**ARTICLE 2**  
**MANAGEMENT RIGHTS**

A. Middlesex County hereby reserves to itself, without limitation, all powers, rights, authority, duties and responsibilities vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, including, without limitation the following: The executive, management and administrative control of the County Government and its properties, facilities and activities of its employees utilizing personnel methods in the most appropriate and efficient manner possible as may be determined by the County; to make rules of conduct, to use improved methods and equipment, as well as duties, to decide the number of employees needed for any particular assignment or task and to be in sole charge of the quality and quantity of work required; to hire all employees, whether permanent, temporary or seasonal, to promote, transfer, assign or retain employees in positions with the County subject to Department of Personnel Rules.

B. In the exercise of the foregoing powers, rights, authority, duties, and responsibilities of the County, it shall adopt policies, rules, regulations, and practices and use its judgment and discretion in connection therewith to be limited only by the specific and expressed terms hereof in conformity with all applicable laws of this State and the United States.

C. The County agrees to apply all rules and regulations promulgated by the New Jersey State Department of Personnel concerning any matter not specifically covered by this Agreement.

D. It is understood and agreed that all management rights under the terms of this contract referred to above shall be exercised by the Commissioners of the Board of Elections, an autonomous legislative body created pursuant to NJSA 19:1 et seq, and subject to the supervision of the Attorney General of New Jersey.

### **ARTICLE 3**

### **MAINTENANCE OF WORK OPERATIONS**

A. The Union hereby covenants and agrees that during the term of this Agreement, neither the Union nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike. A strike is understood to include any concerted failure to report for duty, work stoppage, slow-down, walk-out or other illegal job action against the County.

B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activity by any Union member shall entitle the County to seek all appropriate disciplinary remedies and such other action permitted by law.

C. The Union agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slowdown, or other activity aforementioned or from supporting any such activity by any other employee of group of employees of the County and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union order.

D. Nothing contained in this Agreement shall be construed to limit or restrict the County in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach of the Union by its members.

E. The County agrees not to lock-out its employees.

## **GRIEVANCE PROCEDURE**

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to any problem which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed to limiting the right of any employee having a grievance to discuss or resolve the matter informally with any appropriate member of the Department. Nothing contained herein shall prohibit the parties from raising a timeliness argument under this Article. The local Union President or designee, steward or Council #73 shall be recognized as the representative for presenting an employee grievance from initial filing to conclusion of the grievance in accordance with following procedure:

C. With regard to employee, the term "grievance" as used herein means an appeal by an individual employee or group of employees, from the interpretation, application, or violation of this Agreement.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One: The Union shall present the employee grievance or dispute to the employee's immediate supervisor within ten (10) working days of its occurrence, or within ten (10) working days after the employee knew or should have known of its occurrence. Failure to act within said time period shall be deemed to constitute an abandonment of grievance. The supervisor should respond in writing within five (5) working days.

Step Two: If the grievance has not been settled, it shall be presented in writing by the Union to the Department Head within five (5) working days after the supervisor's response is due in Step One. The Department Head or designated representative shall attempt to adjust the matter and shall respond to the Union in writing within five (5) working days thereafter. The written grievance at this Step shall contain the relevant facts and a summary of the applicable Section of the contract violated, and the remedy requested by the grievant.

Step Three: If the Union wishes to appeal the decision of the immediate supervisor, such appeal shall be presented in writing to the Personnel Director or designee within six (6) working days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Personnel Director or designee agrees to meet if requested in writing within ten (10) working days of the request. The Personnel Director or designee shall respond in writing to the grievance within ten (10) working days of the submission or meeting, whichever is later.

#### 1. Specific Issue Arbitration

It is agreed to that either the Union or the County may petition for a binding principle decision on the specific issue through the Arbitrator, which shall be a final and binding decision on the specific issue addressed. The cost of the Arbitrator's fee shall be shared equally by the Employer and the Union. Any other expenses incurred shall be paid by the party incurring same. The decision of the Arbitrator shall be in writing with reasons set forth, time extensions may be mutually agreed to by the Employer and the Union.

#### 2. Procedures

a. The parties direct the arbitrator to decide as a preliminary question whether he has jurisdiction to hear and decide the matter in dispute.

b. Only one grievance at a time may be submitted to arbitration under Section 1.

c. The Arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to the Arbitrator or selected for the grievance. The Arbitrator shall not have the authority to add to, modify, detract from, or alter, in any way, the provisions of this Agreement or any amendment or supplement thereto.

E. Upon prior notice and authorization of the Personnel Director, the designated Union Representative shall be permitted to confer with employees and the County on a specific written grievance in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the County.

F. The time limits expressed herein shall be strictly adhered to. Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum, and every effort will be made to expedite the processing of the grievance. Failure to move a grievance to the next step will be considered a withdrawal of the grievance. The Employer's failure to respond to a grievance shall be considered a denial of the grievance at that step. Nothing herein shall prevent the parties from mutually agreeing to extend or lessen the time limits for the grievance at any step in the grievance procedure.

G. Employee grievances shall be presented on the existing approved grievance forms.

H. It is understood that the employees must sign their individual grievances. Grievances without an employee's signature shall not be accepted or processed.

A group or policy grievance shall be directly submitted at the Step Three level to the Personnel Department or a designee.

The County agrees to extend any voluntary salary agreement (wages only) in excess of that agreed to by AFSCME (based on increases on base during a contract year) to include Local #2226. This clause specifically excludes arbitration awards, settlements which are Court ordered, or settlements which are not approved by the Board of Freeholders.

**ARTICLE 6**  
**HOURS OF WORK AND OVERTIME**

A. Overtime work will be kept to a minimum, except in cases of emergency, and must be authorized in advance by the Department Head. The reasons for the granting of overtime shall be noted by management on the time report along with the amount of overtime (time-in-time-out) and certified by the Department Head.

B. Overtime will be calculated on a weekly rather than daily basis. Time-and-a-half will begin after the 40th hour for 40-hour per week employees and after the 35th hour for 35-hour per week employees. Authorized, paid time-off (holidays, vacation, bereavement, personal) shall count toward the 35 or 40-hour calculation. Unpaid or unauthorized leave shall not be counted. Paid sick-time taken or scheduled in advance of an employee's overtime, or sick-time accompanied by a doctor's note or otherwise authorized by the employee's supervisor or designee pursuant to N.J.A.C. 4A:6-1.3 g & h shall also count toward the calculation of overtime.

C. Employee shall be paid at a rate of time and one-half (1-1/2) in pay when employee works a sixth consecutive day except when employee, after being scheduled to work the sixth consecutive day, requests a personal day or a vacation day to be taken during the five days immediately prior to the sixth consecutive day. Employee shall be paid at a rate of time and one half for the first four (4) hours worked during a seventh consecutive day. After employee works the second four (4) hours during the seventh consecutive day, he shall be paid double (2) time for the second four (4) hours work during the seventh consecutive day.

D. If an employee is called in or back to work by any Department Head or his/her designee, non-contiguous with his or her regularly scheduled work day, the employee shall receive a minimum of four (4) hours pay at the rate of time and one-half (1-1/2) in pay, regardless of the actual time worked. If the "call in" occurs on a holiday, the employee also shall receive a minimum of four (4) hours pay at the applicable holiday rate of pay, regardless of the actual time worked. The Employer shall have the right to retain the employee for the full call out period. Time is calculated from the time the employee reports to the job. An employee is entitled to only one call-out payment for every four (4) hour period.

1. Employees who are called and report in to work for a period of up to two (2) hours prior to the commencement of their normal shift shall be paid time and one-half (1-1/2) for the time worked and not be entitled to a minimum of four (4) hours. If called in more than two (2) hours prior to the commencement of the shift, the employee shall be entitled to the minimum of four (4) hours regardless of time worked. If the "call in" occurs on a holiday, the employee also shall receive a minimum of four (4) hours pay at the applicable holiday rate of pay, regardless of the actual time worked. The Employer shall have the right to retain the employee for the full call-out period. Time is calculated from the time the employee reports to the job. An employee is entitled to only one call out payment for every four (4) hour period.

2. It is further agreed to and understood that any employee working a period of up to two (2) hours connected with his/her normal shift will revert back to a straight-time pay at the start of their normal shift.

E. Employees requested or scheduled to work in excess of the normal work week and/or the

sixth consecutive day, shall be paid at the rate of time and one-half (1-1/2) in pay for all overtime hours worked. Employees working a seventh consecutive day will be paid at the rate of time and one-half (1-1/2) for the first four (4) hours of work. The second four (4) hours worked will be paid at a double time (2) rate of pay. Employees working a thirty-five (35) hour week will be subject to and receive pay equivalents based on the said rates of pay for a seventh (7th) consecutive day of work.

F. Except as provided in Section G, employees scheduled to work on a holiday shall be paid their regular days pay plus an additional rate of time and one-half (1-1/2) in pay for all hours worked on the holiday, but shall not also receive a compensatory day.

G. Notwithstanding any other provisions of this Agreement to the contrary, employees in five (5) day single shift operations scheduled to work on new Year's Day, July 4th, Christmas Day, or Memorial Day, or the days which these holidays are officially observed, shall be paid their regular day's pay plus an additional rate of double time in pay for all hours worked on these holidays, but shall not also receive a compensatory day.

H. Overtime shall be on an equalized basis provided the employee has the ability to perform the overtime assignment as solely determined by management. There is no guarantee of overtime. However, when overtime is required or available, such overtime will be assigned to those employees in the department who normally perform said work. Overtime opportunities will first be offered to the most senior employee who normally performs said work; should the most senior employee refuse the opportunity, it shall be offered in descending order of seniority; if no one accepts the opportunity, the least senior employee will be required to work the overtime.

I. Any hour worked and paid for at an overtime rate shall not be pyramided or used again for computing pay in excess of the normal work week or for any other pay.

J. A written schedule shall be posted at all times, and kept current indicating the overtime hours worked by each employee in the respective departments. Overtime will be reviewed on a semi-annual basis to ensure equal distribution.

K. Each employee shall be entitled to one (1) fifteen (15) minute break for each half-day period of work (morning and afternoon). Equivalent periods for shift work shall be also considered half-day periods of work.

L. An employee may request to receive compensatory time for overtime hours worked in lieu of overtime compensation. Compensatory time shall be computed on the same basis as overtime or holiday compensation (example: If an employee is entitled to one and one-half times in pay, then the compensatory time off shall equal one and one-half times the number of overtime hours worked). However, the employee's Department Head shall retain the final authority whether to grant compensatory time. Such practice shall be in accordance with the Fair Labor Standards Act.

M. Flex-Time- It is agreed that flex-time is to be a fixed schedule for the period of time agreed to for not less than a three (3) month period. However, it is further agreed that there will be no alteration of scheduled hours after flex-time selection. The following rules will be strictly adhered to:

1. Proper employee grouping as designated by the Department Head, Director, or his/her designee shall be maintained.
2. Work schedules and assignments are to be met within required time frames.

3. Working hours: Starting and finishing times are to be observed in accordance with flextime scheduling.

It is further agreed that flex-time work schedules will be based on and consist of a five (5) day work week.

4. It is further agreed that any change, cancellation or discontinuance of flex-time by the Department Head or designee shall be effected after a prior one (1 ) month notice to the Union.

5. Flex-time starting shall originate and coincide with Department starting times and quitting times.

6. All employee participation in flex-time scheduling shall be voluntary.

7. An employee may request a temporary change in working hours for a specific purpose, during a given week, or longer period, with authorization from the Department Head and/or designee to facilitate the proper carrying out of employee's needs. Denial of such request by management will not be arbitrary or capricious.

N. Four-Day Work Week – The County shall have the right to establish four (4) days work schedules, at its option, to overlap existing shifts. Management has the right to assign titles to the four (4) day schedule. Within title, employees will either bid on a seniority basis or work rotating shifts at the Union's option. Management agrees, to the extent possible, to make the new schedule voluntary but has the right to assign appropriate employees. There will be no shift differential.

O. Emergency Closing – The parties agree that they shall be bound by and comply with the official County emergency closing policy attached hereto as Appendix "B" and which is deemed

as part of this contract as if set forth at length herein subject to the following terms:

1. Essential employees are to be defined by title rather than by name.
2. Employees shall be required to remain on duty as long as required.
3. If an employee is called in at a time other than their ordinary or regular shift they shall be entitled to overtime or premium pay for such assignment.
4. Pre approval vacation or sick time may be utilized if accompanied by a physician's note or approved by the employee's supervisor or designee pursuant to N.J.A.C. 4A:6-1.3 (g) and (h).
5. As necessary employees are not needed for an emergency those who remain or are released shall be determined by seniority.

**P. Mandatory Overtime**

1. The parties recognize that by the nature of the duties imposed by law upon the Board of Elections certain tasks must be accomplished within limited time periods. In recognition of that legislatively imposed obligation the parties agree that during the periods two weeks prior to and one week subsequent to school board elections and primary elections, and three weeks prior and one week subsequent to the general elections each year Board employees shall be required to perform overtime assignments at the direction of the Board Chairperson or Administrator. Overtime opportunities will first be offered on a voluntary basis by the Administrator. In the event there are insufficient employees to perform particular tasks the Administrator or the Board chairperson may order mandatory overtime for specific employees who may not be excused from such duties except for reasons of health or unusual hardship as determined in the discretion of the Board.

2. Apart from the periods referred to above employees shall be required to perform overtime

-17-

services whenever the Board is compelled by law through either an order of the Superior Court of New Jersey or the Office of the Attorney General to accomplish specific tasks pursuant to the election laws of New Jersey within a time certain.

**Q. The County's Emergency Closing Policy is attached hereto as Appendix "A" and is incorporated herein.**

**ARTICLE 7**

The Department Head shall not be arbitrary and capricious in applying the provisions of this paragraph.

C. F. Vacation leave shall be prorated for the last calendar year of employment. It shall be assumed that an employee shall remain in the service of the Employer for the full calendar year or portion thereof from date of hire and is entitled to use all vacation time for that calendar year. If separation of employment occurs before the end of the calendar year and the employee has used more than his or her pro-rata number of vacation days, the per diem rate of pay for the excess vacation days shall be deducted from the separated employee's last paycheck(s). If separation of employment occurs before the end of the calendar year and the employee has used less than his or her pro-rata number of vacation days, the per diem rate of pay for all unused vacation days shall be added to the employee's last paycheck(s). The Comptroller upon receiving notification of overpayment shall pursue reimbursement of the overpayment from the former employee.

G. Employees may elect to be paid in advance for vacation time provided fourteen (14) days prior written request is given to the Employer's designee. **ARTICLE 8**  
**SICK LEAVE**

A. General Policy - Sick leave is hereby defined to mean: Absence from post or duty because of illness which makes it impossible for the employee to perform the duties of the position; accident or exposure to a contagious disease requiring isolation or attendance upon a member of an immediate family member in the employee's household who requires care. An employee may request sick leave to attend for family member residing outside of the home and approval by the Department Head shall not be unreasonably denied.

B. Accrual - A new employee shall earn sick leave at the rate of one and one-quarter (1 $\frac{1}{4}$ ) days per month on a monthly basis until the completion of one (1) full year of employment. Upon completion of said year, a pro-rata number of sick days shall be credited to the employee for the balance of the calendar year ending December 31st, based upon the above formula of one and one-quarter (1-1/4) days per month. Thereafter, on January 1st of each year, all employees shall be credited with fifteen (15) days for that calendar year.

C. Verification - The County may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Such request shall not be arbitrary nor capricious. D. Extended Sick Leave

1. In all cases of reported illness or disability suffered by an employee, the County reserves the right to request a medical physician to examine the reports on the condition of the patient and to comment on them to the Department Head.

2. During protracted periods of illness or disability of an employee, the Department Head may require interim reports at County expense on the condition of the patient at weekly or biweekly periods, from the attending physician and/or a County medical physician. The Department Head shall not be arbitrary and capricious in making such requests. When under medical care, employees are expected to conform to the instructions of the attending physician.

## B. Employee Expenses

1. When the performance of any job requires the use of specialized equipment, such as rain gear, coveralls, and/or safety equipment, they shall be provided by the Employer at no expense to the employee. Those mechanics and repairmen who provide their own tools for use on County jobs shall receive a comparable tool or cost replacement if their own personal tool is damaged or destroyed, or stolen due to verifiable break-in, or is unusable because of fair wear and tear.

## C. Vehicle Assignments and Mileage Allowance

1. General Policy - The County shall, as far as practicable, make a County vehicle available for use by County employees to accomplish assigned public tasks which require travel. In the event it is impossible to provide a County vehicle to an employee, said employee may use a private vehicle and be reimbursed for out of pocket expenses such as tolls and parking fees evidenced by receipts, as well as such mileage rate as is adopted in the County Personnel Policy.

2. Specific Standards - All applicable provisions of the County personnel policy regarding operation, maintenance and service of County vehicles shall apply to an employee's operation of any County vehicle.

### 3. Full time assignment of County vehicles

a. Rights and Prerogatives - The parties to this contract agree that the County has the right to enlarge, decrease or alter its vehicle fleet at any time as a budgetary and management prerogative. No employee has a perpetual expectation or right to a vehicle assignment notwithstanding prior vehicle assignment or length of time of such vehicle assignment subject to the provisions set out below. Notwithstanding this management prerogative the County agrees to

provide not less than thirty (30) days notice to any affected employee if an impending action to withdraw an assigned vehicle from around the clock availability. Such notice shall be in writing receipted for by the employee. It shall be the employee's responsibility to notify the Union of such action should they so desire.

b. Criteria and Purpose – The County may from time to time assign County vehicles to specific job titles as appears in the best interest of the County to further the efficient accomplishment of assigned tasks, on call status, restricted off hour parking and off hour vehicle security. The County may review the exercise of its discretion on these issues at any time and alter its assignments as it sees fit with notice as described above in (a.) to the individuals as outlined above.

c. Effect of Reassignment – The County recognizes that a vehicle assignment which provides free commutation to an employee, while not the primary purpose of such assignment, nonetheless is a secondary benefit conferred those employees. Accepting that premise the parties agree that if as a result of economies, realignment of duties, or reevaluation of priorities the County withdraws the assignment of a vehicle from a particular employee, that employee shall be entitled to replacement compensation as described hereafter. Since the only permissible use of a County vehicle is for a public purpose or commutation said compensation shall be calculated on a mileage reimbursement formula as set forth in Paragraph 1 of this section multiplied by the shortest road distance from the employee's residence to his assigned work station and return on a five day a week basis. Said compensation shall be paid to such effected employee for a period of one year, **except as is set forth below.**

**d. If the County gives an employee one year of notice that the County intends to recall, or not replace, a vehicle that an employee has been assigned at work, and has used to commute between work and their residence, domicile, or other place of rest, at the expiration of one year from said notice if the vehicle assignment or use is recalled or discontinued by the County, the County shall have no obligation to the affected employee to replace it, nor shall the County have any financial obligation to the employee for the recall, or discontinuance of the use of such vehicle, or its non-replacement, and it is agreed that the provision of such a vehicle both prior to this agreement, and subsequent to it, is not a term, benefit or condition of employment, but has been and continues to be, if provided to an employee, merely an incidental convenience for the employee that does not entitle an employee to any monetary compensation for removal, or discontinuance, of a vehicle, provided that they receive one year advance notice as set forth above. Any provision in the contract inconsistent with any of the foregoing shall be superseded by the foregoing.**

#### D. New Employees

1. The County shall attempt in all cases to begin new employees at the minimum salary for the particular title and range for the position at issue. Where such a hiring is not possible or not in the best interest of the efficient management of the County's business, the County may hire above the minimum starting salary based upon objectively demonstrable criteria including but not limited to the following:

- a. Special training, education or academic accomplishments.
- b. Special job- related experience or professional achievements.
- c. Previous employment in a related field.
- d. A limited field of qualified job applicants.

The parties agree that in the event of such an exception to the minimum hiring provision the appropriate Department Head and/or Personnel Director shall provide written notice of such hiring to the Union President or designee within ten (10) days or one working week from the start of said employees actual beginning of employment setting forth the criteria of Article 24, E. 1.

2. As to all employees beginning County service at the minimum salary rate for a particular title the Personnel Director shall notify the Union President or designee with 15 days or two working weeks of such hiring.

#### E. Reclassification Survey

If the Employer requests a complete job title survey or reclassification survey of any job title covered by this Agreement from the Department of Personnel the Union shall be permitted to take an active part in the survey. The Employer shall notify the Union that a survey shall take

place, and shall request recommendations from the Union, and cooperate with the Union regarding said survey.

F. Corrections of Paycheck Errors

The County shall correct and adjust any errors in any employee's paycheck within the immediately succeeding pay period after appropriate notice is received in the Payroll Section. The "immediately succeeding pay period" will be determined giving due consideration to regular payroll processing cut-off dates. A list of these dates will be made available to the Union.

G. Driver's License

The County shall have the right to check valid driver's licenses of employees operating County vehicles or operating personal vehicles in performance of job duties at any time. Such employees are obligated immediately to report loss, revocation or suspension of driving privileges by the State of New Jersey.

**APPENDIX "A"**  
**COUNTY EMERGENCY CLOSING POLICY**

1. **EMERGENCY DECLARATION**: The policy applies when all or part of County operations are shut due to an official declaration by the Office of the County Administrator. Official announcements will be carried on (radio stations) WCTC (AM) or WCBS (AM) and information can be obtained by calling 745-5695.
2. **ESSENTIAL v. NON-ESSENTIAL**: When there is an emergency shut-down declared by the County Administrator, the County shall determine the manning requirements of essential personnel. Each department head may determine a list of essential positions in advance of any such emergency, but it remains in the discretion of the County to determine additional essential personnel depending upon the circumstances of a particular emergency shut-down.
3. **RESTRICTION ON PAID TIME OFF**: In an emergency shut-down, essential personnel will not be permitted to utilize paid time off (including personal and sick days) without the express approval of their department head.
4. **PREMIUM TIME**: Essential employees will not be paid premium or any additional compensation merely due to the fact that they are required to work during an emergency shut-down. However, other collective bargaining agreement provisions, which apply independent of emergency shut-down situations, will continue to be enforced. It is the policy of the County that employees whose positions are deemed essential shall be required to work during emergency shut-downs as part of their duties as a County employee.

5. NON-ESSENTIAL EMPLOYEES: Non-essential employees ordered not to work as the result of an official emergency shut-down of all or part of County operations shall receive regular compensation for the period of the shut-down not to exceed eight hours regular pay, irrespective of the length of the shut-down. Such limitation is subject to extension in the discretion of the Board of Chosen Freeholders. 6. The County's policy with regard to inclement weather is hereby reaffirmed: it is not the policy of Middlesex County to shut-down merely because of inclement weather conditions. Absent declaration of a state of emergency by County Administrator, all employees will continue to work as in the case of a regular business day.

### SICK LEAVE VERIFICATION

This provision will apply to sick leave as described in Article 8, Paragraph "N" of this contract. Paid Sick Leave must not be used for purposes other than those permitted by law. An employee on sick leave is being paid by the County and, for that reason, the County may impose certain restrictions on the employee during the employee's scheduled shift. The purpose of this policy is to provide the County with the means to verify that an employee is not using sick leave for other than its intended purpose. The following rules shall apply for the verification of sick leave:

1. The employee must call in at least 2 hours before the start of the scheduled shift.
2. The employee must advise of the nature of the illness.
3. The employee must advise of the expected duration of the illness.
4. It shall be the responsibility of the employee to be accessible by telephone at the employee's residence for the duration of the employee's shift.
5. If the employee is not to be at home during sick leave, the employee must so notify, in advance, the employee's supervisor (or their designee) of (a) the address of where the employee will be; (b) the times the employee will be there; (c) a telephone number at which the employee will be personally accessible and (d) the reason for leaving the home.
6. In the case of doctor visits (and to pick up medication), the employee shall advise their supervisor (or supervisor's designee), in advance of the visit, of the name of the doctor, the doctor's telephone number, and the time of the scheduled appointment. The employee must

contact the supervisor when employee returns home.

7. The County, in its discretion, may choose to verify sick leave through home visits or telephone contact. **IT IS THE RESPONSIBILITY OF THE EMPLOYEE TO COME TO THE TELEPHONE PERSONALLY.** An employee is not permitted to use a beeper or answering machine to screen calls.

8. Medical Documentation: An employee is required to provide verification of sick leave when an employee is out sick more than 15 days in a calendar year or when an employee is out 5 consecutive days. The County will reimburse the employee half the amount toward the cost of obtaining such verification. (NOTE: Documentation can be required from first day of illness. "Verification" means that the employee is required to provide a written statement by a reputable treating physician substantiating any illness. The physician certification must indicate that employee was not physically able to perform any duty connected with their job and must give a diagnosis of illness. The County may require the employee to submit to examination by a physician appointed by the County.

9. Examination BY County Physician - Pattern Absence/Suspicion of Abuse: In cases (1) where the County has reasonable suspicion that an employee has abused sick leave; (2) where an employee has demonstrated a pattern in the use of sick leave (for example, the repeated use of sick leave on the first or last day of the work week or on the day before or after a holiday); or (3) where the employee has used 15 sick days in a twelve month period, the County may require verification of illness by a physician selected by the County. In cases where county verification is to be required, the employee will be notified, then the request for sick leave is made, to report during the shift to a designated physician at County expense.

10. The County of Middlesex views abuse of sick leave as a serious offense which will result in employee discipline up to, and including, termination of employment.
