GRIEVANCE PROCEDURE

A. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein shall be constructed as limiting the right of any employee having a grievance to discuss said grievance with a member of the supervisory staff and having the grievance adjusted without the intervention of the Union.

B. DEFINITION

The term "grievance" as used herein is any controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement and may be raised by an individual, the Union or the City.

C. STEPS OF THE GRIEVANCE PROCEDURE:

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement. The union may proceed through each step of this procedure even without a written response from any City official through Step Five, Arbitration. Any step of the grievance procedure may be waived by mutual consent.

STEP ONE (1)

a. An aggrieved employee shall institute action under the provisions hereof within ten (10) working days of the occurrence of the grievance and an earnest effort shall be made to settle the difference between the aggrieved employee and his immediate

supervisor for the purpose of resolving the matter informally. Failure to act within said ten (10) working days shall be deemed to constitute an abandonment of the grievance.

b. The Supervisor shall render a decision within five (5) working days after receipt of the grievance.

STEP TWO (2)

a. In the event a satisfactory settlement has not been reached, the employee shall, in writing and signed, file his/her complaint with the Division Head (or his/her representative) within five (5) working days following the determination by the Supervisor.

The Division Head or his/her representative shall render a decision in writing within five (5) working days from the receipt of the complaint.

In the event the aggrieved elects to pursue Civil Service Procedures, the arbitration hearing shall be cancelled and the matter withdrawn from arbitration. The Union shall pay whatever costs may have been incurred in processing the case to arbitration.

c. The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto.

d. The cost for the services of the arbitrator shall be borne equally between the City and the Union. Any other expenses incurred, including but not limited to the presentation of witnesses shall be paid by the party incurring same.

A meeting shall be held within ten (10) calendar days after filing a grievance between the representative of the City and the Union in an earnest effort to adjust the differences between the parties. In the event no such adjustment has been satisfactorily made, either party may file for arbitration in accordance with Step Five above.

When the Union desires to have such a representative enter the City's facilities or premises, it will request such permission from the appropriate City representative. Permission will not be unreasonably withheld, provided there should be no interference with the normal business of City government. There shall be no Union meetings on city time. Union meetings may be held on City property provided such facilities are available and further provided that permission is secured in advance from the appropriate department head.

ARTICLE VI

If the employee reports on late and his/her assigned group or detail has departed for an assignment, or his/her place was assigned to another employee because of his/her lateness, the employee shall be sent home for this day without any compensation.
