RECOGNITION

- A. 1. The majority of the employees in the positions designated in the unit described below in the Monroe Township School District have designated the Monroe Township Education Association ("Association") as their representative for the purpose of collective negotiations. And, the Monroe Township Board of Education ("Board"), pursuant to Chapter 123 Public Laws of 1974, as amended, recognizes the Association as the exclusive and majority representative for collective negotiations, concerning the terms and conditions of employment of the employees included in the unit described below:
- a. the following non-supervisory teaching staff members: classroom teachers, specialists (music, art, physical education), guidance counselors, school library media specialists, nurses, Special Services (psychologists, social workers and LDTC), special education teachers (self-contained classroom teachers, in-class support instructors and resource center teachers), speech therapist, occupational therapist and physical therapist, student assistance counselor, staff developer, athletic trainer, Replacement Teachers.
- For Replacement Teachers and Truant Officers: The parties agree that the practices concerning terms and conditions of employment for these titles in effect at the conclusion of the 2002-2003 year shall remain in place unless specifically modified elsewhere in this Agreement.
- b. the following non-supervisory support staff members: drivers, paraprofessionals, school secretaries, media coordinators, security personnel and Truant Officers.
2. This unit excludes the following positions: all supervisory staff, including Superintendent, Assistant Superintendent, Business Administrator, principals, vice-principals, Administrative Assistant to the Superintendent, Directors (including Facilities, SPS, Transportation, and Information Systems), Curriculum Supervisors, Department Heads, Director of Security, custodial and maintenance personnel including supervisors, cafeteria personnel including supervisors, confidential secretaries (including those to the Superintendent, the Assistant Superintendent, and the Business Administrator), central office support staff and Work Station Specialists.
3. Unless otherwise indicated, the term "teacher" when used hereafter in this Agreement, shall refer to all certificated employees represented by the Association in the negotiating unit as above defined, including, but not limited to, speech therapists, occupational therapists and physical therapists, student assistance counselors, staff developers, and athletic trainers.

4. Unless otherwise indicated, the term "employees" when used hereafter in this Agreement, shall refer to all employees represented by the Association in the negotiating unit as above defined, and reference to male employees shall include female employees.

REPRESENTATION FEE

- A. This article shall become effective as of the date hereof.
- B. If any regular employee does not become a member of the Association during any membership year (from July 1 to the following June 30) which is covered in whole or in part by the Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.
- C. Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.
- D.
 1. Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2. below, the full amount of the representation fee and will transmit the amount so deducted to the Association.
 2. The Board will deduct the representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:
 - (a) Within 30 calendar days after receipt of the aforesaid list by the Board;
or
 - (b) 30 calendar days after the employee begins his or her regular full time employment in a bargaining unit position, unless the employee previously served in a regular full time bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 30 calendar days after the resumption of the employee's regular full time employment in a bargaining unit position, whichever is later.
 3. Except as otherwise provided in this article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association

will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

4. The Association will notify the Board in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deduction made more than 60 calendar days after the Board received said notice.
5. On or about the last day of each month, the Board will submit to the Association a list of all employees who began their employment in a bargaining unit position during the preceding 30 calendar day period. The list will include names, job titles and dates of employment for all such employees.
6. The Association shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(c) and 5.6, and membership in the Association shall be available to all employees in the Association on an equal basis at all times. In the event the Association fails to maintain such a system or if membership is not so available, the Board shall immediately cease making said deductions.
7. The Association shall make a copy of the demand and return system and revisions available to the Board.
8. The Association shall indemnify, defend and save the Board harmless from any claims raised against it by an employee as a result of fulfilling its obligations under this article, including paying actual attorney fees.

ARTICLE 2 **NEGOTIATION PROCEDURE**

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123 Public Laws of 1974. Any agreement so negotiated shall apply to all categories of employees which are included in the unit set forth in Article 1, Recognition, of this Agreement and will be reduced to writing, and be submitted to the Board and the Association for adoption.
- B. During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counter proposals. The Board will provide the Association, upon request, with all data in the public domain.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counter proposals in the course of negotiations. However, it is understood no tentative agreements reached during negotiations shall be considered binding until both the Board and the Association shall officially adopt them.

- D. 1. If during the period of this Agreement either the Board or the Association feels that it is necessary to meet for the purpose of reviewing problems that may arise, it shall so inform the other party in writing setting forth the problem to be discussed. The party receiving the request shall instruct its representatives to arrange for a meeting to discuss the problem as requested within 10 school days. These meetings are not intended to bypass the grievance procedure.
- 2. Should a mutually acceptable amendment to this Agreement be negotiated by the parties, it shall be reduced to writing, and submitted to the Board and the Association for adoption.
- E. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3
GRIEVANCE PROCEDURE

A. Definition

- 1. (a) A grievance is a claim by an employee or his/her representative that the employee has suffered harm by the interpretation, application or violation of policies and administrative decisions affecting the employee.
- (b) A grievance is a claim by an employee or his/her representative that the employee has suffered harm by the interpretation, application or violation of the Agreement affecting the employee.
- 2. An "aggrieved person" is the person or persons making the claim.
- 3. A "party in interest" is the person or persons making the appeal and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

- 1. The purpose of this procedure is to resolve, at the lowest possible level, any grievance presented. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
- 2. Any grievant may represent himself/herself up to and including Level 3. The Association may be present and have the right to speak during the procedure.
- 3. The Association may file and pursue a grievance. Only the Association may file for arbitration under C. 5. below.

C. Procedure

1. Informal

An employee with a grievance shall first discuss it with his/her principal or immediate superior. At this stage, both parties shall make a strong effort to resolve the matter informally. The employee, at his or her option, may designate a representative to be present.

2. Level One

If no resolution is reached informally, the grievance shall be reduced to writing and submitted to the principal or immediate superior. The employee, at his/her option, may designate a representative to be present. All Level One grievances shall be initiated within fifteen (15) school days after the event or circumstance being grieved takes place, unless conditions or the terms of this agreement dictate to the contrary.

3. Level Two

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of the grievance, the employee may file the grievance in writing with the Association within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association may refer it to the Superintendent of Schools or his designee.

4. Level Three

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent or his designee, the employee may, within five (5) school days after the decision by the Superintendent or his designee or fifteen (15) school days after the grievance was delivered to the Superintendent, whichever is sooner, request in writing that the Association submit the grievance to the Board. If the Association determines that the grievance is meritorious, it may submit the grievance to the Board within fifteen (15) school days after the receipt of a request by the aggrieved person. A complaint of a nontenured employee which arises by reason of the employee not being reemployed shall not be carried beyond Level Three of the grievance procedure.

5. Level Four

- (a) If the grievance as defined under 1(a) of definition of a grievance and if the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Board, the aggrieved person may, within five (5) school days, request in writing that the Association submit his/her grievance to advisory

arbitration. If the Association determines that the grievance is meritorious, it may elect to submit the grievance to advisory arbitration within fifteen (15) school days after receipt of the request from the aggrieved person, but shall first notify the Board of such decision.

(b) If the grievance as defined under 1(b) of definition of a grievance and if the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Board, the aggrieved person may, within five (5) school days, request in writing that the Association submit the grievance to binding arbitration. If the Association determines that the grievance is meritorious, it may elect to submit the grievance to binding arbitration within fifteen (15) school days after receipt of the request from the aggrieved person, but shall first notify the Board of such decision.

(c) The arbitrator shall then be selected under the rules of the New Jersey Public Employment Relations Commission.

6. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual written agreement.

7. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

8. It shall be the general practice of all parties in interest to process grievance procedures during times which do not interfere with assigned duties, provided however, in the event it is agreed by the Board to hold the proceedings during regular working hours, a teacher participating in any level of the grievance procedure, with any representative of the Board, shall be released from assigned duties without loss of salary.

D. Rights to Representation

Any individual employee of the district shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal. An employee shall have the right to present his/her own appeal up to and including Level 3 or to designate a representative(s) of the Association or other person of his/her own choosing to appear with him/her up to and including Level 3.

E. Miscellaneous

1. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and shall be transmitted promptly to all parties in interest and to the Superintendent and the Chairperson of the Grievance Committee.
2. Every effort shall be made to resolve all grievances before they reach Level Three.
3. An employee shall continue to perform all assigned duties before and during any grievance procedures initiated, but shall advise his/her superior that he/she is performing these duties under protest.
4. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be designed jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
6. All meetings and hearings under this procedure shall not be conducted in public.
7. Any grievance not filed within the prescribed time limits at any level shall be considered as waived.
8. If a grievance affects a group or class of teachers in only one school, the Association shall submit such grievance, in writing at the First Level. If a grievance affects a group or class of teachers in more than one school, the Association may submit such grievance in writing at the First Level or Second Level, whichever is appropriate.

Association business during normal school hours will only be conducted during the teacher's free or release time and will not conflict with his/her teaching assignment.

The Association shall have the exclusive right to the use of a bulletin board in each school in the Monroe Township School System for the purpose of conducting Association business. These bulletin boards will be located in those areas where employees enjoy exclusive use.

H. Association Identification

No teacher shall be prevented from wearing pins or other identification of membership in the Association or its affiliates.

ARTICLE 5
EMPLOYEE RIGHTS

A. Rights and Protection in Representation

Pursuant to Chapter 123 Public Laws of 1974, the parties hereby recognize that every employee covered by this Agreement shall have the right to freely organize, join and support the Association and its affiliates for the purpose of engaging in the collective negotiations or to refrain from so doing. The parties agree that neither shall directly or indirectly discourage nor deprive nor coerce any covered employee in the enjoyment of any rights conferred by Chapter 123 Public Laws of 1974.

B. Statutory Savings Clause

Nothing contained herein shall be construed to deny or restrict to any employee such rights as he/she may have under New Jersey School laws or other applicable laws and regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.

C. Required Meetings or Hearings

Whenever any employee has been called to appear before the Superintendent or his/her designee, Board or any committee, member, representative or agent thereof concerning any matter which could directly affect the continuation of that employee in his or her office, position or employment or the salary or any increments pertaining thereto, then he/she shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise the employee and represent the employee during such meeting or interview.

D. Employee Discipline Process

1. No employee shall be disciplined or reprimanded without just cause.

The Board retains the right to discipline or discharge an employee during the term of his/her employment contract when the employee's performance and/or attendance negatively affect his/her ability to perform his/her assigned tasks.

Discipline may include oral and/or written reprimands, increment withholdings, fines or suspensions without pay if consistent with law, and mid-contract discharges consistent with individual contracts, but shall not include the non-renewal of a non-tenured teaching staff member for performance-related reasons, the withholding of increments of a teaching staff member for predominantly evaluative reasons and the certification of tenure charges against a teaching staff member.

All disciplinary acts shall be subject to the grievance procedure.

2. The specific grounds forming the basis for official disciplinary action shall be made available to the employee in writing. If an employee is requested to give information which may lead to disciplinary action against that employee, the Board shall advise the employee of their right to representation.

ARTICLE 6

3. Except on inclement weather days, the teacher lunch period shall be a 45-minute duty free lunch period. The practice of teachers taking their students to and from the cafeteria shall occur during this 45 minutes.* The scheduling of teacher duty may include pupil supervision for fifteen (15) minutes during the lunch period for inclement weather days. 6. Unassigned time as provided through the utilization of teacher assistants or special subject teachers shall be used for preparation, special instruction or conferences.
7. Teachers shall have five (5) prep periods in any five (5) day, full day week. Each prep period shall be a minimum of 40 minutes. If a teacher loses his/her contractually-guaranteed individual prep period, he/she shall be paid at the class coverage rate. The loss of prep period due to a field trip or an emergency such as a fire drill or a lockdown is not a violation of this guarantee and does not create a requirement for payment. The loss of the prep period will be paid at the class coverage rate.
8. Teachers are required to work three (3) nights per year without additional compensation. Beginning with the fourth night assignment, a teacher shall be paid for such hours at either the hourly instructional supplemental rate or the hourly non-instructional supplemental rate. See the agreed upon list, containing the effective date of the list, on file in the Central Office of the Board.
9. Teachers who are assigned to bus duty beyond the negotiated day set forth in A. 2. above shall be paid for such additional time at the hourly non-instructional supplemental rate.
10. On the third day of spring conferences, there will be a half-session for students and staff.

1. The total school day for the middle school teachers shall be designated by the Board and shall not exceed seven (7) hours and six (6) minutes. The total student day shall not exceed six (6) hours and 29 minutes.

2. For the purposes of determining the time implications of the weekly teacher load, a period shall consist of a maximum of 56 minutes. However, if the number and lengths of periods should change, the total number of minutes of pupil contact per week shall not increase. The middle school staff shall be consulted before the length and number of periods are changed.
3. The Board may implement the following schedule effective on the first student day of any school year:
 - (a) The teaching load at the middle school shall not exceed twenty (20) periods per week in any content area; no more than a yearly average of twenty (20) periods per week may be used for instruction. This does not preclude a teacher voluntarily accepting an assignment beyond this level.
 - (b) There shall be five (5) individual planning periods per week. If a teacher loses his/her contractually-guaranteed individual prep period, he/she shall be paid at the class coverage rate. The loss of prep period due to a field trip or an emergency such as a security drill, fire drill or a lockdown is not a violation of this guarantee and does not create a requirement for payment. The loss of the prep period will be paid at the class coverage rate.
 - (c) Thirty (30) minutes per day will be allotted for a duty free lunch period.
 - (d) Any workload (pupil contact) in excess of thirty (30) periods per week shall be by mutual agreement with time, duties or other consideration given the affected teacher.
 - (e) Anyone teaching a sixth teaching class by mutual agreement in an academic area or anyone teaching a seventh teaching class by mutual agreement in any other teaching area shall receive additional compensation based on the following: one-sixth of their annual salary for a non-lab class. The fraction is based on the teacher's annual salary which includes service and longevity payments for this calculation.
4.
 - (a) Teachers will be consulted prior to the finalization of schedules, should the number of subjects, preparations or consecutive contact periods exceed four (4).
 - (b) Homeroom period and duty coverage will be set up by the administration as equitably as possible. All special services staff shall be available to be assigned duties no matter where they are housed.
5. The NJASK schedule as per the state calendar shall consist of four (4) half-day sessions.

6. Teachers are required to work three (3) nights per year without additional compensation. Beginning with the fourth night assignment, a teacher shall be paid for such hours at either the hourly instructional supplemental rate or the hourly non-instructional supplemental rate.
7. Night conferences shall last no longer than 2-1/2 hours each evening. Students will have half session on days when night conferences are scheduled. Staff who are required to attend night conferences will be released immediately after student dismissal on both days. If a parent(s)/guardian(s) who has/have been scheduled for a conference has/have not yet been seen by the teacher and is/are at the specific conference area (which shall include inside, outside of or adjacent to a classroom or other area in the school building in which conferences are being conducted) at the end of the 2-1/2 hour night conference period, the teacher will meet with the parent even if such meeting will require the teacher to participate in night conferences beyond the 2-1/2 hour limit described in this paragraph.
8. The payment for class coverage at the middle school shall be prorated using the following equation:

The number of minutes in a period divided by 60 times the hourly instructional rate equals rate of pay.

C. Secondary School - Total School Day

1. Arrival and departure time shall be designated by the Administration. The total school day for teachers shall be designated by the Board and shall not exceed seven (7) hours, six (6) minutes. The total student day shall not exceed six (6) hours and 33 minutes.
2. A block period shall be less than 88 minutes.
3. In the A/B scheduling approach, a full-time teacher shall have three (3) blocks of instructional time one day and two (2) blocks of instructional time the other day.
4. In the A/B scheduling approach, a full-time teacher shall have one (1) block of preparation time one day and one-half (1/2) block of preparation time the other day. If a teacher loses his/her contractually-guaranteed individual prep period, he/she shall be paid the hourly instructional supplemental rate for the loss of a one-half (1/2) block preparation period and he/she shall be paid double the hourly instructional supplemental rate for the loss of a one (1) block preparation period. The loss of preparation period due to a field trip or an emergency such as a fire drill, a lockdown or an extraction drill is not a violation of this guarantee and does not create a requirement for payment. If a teacher is not provided preparation time consistent with the foregoing, the payment for said lost time shall be calculated by determining the per minute

value of the hourly instructional supplemental rate for that year and multiplying the result times the number of preparation period minutes lost.

5. In the A/B scheduling approach, a full-time teacher shall have a thirty (30) minute duty free lunch period per full school day.
 6. In the A/B scheduling approach, a full-time teacher shall have one (1) block of duty/non-instructional professional services time one day and one-half (1/2) block of duty/non-instructional professional services time the other day. "Non-instructional professional services" consists of such activities as team or building planning, meetings with supervisors, other staff members or parents, and other teacher work which does not involve the direct instruction of students. The intent of the Board is not to use this block of time solely for professional development. All special services staff shall be available to be assigned duties no matter where they are housed.
 7. If a teacher, by mutual agreement, is scheduled to teach a sixth teaching block in a two day period, he/she shall be paid an additional one/sixth of their annual salary.
 8. Teachers working less than full time will be paid in the following manner: divide the time they are required to be in the building by the length of the teacher day and multiply that ratio by their placement on the guide.
 9. Night conferences shall last no longer than 2 1/2 hours each evening. The next school day after night conferences, school shall be half-session for both students and staff. If a parent(s)/guardian(s) who has/have been scheduled for a conference has/have not yet been seen by the teacher and is/are at the specific conference area (which shall include inside, outside of or adjacent to a classroom or other area in the school building in which conferences are being conducted) at the end of the 2-1/2 hour night conference period, the teacher will meet with the parent even if such meeting will require the teacher to participate in night conferences beyond the 2-1/2 hour limit described in this paragraph.
 10. Teachers shall not be required to teach more than three (3) subject areas nor have more than three (3) teaching preparations, if feasible. Teachers teaching additional subject areas or having additional preparations will be consulted prior to finalization of their schedules.
 11. The language of Article 6.C.5. applies to these teachers.
 12. On a scheduled half day for students, periods shall be prorated.
- D. On Fridays or on days preceding holidays or vacations, the teacher's day shall end when the pupils have left school grounds.

- E. Teachers shall be permitted to leave the building during their scheduled duty-free lunch periods, after notifying the principal. However, in cases of emergency, teachers shall be required to remain in the building.
- F.
 - 1. Teachers may be required to remain after the end of the regular workday, without additional compensation, for the purpose of attending regular administrative or professional meetings for three (3) days each month. Such meetings shall begin within ten (10) minutes after the student dismissal time and shall run for no more than forty-five (45) minutes. If additional time is needed, students shall be dismissed early. Morning meetings may be held on an individual school basis after agreement between the principal and the staff.
 - 2. The notice of any meetings shall be given to the teachers involved at least three (3) school days prior to the meeting, except in extreme circumstances. All employees shall have the opportunity to suggest items for the agenda.
- G. Teacher participation in extracurricular activities beyond the regular workday shall be voluntary, except that ruling by the Commissioner of Education defining those extracurricular activities which are part of a teacher's normal duties shall be controlling.
- H. Teacher participation in field trips which extend beyond the teacher's in-school workday, and overnight or weekend trips, shall be voluntary.
- I. A., B., C. and D. above notwithstanding and in addition to F., the teachers agree to participate in mutually determined workshops and that nothing in this article shall limit the principal of a school from holding supervisory conferences with members of his/her staff at a reasonable time and place.
- J. Teachers are required to work three (3) nights per year without additional compensation. Beginning with the fourth night assignment, a teacher shall be paid for such hours at the hourly non-instructional supplemental rate.
- K. Newly-employed certified staff members may be required to attend up to six (6) Roundtable meetings in their first year of employment in the District over and above the meetings set forth in Article 6.F. Such meetings are limited to one (1) hour each.
- L. Employees who participate in overnight education programs with the approval of their building administrator shall be compensated at the rate of \$119 per night.
- M.
 - 1. For special services personnel who do not work the extended schedule under the provisions of 2. and 3. below, the workday for special services personnel shall be seven (7) hours, six (6) minutes.
 - 2. An extended schedule for Child Study Team members (psychologists, social workers and LDTCs), Staff Developers, and Related Services (Speech, Occupational, & Physical Therapists) staff consists of either: 1) an additional

twenty (20) work days between the last teacher work day in June and August 24th, or 2) an additional ten (10) work days between the last teacher work day in June and August 24th. The additional work days will be mutually agreed upon by the employee and the administration.

An extended schedule also consists of an eight (8) hour work day from the first regular teacher day through the last regular teacher work day, and a seven (7) hour work day from the day after the regular teacher work year ends and when the next one begins. The primary purpose of the additional time in the work day is not to provide regularly-scheduled therapy to students. The additional time in the work day will be mutually agreed upon by the employee and the administration but must be contiguous with existing school hours.

3. Only Child Study Team members (psychologists, social workers and LDTCs), related services staff (speech therapists, Occupational Therapist and Physical Therapist) and the staff developer may choose to work the extended schedule (20 or 10 days as set forth in 2. above; and the lengthened work day).
