Such paid leave of absence shall not affect his vacation. Such pay from the Borough will equal only the amount required to equalize his military pay in order that the total pay received from both sources will equal his current police pay. When an Officer has been called to active duty or drafted into the military, air or naval forces of the United States, he shall be granted an indefinite leave of absence without pay and his seniority shall continue for the duration of such military service. Said leave may only be granted by the Director when he receives a written request by the Officer. The Director may extend such leave for an additional six (6) months upon approval of Borough Council. Such sick leave in excess of three (3) working days will require a written statement from the Officer's attending physician, except when such sick leave is used under Article VI, Section 1(B)(5). In the event that an on duty Officer shall be called upon by a member of his family to attend to an unforeseen medical emergency, and such visit shall not extend over a working day, the Officer may return to work that same day without utilizing sick time, provided that a reasonable statement in writing is furnished as to the purpose, place and time of such visit.

**D. Injuries.** For a work related injury an Officer will be paid up to full salary until a Department Physician determines that he is capable of returning to work or places him on permanent disability. Time lost from work shall not be deducted from sick leave accumulated. So there will be no misinterpretation, the following example will suffice;

I. The differential between the Base Salary of a Sergeant and a Patrolman-Top Step will be at least \$2,800.00 during the life of this Agreement.

J. The Borough and P.B.A. 122 agree that each Officer shall receive his or her full contractual salary as set forth above for each contract year between January 1 and December 31 of such contract year. The P.B.A. understands that in order to effectuate such payment, it may be necessary in certain years for the Borough to issue an additional check in December, which would represent the difference between the annual salary set

forth above for that contract year and the amount of salary actually paid on regular pay

dates up to the time of the issuance of the additional check.

K. Recruit Officer/Academy pay represents the salary officers receive while in the Police Academy. Upon completion of the Police Academy, the officer is paid salary in accordance with patrolman first year.

**ARTICLE X  
MISCELLANEOUS**

**Section 1. Definitions**

A. Officers are defined as full time uniformed Police Officers of the Department, including the Detective Bureau, but excluding the Chief and Captain of Police, Lieutenants and dispatchers.

B. Members of the Family are defined as the Officer's father, mother, father-in-law, mother-in-law, grandfather, grandmother, brother, sister, spouse, brother-in-law, sister-in-law, child, foster child, and relatives of the Officer that reside in his household.

C. Base 1 Salary is defined as the annual salary of the Officer as set forth in Article IX of this Contract, exclusive of longevity, as set forth in Article XVI of this Contract. Base 1 Salary rates shall be adjusted in accordance with the schedules contained in Article IX.

D. Base 2 Salary is defined as Base 1 Salary, plus applicable longevity pay as provided in Article XVI of this Agreement. After longevity is included in the base salary pursuant to the provisions of Article XVI, Section 3, which will result in the elimination of longevity, the new base salary as described in Article XVI shall be used for the purpose of computing all pay rates inclusive of overtime from that point forward.

**E. Hourly Rate**

1. The Officer's hourly rate is calculated on the basis of his Base 1 Salary, as in the following example;

Salary of \$10,400.00 divided by 52 weeks = \$200.00 per week.

Weekly salary (\$200.00) divided by 40 hours (standard workweek) = \$5.00

hourly rate.

This hourly rate shall be used for the purpose of computing all pay rates except overtime.

2. The Officer's hourly rate for overtime purposes is calculated on the basis of his Base 2 Salary, as in the following example;

Base 1 Salary	\$10,400.00
Longevity	<u>104.00</u>
Base 2 Salary	\$10,504.00

Base 2 Salary of \$10,504.00 divided by 52 weeks per week. Weekly salary (\$202.92) divided by 40 hours (standard workweek for purposes of overtime) = \$5.05 hourly rate.

### Section 2. Detectives

A. An Officer shall receive the sum of three thousand five hundred dollars (\$3,500.00) per year in additional salary if he holds the title of Detective. Should the Officer be given the title of "Detective", or should the title of "Detective" be taken from the Officer, at any time after the beginning or end of a calendar year, the aforesaid salary premium shall be adjusted pro-rata.

B. When an Officer is appointed Detective, he will receive a \$200.00 allowance toward purchase of the appropriate clothing for the job.

C. In each successive year, a Detective shall receive the sum of one thousand one hundred fifty dollars (\$1,150.00) per year for the purchase, cleaning and repair of clothing for use in his job activities. Such sum shall be paid by the Borough to the Officer during the month of April of each year.

D. An Officer who is required to return to work during the periods other than his regularly scheduled hours shall be paid overtime and shall be guaranteed not less than two (2) hours overtime pay, regardless of the number of hours actually worked.

E. Notwithstanding anything to the contrary contained herein, an Officer holding the title of "Detective" shall work a forty (40) hour calendar work week, consisting of five (5) eight (8) hour days, with two days off. Overtime shall accrue to an Officer holding the title of "Detective" after the 40th hour in any calendar work week.

**Section 3. Traffic Sergeant**

A. Should Borough Council, in their sole discretion, decide to appoint a "Traffic Sergeant", an Officer shall receive the sum of one thousand dollars (\$1,000.00) per year additional salary if he shall hold the title of "Traffic Sergeant", or should the title of "Traffic Sergeant" be taken from an Officer, at other than the beginning or the end of a calendar year, the aforesaid salary premium shall be adjusted pro-rata.

B. Notwithstanding anything to the contrary contained herein, an Officer holding the title of "Traffic Sergeant" shall work a forty (40) hour calendar work week, consisting of five (5) eight (8) hour days, with two days off. Overtime shall accrue to an Officer holding the title of "Traffic Sergeant" after the 40th hour in any calendar work week.

**Section 4. Corporal**

A. If the rank of Corporal is created, an officer appointed to that title shall be paid an additional stipend of three thousand five hundred dollars (\$3,500.00) per year, less applicable deductions, and paid out bi-weekly as part of the officer's regular pay check, in accordance with the Borough's regular payroll practices.

**Section 5. K-9 Officer/Handler**

A. Officers assigned as K-9 handler shall receive a \$2,500 stipend per year representing 4 hours per week for the care and maintenance of the dog. Such sum shall be paid by the Borough to the officer during the month of April of each year.

**ARTICLE XI  
GRIEVANCE PROCEDURE**

**Section 1.** To provide for the expeditious and mutually satisfactory settlement of grievances arising with respect to the interpretation or application of this Agreement, the following procedures shall be followed:

**Step 1.** An Officer with a grievance shall first discuss it with his immediate supervisor either directly or through the P.B.A.'s designated representative for the purpose of resolving the matter informally.

**Step 2.** If the aggrieved party is not satisfied with the disposition of his grievance at Step 1 or if no decision has been rendered within ten (10) working days after presentation of that grievance at Step 1, he may file a written grievance with the Chief of Police or, in his absence, a representative designated by him. A meeting on the written grievance shall be held within ten (10) working days of the filing of the written grievance between the Chief of Police or his designated representative, the aggrieved party, and the P.B.A.'s designated representative. A decision thereto shall be rendered in writing by the Chief of Police within ten (10) working days after the holding of such meeting.

**Step 3.** If the aggrieved party is not satisfied with the disposition of his grievance at Step 2 or if no written decision has been rendered within ten (10) working days after the presentation of that grievance at Step 2, the matter may be referred by the P.B.A. by its designated representative to the Public Safety Committee. However, the Chief of Police will not sit in as a member of the Public Safety Committee at such Step 3 meetings. A meeting on the grievance shall be held between P.B.A. and the Public Safety Committee within ten (10) working days, at which meeting the parties may be

represented. Said meeting shall not be held publicly, unless the parties so agree in writing. The Public Safety Committee shall render a final written decision within fifteen (15) working days of the date of the meeting.

**Step 4.** In the event that the aggrieved person is not satisfied with the decision of the Public Safety Committee, the aggrieved person or P.B.A., on his behalf, has fifteen (15) days within which to request arbitration.

A. The Arbitrator shall be selected in accordance with the Rules and Regulations of the Public Employment Relations Commission (PERC).

B. The Arbitrator's decision shall be in writing and shall not issue later than thirty (30) calendar days after the close of the Arbitration Hearing. The decision shall set forth the Arbitrator's findings of fact, reasons and conclusions on the issue or issues submitted.

C. The Arbitrator's decision shall be final and binding on the parties.

D. The costs for the services of the Arbitrator shall be borne equally by the Borough and P.B.A. All other expenses incidental to and arising out of the Arbitration shall be paid by the party incurring same.

E. A grievance affecting a group of employees under Article I may be submitted by P.B.A. on behalf of said named group at Step 3 of the grievance procedure.

**Section 2.** The time limit specified in the grievance procedure shall be construed as maximum. However, these may be extended upon mutual agreement between the parties.

**Section 3.** A grievance must be presented at Step 1 within one week from the date of the occurrence of the facts which gave rise to the grievance. If it is not presented within the aforementioned time period, it shall not thereafter be considered a grievance under this Agreement.

**Section 4.** An employee may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by P.B.A. When an employee is not represented by P.B.A., the P.B.A. shall have the right to be present and state its views at all stages of the grievance procedure. When such final determination is made, the P.B.A. will promptly receive a copy of the employee's written grievance and a copy of the final determination thereof.

**ARTICLE XII**  
**RETENTION OF BENEFITS**

**Section 1.** Except as otherwise provided herein, all benefits which the P.B.A. has heretofore enjoyed and are presently enjoying, shall be maintained and continued by the Borough during the term of this Agreement.

**Section 2.** Rules, or modification of existing rules, whether written or unwritten, governing working conditions shall be negotiated with the P.B.A. prior to being made effective.

**Section 3.** The provisions of all Municipal Ordinances and Resolutions applicable to the members shall remain in full force and effect except as specifically modified herein.

**ARTICLE XIII**  
**LEGAL AID**

If an employee is charged with a violation of the law as a result of acts committed by him while on duty, the Borough shall reimburse the employee for the service of an attorney selected by the employee to represent him. Said payment is conditioned upon the employee being found not guilty. The employer shall also pay such other legal fees as provided by Statute.

**ARTICLE XIV  
DISCRIMINATION OR COERCION**

**Section 1.** There shall be no discrimination, interference, or coercion by the Employer or any of its agents against the Employees represented by the P.B.A. because of membership or activity in the P.B.A.

**Section 2.** The P.B.A. or any of its agents shall not intimidate or coerce Employees into membership.

**Section 3.** Neither the Employer nor the P.B.A. shall in any way discriminate against any Employee because of race, creed, color, age, sex, or national origin.

**ARTICLE XV**  
**SAVINGS CLAUSE**

In the event that any Federal or State Legislation, Governmental Regulation or Court Decision causes invalidation of any Article or Section of this Agreement, all other Articles and Sections not so invalidated shall remain in full force and effect, and the parties shall renegotiate concerning any such invalidated provision.

**ARTICLE XVI  
LONGEVITY**

**Section 1.** Effective January 1, 1996, longevity will be paid as a percentage of Base 1 Salary of the Police Officer as follows:

A. After completion of five (5) years of police service within the Borough of Pitman, 1.5% of the Base 1 Salary.

B. After completion of seven (7) years of police service within the Borough of Pitman, 2.5% of the Base 1 Salary.

C. After completion of ten (10) years of police service within the Borough of Pitman, 3.5% of the Base 1 Salary.

D. After completion of fifteen (15) years of police service within the Borough of Pitman, 6% of the Base 1 Salary.

E. After completion of eighteen (18) years of police service within the Borough of Pitman, 7% of the Base 1 Salary.

F. After completion of twenty (20) years of police service within the Borough of Pitman, 8% of the Base 1 Salary.

**Section 2.** These longevity payments shall be calculated as percentages of base salary. They shall be applied after any percentage increase, and shall be paid out bi-weekly as part of the officer's regular pay check, in accordance with the Borough's regular payroll practices.

**Section 3.** Effective January 1, 2015, longevity for the bargaining unit shall be paid as follows:

A. Between January 1 2015 through December 31, 2017, bargaining unit

members who are eligible to receive longevity compensation as of January 1, 2015, will receive their longevity benefit at their current percentage rate, as well as any percentage increase in longevity that they are due during this period.

B. On January 1, 2018, the longevity benefit amount at that time, at the existing percentage rate, will be added to the base salary of those bargaining unit members who were eligible to receive longevity as of January 1, 2015. This will create a new base salary, and eliminate the payment of any longevity benefit in 2019 and thereafter. Any negotiated percentage salary increases will now be based upon this new base salary.

C. Prior to January 1, 2018, annual salary increases will be applied to the base salary of all officers, and not to the longevity amount. Effective January 1, 2018 and thereafter, the annual percentage salary increases will be applied to the new base salary, which is the combined amount of the old base salary added to the longevity benefit amount.

D. On January 1, 2018, bargaining unit members employed by the Borough as of July 1, 2015 and who are not eligible to receive longevity, will receive \$1,000 added to their base salary, creating a new base salary, thereby eliminating the payment of longevity compensation in 2019 and thereafter. Any negotiated percentage salary increases will now be based upon this new base salary.

E. The Borough will add the above mentioned \$1,000 to the base salary of any bargaining unit member employed by the Borough as of July 1, 2015, in the year that officer becomes eligible to receive a longevity benefit, if that date occurs between

January 1, 2015 through December 31, 2018, creating a new base salary, and thereby eliminating the payment of any further longevity compensation in the future. Any negotiated percentage salary increases will now be based upon the new base salary.

F. Bargaining unit members hired after July 1, 2015 will not be eligible to receive any form of longevity compensation and will follow the salary guide as outlined in Article IX.

G. Payment of salary based upon the schedules in Article IX shall be subject to the provisions herein. Appendix A represents the application of this provision to current bargaining unit members.

**ARTICLE XVII  
ADDITIONAL MEDICAL COVERAGE**

**Section 1.**

A. The Borough will cover the cost of health benefits as provided in Article VII, Section 1, above, including prescription coverage, for any member of the bargaining unit and his dependents providing the member retires under provisions of the Police and Firemen's Retirement System of the State of New Jersey. Such coverage will cease if said member becomes eligible for Medicare/Medicaid or shall be offered the paid equivalent hospitalization coverage by a future employer.

B. The Borough shall offer a prescription plan as part of its health benefits package as described in Article VII, Section 1.

C. The Borough shall offer an employee-paid dental plan as part of its health benefits package as described in Article VII, Section 1.

**Section 2.** The Borough shall pay for a complete physical examination for each Officer annually. The tests administered shall include CBC, SMALL, complete urinalysis, resting EKG, chest x-ray, and Doctor's Office physical.

## **ARTICLE XVIII SENIORITY**

**Section 1.** Seniority is an Officer's total length of service with the Borough's Police Department, beginning with his original date of hire. For all Officers hired subsequent to the effective date of this Agreement, "date of hire" shall be the date upon which the individual assumes the duties of the position of Patrolman, or higher rank. Included in seniority are periods of sick leave, temporary disability, approved leaves of absence, and vacation time. Excluded are periods of extended voluntary military service leave, valid suspensions and periods of time where the Officer has broken service with the Employer.

**Section 2.** If a question arises concerning two employees who were hired on the same date, the following shall apply, the badge number appointed will be used for a determination with the lower badge number being senior.

**Section 3.** In cases of demotions, Officers so demoted will retain their badge number.

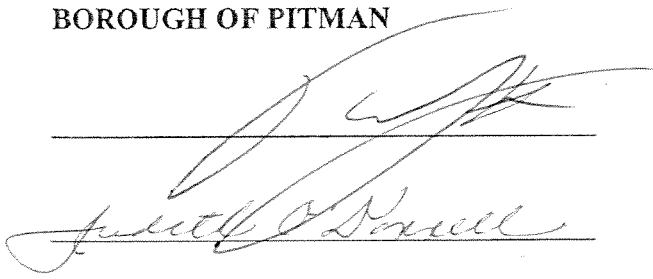

**Section 4.** In cases of layoffs, seniority will be considered. However, in cases where a break in employment has occurred, the date of rehiring will be used as the determination day for layoffs.

**ARTICLE XIX  
DURATION**

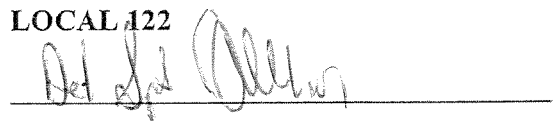

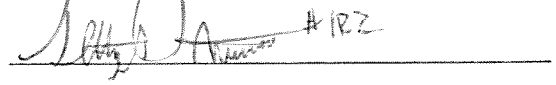

This Agreement shall become effective on January 1, 2015 and shall terminate on December 31, 2019.

**IN WITNESS WHEREOF**, the parties hereto, intending to be legally bound hereby, have caused this contract to be executed by their duly authorized Officers and Agents, this 29<sup>th</sup> day of September, 2015.

WHEREAS, the Borough of Pitman (hereinafter "the Borough") and New Jersey State Policemen's Benevolent Association, PBA Local 122 (hereinafter "Local 122") (collectively referred to as "the parties"), are parties to a negotiated agreement which runs from January 1, 2012 through December 31, 2014; and

WHEREAS, Article XVII, Section 1(a) of that contract provides that the Borough will cover the cost of health benefits as provided in Article VII, Section 1, including prescription coverage, for any member of the bargaining unit and his dependents, providing the member retires under provisions of the Police and Firemen's Retirement System in the State of New Jersey; and
