MISSION STATEMENT

The Lakewood Administrators Association and the Lakewood Board of Education recognize that the primary goal of the Lakewood Public Schools is to provide its students with the highest quality educational experience possible. To that end, the Administrators' Association and the Board of Education further recognize that all individuals engaged in supporting and providing instruction to the Lakewood student body should exhibit personal and professional accountability for the educational growth and success of the students in their charge.

ARTICLE I
RECOGNITION

The Lakewood Board of Education hereby recognizes the Lakewood Administrators' Association as the exclusive representative for collective negotiations concerning terms and conditions of employment for all certificated administrators who are directly employed by the Board in the following positions:

Including: All principals, assistant principals, directors and supervisors.

Excluding: All other certificated staff members, and all non-certificated employees.

Unless otherwise indicated, the term "administrator" when used hereinafter in the Agreement, will refer to all professional employees represented by the Association in the negotiating unit as above defined.

ARTICLE II
NEGOTIATION OF SUCCESSOR AGREEMENT

The parties agree to enter into collective negotiation in accordance with the provisions of Chapter 123, Public Laws 1974 and a good faith effort to reach agreement concerning the terms and conditions of administrators' employment. Negotiations will begin no later than November 1st of the calendar year proceeding the calendar year in which this Agreement expires.

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III
GRIEVANCE PROCEDURE

Any member or class of members of the Association or representatives of the Association shall have the right to assert a claim through administrative channels based upon the interpretation, application or violation of this Agreement, policies or administrative decisions affecting terms and conditions of employment. With respect to his/her personal grievances, he or she shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal. He or she shall have the right to present his/her own appeal or designate representatives of the Lakewood Administrators' Association or another person of his/her own choosing to appear with him/her or for him/her in any step of his/her appeal.

Step One:

All grievances will be discussed informally with the immediate supervisor, and if not resolved moved to Step 2.

Step Two:

All grievances by an administrator shall be submitted to the Superintendent of Schools and shall be placed in writing specifying:

- a) The Nature of the grievance;
- b) The nature and extend of the injury, loss or inconvenience;
- c) The result of previous discussion;
- d) His/her dissatisfaction with the decisions previously rendered; and
- e) The specific relief sought

The grievance must be filed within fifteen (15) school days of the attempt at an informal settlement. The Superintendent or designee has fifteen (15) school days to respond in writing to the grievance.

Step Three:

If the Superintendent does not settle the grievance at Step 2, then the grievance and all associated material shall be submitted to the Board of Education within fifteen (15) school days. The Board of Education or a committee thereof shall meet with the Superintendent or designee, the Association President and/or grievance committee chairperson, and grievant. The Board and the Association retain the right that either side may have representatives present. The matter shall be heard in closed session no later than the second Board meeting after receipt of the grievance by the Board Secretary. Any timeline herein specified may be extended by mutual agreement of the parties, in writing. If the matter is not resolved, the Association may move the grievance to Step Four, Binding Arbitration.

Step Four:

At the request of the Association, only grievances asserting a claim based upon the interpretation, application, or violation of the express terms of this Agreement shall be submitted to binding arbitration. Any claim based upon the nonrenewal of a non-tenured administrator shall not be subject to arbitration, except as permitted by statute. All parties are bound by the rules of the PERC with respect to selection of an arbitrator and its procedures.

The decision of the arbitrator will be accepted as final and binding by the parties. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can add nothing to nor subtract anything from the Agreement between the parties.

The costs for the services of the arbitrator, including per diem expenses, if any, and the actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this article.

If the grievant is successful, all references to the grievance shall be removed from the grievant's personnel file.

ARTICLE IV
SICK LEAVE

All members of the Lakewood Administrators' Association shall be entitled to one (1) sick day for each month of their yearly employment contract: e.g., twelve (12) month employment contract equals twelve (12) sick days per year. Said days shall be available to the employee at the commencement of the employee's work year. Unused sick leave days shall be accumulated from year to year with no limit.

For example, after five (5) complete years of service, the administrator is eligible for ten (10) days of additional sick leave; after nine (9) complete years of service, the administrator is eligible for thirty (30) days of additional leave. Additional leave may be requested through the Superintendent. The rate of pay will be pro-rated at one-half (1/2) of the regular salary for each additional sick day used.

In the event of extreme personal illness or documented similar crisis, an administrator may, with the approval of the Board of Education, draw upon his/her bank of accumulated leave days, provided that all available sick leave, vacation and personal leave time has been exhausted.
