- 2.2 The Chief School Administrator of Schools shall inform each Administrator in writing, prior to his/her recommendations to the Board of Education, of his/her rehiring, salary recommendations.

**Article III - Grievance Procedure**

3.1 Definition

A grievance shall mean a complaint of a personal loss by an Administrator (1) that there has been as to him/her a violation, misinterpretation or inequitable application of any of the provisions of the Agreement or (2) that he/she has been treated unfairly or inequitably by reason of any act or condition which is contrary to established Board policy, change in job description or administrative decision governing or affecting Administrators. However, the term "grievance" shall not apply to any matter (a) which is a complaint of a non-tenured Administrator arising by reason of his/her not being re-employed, or (b) a matter affecting an Administrator arising by the reason of the application of any rule or regulation of the State Commissioner of Education. A grievance to be considered under this procedure must be initiated by the Administrator within thirty (30) calendar days from the time when the Administrator knew or should have known of its occurrence. As used in this definition, the term "Administrator" shall mean also a group of Administrators having the same grievance.

### 3.2 Purpose

Any individual Administrator or group shall have the right to present a grievance affecting him/her. With respect to his/her personal grievances, he/she shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her grievance. He/she shall have the right to present his/her own grievance or to request a representative, and the Association shall appoint the representative. The Administrator has a right to have a representative appear with him/her commencing with Level Two and all subsequent levels of the grievance procedure.

### 3.3 Procedure

A. Level One: Any Administrator or group of Administrators who have a grievance shall discuss it with his/her immediate superior, in an attempt to resolve the matter on an informal basis.

B. Level Two: If, as a result of the informal discussion with the immediate superior the matter is not resolved to the satisfaction of the Administrator(s) within seven school days, he/she shall set forth his/her complaint in writing to the Chief School Administrator stating:

1. the nature of the grievance;
2. the nature and extent of the loss, injury or inconvenience
3. the results of previous discussions;
4. his/her dissatisfactions with the decisions previously rendered;
5. grievance includes proposal for remediation.

C. Level Three: Upon request by the Administrator, the Chief School Administrator shall have a conference with the Administrator and his/her representative if any. The Chief School Administrator shall attempt to resolve the matter as quickly as possible but within a period not to exceed seven school days. The Chief School Administrator shall communicate his/her decision in writing to the individual and the Association.

D. Level Four: If the grievance is not resolved to the Administrator's satisfaction, he/she may request a review by the Board within seven school days. The request shall be submitted in writing through the Chief School Administrator of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance, hold a hearing with the Administrator, if requested by the Administrator, and render a decision in writing setting forth its reasons to the Administrator and the Association within fourteen school days.

E. Level Five:

1. If the grievant is not satisfied with the disposition of the grievance at Level Four, the Association may submit one grievance per year to advisory arbitration not later than fifteen (15) school days after receipt of the decision by the Board.
2. Within ten (10) school days after such submission for arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator, either shall request the Public Employment Relations Commission to appoint an arbitrator.
3. The arbitrator shall confer with the representative(s) of the Board and of the Association and shall proceed with a hearing, and shall submit a written report in the shortest possible time setting forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision, which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision' of the arbitrator shall be advisory only to the Board and the Association.
4. The cost of the services of the arbitrator, including the per diem expenses and actual necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
5. If time is lost by any Administrator due to arbitration proceedings necessitating the retention of a substitute, the Board will pay only the cost of the substitute, the time lost by the Administrator must either be without pay or charged to personal time; however, if the arbitrator subpoenas an Administrator to attend the arbitration proceedings as a witness, this Administrator shall not suffer loss of pay.
- 3.4 Failure at any step of this procedure to communicate the decisions on a grievance within step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at the step. However, either party may request one extension of ten school days at Level Four, and if either party requests it, it shall be granted.
- 3.5 It is understood that Administrators shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- 3.6 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
- 3.7 In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, then the time limits shall be established by counting the weekdays following the end of the school year as school days.

- c. Administrators shall be given a written accounting of their accumulated sick leave days not later than September 15<sup>TH</sup> of each school year.

For not more than one of the personal business leave days requested, an Administrator may specify as the listed reason "a matter of such personal concern that it cannot be disclosed."

### **C. Personal Illness**

The application shall be accompanied by a physician's certificate attesting to the fitness of the Administrator to resume his/her assigned duties. I. **Restriction**

No leave of absence shall be granted for employment in another business or occupation.
