Under any circumstances, negotiations shall begin by November 15, 1973.

ARTICLE II Rights of the Union

- A. The Union may use College building facilities for meetings provided that such use shall not interfere with or interrupt normal College operation, and subject to agreement by the Administration as to the reasonableness of time and location selected. Such agreement shall not be unreasonably withheld.
- B. Duly authorized representatives of the Union shall be permitted to transact official Union business on College property, provided that this shall not interfere with or interrupt normal College operations, and subject to agreement by the Administration as to the frequency and reasonableness of time or times selected. Such agreement shall not be unreasonably withheld.

ARTICLE II Rights of the Union (Continued)

- C. The Union may post notices and other materials relating to Union activities on College bulletin boards, subject to the following regulations: all material posted must include a removal date, the name of the responsible party, and must be no larger than 14" X 22". The Union may make reasonable use of the College mailing services, exclusive of the College postage meter, and the faculty mailboxes.
- D. The Board agrees to furnish to the Union as soon as possible upon request to the President, the following documents:

Nothing herein contained shall be construed to require the Board to provide any information not already available to it, or to provide such information in any form other than that in which it would be normally provided to or by the Board or College administration, nor prior to the time it would normally be provided.
- G. The assigned faculty office of the Union Chairman shall be deemed to be the official office of the Union. Board agrees to assign no other faculty members to said office. Union may install necessary equipment, owned by it, in said office.
- (1) The Board agrees to provide one used electric typewriter to the Union within thirty (30) days of the execution of this agreement. Within the term of this agreement, the Union shall have the right to purchase from the Board any office equipment which is about to be replaced at a price equal to the trade-in value of said equipment.

## ARTICLE II Rights of the Union (Continued)

- L. The Board will deduct from the pay of each member of the bargaining unit from whom it receives written authorization signed by the member to do so, the required amount of monthly Union dues. The dues and a list of employees from whose pay they have been deducted shall be forwarded to the Treasurer of the Union not later than ten (10) days after such deductions have been made.

## ARTICLE III Rights of the Faculty

- A. It is hereby mutually agreed that each non-tenured member of the bargaining unit shall be evaluated at least twice annually; and that each tenured member of the bargaining unit shall be evaluated at least once annually; and that a copy of a written report of each such evaluation shall be furnished to him within fourteen (14) days. All faculty evaluations performed by supervisory personnel will be discussed with the faculty member and signed by him acknowledging discussion prior to being placed in his file. Any such material may be answered by the faculty member and such answer shall be attached to the evaluation in the file. No files shall be kept to which the member may not have access if the material therein refers to him and he may obtain copies of all such material. Exceptions to the above shall be:
  - (1) Any material predating his date of employment with the College.
  - (2) Any material originating with the member himself.
  - (3) Any material a copy of which has previously been made available.
- B. Classroom observations:

## ARTICLE III Rights of the Faculty (Continued)

## B. Classroom observations: (Continued)

- (2) A faculty member may also be observed by a peer of the faculty member chosen by the Union. The peer shall be from the same department. In the event that the department consists of the chairman and only one faculty member, the peer may be selected from a related department within the same division. The report of the peer observation of the faculty member shall be attached to that of the chairman; and in the event the faculty member is recommended for promotion, the peer report shall be attached to said recommendation to be reviewed simultaneously by Dean, Vice-President, and the President in turn.
- (3) Classroom observations must be based on observable instructional criteria provided in advance by the department chairmen.
- (4) Classroom observations of non-tenured members of the bargaining unit shall take place twice annually and those of each tenured member of the bargaining unit at least once and no more than twice annually. However, further observation visits may be made by academic supervisors. In the event such further visits are made, the Union shall be notified before each visit is made and the supervisor shall make a report of the visit. A copy of the report shall be filed with the Union. A department chairman shall honor requests for additional classroom observations.
- (5) The observation reports must contain a conclusive statement either positive or negative of the classroom observation. In the event the department chairman's evaluation is negative, a follow-up observation will be made by the department chairman. The department chairman will notify the faculty member of the date and time of the follow-up observation at least three (3) days in advance. The faculty member may request that the Union select a peer to accompany the department chairman at this follow-up observation.
- (6) A copy of a written report of each observation shall be furnished to the faculty member within fourteen (14) days.
- (7) All classroom observations performed by department chairmen shall be discussed with the faculty member and signed by him acknowledging discussion prior to being placed in his file.

## C. Preference for adjunct positions:

- (1) Members of the bargaining unit shall have preference for teaching at night and during summer of 1972 and 1973 sessions to the extent of two courses per semester.
- (2) Irrespective of otherwise established rates, such members of the bargaining unit shall receive \$269.00 per contact hour. If the standard rate paid to outside teachers for adjunct services exceeds \$269.00, bargaining unit members shall be paid said higher rate.
- (3) This provision in no way grants recognition to the Union as collective bargaining representative of the adjunct faculty.

## D. Members shall not be required to work in unsafe or hazardous conditions nor to perform tasks which endanger their health or safety.

## E. Assignments:

- (1) A faculty member will not be assigned in an area in which he lacks preparation, except in cases where the faculty member, the administration and the Union agree this could be to the mutual advantage of the faculty member and the College.
- (2) Any faculty member who assumes administrative duties and subsequently returns to instructor status shall resume all rights and privileges he would have had if he had continued in the faculty status without interruption.

## ✓ F. Voice or Image Reproduction:

Under no circumstances will audio or video tapes or computer programs be used to reduce the number of teaching positions existing at the College in May, 1972, or to deprive any present faculty member of his teaching position.

It is understood and agreed that audio-video tapes, computer programs or other auto-tutorial devices may be used on the campus in 1972-74. It is also understood that large lecture sessions may be scheduled and that various other scheduling techniques may be used to maximize the benefits of advancing technology.

Before any change is made with respect to the present approach or methods of teaching a significant part of a course utilizing voice or image reproduction, including the utilization of large lecture sections using voice or image reproduction, it shall be reviewed by a committee consisting of four (4) faculty members appointed by the Union, four (4) administrators appointed by the Vice-President for Academic and Student Affairs, and the Dean of the Division involved, who shall chair the committee.

## ARTICLE III Rights of the Faculty (Continued)

## F. Voice or Image Reproduction: (Continued)

It shall be the duty of said committee to investigate the proposal, and to determine whether or not the proposed use of voice or image reproduction to teach a significant part of a course would reduce the number of teaching positions existing at the college in May, 1972, would deprive any faculty member of his teaching position, or would in any way modify or alter the terms and conditions of this agreement, and upon the committee's determination, the aforesaid proposed method of teaching a course should or should not be recommended to the Vice-President for Academic and Student Affairs for his implementation. If the committee, by a two-thirds (2/3) majority vote, recommends implementation to the Vice-President for Academic and Student Affairs, the proposal may be implemented and if the proposal fails to gain the two-thirds (2/3) majority vote, the proposal shall not be implemented within the term of this agreement, nor shall the proposal be initiated by non-bargaining unit members. The decision of the committee shall be final and binding upon Union and Board for the term of this agreement.

When the Board desires a bargaining unit member to make a tape or to produce a computer program, or when a bargaining unit member is interested in making a tape or producing a computer program, the Board and the teacher shall negotiate all terms and conditions involved in the production thereof, and the teacher shall have the right to be represented in the negotiations by any internal or external representative. The teacher shall be given the copyright ownership, and may, on his own initiative, and assuming complete individual legal responsibility, market the individual program. The Board maintains the right of usage for any educational programs sponsored by the college for a period of three (3) years in return for the use of college time and equipment. In the event either the Board or an individual bargaining unit member initiates a request for a tape to be made, a duplicate copy of such request shall be forwarded by the Board to the Union.

The tapes and computer programs referred to above include only those involving material created by the faculty member or including his voice or image thereon.

Bargaining unit members may make audio-video tapes or computer programs for any educational programs at Middlesex County College at any time convenient to them, subject to the availability of facilities and supportive staff.

No faculty member shall be obligated by any administrative directive to use any particular method or approach to teaching in his assigned course provided that the teacher follows the stated course objectives.

The above committee shall be convened at the request of any member within ten (10) days of the request. In the notice the member shall state his belief that the proposal may reduce the number of teaching positions existing at the college in May, 1972, may deprive a faculty member of his teaching position or may modify or alter the terms and conditions of this agreement, and the reasons therefor.

## ARTICLE III Rights of the Faculty (Continued)

## F. Voice or Image Reproduction: (Continued)

In case of the absence of any member of the committee for any reason whatsoever, the Union or Board will select an alternate to attend said meeting.

## G. Academic Freedom:

Members of the bargaining unit shall be guaranteed academic freedom.

## H. Members' Schedule of Classes:

- (1) Teaching faculty schedules of classes, to the maximum extent possible, shall be so arranged that faculty members fulfill their workload commitments in four (4) days, except when a bargaining unit member requests a five (5) day program, or when a class meets five (5) days of the week. Two (2) Union representatives shall have the right to discuss these schedules with the Vice-President for Academic and Student Affairs, three (3) weeks prior to finalizing schedules. Preference for four (4) day schedules shall be given on the basis of seniority within subject matter areas if it is not possible to give such programs to all members.
- (2) Programs shall be issued to 95% of the teaching faculty at least three (3) weeks before the beginning of each semester, subject to change for unforeseeable reasons. Faculty shall be free to exchange teaching assignments, provided that the transferees are qualified to teach the course, subject to the approval of the Department Chairmen.
- (3) Teaching faculty shall not be required to be present at the College on days when they do not have teaching assignments except as otherwise required by this agreement.
- (4) Teaching faculty members shall not be required to be in attendance during Christmas and Spring recess, or on public holidays or during intersession or at other times when classes are not in session except when required to do so by the calendar.
- (5) The President of the Union shall be permitted to check all faculty schedules in the office of the Vice-President for Academic and Student Affairs within three (3) days of the date they are issued to the faculty.
- (6) In cases where any course had not been taught within three (3) years by the instructor, the instructor shall receive not less than sixty (60) days notice of the assignment.

## ARTICLE III Rights of the Faculty (Continued)

## I. Vacancies:

- (1) Notice of any professional position vacancy, covered by this agreement, administrative or faculty, shall be circulated to the members of the faculty at least ten (10) days prior to its publication elsewhere. This provision shall not apply in the case of a vacancy created by the resignation of a bargaining unit member with less than thirty (30) days notice.
- (2) All bargaining unit members who are applicants for such opening shall be notified of the disposition of their applications prior to publication of the name of the successful applicant.
- (3) If the Board hires a new employee at a rank or rate of pay higher than that of a present employee in the department with equivalent academic training and years and types of experience, said present employee shall be promoted to the rank and/or pay of the newly hired employee. Initial determination shall be made by the President subject to review under the grievance procedure provided herein.

## J. Outside Activities:

Any lawful activity by any member of the bargaining unit, shall not affect in any way his employment with the institution nor shall he be subject to reprimand therefor.

## K. Admission to Courses:

- (1) Faculty members are to be granted tuition free entrance for credit to any classes at Middlesex County College they desire, so long as there is no conflict with their own assignment.
- (2) Faculty dependents (including husband or wife, children or legally adopted children or other related members of the household) are to be granted tuition free entrance for credit to any classes at Middlesex County College for which they meet entrance requirements.

- L. A member shall at all times be entitled to have present a representative of the Union when he is being reprimanded, warned, or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to such faculty member until such representative of the Union is present. Such Union representative shall be provided within seventy-two (72) hours of demand. The Union representative may participate in any aspect of such a meeting.

## ARTICLE III Rights of the Faculty (Continued)

- M. If a member of the bargaining unit wishes to initiate a discussion with any supervisor relative to rights under the contract, he shall be entitled to have present and be represented by a representative of the Union.
- N. Bargaining unit members may request a change in the time and location of a class. Such request shall be directed to the Department Chairman who shall investigate the feasibility of the requested change by determining from the Registrar whether a classroom is available at the proposed new time and with the students as to whether they all concur or not.
- O. When the majority of those teaching a particular subject determine that it would be better taught in two (2) seventy-five (75) minute periods than in three (3) fifty (50) minute periods, and if the Department and Division Chairmen and Vice-President for Academic and Student Affairs concur, the subject shall be scheduled accordingly.
- P. Any member of the bargaining unit may be employed by others, or himself conduct a business or profession off campus, and this is not within the concern of the Board or its agents; but each faculty member shall limit all outside activities to the extent necessary to prevent impairment of his educational effectiveness at Middlesex County College.
- Q. The Board shall provide adequate office space and equipment for each instructor. Adequate equipment shall include one desk, one file cabinet, one bookcase, one desk chair, and one visitor's chair, equivalent to the equipment provided for faculty in 1969-70. ## ARTICLE III Rights of the Faculty (Continued)

T. The Board shall provide clerical assistance adequate to meet the needs of the faculty.

U. Textbooks and Other Teaching Materials:

Where multiple selections occur, faculty members involved shall, by majority vote, select the texts to be used. Selection shall be submitted on or before the date designated by the Vice-President for Academic and Student Affairs.

V. Travel:

Whenever personal transportation by automobile is required as a part of the regular duties of a faculty member, a college vehicle shall be used. If a college vehicle is unavailable, the faculty member may, at his option, use his personal vehicle in which event the Board will pay twelve (12¢) per mile from campus to destination and return, and will be responsible for indemnification pursuant to N.J.S.A. 18A:16-6, et. seq.; or use public transportation at Board expense, excluding taxis except under extenuating circumstances. - (2) If the grievance cannot be resolved by consultation between the student and faculty member, the assigned faculty advisor shall mediate between them.
