1. Grievance

A "Grievance" is a claim by a unit member or the Association based upon the interpretation, application, or violation of this Agreement, policies, or administrative decisions affecting a unit member or a group of unit members.

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting unit members. Both parties agree that these proceedings will be kept informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. Time Limits

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Failure on the part of a unit member to comply with the time limits shall result in a waiver of the right to proceed to the next level. Failure by the Board to comply with time limits at Level Three shall result in a granting of the grievance.

2. Year-End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as is practicable.

3. Time Restriction

An aggrieved unit member shall institute action under the provisions hereof within twenty (20) work days or thirty (30) calendar days, whichever is shorter, following the occurrence complained of when it affects the unit member. Failure to act within said twenty (20) work day period or thirty (30) calendar day period shall be deemed to constitute an abandonment of the grievance.

4. Level One - Principal

A unit member with a grievance shall first discuss it with his/her principal or immediate supervisor either directly or through the Association's designated representative, with the objective of resolving the matter informally. If the matter is unresolved through these discussions, the unit member or the Association may file a written grievance with the Principal within the timelines set forth in C. 3. above. The Principal shall respond to the grievance in writing within five (5) work days after receipt of the written grievance.

Said request shall be made to the Board within ten (10) school days from the above disposition, shall be in writing, and shall specify the following:

- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator so selected shall confer with the representative of the Board and Association and hold hearings promptly and shall issue his/her decision not later than twenty (20) days from the date of the close of hearings, or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties. The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator may add nothing to modify or subtract anything from the Agreement between the parties.

Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Level Two and Level Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and the Association.

3. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4. Meetings and Hearings

All the meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in the Article.

5. Levels

1. to direct employees of the school district;
 2. to hire, promote, transfer, assign and retain employees in positions in the school district, and to suspend, demote, discharge or take other disciplinary action against employees;
 3. to relieve employees from duty because of lack of work or for other legitimate reasons;
 4. to maintain efficiency of the school district operations entrusted to them;
 5. to determine the methods, means and personnel by which such operations are to be conducted;
 6. to establish reasonable work rules; and
 7. to take whatever actions may be necessary to carry out the mission of the school district in situations of emergency.
- B. This Agreement represents and incorporates the complete and final understanding in settlement by the parties of all bargainable issues which were or could have been the subject of negotiations.

ARTICLE 24
PROTECTION OF EMPLOYEES

- A. No employee shall be disciplined or reprimanded without just cause. "Discipline" may include oral and/or written reprimands, increment withholdings, fines or suspensions without pay if consistent with law, and mid-contract discharges consistent with individual contracts. Non-renewal of a non-tenured teacher is not "discipline" under this provision.

- B. An employee shall not be criticized in the presence of a student, member of the public, or other members of the staff by any administrator without justifiable, substantive reasons.

ARTICLE 25
AGENCY FEE

A. PURPOSE OF THE FEE

If any employee does not become a member of the Association during any membership year which is covered in whole or in part by this agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

The representation fee to be paid by nonmembers/fee-payers will be pursuant to the determination of an impartial arbitrator in accordance with the law.

B. DETERMINATION OF FEE

Prior to the beginning of each membership year (July 1 through June 30), the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees, and assessments charged by the Association to its own members for the academic year. The representation fee to be paid by non-members will be determined by the Association in accordance with the law.

C. DEDUCTION AND TRANSMISSION OF FEE

1. Notification

Once during each membership year, but no later than August 1 of the year, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current year. The Board will deduct from the salaries of such employees, in accordance with paragraph 2. below.

2. Payroll Deduction Schedule

The Board will deduct the full amount of the yearly representation fee in equal installments from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question.

3. Termination of Employment

If an employee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the

fee from the last paycheck paid to said employee during the academic year in question.

4. Mechanics

The mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. New Employees

Each month in which the Board hires a new unit member(s), the Board will notify the Association in writing of the name(s), job title(s) and date(s) of employment of the new employee(s).

D. INDEMNIFICATION

The Association shall indemnify and hold the Board harmless against any and all claims, demands, suits, and other forms of liability that may arise out of, or by reason of, any action taken or not taken by the Board in conformance with this provision.

ARTICLE 26
DURATION OF AGREEMENT

This Agreement shall be effective as of July 1, 2011, and shall continue in effect through June 30, 2013, subject to the Association's right to negotiate over a Successor Agreement as provided in Article 2. This Agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated, unless it is extended in writing.

IN WITNESS WHEREOF, the Association has caused this Agreement to be signed by its President and Secretary and its Corporate Seal to be placed hereon, and the Board has caused this Agreement to be signed by its President, attested by its Secretary and its Corporate Seal to be placed hereon, all on the day and year first written above.

APPENDIX 2

EMPLOYEE INCENTIVE PROGRAM FOR EDUCATION GRANTS

The Shamong Township Board of Education hereby extends a grant writing incentive program, subject to the following terms and conditions:

1. Teachers will be rewarded a bonus of 3% of the total value of the grant for each non-entitlement grant they secure. If more than one teacher plans to work on the grant, the teachers would have to submit the percentage breakdown for possible bonus award (i.e. 50/50 for two teachers) in their preliminary proposal before pursuing the grant.
2. All grants would have to be pre-approved by the Superintendent and the BOE before the teacher(s) could pursue them.
3. Any multi-year grant outlays would have the bonus paid out as the grant money was received by the Board. If the grant money arrives over two years in two 50% disbursements, the teacher would receive 50% of the total bonus in each of those two years.
4. The STEA waives any claim that the bonus money is part of the current year salary. The bonus would be considered a stipend for payroll purposes. Calculation of the following year's salary for any purpose would exclude the bonus money paid under this program.
5. This incentive program excludes grants that are worked on during the time that specifically pays staff members for grant writing.
6. No Continuation of Incentive Program: The incentive program is being offered only on the above terms and does not constitute a continuing offer for any future school year.

All payments will be subject to the ordinary and necessary payroll deductions.
