- C. This agreement shall not be modified in whole or in part except by an instrument in writing executed by both parties.

## ARTICLE III

### GRIEVANCE PROCEDURE

A grievance shall mean a complaint by an employee or group of employees in Article I, that there has been a personal loss or injury because of the interpretation, application or violation of policies, agreements and administrative decisions affecting such employee or employers.

An "aggrieved person" is the person or persons making the claim.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

The Association as representative of a group of employees may appeal the interpretation, application or violation of policies, agreements and administrative decisions affecting said employees.

If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such

ARTICLE III CONTINUED (2)

grievance shall be commenced at that level. The Association may process such a grievance through all levels of the grievance procedure. The grievance, however, must be signed by each of the individuals claiming loss or injury.

Any teacher who has a grievance shall discuss it first with his principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

If, as a result of the discussion, the matter is not resolved to the satisfaction of the teacher within five (5) school days, he shall set forth his grievance in writing to the principal specifying:

- (a) the nature of the grievance
- (b) the nature and extent of the injury, loss or inconvenience
- (c) the results of previous discussions
- (d) his dissatisfaction with decisions previously rendered.

The principal shall communicate his decision to the teacher in writing within three (3) school days of receipt of the written grievance.

The teacher, no later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the superintendent must be made in writing reciting the matter submitted to the principal as specified above and his or her dissatisfaction with decisions previously rendered. The superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The superintendent shall communicate his decision in writing to the teacher and the principal.

ARTICLE III CONTINUED (3)

If the grievance is not resolved to the teacher's satisfaction, he, no later than five (5) school days after receipt of the superintendent's decision, may request a review by the Board of Education.

The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the teacher and render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board. In the case of a non-tenure teacher grieving non-renewal of his or her contract, a hearing shall be granted by the Board, but such decision as the Board reaches as a result of this hearing shall not state reasons for not sustaining the teacher's grievance.

If the decision of the Board does not resolve the grievance to the satisfaction of the aggrieved, and he wishes review by a third party, he shall so notify the Board in writing through the superintendent within ten (10) school days of receipt of the Board's decision, except in the case of grievance involving any of the following points:

- (a) Any matter for which a method of review is prescribed by law or any rule or regulation of the State Commissioner of Education or any matter which according to law is either beyond the scope of Board Authority or limited to action by the Board alone.
- (b) A complaint of a non-tenure teacher which arises by reason of his not being re-employed.

ARTICLE III CONTINUED (4)

- (c) A complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.
- (d) Any complaint which is not a matter of formal agreement between the Association and the Board.

The appeal of the aggrieved for review by a third party may be submitted to fact finding by the Association and the procedure for securing the services of a fact finder shall be those of the American Arbitration Association. Such determination as the fact finder shall make are not binding in any manner on either party to this agreement. The fact finder shall consider only the matter submitted and shall not add to or subtract from any other matter of formal agreement. His finding shall be returned to Board and Association within thirty days after date of hearing.

An employee shall have the right to initiate his own grievance or to designate a representative to appear with him at any step in his appeal. A minority organization shall not present or process grievances.

When a teacher is not represented by the Association, the Association shall at the time of submission of the grievance to the superintendent or any later level, be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.

The parties shall be responsible for all costs incurred by each, and only the fee and expenses, if any, of the fact finder shall be shared by each party paying one half.

ARTICLE IV

TEACHER RIGHTS

The Board and the Association recognize the right of teachers to form, join and assist any employee organization or to refrain from any such activity.

The Board and Association agree that there shall be no reprisals of any kind taken against any teacher by reason of his membership in or refusal to join the Association.

When the Board of Education or any of its committees requires any teacher to appear before such body, concerning any disciplinary matter which could adversely affect his position or salary, such teacher shall be given prior notice of the reasons for such meeting or interview and shall be entitled to have a person of his own choosing present to advise and represent him during such meeting or interview.

This procedure is not meant to restrict, limit or bypass the provisions of New Jersey Statutes Title 18 A:6-10, nor is it meant to require the Board to state reasons for the nonrenewal of contracts for non-tenure teachers.

Teachers who have been suspended without pay shall be reimbursed for such financial loss of salary if determination is made in their favor as a result of the grievance procedure.

The Board recognizes that the teacher is primarily responsible for determination of pupil grades. If such determination is superceded, the teacher will receive notification in writing.

ARTICLE V
