In accordance with Chapter 303, Public Laws of 1968, the Mahwah Township Board of Education, hereinafter referred to as the Board, hereby recognizes the Mahwah Administrators' Association hereinafter referred to as the M.A.A., as the exclusive and sole representative for the collective negotiations concerning the terms and conditions of employment for all building administrators and the Director of Guidance.

#### B. Definition

Unless otherwise indicated, the term "Unit Member" when used hereinafter in this Agreement shall refer to all professional employees represented by the M.A.A. in the negotiating unit as above defined.

## ARTICLE II

### NEGOTIATION PROCEDURE

#### A. Deadline Dates

The parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 303, Public Laws 1968, and Chapter 123, Public Laws 1974, to reach agreement on all matters concerning the terms and conditions of the Association members' employment as required by law. Any agreement reached will be reduced to writing and signed by the duly appointed representative of the Board and the M.A.A. Such agreement will be subject to ratification by the majority vote of the full Board of Education and by the Association.

Negotiations shall begin at least seven (7) months prior to the expiration of the contract. No later than the first week in December of the last year of this agreement, the parties will enter into good faith negotiations over a successor agreement covering the following school year. If such an agreement is not concluded by the end of the first full week in February, either party may request the use of mediation. The parties will seek to agree on a mutually agreeable mediator and will obtain a commitment from said mediator to serve. In case of mediation by a private person, the cost of such mediator shall be shared equally by the parties. If the parties are unable to agree upon a mediator or to obtain such a commitment, the parties shall request mediation under Chapter 303, Public Law of 1968 and Chapter 123, Public Law of 1974.

B. Negotiating Team Authority

The Board and the M.A.A. each will authorize a negotiating committee to enter into discussions with the other concerning the negotiation of a successor contract. The Board reserves to itself the final and ultimate authority to adopt by a majority vote at a public meeting any tentative agreement to a successor contract reached by the above designated committee and the M.A.A. Similarly, the M.A.A. reserves to itself the final right to ratify at a meeting of its full membership any tentative agreement to a successor contract reached by the above designated committee and the Board. The position of the Board and the M.A.A. in this matter is based upon their understanding of, and their obligations under, Chapter 303, Public Law of 1968 and Chapter 123, Public Law of 1974.

C. Maintaining Current Benefits

Except as this Agreement shall hereinafter otherwise provide, all terms and conditions of employment included in Article VI, Benefits, applicable on the effective date of the Agreement, shall continue to be so applicable during the term of this Agreement. Terms and conditions of employment agreed to in this document shall remain in effect for the duration of the Agreement and shall not be changed or altered unless agreed to in writing by both parties.

D. Modification

This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the times they negotiated or executed this Agreement.

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

**ARTICLE III**

**GRIEVANCE PROCEDURE**

A. Definition/Rights

The term "grievance" means a complaint or claim that there has been an improper application, interpretation or violation of any term or condition of employment as defined in this Agreement. All days referred to in this Agreement shall be calendar days.

A Unit Member shall discuss any concern that may be grievable with his/her immediate supervisor prior to initiating the grievance procedure.

## B. Procedure

1. A grievance may be filed by the Association on its own behalf or on behalf of any Association member. Grievances must be initiated at the lowest possible level. All time limits shall be determined by calendar days. The aggrieved person shall have the right to representation at all levels. Time limits may be altered if mutually agreed to by both parties.
2. If the Association or Association member fails to meet the time limits specified in this Agreement, the grievance shall be deemed resolved according to the status quo. If the party appealed to for the determination at Level I, II, or III fails to respond within the specified time, the grievance shall be deemed moved to the next higher level.

### 3. Level I

The aggrieved person shall first present his/her grievance claim to his/her immediate superior (Principal or Assistant Superintendent) within thirty (30) days of its occurrence with objective of resolving the grievance informally through discussion. If the matter has first been presented to his/her immediate superior and is not resolved to the satisfaction of the grieving Association member within fourteen (14) days of the discussion, the claim shall be presented in writing to the Assistant Superintendent within seven (7) days.

The Principal or Assistant Superintendent shall communicate his/her decision in writing to the grieving Association member within fourteen (14) days of the discussion of the grievance but not more than twenty-one (21) days after receipt of the written grievance.

### 4. Level II

If the grievance is not resolved to the satisfaction of the aggrieved person, he/she may submit the grievance and any written response from the Principal or Assistant Superintendent to the Superintendent of Schools within ten (10) days. The Superintendent of Schools shall within five (5) days of receipt of the grievance fix a time and place for a meeting with the aggrieved person. Said meeting shall take place no later than fifteen (15) days after the receipt of the grievance. The Superintendent of Schools shall present a written determination of the grievance within ten (10) days of this meeting.

### 5. Level III

In the event that the grievance is not resolved to the satisfaction of the grieving Association member, he/she may request a review by the Board. Said request for review shall be made within seven (7) days of receipt of the Superintendent of Schools' determination. The Board, or a committee thereof, shall take the necessary steps to provide an opportunity for the aggrieved person to present his/her grievance. The Board will make known its decision, in writing, within twenty-one (21) days of receipt of the grievance.

6. Level IV

In the event the proceedings at the lower level fail to resolve the grievance, the grieving Association member may submit the claim to arbitration under the Voluntary Labor Rules of PERC within thirty (30) days of receipt of the Board's decision. The parties agree that the arbitrator's decision shall be binding upon them. Any and all cost involved in the use of an arbitrator shall be equally shared between the Board and the Association.

7. Costs

Each party will assume its own share of the total costs of each level of the grievance procedure.

**ARTICLE IV**

**ASSOCIATION RIGHTS AND PRIVILEGES**

- A. Whenever any representative of the Association or any employee is mutually scheduled by the parties to participate during working hours in negotiations, grievance proceedings, or conferences and meetings related to same, he/she shall suffer no loss in pay.
- B. Within a reasonable period of time prior to any official Board action which will cause a reduction in force or change in responsibilities of Association members to occur, the Board shall notify the Association of said impending action in writing. The Association shall have the right prior to said official action by the Board to consult and make its views known to the Board.
- C. The Board agrees to furnish to the Association, in response to reasonable requests from time to time, all available information that shall assist the Association in developing intelligent, accurate, informed and constructive programs, together with information which may be necessary for the Association to negotiate and/or process any grievance or complaint.

**ARTICLE V**

**BOARD RIGHTS AND PRIVILEGES**

Except as limited by the terms of the Agreement, the Board reserves to itself all rights and responsibilities under law and jurisdiction and authority over matters of policy, including but not limited to the following:

- A. The right to direct employees of the school district;
  - 1. to hire, promote, transfer, assign, retain employees in positions and eliminate positions in the school district, and to suspend, discharge or take other disciplinary action against employees as permitted under Title 18A;
  - 2. to relieve employees from duty as defined under Title 1A;

3. to maintain the efficiency of the school district operations entrusted to them;
  4. to determine the general policy by which such operations are to be conducted; and
  5. to take whatever actions may be necessary to carry out the missions of the school district in situations of emergency.
- B. Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the Association before they are established. In addition, representatives of the Board and of the Association shall meet at reasonable times and negotiate in good faith with respect to grievances.

It shall be clearly understood by both parties that the salary schedule (e.g., designated as SCHEDULE A included in the Agreement) does not guarantee an automatic salary increase. The Board reserves the right to withhold for inefficiency or other good cause any and all salary adjustment. In the event the Board wishes to exercise such a right, it does hereby agree to follow this procedure.

1. Incorporate the principles identified in the "Supervision and Evaluation Process" which will be developed, agreed to and adopted by both parties during the term of this contract.
2. Whenever the Superintendent of Schools decides to submit a recommendation to the Board to withhold a salary increment, the employee to be so deprived shall be put on notice of this recommendation.
3. Arrangements shall be made to afford said employee a reasonable opportunity to speak in his/her own behalf before the Board. Such a meeting before the Board shall not constitute a disciplinary hearing.
4. The Board will not take necessary formal action until a date subsequent to the above meeting.
5. If the resultant action of the Board is to withhold an increment, it shall, within ten (10) days, give written notice of said action, together with the reasons therefore, to the employee concerned.

- 1) Any employee with more than 240 days of sick leave as of June 30, 1992, may continue to collect sick days and be paid for same at the rate of 33 1/3% provided that the maximum amount upon which reimbursement may be calculated shall not exceed the balance of unused sick leave days as of June 30, 1994.
- 2) Any employee with fewer than 240 days of sick leave is eligible to be paid for unused sick leave to a maximum of 240 sick days at the rate of 33 1/3% provided they were employed prior to June 30, 1992.

Nothing in this provision shall prevent an employee from using his/her sick time during the period of this disability.

Maternity/paternity extended leaves of absence shall be granted to Association members. An Association member may request a child care leave, without pay, and such leave may be granted by the Board. Such leave, when granted, will commence at a time mutually acceptable to the Board and the Association member.

No vacation will be taken during the final summer vacation week unless it is determined by the Superintendent of Schools that administrative responsibilities are complete and school is ready to open.

MAA recognizes the need to maintain operational school offices during the months of July and August for student registration, IEP meetings, and other issues which need to be addressed in a timely manner. Each eleven-month MAA member will submit a written schedule of all non-working days to the Superintendent or designee by June 15, of each year. Unanticipated changes to the written schedule for non-working days are permitted. Members are to notify the Superintendent or designee as soon as possible when an unanticipated change occurs. Non-working days, by definition, are to be taken only by eleven-month administrators and only during July and August. Time taken off during the "school year" (September - June) should be taken only as vacation, sick, personal or holiday time--not as "non-working" time.

Vacation days are intended for relief and rehabilitation and should be taken for that purpose during the intended period, as defined in the contract, wherever possible.

Summer time sheets should be set up for eleven-month administrators to clearly note which days are being taken off as vacation days and which as non-working days. These sheets should be forwarded to the Business Office at the end of July and at the end of August.
