PREAMBLE

THIS AGREEMENT, entered into this ____ day of _____, 2013 by and between the City of Jersey City, a Municipal Corporation of the State of New Jersey (hereinafter called the "City") and the Jersey City Police Officers Benevolent Association, Inc. (hereinafter called the "POBA" or the "Association"), represents the complete and final understanding on bargainable issues between the City and the Association, and the City agrees not to enter into any other Agreement or contract with those of its employees who are hereby covered which in any way conflicts with the terms and provisions of this Agreement.

RECOGNITION

A. The City hereby recognizes the Association as the exclusive collective negotiations agent for all non-supervisory sworn Police Officers employed by the City.

B. The title "Police Officer" shall be defined to include the plural as well as the singular, and to include males as well as females, and those Police Officers assigned to the Investigative Division of the Police Department.

C. The title "Police Officer" shall be exclusively used on all Departmental and City communications.

ARTICLE 2

MAINTENANCE & MODIFICATION OF WORK RULES

A. All conditions of employment relating to wages, hours of work and general working conditions contained in the rules and regulations of the Police Department, ordinances or resolutions of the City pertaining to police employees, or directives from the Office of the Police Chief or Director of Public Safety which are of universal application within the Police Department, currently in effect, shall be maintained for the life of this Agreement.

B. Proposed new rules or modifications of existing rules governing working conditions, as set forth above, which are not exclusive within the discretion of management, shall be negotiated with the majority representative prior to implementation.

C. The provisions of this Agreement will govern, where specifically applicable, any inconsistent rules, regulations or ordinances or any other provisions or manual or law notwithstanding. The City will cause to be drafted and put into effect all necessary ordinances to make existing ordinances consistent with the Agreement.

ARTICLE 3

ASSOCIATION REPRESENTATIVE & MEMBERS

A. Accredited representatives of the Association, not to exceed three (3), shall be permitted to visit Police Headquarters, substations, or the Office of the Police Director for the purpose of observing working conditions or assisting in the adjustment of grievances. When the Association decides to have its representative enter the City's facilities or premises as outlined above, it will request such permission from the appropriate City representatives, and such permission will not be unreasonably withheld, provided further that there shall be no interference with the normal operations of the business of City government or the normal duties of employees. Before entering the aforesaid premises, the authorized representative shall notify the Unit Commander or, in his/her absence, his/her authorized representative.

B. The President of the Association and his/her designees [not to exceed two (2)] shall be assigned to special duty, utilizing flexible time arrangements on a staff schedule (otherwise referred to as "flex time") in performing their assigned POBA duties and functions, and except in emergencies shall be entitled to administer and enforce the provisions of this Agreement. At the request of the Police Director, the POBA designees shall supply the Police Director with the hours worked over a twenty-one (21) day work cycle.

C. In the absence of the President, the first Vice-President of the Association shall be assigned to special duty so that he/she may assume the duties of the President.

D. During the negotiations, authorized Association representatives, not to exceed five (5), shall be excused from their normal work duties to participate in collective negotiation sessions that are mutually scheduled to take place during their scheduled work

time, and shall suffer no loss of regular pay thereby.

E. The City agrees to grant time off to a maximum of thirteen (13) employees designated by the Association to attend police conventions as provided by state statute, provided seventy-two (72) hours written notice is given to the Chief of the Department by the Association. Said convention leave will include reasonable travel time.

F. Two (2) members of the Association shall be granted the day off to attend state meetings and state legislative sessions, including legislative hearings.

G. Elected officers and unit delegates, not to exceed twenty-five (25), shall be granted time off to attend local meetings and caucuses, provided Divisional or Departmental operations are not impeded by the granting of such requests.

H. The current practices with respect to the operation of the Association office at 282 Central Avenue, Jersey City, New Jersey, will be maintained for the life of this Agreement. However, if the City deems it necessary to sell or utilize said building for other purposes, the Association shall be provided with comparable office space in another police facility.

I. Police Officers granted time off pursuant to this Article will be required to report to work and will be released for the duration of the function or meeting only.

ARTICLE 4

RETENTION OF CIVIL RIGHTS

Employees shall retain all civil rights under New Jersey State law and federal laws, consistent with their authorities and responsibilities as Police Officers, provided, however, this provision shall not be deemed to limit or modify the civil rights of such employees as private citizens.

ARTICLE 5

RETIREMENT

Members who become eligible for retirement under New Jersey law and ordinance of the City of Jersey City shall retain all pension rights, hospitalization insurance and other benefits as currently provided.

ARTICLE 6

LEAVES OF ABSENCE

A. A leave of absence without pay for up to six (6) months will be granted for good cause to any member who has been employed for a period of one (1) day beyond the Police Officer's probationary period, as defined by Civil Service. The leave may be extended for up to an additional six (6) months. Such leave shall not be arbitrarily withheld.

B. The Association will be notified immediately of the leave of absence of any of the Police Officers within the bargaining unit, and of any extensions.

C. Police Officers on leave of absence shall not earn vacation time during such leave. Police Officers' annual vacation leave shall be pro-rated on a monthly basis.

D. The annual vacation leave, in accordance with Article 11, shall be reduced by the pro-rated number of monthly vacation days for each month said Police Officer is on leave of absence.

E. Police Officers on leave of absence shall not receive paid or compensatory holidays during such leave. Police Officers' holiday time shall be pro-rated on a monthly basis for the fourteen (14) holidays granted in accordance with Article 16. The holiday time shall be reduced to the same ratio of compensatory and paid days as stated in Article 16 by the pro-rated number of monthly holidays (1.2 days per month) for each month the paid Police Officer is on leave of absence.

ARTICLE 7

DUES DEDUCTION & REPRESENTATION FEE

A. The City agrees to deduct from the salaries of its Police Officers subject to this Agreement dues for the Association. Such deduction shall be made in accordance with Chapter 310, Public Laws of 1967, N.J.S.A. 52:14-15.9(e), as amended. Said monies, together with the records of any corrections, will be transmitted to the Association office by the 15th of each month following the monthly pay period in which the deductions were made.

B. If, during the life of this Agreement, there will be any change in the rate of Police Officers' dues, the Association will furnish to the City written notice thirty (30) days prior to the effective date of such change.

C. The Association will provide the necessary check-off authorization form and deliver the signed forms to the Police Department Finance Officer. The Association will indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the City in accordance with the instructions of the Association pursuant to this Article.

D. Pursuant to Chapter 295 of the Laws of 1977, the City will not deduct dues from the salaries of any Police Officers in the negotiating unit for an organization other than the Association. Further, the City agrees to terminate all existing dues deductions from unit Police Officers for organizations other than the Association on the July 1 following a request to do so by the Association.

E. Representation Fee.

1. Purpose of Fee. If a Police Officer does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31)

which is covered in whole or in part by this Agreement, said Police Officer will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the Police Officer's per capita cost of services rendered by the Association as a majority representative.

F. Amount of Fee.

1. Notification. Prior to the beginning of each membership year, the Association will notify the City in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

2. Legal Maximum. In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

G. Deduction and Transmission of Fee.

1. Notification. Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the City a list of those Police Officers who have not become members of the Association for the then current membership year. The City will deduct from the salaries of such Police Officers, in accordance with

paragraph #2 below, the full amount of the representation fee and promptly will transmit the amount as deducted to the Association.

2. Payroll Deduction Schedule. The City will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each Police Officer on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

a. Ten (10) days after the receipt of the aforesaid list by the City;

or

b. Thirty (30) days after the Police Officer begins his/her employment in a bargaining unit position, unless the Police Officer previously served in a bargaining unit position and continued in the employ of the City in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the Police Officer's employment in a bargaining unit position, whichever is later.

3. Termination of Employment. If a Police Officer who is required to pay a representation fee terminates his/her employment with the City before the Association has received the full amount of the representation fee to which it is entitled under this Article, the City will deduct the unpaid portion of the fee from the last paycheck paid to said Police Officer during the membership year in question.

4. Mechanics. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. Changes. The Association will notify the City in writing of any changes in the list provided for in paragraph #1 above and/or the amount of the representation fee, and such changes will be reflected in any notice.

6. Probationary Police Officers. On or about the last day of each month, beginning with the month this Agreement becomes effective, the City will submit to the Association a list of all probationary Police Officers who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles and date of employment for all such probationary Police Officers.

7. Indemnification. The Association will indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the City in accordance with the instructions of the Association pursuant to this Article.

ARTICLE 8

MANAGEMENT RIGHTS

A. The City hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of New Jersey and of the United States.

B. The exercise of the foregoing powers, rights, authorities, duties and responsibilities of the City, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of New Jersey and of the United States.

ARTICLE 9

NON-DISCRIMINATION

Neither the City nor the Association shall discriminate against any employee due to that employee's membership, non-membership, participation, lack of participation, or activities on behalf of, or the employee's refraining from activity on behalf of, the Association.

ARTICLE 10

WORK DAY & WORK WEEK

A. 1. The normal work day and work week shall be the fifteen (15) section schedule for line employees working the steady day, evening, or midnight schedule. This schedule shall consist of five (5) 8-hour tours of duty followed by three (3) days off, followed by five (5) 8-hour tours of duty followed by two (2) days off, after which the cycle repeats itself.

2. The work schedule for staff personnel shall consist of a twenty-one (21) section schedule, consisting of five (5) days on duty, followed by two (2) days off, followed by five (5) days on duty with two (2) days off, followed by four (4) days on duty followed by three (3) days off, after which the cycle repeats itself. The staff work day shall consist of 8-hour days.

3. The normal work week of employees not assigned to schedules set forth in Sections A.1 and A.2. above will not exceed the annual work hours of the fifteen (15) section schedule. Any such deviation shall be negotiated if required by law.

4. The fifteen (15) section schedule shall be the determining factor for the hourly rate of pay for all members of the bargaining unit, including members working the staff schedule. Additionally, there shall be one (1) compensatory time day awarded to all members of the bargaining unit each year.

B. There shall be annual bidding for steady shifts on a seniority basis. All such bids shall be received no later than October 15th. The new shift assignments shall be implemented no later than forty-five (45) days thereafter. This shall not include light duty assignments and those requiring special skills.

C. An annual roster will be published in the month of March designating the assignment and status of each Police Officer.

D. All Association officials on special assignments will not lose their permanent assignment for their duration in office.

ARTICLE 11

VACATIONS

A. Annual vacations shall be granted strictly in accordance with seniority at each location.

B. Vacation periods shall begin January 1st and shall continue through the entire year, subject to the conditions of this Article. Further, for all years of service other than an employee's final year of service, vacation time of each employee for the ensuing year becomes vested on January 1st. During an employee's final year of service, vacation entitlement, rather than being vested on the first day of said year, will be prorated so that the employee receives fifty percent (50%) of the last year's entitlement if he/she retires on or before June 30th and the entire year's vacation allotment if he/she retires on or after July 1st.

C. The vacation period shall commence January 1st and continue until December 31st of each year. The vacation allowances shall be as follows:

1. For all employees hired prior to February 17, 2003, the vacation allowance shall be as follows:

0-1 Year	1 working day per month through end of first calendar year in which appointed.

<u>5-10 Years</u>	<u>17 working days</u>
<u>11-29 Years</u>	<u>22 working days</u>
<u>30 Plus Years</u>	<u>30 working days</u>

D. Vacation time off requests shall be granted according to the vacation schedule agreed upon between the City and the Association. Vacation requests shall be submitted no later than January 31st. Notification of approval shall be granted no later than March 1st. Each employee shall receive at least fifteen (15) working days vacation during the calendar period May 20th through September 10th which shall be considered the "summer season." Each employee shall be entitled to use ten (10) working days vacation time as time off during the summer season at his/her request. Each employee shall defer the use of one (1) or more weeks (5 working days) of his/her summer season vacation. The employees shall make written request to defer such vacation time when the yearly vacation requests are submitted as specified in this

Article. The employee shall have the right to exchange such deferred vacation time pursuant to options 1, 2, or 3 below:

1. This option consists of exchanging summer season vacation for equivalent cash payment. Each employee may initially request to exchange for cash one (1) week (5 working days) of vacation. The City agrees to fund this vacation buy-back option with at least a dollar amount equal to the aggregate dollar amount of one (1) week's pay for each member of this bargaining unit. In the event this option to exchange one (1) week for cash is not utilized by all members, the number of weeks unused will be available for members who may wish to exchange a second week of summer season vacation. If this still leaves weeks unused, any member may exchange a third week of summer season vacation for cash. In any event, if the number of weeks requested to be exchanged exceeds the number of weeks available, seniority shall be the determining factor in which applicant receives the exchange. Payment for exchanged weeks shall be made no later than June 15th for employees commencing summer season vacation prior to August 1st and no later than August 15th for vacations commencing subsequent to August 1st.

2. This option consists of exchanging one summer season week vacation (5 working days) for five (5) single use vacation days which are to be used at a time other than during the summer season, and must be used within that calendar year and which must be used at a time other than during the summer season or during the period December 20th through January 3rd ("holiday season").

3. This option consists of deferring the use of any or all summer season vacation weeks to other than the summer season or holiday season. Any employee exercising this option shall, in addition to receiving the re-scheduled vacation, receive an

additional compensatory day for each such week deferred, which compensatory day may be either used or accumulated as are all other compensatory days.

4. This option permits any employee to request the restoration of five (5) deferred summer season vacation days (1 week) to be taken within the summer season. Such requests shall only be granted with the approval of the Chief of Police who, in consideration of the staffing requirements and reduction in leave time sought of approximately one (1) week per unit member in the aggregate, shall not arbitrarily or unreasonably deny such requests.

5. This option consists of an employee converting one (1) non-summer season vacation week for five (5) single use vacation days to be used at a time outside the summer season and must be used within that calendar year. Eligibility for this option shall be that the employee must have exercised the option in Paragraphs 1, 2 or 3 above. In no event shall an employee be entitled to more than five (5) single use vacation days in a calendar year, unless hired on or after February 17, 2003 which employees will be entitled to up to seven (7) single use vacation days. Scheduling of single use vacation days shall be treated as compensatory time and subject to the provisions of Article 17 herein.

6. In addition to what has been set forth above, an employee may exchange one (1) week of vacation for five (5) single use vacation days. Eligibility for this option shall be that the employee must have exercised the option in Paragraphs 1, 2 or 3 above. In no event shall an employee be entitled to more than five (5) single use vacation days in a calendar year, unless hired on or after February 17, 2003 which employees will be entitled to up to seven (7) single use vacation days. Scheduling of single use vacation

days shall be treated as compensatory time and subject to the provisions of Article 17 herein.

7. Employees hired after 1/1/13 are not eligible for option described in D(6) of his Article where an employee may exchange one (1) week of vacation for five (5) or seven (7) single use vacation days to be treated as compensatory time and subject to provisions of Article 17.

E. A vacation book shall be established to contain all unused vacation time.

F. Employees shall not be subject to recall on days off immediately prior to, or upon return from, vacation unless all vacations are cancelled because of an emergency.

G. ~~[An employee shall have the right to accrue unused annual vacation time with no maximum limitation to the extent permitted by law.]~~ At no time may an employee accrue more than the maximum amount of vacation time allowed by this Article. The maximum number of days is equal to the total number of vacation days accrued in the current year plus the maximum accrued in the previous year. Any days in excess of this will be forfeited regardless of reason and without exception.

ARTICLE 12

INJURY AND SICK LEAVE

A. If a Police Officer is incapacitated and unable to work because of an injury sustained in the performance of his/her police duties, he/she will be entitled to injury leave with full pay during the period in which he/she is unable to perform such duties. Such leave, not to exceed one (1) year, will be determined by the Director of the Division of Medical Services and the Director of Police. Such leave will not be arbitrarily or unreasonably withheld. In the event the Police Officer receives worker's compensation with regard to said injury, such temporary disability checks will be returned to the City for so long as the Police Officer remains on injury leave.

B. Police Officers will be granted sick leave without loss of pay whenever they are unable to work for reasons of health, up to one (1) year for each illness, pursuant to N.J.S.A. 40A:14-137. Such leave will be determined by the Director of the Division of Medical Services and the Director of Police. Such leave will not be arbitrarily or unreasonably withheld.

C. All use of injury or sick leave pursuant to this Article shall be in accordance with procedures established by General Orders of the Department.

D. The rights granted to Police Officers hereunder shall not preclude the right of the City to take appropriate action to remove from the payroll Police Officers who are either on special assignment or on paid leave after no less than six (6) months from the original date of injury or leave, provided the Police Officer is permanently disabled.

E. Any Police Officer who has a perfect attendance record during any calendar year (January 1st through December 31st) shall receive an additional two (2) terminal leave days credited for each year of perfect attendance and added to the Police Officer's bank. On-duty injuries will not deny any employee the additional two (2) terminal leave days.

ARTICLE 13

COMPENSATORY TIME

It is understood that every effort will be made in accordance with the guidelines set forth below to provide Officers with the opportunity to utilize their unused compensatory time. Therefore, the following guidelines for awarding compensatory time are adopted by the parties.

1. Requests for compensatory time off shall be made in writing by the employee at least three (3) calendar days before the date(s) requested, including at least one (1) on-duty tour. The City shall be under no obligation to grant requests under less notice.

2. Valid requests for time off shall not be arbitrarily or unreasonably denied.

3. Compensatory time may be withheld during emergencies and when manpower levels are abnormally low and there are insufficient manpower levels available through the use of overtime lists.

4. In the event that an employee's request for compensatory time is denied, he/she shall be given first preference on his/her next request for such use.

5. Any unused compensatory time shall accumulate from year to year and shall be granted to an employee upon his/her retirement.

6. An accurate record will be maintained by each Unit Commander of all compensatory time and unused vacation time due employees under his/her command. A book designated as the Compensatory Time Book will be kept in each unit for this purpose. It shall be verified annually by the employee and his/her Commanding Officer, and a copy containing the initials of both the employee and his/her Commanding Officer verifying the accuracy of this book will be given to the employee prior to January 30th.

7. The City may, with the consent of the employee, be relieved of its obligation to grant compensatory time owed to an employee, in an amount in cash equivalent to the normal rate of pay for the amount of compensatory time due.

8. The City shall permit Police Officers of the bargaining unit to buy back compensatory time which they have accumulated on a system to be jointly developed by the Association and the City. The maximum annual obligation of the City under this system shall be [~~\$250,000.00~~] \$300,000.00 per year to the POBA, which is not cumulative.

D. The City shall pay all employees for appearances in Municipal Court, County and Superior Court, Juvenile Court, Grand Jury and A.B.C. proceedings, on their own time, the rate of time and one-half, with a four (4) hour minimum. Employees shall submit in writing all time spent in court to Unit Commanders. Employees may not be retained for the purpose of attaining the minimum of four (4) hours if the appearance requires less time. This shall include motor vehicle appearances.

E. In computing overtime, the first five (5) minutes of the first hour of overtime is not compensable if that is the only time involved. If the employee works more than five (5) minutes, overtime shall be computed from the first minute thereof. The employee is entitled to a full hour pay at the overtime rate of time and one-half for the first hour. Thereafter, the employee is entitled to a full hour pay when any fraction of an hour is worked. This shall not apply if the employee is recalled for a full tour under Section B above, in which case, eight (8) hours worked will result in 8 hours paid at the overtime rate.

F. Whenever an employee is recalled to duty, he/she shall be entitled to a minimum of four (4) hours of overtime at time and one-half.

G. To further facilitate fluctuating manpower (i.e., Christmas, vacations, etc.) a separate and distinct list shall be used for the purposes of overtime.

H. The overtime list discussed above shall be composed of volunteers. They shall be rotating and, if the Officer at the top of the list is available (that is, he/she is not on duty when called), he/she shall report, or his/her name shall revert to the bottom of the list. Additionally, when an Officer is called in and reports, his/her name reverts to the bottom of the list. If an Officer cannot report because he/she is already scheduled to work the same hours, then in that event he/she shall not lose his/her position on the list.

1. If there are no volunteers or an insufficient number of volunteers, the City, in its sole discretion, can mandate and assign an employee to overtime.

I. Overtime will be paid in the second pay period following the pay period in which the overtime was worked.

J. All Police Officers in the bargaining unit will receive their paycheck by 3:00 p.m. every other Thursday.

K. The City will endeavor to deliver special checks by 3:00 p.m. on the date received in Police Headquarters.

TERMINAL LEAVE

F. All Police Officers employed by the City prior to April 17, 1998 shall, upon retirement, receive a mandatory cash payment in lieu of time off for the number of years of service to the City based upon five (5) calendar days for each year of service. All Police Officers hired on or after April 17, 1998 shall, upon retirement, receive a mandatory cash payment in lieu of time off for the number of years of service to the City based upon three (3) calendar days for each year of service. All Police Officers, upon retirement, will also receive a mandatory cash payment in lieu of time off for any unused vacation time, to a maximum of the time to which the Police Officer is entitled, and a mandatory cash payment for all unused compensatory time. Employees hired as police officers on or after January 1, 2013 shall not receive an additional terminal leave benefit upon retirement. These officers will only receive a mandatory cash payment in lieu of time off for any unused vacation time and compensatory time to a maximum of the final annual salary to which the Officer is entitled for his/her last year of employment.

1. The following formula will be used to calculate the terminal leave for retirees:

a. The number of years of service is multiplied by either five (5) or three (3) to obtain the number of calendar days based upon paragraph A above. Convert calendar days to work days by dividing by fifteen (15) (reflecting the 15-section schedule) and multiplying by ten (10) (reflecting days worked in the schedule). Add to this all unused accumulated vacation days and unused accumulated compensatory days. The total number of days is multiplied by the length of the work day (8.0 hours) and the hourly rate of pay for the individual involved.

A. For purposes of this Agreement, any Police Officer who dies will be considered a retired Police Officer, and the estate of the deceased shall receive the following:

1. All accumulated compensatory time;

C. One (1) day off will be granted to any Police Officer for attendance at the funeral of an aunt, uncle, niece, or nephew of the employee or his/her spouse. This day will be granted for the day of the funeral service.

D. Reasonable verification of the event and familial relationship may be submitted within five (5) days of the employee's return to work.

ARTICLE 22

B. All members of the National Guard or Reserves will be granted time off with full pay to attend required drills. Such time off will be in addition to vacation, sick and administrative leave.

C. In the event an employee is called to active duty, the employee shall receive the difference in pay between his/her military pay and his/her regular pay for up to one hundred eighty (180) days. The City may, at its option, extend the one hundred eighty (180) day limit.

ARTICLE 24

GRIEVANCE PROCEDURE

A. Purpose.

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement and to resolve grievances as soon as possible so as to assure efficiency and promote Police Officers' morale. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein will be construed as limiting the right of any Police Officer having a grievance to discuss the matter informally with the Director or Chief of the Department and having the grievance adjusted, provided the Association is present and the settlement does not violate the contract.

B. Definition. The term "grievance," as used herein, means any controversy arising over the interpretation or adherence to the terms and conditions of this Agreement and may be raised by any Police Officer or the Association.

C. Steps of the Grievance Procedure. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and will be followed in its entirety unless any step is waived by mutual consent.

Step One.

1. A grievant will institute action under the provisions hereof by submitting a written grievance to his or her immediate supervisor within thirty (30) days after the grievant became aware, or should have become aware, through diligent inquiry, but in no event more than sixty (60) days after the occurrence of the event being grieved, and an earnest effort will be made

to settle the difference between the aggrieved and the immediate supervisor for the purpose of resolving the matter informally. Failure to act within the period set forth above will be deemed to constitute an abandonment of the grievance.

2. The immediate supervisor will render a decision in writing within five (5) days after receipt of the grievance.

Step Two.

1. In the event the grievance is not settled through Step One, it may be filed with the Division Commander within five (5) days following the determination by the immediate supervisor.

2. The Division Commander or his/her designee will render a decision in writing within five (5) days from receipt of the grievance.

Step Three.

1. In the event the grievance has not been resolved through Step Two, then within five (5) days of receipt of the determination of the Division Commander or his/her designee, the matter may be submitted to the Chief of the Department or the Director.

2. The Chief and/or Director will submit a written answer within ten (10) days from receipt of the grievance.

Step Four.

1. If the event the grievance is not settled through Steps One, Two and Three, either party may refer the matter to the Public Employment Relations Commission within ten (10) days after the determination by the Director or Chief. An arbitrator will be selected pursuant to the rules of the Public Employment Relations Commission.

2. However, no arbitration hearing will be scheduled sooner than thirty (30) days after the aggrieved elects to pursue his/her Civil Service remedies. The arbitration hearing will be cancelled and the matter withdrawn from arbitration, and the Association will pay all costs incurred by the City as a result of such improper submission.

3. The arbitrator so selected shall confer with the representatives and hold a hearing promptly and shall issue his/her decision no later than thirty (30) days from the date of the close of the hearing, or if oral hearing has been waived, then from the date the final statements and proofs on the issues are submitted to him.

4. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of or adds to the terms of this Agreement. He/she shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him involving the grievance and render a decision in accordance with the weight of the evidence. The decision of the arbitrator shall be submitted to the City and the Association and shall be final and binding on both parties.

5. The cost for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the City and the Association. Any other expenses incurred shall be paid by the party incurring them.

6. Nothing herein will prevent any Police Officer from processing his/her own grievance, provided that the Association may be present at such hearings, and further provided that no settlement with any such individual Police Officer shall violate this Agreement.

7. In the event an employee pleads guilty to disciplinary charges at a departmental hearing, the only arbitrable issue shall be "was the penalty imposed reasonable." This paragraph shall apply only to disciplinary action which is not reviewable to Civil Service only if a final legal determination results in a decision that such matters are arbitrable.

8. No Police Officer shall be discharged, disciplined, reprimanded, reduced in rank, compensation, position, or deprived of any employment advantage or given an adverse evaluation of his/her service without just cause. Any such action asserted by the City or any agent or representative thereof shall be subject to the grievance procedure set forth herein, including binding arbitration. The grievant shall elect arbitration or pursuit of Civil Service remedies, but not both. This paragraph shall apply only to disciplinary action which is not reviewable to Civil Service only if a final legal determination results in a decision that such matters are arbitrable.

ARTICLE 25

NON-CONTRACTUAL GRIEVANCE PROCEDURE

A. Purpose.

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement and to resolve grievances as soon as possible so as to assure efficiency and promote Police Officers' morale. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein will be construed as limiting the right of any Police Officer having a grievance to discuss the matter informally with the Director or Chief of the Department and having the grievance adjusted, provided the Association is present and the settlement does not violate the contract.

B. Definition. The term "grievance," as used herein, means any controversy arising over the interpretation or adherence to, or the application of, the City's policies or administrative decisions to any non-contractual terms and conditions of employment of employees covered by this Agreement.

informally. Failure to act within the periods set forth above will be deemed to constitute an abandonment of the grievance.

2. The immediate supervisor will render a decision in writing within five (5) days after receipt of the grievance.

Step Two.

1. In the event the grievance is not settled through Step One, it may be filed with the Division Commander within five (5) days following the determination by the immediate supervisor.

2. The Division Commander or his/her designee will render a decision in writing within five (5) days from receipt of the grievance.

Step Three.

1. In the event the grievance has not been resolved through Step Two, then within five (5) days of receipt of the determination of the Division Commander or his/her designee, the matter may be submitted to the Chief of the Department or the Director.

POLICE OFFICER'S BILL OF RIGHTS

A. Members of the Force hold a unique status as Police Officers, in that the nature of their office and employment involves the exercise of a portion of the police powers of the municipality.

B. The wide-ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Out of these contacts may come questions concerning the actions of the members of the Force. These questions may require investigations by Superior Officers. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

1. The interrogation of a member of the Force shall be at a reasonable hour, in light of all circumstances involved, preferably when the member of the Force is on duty.
2. The member shall be informed of the nature of the investigation before any interrogation commences. If the informant or complainant is anonymous, then the Officer shall be so advised. Sufficient information to reasonably apprise the member of the allegations will be provided. If it is known that the member of the Force is being interrogated as a witness only, he/she will be informed at the initial contact.
3. The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls and rest periods as are reasonably necessary.
4. The interrogation of the member shall not be recorded.

The Attorney General's determination shall govern whether this Section B(4) remains in the Agreement or is removed in its entirety.

5. The member of the Force shall not be subjected to any offensive language, nor shall he/she be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions. Nothing herein shall be construed to prevent the investigating officer from informing the member of the possible consequences of his/her acts.

In such case, charges must be filed fifteen (15) days after the close of the investigation. Failure to charge within the period set forth above shall act as a bar to the bringing of charges.

F. No Police Officer will be subjected in questioning to the use of any polygraph machines, psychological stress evaluators or similar lie-detector devices in internal investigations. Upon request, a Police Officer will have the right to be accompanied by counsel or any other person of the Police Officer's choosing during the entire interrogation of the Police Officer by the City.
