- 1.2 Excluded are:
- A. Seasonal Employees
 - B. Part-time Provisional and Temporary Employees
 - C. Managerial Executives
 - D. Policemen

 - H. All Non-Supervisory Employees

ARTICLE 2
MANAGEMENT RIGHTS

It is recognized that the management of the Township, the control of its properties and the maintenance of order and efficiency, are solely the responsibility of the Employer. Accordingly, the Employer retains all rights, including, but not limited to the following rights. Select and direct the working forces, including the right to hire, suspend, or discharge for just cause; to assign, promote or transfer; to determine the amount of

overtime to be worked; to relieve employees from duty because of lack of work; to decide the number and location of its facilities, stations, etc.; to determine the work to be performed within the Unit; maintenance and repair; amount of supervision necessary; machinery and tool equipment methods; schedules of work together with the selection, procurement, designing, engineering and the control of equipment and materials; to purchase services of others; to contract or otherwise, except as they may be otherwise specifically limited in this Agreement.

ARTICLE 3

GENERAL PROVISIONS

- 3.1 The CWA Local 1032 Staff Representative shall be notified in writing by the Employer or its designee of any changes affecting personnel due to transfer or promotion within a reasonable time after the issuance of such notice in order to conform more closely with Civil Services rules and regulations.
- 3.2 The Employer will provide one (1) bulletin board per building in a place designated by the Employer to the Union for its exclusive use.
- 3.3 The Employer agrees that, during working hours on Township premises and without loss of pay, Union representatives shall be allowed to: post Union notices; accept Union membership during all employees' non-working time; attend negotiation meetings; transmit communications authorized by the Union or its officers to the Employer; and consult with the Employer or other Union representatives concerning the enforcement of any provisions of this Agreement. Representatives of the Union, who are not employees, shall be admitted on the premises of the Employer.
- 3.4 The Employer shall have the right, at its discretion, to apportion work by contract or sub-contract to employees or others, as it may see fit in order that the services to be performed

by the Employer may be carried out for the benefit of the public, which determination shall not be subject to the grievance procedure. Such contracting or sub-contracting of work performed by the Township employees should not result in layoffs of any employees covered by this Agreement.

- 3.5 Employees have the responsibility to notify their supervisor in accordance with departmental regulations prior to the beginning of the employees starting time if they are to be tardy or absent. If for some reason the employee is unable to call prior to his starting time, he must make a notification within the first hour of work except in a continuous operation. Continuous operation employees will be required to call prior to the start of the shift, or will be subject to disciplinary action.
- 3.6 Upon request and with reasonable notice, an employee shall have an opportunity to review and examine his personnel file. The Employer has the right to have such review and examination take place in the presence of a designated official. The employee may file a written response to any memorandum or document which is derogatory or adverse to him. Such response will be included in the personnel file, attached to and retained with the document in question. If any material is derogatory or adverse to the employee, a copy of such material may be sent to the employee upon his request.
- 3.7 The Employer will make a reasonable effort for the safety and health of its employees and will provide employees with wearing apparel, tools or devices deemed necessary in order to ensure their safety and health. When such materials are issued, it is the employees' obligation to use them. The Employer and the Union shall endeavor to designate a safety committee member from each of its departments covered under this Agreement. It shall be the joint responsibility of the safety committee to investigate and correct unsafe and unhealthy conditions in general, and to make recommendations to either or both parties, when appropriate. The Employer will provide the Union's safety committee member reasonable time to investigate safety and health complaints in his department during his

working hours at no loss of pay. The employee must first obtain permission from his immediate supervisor and it is understood that during his investigation he will not interfere with the work assignments of others. The Employer's safety committee member will accompany the Union representative on his investigation.

- 3.8 It is agreed that the parties shall refrain from the commitment of any unfair practice and it is further agreed that the requirements of negotiability, as set forth in statutes and amendments thereto, shall guide the conduct of the parties during the term of this Agreement.

These agreements are not intended to limit the freedom of speech of the Union or its members.

- 3.9 The Employer and the Union agree that they will not discriminate against nor harass employees from either management or the Union.

The Employer and the Union agree not to interfere with the rights of employees to become or not to become members of the Union and further that there shall be no discrimination or coercion against any employees because of Union membership or non-membership. The Union recognizes its responsibility as the exclusive representative for all employees in the Unit without discrimination.

- 3.10 Upon receipt of a lawfully executed written authorization from an employee, the Employer agrees to deduct the regular monthly Union dues of said employee from his paycheck. This deduction will be submitted to a Union official so designated in writing to receive such deductions. The Union will notify the Employer in writing of the exact amount of such regular membership dues to be deducted. This authorization shall be irrevocable during the term of this Agreement.

Nothing in the foregoing Sections shall be construed in a manner inconsistent with the U.S. Supreme Court's decision in Janus v. AFSCME, 138 S. Ct. 2448; 201 L. Ed. 2d 924 (2018), or with respect to any employee's rights thereunder to opt out of the foregoing.

Deduction of Union dues made pursuant hereto shall be remitted by the Township to the Union, c/o Treasurer, Communications Workers of America, AFL-CIO, LOCAL 1032 67 Scotch Road, Ewing, NJ 08628, by the tenth (10th) day after the deductions are made or as soon as practicable in the month following the calendar month in which such deductions were made.

- 3.11 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer or the Union under the provisions of this Agreement.
- 3.12 The Union has sole right and discretion to designate Shop Stewards and specify their respective responsibilities and authority to act for the Union. The Employer agrees to recognize a reasonable number of Union Shop Stewards (minimum 3) as mutually agreed to by the Employer and the Union. The Employer will appoint appropriate representatives of management who will respond to the Union in grievance procedure or other designated functions. Should conflict arise, the parties agree to resolve the conflict through further discussion.
- 3.13 Common Dignity and Respect Clause: The Employer and the Union agree that the work environment shall be characterized with respect for the common dignity to which all individuals are entitled. It is agreed that verbal and/or physical harassment of an employee is inappropriate.

ARTICLE 4

GRIEVANCE PROCEDURE

4.1 Grievance Defined: Grievances are contractual if based on a breach, misinterpretation or improper application of the terms of this Agreement; or are non-contractual if based on a claimed violation, misinterpretation or misapplication of rules or regulations, existing policy, or orders affecting the terms and conditions of employment applicable to the agency or department head which employs the grievant.

4.2 Purpose: The purpose of this procedure is to assure prompt and equitable solutions to problems arising from the administration of this Agreement or other conditions of employment and to provide an exclusive vehicle for the settlement of employee grievances under Civil Service Rules.

4.3 Matters Beyond the Scope of Grievability:

When a grievance involves an alleged violation of rights and privileges specified in Civil Service Laws and rules, for which there are specific appeals to Civil Service, the employee shall present his complaint to Civil Service directly. The Union may represent the employee and its representative may be an attorney.

Whenever a permanent employee shall be disciplined for just cause up to and including removal as set forth in but not limited to Civil Service Rules 4:1-16.7 & 16.9, he shall appeal such action directly to Civil Service. The Union may represent the employee and its representation may be an attorney. In all minor disciplinary actions not appealable to the Civil Service Commission, employees may use the grievance procedure as an appeal process. Such grievances shall be processed starting at Step 2 of the grievance process and ending in binding arbitration. However, written reprimands may not be submitted to binding arbitration.

If the Employer imposes discipline, written notice containing specifications of the nature of charges and the nature of the discipline shall be given to the employee. The name of any employee so notified shall be transmitted to the Union President and Union Branch President within 48 hours after the notice is issued to the employee.

Any disciplinary matter of less severity (e.g. reprimand, suspension of five (5) days or less, or fines of less than six (6) days pay) than those from which appeal may be made to the Civil Service Commission may be the subject of an appeal filed through the grievance procedure.

- A. A grievance must be filed initially within fifteen (15) working days from the date on which the act which is the subject of the grievance occurred or fifteen (15) working days from the date on which the grievant should reasonably have known of its occurrence. Where a grievance exclusively involves an alleged error in calculation of salary payments, the grievance may be timely filed within thirty (30) calendar days from the time the individual should reasonably have known of its occurrence. Other references to days in this process are working days.
- B. Time limits under this Article may be changed by mutual agreement and requests for extension of time limits will not be unreasonably withheld.
- C. If the finding or resolution of a grievance at any step in the procedure is not appealed within the prescribed time, said grievance will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review.
- D. Where the subject of a grievance suggests it is appropriate and where the parties mutually agree, such grievance may be initiated at or move to step 2 or step 3 without a hearing at a lower step.

- E. Where a grievance directly concerns and is shared by more than one grievant, such group grievance may properly be initiated at whichever is the first level of supervision common to the group, with the mutual consent of the parties. The presentation of such group grievance will be by the appropriate Union representative and one of the grievants designated by the Union. Where individual grievances concerning the same matter are filed by several grievants, it shall be the option of the Employer to consolidate such grievances for hearing as a group grievance.
- F. Time-off for grievance hearings will be granted to the grievant (1), the Union employee representative, and a reasonable number of witnesses without loss of pay for the time of appearance and travel time if the hearing is held during their normal scheduled working hours.
- G. Union representatives may have the right to question any witnesses who appear at any step of this procedure.
- H. It is agreed that an employee in the use of this grievance procedure shall not be coerced, intimidated or suffer any reprisal, either direct or indirect, as a result of such use.
- I. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration or to represent an employee before Civil Service. The Union's decision to request the movement of any grievance at any step or terminate an employee's grievance at any step shall be final as to the interest of the grievant and the Union.

J. No grievance settlement reached under the terms of this Agreement shall add to, subtract or modify any terms of this Agreement or existing laws and any grievance so adjusted shall have no force or effect.

4.4 **Grievance Steps:**

Step 1

An employee may orally present and discuss his problem with his department head on an informal basis. If the matter is not resolved informally, the grievant may present a grievance in writing to the department head, who shall hear the grievance. The grievant may be represented by a Union employee representative. Witnesses may be heard and pertinent records received.

Decisions after the scheduled hearing shall be in writing to the grievant within three (3) days after the conclusion of the hearing. Should the grievance not be satisfactorily resolved or should there be no response within the three (3) days, the grievant may then exercise the option within seven (7) days to proceed to the next step.

Step 2

If the grievant is dissatisfied with the decision from Step 1, the CWA Staff Representative may present the grievance in writing to the Business Administrator or designee, who shall hear the grievance. Witnesses may be heard and pertinent records received. The grievant may be represented by the Union non-employee representatives and/or an employee representative.

Decisions after the scheduled hearing shall be in writing to the grievant within three (3) days after the conclusion of the hearing. Should the grievance not be satisfactorily resolved or should there be no response within the three (3) days, the grievant may then exercise the option within seven (7) days to proceed to the next step.

Step 3

A. Civil Service Review

If the grievant is dissatisfied with the disposition of a non-contractual grievance by the Business Administrator or designee, he, may appeal the grievance to the Civil Service Commission for a review if the grievance does not involve an arbitrable dispute. When the review is scheduled, the grievant may be represented by Union representatives and/or an employee representative. Witnesses may be heard and pertinent records received.

B. Arbitration

If no settlement of a contractual grievance is reached between the parties and if the grievance involves an arbitrable dispute, either the Employer or the Union, or both, may move the grievance to arbitration within 30 days from the time the answer in writing from either was due.

Any party wishing to move an arbitrable grievance to arbitration shall notify the Public Employment Relations Commission that they are moving the grievance to arbitration and request a list of arbitrators to be furnished to the Employer and the Union. If the Employer and the Union cannot mutually choose a satisfactory arbitrator within 30 days after receiving the list, the Commission shall appoint an arbitrator to hear the matter and render his award in writing. The award shall be final and binding. The cost of the arbitrator's fees shall be shared by the Employer and the Union. The arbitrator shall interpret this Agreement as written and shall not alter, amend, or add to the terms of this Agreement.

C. Appeal

A grievance may be appealed by either of the aforementioned processes but not to both.

ARTICLE 5
HOURS OF WORK

5.1 **Workweek**

The workweek shall consist of 5 consecutive days, Monday through Saturday inclusive. For payroll purposes, the workweek shall commence every Monday at 7:00 a.m.

5.2 **Work Schedule**

Except for emergency situations, changes in work schedules and assignments shall be made according to the seniority provisions of the Agreement. In an emergency, each and every employee shall be subject to call for emergency duty and it is each employee's responsibility to cooperate and accept such emergency work, when required. Emergency is hereby defined as the period of time when the health, safety and general welfare of the public is in jeopardy. The determination as to what condition constitutes an emergency will be at the discretion of the Mayor and/or his or her designee, and will not be subject to the grievance procedure.

Union and management will negotiate a process to provide for a case-by-case basis flexible scheduling. Employees may be assigned reduced workweeks and different work hours. If flexible scheduling adversely affects the operation of any division those employees will not be eligible to participate.

5.3 **EARLY DISMISSAL PROVISIONS**

If Township employees are dismissed early due to a holiday all other employees working the same day will be granted compensatory time.

If all Township locations are closed down due to an emergency, employees that are not required to be at work will be sent home. If emergency conditions are lifted employees

that work on other shifts will not receive compensatory time. The Mayor or his or her designee will determine when emergency conditions are lifted.

If Township offices are closed down due to an emergency, employees working non-traditional work schedules will not receive compensatory time. Employees scheduled to work on their scheduled day off will receive overtime in accordance with those provisions in the contract.

ARTICLE 7

LEAVES OF ABSENCE

7.1 Paid Sick Leave

Sick leave for permanent employees shall accumulate on the basis of one and one quarter (1 1/4) days per month or 15 days per year. Sick leave days for provisional and temporary employees shall accumulate on the basis of 1 day per month or 12 days per year.

Sick leave benefits are granted to employees when they are unable to perform their work by reason of personal illness, accident or exposure to a contagious disease.

Family Leave benefits are granted to employees for emergency attendance upon the member of the immediate family who is seriously ill and requires their presence or because of death in the immediate family consisting of father, mother, wife, husband, child, sister or brother.

For the purpose of benefit accumulation, accrual sick leave and family leave are combined leave. For definition and reporting purposes, sick leave and family leave are separate and distinct.

Combined leave benefits for permanent employees shall accumulate on the basis of one and one quarter (1 1/4) days per month or fifteen (15) days per year. Combined leave benefits for provisional and temporary employees shall accumulate on the basis of one (1) day per month or twelve (12) days per year.

Combined leave benefits are credited to all permanent employees in advance of January 1st of each year. However, it must be understood these days are credited anticipating the employee will work the full 12 months during the year. If the employee does not work 12 months during the year, combined leave benefits will be pro-rated accordingly. Paid absences are treated the same as days worked for the purpose of computing combined leave benefits. Employees may use sick days in quarter (1/4) day increments.

Any amount of combined leave benefits not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purpose. If an employee is absent for reasons that entitle him to combined leave benefits, his superior shall be notified prior to the employee's starting time or in conformance with department regulations. An employee shall submit a leave slip clearly indicating whether his absence was due to sick leave or family leave.

Combined leave benefits are not to be used for personal business. When such benefits are so improperly used the employee is subject to disciplinary measures which can result in his or her removal. The employer may require a supporting certificate from the treating physician for any period of absence due to illness, depending on the employee's record and circumstances of this report.

Combined leave benefits shall continue to accrue while any employee is on any leave with pay. Credit shall not accrue while an employee is on any leave without pay except military leave.

Combined leave benefits will be at a rate equivalent to that payable if the employee were present for work.

Sick days are credited to all permanent employees in advance on January 1st of each year. However, it must be understood these days are credited anticipating the employee will work the full twelve (12) months during the year. If the employee does not work twelve (12) months during the year, sick leave will be pro-rated accordingly. Paid absences are treated the same as days worked for the purpose of computing sick leave.

Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purpose. If an employee is absent for reasons that entitle him to sick leave, his superior shall be notified prior to the employee's starting time or in conformance with department regulations.

Sick leave is not to be used for personal business. When sick leave is so improperly used, the employee is subject to disciplinary measures which can result in their removal. The employer may require a supporting certificate from the treating physician for any period of absence due to illness, depending on the employee's record and circumstances of this request.

Sick leave credits shall continue to accrue while any employee is on any leave with pay. Credit shall not accrue while an employee is on any leave without pay except military leave.

Sick leave may be utilized by employees when they are unable to perform their work by reason of personal illness, accident or exposure to a contagious disease, or for emergency attendance upon the member of the immediate family who is seriously ill and requires their

presence or because of death in the immediate family consisting of father, mother, wife, husband, child, sister, or brother.

7.2 Sick Time Abuse Language

The employer may require a supporting medical certificate from a treating physician for any period of absence due to illness of three (3) consecutive days or more or for more than 10 separate occurrences during the calendar year. Quarter and half sick days will count towards the 10. Absences documented with a supporting medical statement from a treating physician prior to the 10th occurrence will not count towards the maximum.

Management will track sick leave use and counsel employees as needed, but at least after 8 occurrences and warn the employee that after the 10th occurrence supporting statements from a treating physician will be required for the balance of the calendar year.

Employees who are officially found to be abusing the sick leave provision will be disciplined accordingly. In addition, the employee will be required to submit supporting statements from a treating physician for any sick leave exceeding 5 days for the subsequent calendar year. Employees that have been found to abuse their sick time and use more than 15 sick days in a calendar year may earn their sick time on a pro-rated basis the next year or for any pattern of sick leave abuse.

7.3 Bereavement Leave:

A. In the event of the death of a member of the immediate family of any employee covered by this Agreement, the immediate family being mother, father, sister, brother, spouse, child, mother-in-law, father-in-law, grandchildren, grandparents, son-in-law, daughter-in-law, step brother, step sister, step parents, or any other relative living in the household of the employee, or said employee shall be excused from work for a period not to exceed five (5) work days for grieving purposes, commencing the day after date of death. Additionally, immediate family will include any person, partner or significant individual

living in the household of the employee. The employee will be paid his regular hourly rate for any such day of excused absence which occurs during his normal work week, but in no event more than 8 hours pay for any 1 day.

B. In the event of the death of any employee's brother-in-law or sister-in-law, aunt or uncle, the employee may be excused for the day before and the day of the funeral if they are scheduled to work.

C. It is intended that the above payment to be made for such period only that the employee would have been working and that employees will receive only one benefit at one particular time. This is to say, there will be no pyramiding of benefits.

D. The Employer may require proof of relationship when the relationship is not common knowledge.

7.4 Occupational Injury

Any employee who is disabled because of occupational injury shall be granted a leave of absence with full pay from the day of injury provided that a physician authorized by the Employer specifies that the injury requires a disability release from employment. Employees will be reimbursed to the date of the injury when substantiated by the Employer's physician. Any amount of salary or wages paid or payable to such an employee for disability leave shall be reduced by the amount of Workmen's Compensation paid under the N. J. Workmen's Compensation Act for temporary disability. Such leave shall be limited to a maximum of six (6) months from the date of injury.

Employees returning from authorized leave of absence, as set forth above, will be restored to their original job classifications and shifts at the appropriate rate of pay with no loss of seniority or other employee rights, privileges, or benefits. Extension of the above limits

may be applied upon approval of the Township Administration after careful consideration of the nature of accident and disability.

7.5 LIMITED DUTY POLICY

Employees that are out on a work related or non-work related injury may be assigned limited duty. These assignments will be distributed by the Personnel Department with approval from the Township physician. Employees will be required to work the same amount of hours as mandated in their previous position. Their work schedule can only be adjusted by two hours at the beginning or end of their shift.

7.6 Jury Duty

In the event that an employee is called to jury duty, he will be granted time off as the court requires. The employee's absence from work will not be counted against his regular vacation period or sick leave accumulation. The employee will be paid only for that time actually required to serve on jury duty. All requests for jury duty leave must be filed in advance with the Personnel Department.

7.7 Personal Days

All employees covered under this Agreement shall be entitled to five (5) personal days. These personal days shall be granted with pay and taken when an employee must conduct personal business. Personal days shall not be taken in conjunction with vacation or sick leave and said days must be approved 48 hours in advance of taking them. Personal days may be taken in half day (1/2) increments; must be taken during the calendar year in which earned; and are not accruable.

7.8 Maternity Leave

Maternity leave without pay may be granted for a period of six (6) months, provided the request for such leave is made in writing to the Personnel Division no later than the fourth

month of pregnancy and approved by the Employer. Sickness due to pregnancy shall be covered under the Sick Leave provision of this Agreement.

7.9 Military Leave

Leave for Military purposes shall be granted in accordance with Rule 4A:6-1.11 of the N.J. Civil Service Rules, Title 4.

7.10 Witness Duty

When an employee is summoned or subpoenaed to appear as a witness before a court, legislative committee or judicial or quasi-judicial body, he shall be granted the necessary time-off without loss of pay to attend if such appearance is during his scheduled work shift, provided such appearance is work related. The employee shall notify his superior immediately of this requirement for time off and subsequently furnish evidence that the witness duty for which the time off had been requested was performed.

7.11 Administrative Leave

Full-time employees, who have completed six (6) months of employment, shall be entitled to one (1) day of administrative leave of absence with pay in each calendar year for work related activities as specified in the Township Personnel Policy Manual. Administrative leave shall be scheduled in advance and shall be granted by the department head if said request does not interfere with the proper conduct of Township functions. Conflicts in the requests for the use of this leave among employees within the same work unit will be resolved on the basis of seniority. Administrative leave may be scheduled in units of half (1/2) day and shall not accumulate beyond the calendar year in which it was earned.

7.12 Special Compensation Time

Essential employees required to work during emergencies will receive a compensatory day if the Township is officially closed during normal working hours.

ARTICLE 8

SENIORITY, LAYOFF, AND RECALL, PROMOTION

- 8.1 Seniority is defined as an employee's continuous length of service with the Employer, beginning with his latest date of hire as provisional or permanent employee.
- 8.2 Layoff is separation of a permanent employee from his position for reasons other than delinquency or misconduct on his part. The Employer may layoff an employee in the classified service for purposes of budgetary limitations requiring a reduction of the number of employees in a given class after having first informed the Association of the need for such limitations.
- A. In the event of layoff, departmental seniority shall prevail, provided the employee has the necessary qualifications, skills, abilities and job-title to perform whatever work may be available.
- B. The Employer agrees that employee layoffs for bonafide reasons shall be according to procedures specified in Civil Service Rules.
- C. Employees on layoff shall be recalled in the inverse order of layoff, provided the employee has the necessary qualifications, skill, abilities and job-title for the work available. The Employer will not hire new employees while there are employees on the recall list qualified to perform the duties of the vacant position, on the recall list, unless such employees on recall refuse to accept such employment.
- 8.3 In all applications of seniority under this Article where ability to perform work and physical fitness are equal as determined by the Employer, seniority shall be given preference in promotions, demotions, layoffs, recall, vacation schedules and work shifts.
- 8.4 Civil Service rules and regulations shall prevail in all of the above.

- 8.5 Promotion qualifications and procedures for permanent classified employees are governed by the Department of Civil Service pursuant to statute and rules and regulations promulgated thereunder.
- 8.6 Provisional appointments. Management may select any of the top three senior employees in the next lower-rated job titles, for any provisional appointments.

ARTICLE 9

TRANSFER AND REASSIGNMENT

- 9.1 Transfer is the movement or change of an employee from one position or from one job-assignment to another within the same job classification in another organizational unit or department within Hamilton Township.
- Transfers are:
- A. Permanent, if made for indeterminate periods.
 - B. Temporary, if made for a period not exceeding six (6) months.
- 9.2 Reassignment is the movement of an employee from one job assignment to another within his job classification and within the work unit, organizational unit or department.

Reassignment of employees may be made in accordance with the fiscal responsibilities of the Employer to improve or maintain operational effectiveness, or to provide employee development and job training or a balance of employee experience in any work area.

Pursuant to NJCA 4A:4-7.1A permanent transfer shall require the consent of both organizational units and the approval of the Chair/CEO of the Civil Service Commission.

Any affected employee must be given at least 30 days' written notice of an involuntary transfer, except an involuntary emergency transfer, in which case reasonable notice must be given.

A. The notice shall contain the following:

1. The organizational unit to which the transfer is being made;
2. The effective date of the transfer; and
3. The reason for the transfer.

MEMORANDUM

TO: Directors
FROM: Mayor John K. Rafferty
DATE: March 13, 1989
RE: COMP TIME FOR DIVISION SUPERINTENDENTS

As a result of the negotiations between the Township and the Union representing the Division Superintendents, it has been agreed that the Division Superintendents will no longer earn comp time, effective July 1, 1989.

In implementing this new policy any comp time which any members of this Union currently have on the books should be continued and used in accordance with Township policy.

In addition, I expect each of you to treat your division heads as I have treated you in regards to their work schedules. That is, while they will not earn comp time for attendance at night meetings or working required overtime, you should give them latitude in adjusting their schedules during the normal working hours.
