In accordance with all applicable provisions of the New Jersey Employer-Employee Relations Act, *Chapter 303* of the Laws of 1968 (N.J.S.A. 34:13A-1 *et seq.*), as amended, the Employer agrees to deduct from the regular pay of employees included in this Bargaining Unit the membership dues for the Association provided a dues deduction card, supplied by the Association in conformity with statutory requirements and signed by the employees, is submitted to the Employer. It is further agreed that the Employer shall remit such

2.4.2. Certification by Association

The Association shall certify to the Employer the amount of said membership dues to be so deducted and, if there shall be any change in the rate of membership dues during the term of this Agreement, the Association shall furnish to the Employer written notice of same thirty (30) days prior to the effective date of such change.

A request by any employee to terminate the deduction of Association dues from his or her regular pay must be in writing and tendered to the appropriate authorized representatives of the Employer and the Association. Said termination shall be effective as of January 1 or July 1 next succeeding the date on which the employee has complied with the provisions of this paragraph.

2.4.4. Employee on Leave

The Association hereby indemnifies, saves and holds the Employer harmless against any and all claims, demands, causes of action or other forms of liability arising from or relating to any action taken by the Employer in reliance upon the membership dues deduction authorizations submitted by the Association herein.

2.4.6. Payroll Deduction of Representation Fee

a. The purpose of this paragraph is to provide for payment of representation fees as set forth in the New Jersey Employer-Employees Relations Act, Chapter 477 of the Laws of 1979 (N.J.S.A. 34:13A-1 *et seq.*), as amended, and any provisions herein which may be inconsistent with said Law shall be deemed to be modified to conform with the then existing statutory requirements and/or the rules and regulations promulgated thereunder.

b. If an employee in the Bargaining Unit is not a member of the Association during the term of this Agreement and during the period, if any, between successive Agreements, such employee shall be required to pay a representation fee to the Association during such term or period. The purpose of the representation fee is to provide payment to the Association in lieu of dues for services rendered by the Association which benefit all employees of the Bargaining Unit and thereby offset the costs of services rendered by the Association as majority

representative. In order to adequately offset the costs of services rendered by the Association, representation fees shall be eighty-five (85%) percent of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members. The following percentage is set forth solely because same is the maximum presently permitted by Law. In the event that the amount of said representation fee is modified by the Legislature, the amount of the representation fee herein will automatically be modified to the maximum then allowed by the Legislature.

c. The Employer shall submit a current list of all employees in the Bargaining Unit to the Association on a monthly basis. The Association shall submit to the Employer a list of those employees in the Bargaining Unit who have not chosen to be members of the Association. The Employer shall deduct from the salary of such employees in accordance with this *Section 2.4.6.d.*, below, the full amount of the representation fee and shall transmit same promptly to the Association. The Association shall notify the Employer in writing of any change in the list and/or the amount of the representation fee.

d. The Employer shall deduct the representation fee in equal installments, as nearly as possible, from the regular pay of each employee on the aforesaid list during the membership period fixed by the Association. The deduction will begin with the first regular pay of the employee not less than ten (10) days after the receipt of the aforesaid list by the Employer or thirty (30) days after the employee has commenced employment. If an employee previously served in a Bargaining Unit position and continued in the employ of the Employer in a Non-Bargaining Unit position or was on layoff or suspension, said deduction will commence with the first regular pay not less than ten (10) days after the resumption of the employee's employment in a Bargaining Unit position. Except as otherwise provided herein, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be identical to those used for the deduction and transmission of regular membership dues paid to the Association by payroll deduction.

e. Pursuant to the following provisions, any employee who pays a representation fee in lieu of dues shall have the right to demand and receive from the Association a return of any portion of that fee representing the employee's additional pro-rata share of expenditures by the Association that are either in aid of activities or causes of a partisan, political or ideological nature and only incidentally related to the terms and conditions of employment or applied toward the costs of any other benefits available only to members of the Association. The pro-rata share subject to refund shall not reflect the cost of support of lobbying activities designed to foster policy goals in collective bargaining negotiations and contract administration or to secure for the employees advantages in wages, hours and other conditions of employment in addition to those secured through collective negotiations with the Employer.

1. An employee who claims that he or she is entitled to a return of a part or all of the representation fee on the grounds set forth above or otherwise, shall make such a claim in writing to the Association. The written claim shall set forth to the fullest extent possible the facts underlying said claim. All such claims by an employee are waived if not presented to the Association within ninety (90) days of the commencement of the payment of the

representation fee. Additionally, claims may only be presented as set forth herein on or before February 1 of each succeeding year or such claims are waived for that calendar year.

2. Within sixty (60) days after receipt of the written claim of an employee as set forth above, the Association shall investigate the claim and prepare and submit to the employee a written response to the claim.

3. If an employee is dissatisfied with the response of the Association, or if the Association fails to respond within the aforesaid sixty (60) days, the employee may appeal to the "Demand and Return" Committee of the Association for a hearing regarding the claim. Such appeal must be submitted to the Committee no later than thirty (30) days after receipt of the response of the Association or no later than ninety (90) days after the initial claim is made if there has been no response by the Association. Any appeal which is not made in a timely fashion shall be deemed waived by the employee. The appeal shall be in writing and shall set forth to the fullest extent possible the facts underlying said appeal.

4. Within sixty (60) days after receipt of the foregoing appeal, the "Demand and Return" Committee shall afford to the employee and the Association a full and fair proceeding with regard to the claim of the employee. Such claim must be based upon the criteria set forth in *Section 2.4.6.e.* above. The burden of proof shall be on the Association at such proceeding. The Committee shall render its decision within twenty (20) days after the close of said proceedings.

5. If the employee is dissatisfied with the determination of said Committee, he may appeal the matter to the Appeal Board established for this purpose pursuant to the New Jersey Public Employer-Employees Relations Act, Chapter 477 of the Laws of 1979 (N.J.S.A. 34:13A-1 *et seq.*), as amended, in accordance with procedures established by the Public Employees Relations Commission.

6. The purpose of the within procedure is to provide for a "demand and return" system through full and fair proceedings placing the burden of proof on the majority representative pursuant to the applicable statutory requirements and any amendments thereto. This procedure is to be liberally construed to be consistent with the statutory requirements and any rules and regulations promulgated thereunder.

f. All notices referred to in the foregoing provisions relating to the representation fee shall be deemed given when mailed to the appropriate party at his, her or its last known mailing address.
