GRIEVANCE PROCEDURE

A. DEFINITION

- 1. A "Grievance" shall mean a claim by an employee that there has been a misinterpretation, misapplication, or a violation of Board Policy, this Agreement, or an administrative decision affecting him.
- 2. A grievance to be considered under this procedure must be initiated by the employee by the completion and execution of the necessary forms within thirty (30) days of the time the employee knew or should reasonably have known of its occurrence. Failure to act within said thirty (30) days shall be deemed an abandonment of the grievance.

GRIEVANCE PROCEDURES - continued

3. An "aggrieved employee" is the person or persons who have executed the necessary forms and filed the grievance.
4. A "party in interest" means an aggrieved employee, his immediate supervisor and/or any staff member in the chain of administration below the Superintendent or his designee.
5. The term "representative" shall constitute the person designated by the Association to represent the Association and/or the aggrieved employee at the grievance proceedings. Nothing herein shall prevent the aggrieved employee from representing himself. When an employee refuses representation by the Association, the Association shall have the right to be present and present its views at all stages of the grievance procedure.
6. The term grievance and these grievance procedures shall not apply to the following:
 - a. To a case arising out of official action of the Board of Education except such action involving misinterpretation, misapplication or a violation of Board Policy, this Agreement or an administrative decision affecting him.
 - b. The failure or refusal of the Board to renew the contract of any non-tenure employee.
 - c. Any case in which the employee is claiming tenure under the provisions of R.S. 18A: 17-3 where charges have been against such employee pursuant to the provisions of the Tenure Employees Hearing Law, R.S. 18A: 6-10 et seq.

B. PURPOSE

1. The purpose of this procedure is to secure at the lowest possible level, equitable solutions to the problems relating to the employment which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedures.

C. PROCEDURE

1. Level One

Any employee who has a grievance shall discuss it first with his supervisor in an attempt to resolve the matter informally at that level.

2. Level Two

If as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he may set forth his grievance in writing to his supervisor on the grievance forms provided. The supervisor shall communicate his decision to the employee in writing, with specific reasons, within three (3) school days of receipt of the written

GRIEVANCE PROCEDURES - continued

grievance. If the supervisor determines that he lacks jurisdiction to resolve the grievance, he shall, promptly upon the filing of same, waive his right to render a decision and forward the written grievance to the Superintendent for his determination in accordance with the provisions hereinafter set forth.

3. Level Three

The employee, no later than ten (10) school days after receipt of the supervisor's decision may appeal the supervisor's decision to the Superintendent of Schools or his designee. The appeal to the Superintendent or his designee must be made in writing, reciting the matter submitted to the supervisor as specified above and his dissatisfaction with the decision previously rendered, furnishing the specific reasons for dissatisfaction. The Superintendent or his designee shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent or his designee shall communicate his decision in writing with the reasons to the aggrieved employee and the supervisor.

4. Level Four

If the aggrieved employee is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent or his designee, he may, within ten (10) school days after a decision by the Superintendent or his designee or fifteen (15) school days after the grievance was delivered to the Superintendent or his designee, whichever is sooner, request in writing that his grievance be forwarded to the Board of Education.

The Board of Education shall act on the grievance and shall inform the aggrieved employee and the Superintendent or his designee of the decision reached within twenty (20) school days of its receipt by the Board.

5. Level Five

- a. If the aggrieved employee is not satisfied with the disposition of his grievance at Level Four, or if no decision has been rendered within twenty (20) school days following the receipt of the grievance by the Board of Education, he may, within five (5) school days after a decision by the Board of Education, or twenty (20) school days after receipt of the grievance by the Board, whichever is sooner, request in writing that the Association submit his grievance to binding arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to binding arbitration within fifteen (15) school days after the receipt of a request by the aggrieved employee. The Superintendent or his designee shall be so notified in writing.
- b. Within five (5) school days after such written notice of submission to binding arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the

GRIEVANCE PROCEDURES - continued

parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association (AAA). The parties shall then be bound by the rules established by AAA in the selection of an arbitrator.

- c. The arbitrator so selected shall confer with the parties within ten (10) school days of his selection. He shall limit himself to the issue(s) presented to him, and shall be without authority to make any decision which requires the commission of an act prohibited by law.
- d. The arbitrator shall ask that all supportive evidence be placed before him. He shall issue a decision within thirty (30) school days of the last meeting with the parties. The arbitrator's decision shall be in writing and shall set forth his findings, reasoning and conclusions on the issue(s) submitted. Copies of the arbitrator's decision shall be issued to the aggrieved employee, the Association and the Board, and shall be binding on both parties.

D. COSTS FOR BINDING ARBITRATION

1. The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid for by the party incurring same. The Association has the option to request that the Board provide a suitable facility or to request a neutral site for the grievance arbitration.

E. MISCELLANEOUS

1. If more than one employee files the same grievance, the Association may request, in writing addressed to the Superintendent or his designee, that the procedures set forth in Levels One and Two be waived and the matter presented de novo at Level Three and the grievance procedure continue as provided thereafter. The Superintendent or his designee must furnish an answer to the waiver request within five (5) school days. If the reply is in the negative, the employee will continue with these procedures commencing with Level One.
2. With the exclusion of Level One, all decisions rendered shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association.
3. No reprisals of any kind shall be taken by the Board, or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent or his designee and the Association and given appropriate distribution so as

GRIEVANCE PROCEDURES - continued

to facilitate operations of the grievance procedure.

5. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated representatives, heretofore referred to in this Article.
6. Any party in interest may request and be entitled to have a representative present at any meeting or hearing in which he is required to be present or furnish testimony or information relative to a grievance.
7. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits, unless notice by either party due to illness, shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits, unless notice by either party due to illness, shall be deemed to be acceptance of the decision rendered at that step.
8. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
9. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.
10. The grievance procedure shall proceed as set forth hereinabove notwithstanding that school is not in session due to summer vacation, in which event all references to "school days" shall mean "weekdays".

Said deductions shall be made in compliance with Chapter 310, Public Laws of 1967 (NJSA 52: 14: 15.9e) and under rules established by the State Department of Education. Said monies together with records of any corrections shall be transmitted to the treasurer of the Fair Lawn Schools Custodians' Association by the 15th of each month following the monthly pay period in which deductions were made.

TO: Disbursing Officer, Fair Lawn Board of Education

I hereby request and authorize the above named disbursing office to deduct from my earnings an amount sufficient to provide for the payment of those yearly membership dues as certified by the organizations indicated in equal monthly payments for all or part of the current school year, and for the succeeding school years. I understand that the disbursing officer will continue such deductions until I file a notice of

ASSOCIATION DUES DEDUCTIONS AND AGENCY FEE - continued

withdrawal prior to July 1st or January 1st next succeeding the date on which notice of withdrawal is filed. I also agree that upon termination of employment, the disbursing officer shall deduct any remaining amounts due for that current school year. I hereby waive all rights and claim for such monies, so deducted and transmitted in accordance with this authorization, and relieve the governing board and all of its officers from any liability therefore.

B. Agency Fee

1. Purpose of Fee

Commencing July 1, 1998, if an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

2. Amount of Fee

a. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by nonmembers will be determined by the Association in accordance with the law. Prior to deduction by the Board of any membership fee for any membership year, the Association will supply evidence to the Board of the establishment and maintenance of a demand-and-return system.

b. Legal Maximum

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee may be set up to eighty-five percent (85%) of that amount as the maximum presently allowed by law.

3. Deduction and Transmission of Fee

a. Notification

Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees in accordance with paragraph b. below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

b. Payroll Deduction Schedule

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

1. ten (10) days after receipt of the aforesaid list by the Board; or
2. thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

c. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

d. Changes

The Association will notify the Board in writing of any changes in the list provided for in paragraph a. above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than (10) days after the Board received said notice.

4. Indemnification and Save Harmless Provision

a. Liability

ASSOCIATION DUES DEDUCTIONS AND AGENCY FEE - continued

The Association agrees to indemnify and hold the Board harmless against any and all claims, demands, suits and other forms of liability, including liability for reasonable attorneys' fees and other legal costs and expenses, which may arise by reason of any action taken or not taken by the Board in complying or attempting to comply with the provisions of this Article, provided that:

- a. the Board gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph; and
- b. if the Association so requests in writing, the Board will surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability; provided, however, that this condition shall not apply where there may be a conflict of interest between the Board and the Association which would necessitate separate representation. The Board and the Association will cooperate fully with each other in gathering evidence, securing witnesses and in all other aspects of said defense.

5. New Employees

The Board will advise the Association of the name of any unit employee hired after the beginning of the school academic year, within thirty (30) days of the date of the Board resolution approving such employment.
