ARTICLE 2 GRIEVANCE PROCEDURE

A. DEFINITIONS

- 1. A "grievance" is a claim by an employee or the Association based upon the interpretation, application, or alleged violation of this Agreement, policies, or administrative decisions which affect the terms and conditions of employment of the employee or a group of employees. Association grievances must specify the group or groups.
- 2. A "grievant" is the person or persons making the claim.
- 3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise affecting employees. Both parties agree that these procedures will be kept informal at all levels of the procedure.

C. PROCEDURE

- 1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified at any level may be extended, in writing, by mutual agreement.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or a mutually determined time thereafter.
3. The grievance to be considered under this procedure must be initiated by the grievant within thirty (30) calendar days of the alleged occurrence.

4. STEP ONE

An employee who feels he/she has a grievance must first discuss it on an informal basis with his/her immediate superior.

5. STEP TWO

If the grievant is not satisfied with the results at Step One, or if no decision has been rendered within ten (10) calendar days after presentation of the grievance, the grievant may submit the grievance, either directly or through the Association representative, to his/her appropriate administrator, in writing, using the prescribed form, within ten (10) calendar days following the disposition at Step One.

6. STEP THREE

If the grievant is not satisfied with the disposition of the grievance at Step Two, or if no decision has been rendered within ten (10) calendar days after the grievance was delivered to and received by the appropriate administrator, the grievant may submit grievance to the Superintendent within ten (10) calendar days.

7. STEP FOUR

If the problem is not resolved within fourteen (14) calendar days after the grievance was received by the Superintendent, or if no decision has been rendered, the grievant may within fourteen (14) calendar days after receipt of the Superintendent's decision, or within twenty-eight (28) calendar days after submission to the Superintendent if no decision is rendered, submit a written appeal through the Superintendent to the Board of Education with a hearing option at the Board level. The Board must render a decision, in writing, within thirty (30) calendar days of the receipt of the appeal.

8. STEP FIVE

If the decision of the Board does not resolve the grievance to the satisfaction of the grievant and the Association wishes review by a third party, the grievance must be submitted to arbitration. If arbitration is requested, the Association shall notify the Board within fifteen (15) calendar days of receipt of the Board's decision, or within forty-five (45) calendar days of the original date of submission to the Board if no decision has been rendered by the Board.

The following are not subject to arbitration:

- b. a complaint of a non-tenured employee which arises by reason of his not being re-employed.

- d. any matter not specifically part of this Agreement or not pertaining to matters which fit the description of the term "grievance" as stated in paragraph one of this Article.

9. STEP SIX

The following procedure shall be used to secure the services of an arbitrator:

- a. If the Association wishes to secure the services of an arbitrator, it shall request the New Jersey Public Employment Relations Commission to provide a list of arbitrators to settle the dispute.
- b. Once a request is made to the New Jersey Public Employment Relations Commission the parties shall be bound by its rules and regulations.
- c. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.
- d. The costs for the services of the arbitrator shall be borne equally by both parties. Any other expenses shall be paid by the party incurring same.

D. RIGHTS OF EMPLOYEES TO REPRESENTATION

1. Any grievant may be represented at Steps One, Two and Three of the grievance procedure by the grievant or, at his/her option, by a representative selected or approved by the Association. Only the Association or its designated representative may represent the grievant at Steps Four, Five, and Six.
2. No reprisals of any kind shall be taken by the Board or any member of the Administration or the Association against any party in interest or any other participant in the grievance procedure by reason of such participation.
