the studies engaged in while on sabbatical leave and the benefits anticipated therefrom. Such report is due prior to August 1 but, in any event, not later than two months after the completion of the sabbatical program. If said report is not timely submitted, the principal shall repay to the Board an amount equaling one-half (1/2) of the salary received during the sabbatical.
2. Upon satisfactory completion of the sabbatical leave, the principal will be returned to service at a salary on the same basis as if he had rendered continued and satisfactory service in the school system during the interim.

A personal business day shall not be granted for a day preceding or the day following holidays or vacations and the first and last day of the school year, except by special approval from the Superintendent.
