ARTICLE 4 - UNION RIGHTS

A. LEAVE FOR UNION ACTIVITY

1. The Board agrees to provide leaves of absence with pay to permit Union delegates to attend conventions, conferences, educational courses or meetings of special importance, provided that the total amount of release time with pay shall not exceed seven (7) days per year, and shall not exceed one (1) Bargaining Unit member per department, or two (2) Unit members per event. 3. A dues deduction authorization form, agreed to by the Union and the College, will be considered valid for the term of this Agreement. The Treasurer of the Union shall notify the President's labor relations designee of any change in the amount of dues or assessment to be deducted thirty (30) days prior to the intended effective date of such change.
4. All dues collected by payroll deduction in the preceding month will be transmitted by College check together with an itemized statement to AFSCME Council 73, whose address is on file with the Payroll Department of the College by the tenth (10th) day following each pay period.

2. The Union shall indemnify and hold the employer harmless against any and all claims, demands, suits and other forms of liability, including liability for reasonable counsel fees and other legal costs and expenses that may arise out of, or by reason of any action taken or not taken by the Board of Trustees in conformance with this provision.

Sick day and emergency personal day call-ins do not constitute pre-approved days.

B. VACATION

1. Following three months of continuous full-time employment, employees shall be credited with accrued vacation leave.

During the first month of employment, employees shall earn vacation on the following basis:

Hire Date	Vacation Earned
1 st - 7 th of the month	1 day

3. After the completion of five (5) years of continuous full-time employment, vacation leave shall accumulate at the rate of two (2) days per full month worked.
4. Vacation leaves shall be taken after notification and approval by the immediate supervisor. Supervisors shall, in the spring, develop a vacation schedule for the months of June, July, and August, with consideration given to Unit Seniority and needs of the department. Authorization for vacation leave shall not be unreasonably withheld or denied. However, operational needs of the College must be taken into consideration in the approval process.

Should an employee decide to request vacation other than the established vacation schedule, the employee shall provide the supervisor with at least ten (10) working days advance notice and the supervisor shall respond within five (5) working days.

5. Vacation leaves must be approved by the Bargaining Unit member's immediate supervisor. However, approval may be limited by the supervisor, based on the operational needs of the department and impacting work schedules. Reasonable effort shall be made to equitably distribute vacation throughout the department, subject to the need of the College and the department as determined solely by the supervisor.

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

B. VACATION (cont.)

6. a. For employees hired before May 21, 2010, vacation allowance may accumulate to a maximum of thirty-five (35) days as of October 31, each year. In the event that more than thirty-five (35) days have accumulated as of October 31, the employee will not retain more than the maximum of thirty-five (35) days allowed.
- b. As limited by New Jersey statute (NJSA 40A:9-10.5), for employees hired on or after May 21, 2010, the vacation day balance may accumulate to a maximum of one full year's vacation allowance as of October 31 of each year. Therefore, the maximum that may be carried forward beyond the cutoff date is as follows:
 - maximum for those earning 1 day per month – 12 days;
 - maximum for those earning 1 ½ days per month – 18 days;
 - maximum for those earning 2 days per month – 24 days;

In the event that the vacation-day balance exceeds the applicable maximum as of October 31, the employee's vacation balance will be reduced to that applicable maximum.
7. If an employee becomes seriously ill during five (5) or more of his/her vacation days, within any single vacation period, the employee may request that portion of the vacation during which he/she was seriously ill be converted from vacation time to sick leave, provided that the employee received hospital care or care that has traditionally been provided in a hospital, but which is now being performed at an HMO facility, or an emergency medical center during the vacation period. Eligibility for such conversion is dependent upon the following:
 - a. The employee has the necessary sick leave days to change;
 - b. Proof of hospital, HMO facility, or an emergency medical care center has been verified. Such proof must be on the facility's printed letterhead with address, phone number, diagnosis, and course of treatment clearly defined.
 - c. There has not been past abuse of sick leave time.
 - d. The College **must** be notified during the 5-day period when the employee becomes seriously ill, except in an emergency beyond the control of the employee.
8. Permanent members of the Bargaining Unit or the Bargaining Unit member's estate shall be entitled to be paid for accumulated vacation upon death or retirement.

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

9. Vacation days shall be taken in either whole day or one-half day segments.

Employees who have vacation balances including one-quarter or three-quarter day segments must use the quarter day segments by December 31st of each year.
10. Vacation days do not accrue during periods of unpaid leaves of absence or disability.
11. When an employee changes status from full-time to part-time or part-time to full-time, the employee shall be credited with the amount of vacation he/she earned as of that date. Therefore, all vacation accumulated under his/her previous status will be converted to correspond to the equivalent hourly amount of vacation in his/her new employment status, rounded to the nearest one-half day.
12. After the completion of five (5) years of continuous full-time employment, employees will be permitted to sell back, up to five (5) vacation days. The employee must have accrued a minimum of thirty (30) vacation days as of June 30th, to be eligible for this benefit. Payment will be made at the employee's usual rate of pay on June 30th and checks will be issued on July 15th, provided the appropriate paperwork is received by the Payroll Department in a timely manner.
13. Employees who resign or retiree after proper notice, will be compensated for a maximum of 35 days. In the event of death, this provision will also apply, but without the notice requirement.

C. HEALTH BENEFIT PLANS

1. The College shall provide health benefit plans, including major medical coverage. To be eligible for medical coverage an employee must work thirty-five (35) hours or more per week. Coverage shall commence on the first day of the month following three months of continuous service.

Employees may select a health plan to include a hospitalization and major medical plan. The traditional major medical portion of the plan shall provide the following:
 - a. A maximum annual deductible of two hundred fifty (\$250) dollars, for single coverage;
 - b. A maximum annual deductible of three hundred fifty (\$350) dollars for family, parent/child or husband/wife coverage;
 - c. A lifetime maximum coverage limit of two (2) million dollars of covered expenses per covered individual.
 - d. A maximum annual out of pocket expense of five-hundred (\$500.00) dollars per covered individual, for covered major medical expenses.

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

C. HEALTH BENEFITS PLAN (cont.)

2. a. Bargaining Unit members and their dependents shall be covered by a dental plan at sixty-five percent (65%) usual and customary rates for Out-of-Network and 70%/80% for In-Network preventive basic and restorative dental work, up to a maximum of two thousand two hundred fifty dollars (\$2,250) per person, per year, effective 1/1/03.
- b. If enrolled in the "Total Care Dental Plan," the coverage is 100% of usual and customary rates. In this plan, employees are required to utilize the services of designated dentists and/or locations.
3. The Board reserves the right to change health insurance carriers as long as the overall level of coverage is at a similar level overall to that currently enjoyed by the Bargaining Unit members.
4. Employees hired into the bargaining unit after April 20, 2005 will not be eligible to participate in the traditional medical plan.
5. A bargaining unit member may opt not to avail himself/herself of any or all of the above medical and/or dental coverages provided proof of other coverage is submitted to the College at the time coverage is waived. He/she shall be compensated by the College on a quarterly basis at a rate based on 50 percent of the coverage deposit payment for individual coverage. However, in no case may said compensation exceed the maximum allowed by law (NJSA 18A:64A-13.1).

Any unit member who declines coverage shall be ineligible for re-enrollment for a period of one (1) year. Re-enrollment will be limited to the next October open enrollment period.

This benefit is not available to a Bargaining Unit member whose spouse is also employed by Middlesex County College and eligible for health benefit coverage through the College.

D. ANNUAL PHYSICAL EXAM

Members of the Bargaining Unit shall be entitled to a physical examination by the physician of his/her choice during the three (3) year period of the current Agreement. Upon presentation of the bill from a licensed physician, licensed optometrist, or a licensed audiologist, the College shall reimburse the Bargaining Unit member a sum not to exceed six hundred forty-five dollars (\$645) for the above period, provided that the following conditions are met:

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

D. ANNUAL PHYSICAL EXAM (cont.)

1. The medical receipt indicates that a physical exam or test was performed.
2. The medical receipt must be submitted to the major medical carrier for payment. Upon denial, the bill and the denial should be submitted to the President's labor relations designee with a completed purchase requisition form. Under no circumstances will payment be made by both the major medical carrier and the College. If an employee receives payment from both sources, he/she will be required to return the monies paid by the College.
3. The employee may choose to apply the six hundred forty-five dollars (\$645) reimbursement in whole or in part, to the purchase of eyeglasses, contact lenses and /or hearing aids. In addition, the repair and adjustment of these items will also be included.
4. Bargaining Unit members hired in the second year of the Agreement will be limited to a prorated maximum payment of four hundred thirty dollars (\$430).
5. Bargaining Unit members hired in the third year of the Agreement will be limited to a prorated maximum payment of two hundred fifteen dollars (\$215).

Employees will be reimbursed the difference between actual costs and covered costs. Thus, employees must first submit claims to their primary insurance carrier before submitting the claims, along with the primary insurance carrier's written response, to the College.

E. TRAVEL

When travel is required as part of an employee's job responsibilities and prior authorization by the immediate supervisor is obtained, and a College vehicle is unavailable, an employee using his/her personal vehicle for authorized travel shall be reimbursed at the current IRS rate.

F. RETIREMENT

The College agrees to provide retirement benefits in accordance with the appropriate New Jersey Statutes and other negotiated retirement benefits in this Agreement.

1. When a member of the Bargaining Unit who has been employed at Middlesex County College for at least twenty (20) years, and who has attained the age of at least sixty-five (65) years, retires, the College shall provide supplemental health coverage for the employee and his/her spouse. The Union and the College agree that the retiree may choose from the designated AARP or Horizon Blue Cross/Blue Shield plans. Alternately, retirees may select a more expensive plan from one of those designated providers, with the cost differential between the selected plan and the designated plan from that same provider to be paid by the retiree.

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

2. Except as noted above, the premium costs for retirees who elect supplemental coverage, less any mandatory participant contributions, will be paid by the College.
3. A Bargaining Unit member, who at the time of retirement is a least fifty-five (55) years of age and has attained at least ten (10) years of service to the College, shall receive payment for thirty percent (30%) of unused sick leave at the time of retirement. Such payment will be made at the employee's base pay as of the date of retirement to a maximum of Eight Thousand (\$8,000.00) during each year of this Agreement. No payment will be made for unused sick leave at the time of separation, for any reason other than retirement.
4. Bargaining Unit members shall give thirty (30) days notice in the event of retirement, exclusive of vacation utilization. Said notice shall be given to the immediate supervisor and hand delivered to the Human Resources Department.

G. EDUCATIONAL ASSISTANCE

1. Tuition and Fee Waiver at MCC
 - a. Bargaining unit members are to be granted tuition-and fee-free entrance to any class on a credit, non-credit or audit basis at Middlesex County College as long as there is no conflict with the member's work schedule. However, should any portion of a course fee relate to a direct per-student charge to the College, that portion of the course fee will not be waived.
 - b. Bargaining unit dependents (including spouses, civil-union partners, legally dependent children or other related household members) are to be granted tuition-free entrance to any class on a credit, non-credit or audit basis and to summer camps at Middlesex County College, for which they meet entrance requirements.
 - c. Retired bargaining unit members, who are at least 55 years of age and have completed at least 15 years of service at the College, and their spouses, civil-union partners, and dependent children (as defined and accepted under Federal tax law) are to be granted tuition-free entrance, up to six (6) credits per semester and twelve (12) credits per fiscal year, to any class on a credit, non-credit, or audit basis provided course prerequisites are met.
 - d. All admission requirements must be met.

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

- e. The course(s) must generate FTE support.
- f. In the event the course(s) do not generate FTE support, the College will waive tuition charges up to two hundred twenty-five dollars (\$225.00) per course. Any additional tuition charges for the course(s) must be borne by the Bargaining Unit member in accordance with the College's tuition payment policies and procedures.
 - (1) The College reserves the right to limit tuition waiver enrollments in non-FTE generating courses in cases where additional waiver enrollments would preclude the possibility of meeting direct expenses for the course.
 - (2) For the purposes of this Agreement "Direct Expenses" are defined as staff salaries directly associated with the course/camp/program.
 - (3) Course/camp/program materials are covered by materials fees and are not included in this computation.
 - (4) Bargaining Unit members however will be considered for enrollment in such courses as they register.
 - (5) If the waiver limit is enforced, the College will so advise the Union.
 - (6) The same rules stipulated in G-1, above, shall apply to non FTE generating courses.
- g. If the employee and the employee's supervisor feel that a course given during normal working hours would benefit the employee, in cooperation with the Human Resources Department, the supervisor may reschedule the employee's work hours to allow participation during working hours.

2. Job Related Classes at MCC

If the employee and the employee's supervisor believe that a course is directly related to the job function of the employee, a "Fee Waiver" form will be completed and submitted to the President's labor relations designee, prior to enrollment in the course. If approved, the College will assume all lab fees and additional course fees only. Books will still be the responsibility of the employee. The approval to waive these fees will be neither grievable nor arbitrable. This benefit only applies to active employees and does not include their legal dependents who may be receiving tuition waiver privileges.

3. Credit-By-Exam

Employees covered by this Agreement are entitled to a credit-by-examination fee waiver not to exceed two-hundred twenty-five (\$225) dollars per examination.

ARTICLE 5 - EMPLOYEE FRINGE BENEFITS (cont.)

4. Certification/License

When an employee is required to maintain certification or a license in order to continue in the position the employee currently occupies, the fees which are mandated by the certifying or licensing body for continuation of the certification or license will be paid by the College to a maximum amount of two hundred twenty-five dollars (\$225) per fiscal year.

5. Vocational/Technical

Members of the Bargaining Unit may take courses at an accredited vocational or technical school if the course is directly related to the employee's job duties. The College will reimburse the Bargaining Unit member a sum not to exceed two hundred twenty-five dollars (\$225) per fiscal year, provided:

- a. The course is not offered at Middlesex County College.
- b. Classes are not during working hours.
- c. The immediate supervisor and the President's labor relations designee agree that the course is job-related and are informed, prior to enrollment in the class.
- d. The employee must be employed during the entire time the class is taken.
- e. Upon successful completion of the course in a class that is pass/fail, or receipt of a "C" or better in a graded class, documentation must be submitted to the President's labor relations designee. At this time the allowable reimbursement for the cost of the course will be processed.

Step One: Informal - Immediate Supervisor

Within fifteen (15) working days of the time a grievance arises or within fifteen (15) working days of the date when the grievant should know of its occurrence, the employee either directly or accompanied by a steward, will present the grievance informally to the immediate supervisor.

Within fifteen (15) working days after presentation of the grievance, the supervisor will render a decision in writing to the employee and the steward.

ARTICLE 16 - GRIEVANCE PROCEDURE (cont.)

Step Two: Formal – Designated Management Representative

Within fifteen (15) working days of the written answer, if the grievance is not resolved, it shall be submitted in writing and filed with the designated Management Representative.

The Management Representative will arrange a meeting at a mutually agreeable time and place not later than fifteen (15) working days after receipt of the written grievance. The aggrieved party and steward shall be entitled to be present at the meeting.

The Management Representative shall give a written answer to the grievance to the employee and the Union within fifteen (15) working days after the meeting, or within such additional period of time that may be mutually agreed upon.

A group grievance, one that may affect a group of employees, may be presented by the Union at Step Two.

Step Three: President's Labor Relations Designee

Within fifteen (15) working days after receiving the decision of the Management Representative, an appeal of the decision may be made by the Union or the employee to the President's labor relations designee. It shall be in writing and accompanied by a copy of the decision at Step Two.

No later than fifteen (15) working days after receipt of the appeal, the President's labor relations designee shall hold a hearing on the grievance.

Within fifteen (15) working days after the hearing, the President's labor relations designee shall render a decision in writing.

Step Four: Final and Binding Arbitration

In the event that a grievance cannot be satisfactorily settled in the foregoing steps, either the College or the Union may appeal the dispute within twenty (20) working days to arbitration.

The aggrieved party shall propose in writing a statement of the issue involved, and the parties shall attempt in good faith to agree upon a joint stipulation of the issue. Absent such Agreement, each party shall submit to the arbitrator its own statement of the issue.

The arbitrator shall conduct a hearing at a mutually satisfactory time and place, but not later than thirty (30) days after filing for arbitration.

The decision of the arbitrator shall be rendered within twenty (20) days of the hearing and shall be final and binding for the duration of the Agreement on the College, the Union and the employee or employees involved, subject to the limitations specified in this Agreement. Arbitration awards or grievance settlements will not be made retroactive beyond the date of occurrence or nonoccurrence of the event upon which the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance was filed at Step Two.

ARTICLE 16 – GRIEVANCE PROCEDURE (cont.)

The expenses and fees of the arbitrator shall be shared equally by the College and the Union.

The arbitrator's function is to interpret the provisions of the Agreement and to decide cases of alleged violation of such provisions. The arbitrator shall not supplement, enlarge or alter the scope or meaning of the Agreement and/or provisions therein, nor entertain jurisdiction of any subject matter not covered by the Agreement. If, in the arbitrator's opinion, he/she has no power to rule on the issue submitted, the arbitrator shall refer the issue back to the parties without decision.

C. MISCELLANEOUS

1. Hearings and meetings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend.
2. When a group grievance is filed, Union representatives and grievants, not to exceed a total of fifteen (15), may appear at each step of the grievance procedure, commencing at Step Two.
3. Time limits provided in this grievance procedure may be extended by mutual Agreement
4. The grievance procedure established here shall be the sole and exclusive remedy available to an employee or the Union for resolving disputes arising under this Agreement. If any subject matter which is or might be alleged as a grievance is instituted in any administrative action before a governmental board or agency, then such administrative procedure shall be the sole remedy and a grievance under this Agreement shall no longer exist.
5. The party demanding arbitration shall request that the New Jersey Public Employees Relation Commission appoint an arbitrator in the manner set forth in the law governing these matters.

D. INFORMAL DISCUSSIONS

An employee who has a complaint or dispute related to terms and conditions of employment which does not stem from a question of the interpretation, meaning, application, or claimed violation of this Agreement, has the right to discuss that complaint with his or her immediate supervisor in an effort to seek a mutually satisfactory solution to the problem. If the complaint cannot be resolved with the supervisor, the employee is entitled to discuss the problem with the department or division head. If the situation cannot be resolved at this level, the employee is free to bring the problem to the President's labor relations designee, who will attempt to bring the appropriate parties together to find a solution to the problem. The employee may at his/her discretion be accompanied by a Union Representative at any of the aforementioned discussions.
