PREAMBLE

THIS AGREEMENT, entered into this 10th day of October, 2011 by and between the TOWNSHIP OF CRANBURY in the County of Middlesex, a municipal corporation of the State of New Jersey (hereafter the "Township"), and the CRANBURY FRATERNAL ORDER OF POLICE, LODGE NO. 68, the duly appointed representative of all full-time officers employed by the Township, excluding all officers above the rank of Captain, (hereafter the "FOP"), represents the complete and final understanding on all bargainable issues between the Township and the FOP except as noted in Chapter XXV, "Duration".

**ARTICLE I
RECOGNITION**

A. The Township hereby recognizes the FOP as the sole and exclusive representative of all officers below the rank of Chief for the purpose of collective bargaining and all activities and processes relative thereto.

B. It is the intention of the parties that this Agreement be construed in harmony with the Employer-Employee Relations Act as amended, the laws of the State of New Jersey, the ordinances and policies of the Township, and the rules and regulations of the Police Department.

C. Any condition of employment not directly addressed by this Agreement shall be governed by the ordinances and policies of the Township and the rules and regulations of the Police Department and past practices

**ARTICLE II
MANAGEMENT RIGHTS**

A. The Township hereby retains and reserves unto itself, without limitation, all powers, rights, authority, and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States including, but without limiting the generality of the foregoing, the following rights.

1. To manage and administratively control the Township government and its properties, facilities, and officers utilizing personnel methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.
2. Of the Chief of Police to make rules of procedure and conduct, to use improved methods and equipment, to determine work schedules, shifts, as well as duties. The Chief shall be in sole charge of the quality and quantity of the work required.
3. Of the Chief of Police to make such reasonable rules and regulations as he/she may from time to time deem best for the purpose of maintaining order, safety and/or the effective operation of the Police Department after advance notice thereof to the officers and to require compliance by the officers.
4. To hire all officers, whether permanent, temporary or seasonal, and to promote or retain officers in position within the Township.
5. To suspend, demote or take any other appropriate disciplinary actions against any officers for just cause according to law and this agreement.
6. To contract out any work for quasi duty (i.e. traffic control). Cranbury officers will be given preference for available quasi duty work.
7. To layoff officers due to reasons of economy and/or efficiency.

Any such layoff will occur on the basis of seniority, with the last officer hired being the first officer to be laid off. Any officer laid off will be placed on a re-

employment list with the last officer laid off, based upon seniority, being the first officer to be offered re-employment from the that list; and other officers on the re-employment list offered employment in the order that their names appear on the re-employment list based upon seniority. Officers on the re-employment list will be offered re-employment before any person not previously employed by the Township as a police officer is offered employment. Any officer laid off will be placed on the aforementioned re-employment list for a period of one (1) year from the last date of employment.

8. Of the Chief of Police to transfer or assign officers.
9. Of the Chief of Police to decide the number of officers per shift while taking into account officer safety, the public welfare and the availability of manpower.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations, and code of conduct shall be limited only by this agreement, Rules and Regulations of the Department, and past practice.

C. Nothing contained herein shall be construed to deny or restrict the Township of its rights, responsibilities and authority under R.S. 40a:1-1 et seq. NJSA 34:13A-5.3, or any national, state, county or local laws or regulations.

**ARTICLE III
MAINTENANCE OF WORK OPERATIONS**

The officers recognize and acknowledge the existing state of the law in the State of New Jersey relating to the rights of public employees to strike or take any other concerted action designed to illegally obstruct or disable the proper functions of the Township of Cranbury, and all officers agree to be bound by all such laws.

Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain any judicial relief as may be entitled to have in law or in equity in the event of such breach by the FOP or its members.

**ARTICLE IV
COLLECTIVE BARGAINING PROCEDURE**

Collective bargaining with respect to rates of pay, hours of work or other conditions of employment shall be conducted by the duly authorized bargaining agent of each of the parties. Unless otherwise designated, the Township Administrator and selected members of the Township Committee of the Township or their designee or designees, and the Committee or the Association or its designee or designees, shall be the respective bargaining agents for the parties. No representative of the Township shall meet with any member of the Association other than authorized representatives of FOP Lodge 68 for the purpose of discussing wages, hours or conditions of employment or any other matters which are subjects of collective bargaining. No representative of the Association shall meet with any member of the Township other than authorized representatives of the Township for the purpose of discussing wages, hours or conditions of employment, or any other matters which are the subject of collective bargaining.

Collective bargaining meetings shall be at times and places mutually convenient and at the request of either party.

Police officers of the Township who may be designated by the Association to participate in the collective bargaining meetings called for the purpose of the negotiation of a collective bargaining agreement will be excused from their work assignments.

**ARTICLE V
GRIEVANCE PROCEDURE**

In the event that any difference or dispute should arise between the TOWNSHIP and the FOP, or its members employed by the TOWNSHIP over the application and interpretation of the terms of this Agreement or any action of the Police Department affecting the terms and conditions of employment (including, but not limited to, the disciplining or discharge of an officer), an earnest effort shall be made to settle differences immediately. If the difference or dispute is not resolved, the following procedure shall be followed:

STEP #1. The item shall be presented orally to the Lieutenant, Captain or Chief by the officer and association within ten (10) business days of the difference or dispute. The term "business days" shall be defined as Monday through Friday, exclusive of holidays.

STEP #2. If the issue is not resolved orally the officer and the FOP will present a written grievance to the Chief or his designee within ten (10) business days from the presentation of Step 1. The Chief will respond in writing within ten (10) business days of their presentation.

STEP #3. If the difference or dispute is not resolved in Step #2, the written grievance shall be presented to the Township Administrator or his/her designee within ten (10) business days of the Chief's response. The Administrator will respond in writing within ten (10) business days after receiving the written grievance.

STEP #4. If the issue is still not settled, the FOP will notify the Township Administrator, in writing, of the intent to file for arbitration with the Public Employment

Relations Commission within ten (10) business days of the completion of Step 3 – the receipt of the Administrator’s written response.

The Arbitrator shall be directed by the parties to decide, as a preliminary question, whether there is jurisdiction here and, if so, decide the matter in dispute. The arbitrator shall be bound by the provision of the Agreement and by the constitutional laws of the State of New Jersey and shall be constricted to the application of the facts presented to him/her involving the grievance. The arbitrator shall not have the authority to add to, modify, detract, or alter in any way, the provisions of the Agreement or any amendment or supplement hereto. The decision of the arbitrator shall be in writing and shall include the reason for each finding and conclusion. The decision shall be final and binding.

The parties shall share equally in the cost for the Arbitrator’s fee. Except that any party that incurs a late cancellation for costs shall be solely responsible for the fee. Likewise, each party shall be responsible for costs, incurred in presenting and preparing for its case, e.g. legal fees, costs for subpoenas.

The time limits expressed herein shall be strictly adhered to. If the grievance is not processed by the next succeeding step in the procedure by the time limits noted there under, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive at each step. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for proceeding with the grievance at any step in the grievance procedure.

The decision on a grievance at any step shall rely on the material present at each step. Material may be added at the beginning of any step.

ARTICLE VI

HOURS OF WORK AND OVERTIME

A. The schedule shall be a twelve (12) hour per day schedule.

The chief will post the schedule for the next calendar year by November 1 of the current year. Shift requests will be honored if possible and will be determined based on seniority. Throughout this agreement the term "seniority" will be determined for Patrol Officer by badge number. The lower badge number will be more senior. For the purposes of Sergeants and rank above, the time in grade will determine seniority. The more time the more senior.

The basic schedule shall provide for non-rotating shifts; however, the chief may schedule a relief shift if one is necessary. No relief shift shall be ordered unless the officer requesting relief has been on a given shift in Cranbury for at least 3 years.

A relief shift shall be a change in shift for a period of up to 168 days (four 42 days cycles). If a relief shift is scheduled the shift to be covered shall be filled with a volunteer if possible. If no officer volunteers to cover said shift the chief shall cover said shift subject to the following guidelines:

1. Relief coverage can only be ordered at the annual posting of the schedule. However, relief can be scheduled voluntarily at any time.
2. An officer can only be ordered to do relief coverage for a maximum of 3 months per year.
3. Relief coverage shall be ordered based on seniority with the least senior officer on the opposing shift being scheduled first.

4. Officers with 15 years or more of service in Cranbury shall not be ordered to do relief shift coverage.

5. A relief shift shall be either from or to the A Shift (0630 – 1830) or B Shift (1830 – 0630) as defined in this Article.

B. For the purposes of calculating the schedule, overtime and hours worked, the following definitions apply.

There are two shifts as follows:

A Shift – 0630 to 1830 hours

B Shift – 1830 to 0630 hours

2 on/2 off, 3 on/2 off, 2 on/3 off

Four days per shift per officer the shift will change to 10:30 Am to 10:30 PM.

The shift change days will be at the discretion of the Chief of Police.

Lieutenant Schedule:

The Lieutenant schedule shall be a base shift of eight (8) hours a day, five (5) days per week as follows:

Administrative Commander – Monday thru Friday 0800 to 1600 (8 am to 4 pm)

Operations Commander – Monday thru Friday 0800 to 1600 (8a m to 4pm)

With the approval of the Chief of Police, the Lieutenants' hours may be adjusted to accommodate operational needs of the department.

Detective Schedule:

The detective's shift shall be A shift (Monday thru Friday 0800 to 1800) and B shift (Tuesday thru Friday 1100 to 2100).

Detective shift selection will be based on seniority. The shift selection process shall be conducted on an annual basis and shall be conducted no later than October 15th of the proceeding year.

With prior approval, detectives may adjust their schedule to accommodate the need to conduct and participate in investigations and other functions of the bureau as needed.

It is recognized that the detective schedule is based on a 2080 hour work year which is in contrast to the contractual 2076 hour work year. To satisfy this discrepancy, four (4) additional hours will be added to the detective's annual vacation allotment

Base Work Year – consists of 173 twelve (12) hour days or a total of 2076 hours.

Base Salary – the annual salary without longevity or holiday pay.

Hourly Rate – the base salary divided by 2076 hours

Overtime Rate – the hourly rate multiplied by 1.5

Overtime Payment Increments –

For less than fifteen (15) minutes – none

For sixteen (16) through thirty (30) minutes – One-half hour pay

For thirty-one (31) through sixty (60) minutes – One hour pay

Vacation Time – A set number of hours.

Scheduled Hours – The total scheduled hours per year (173 12-hour days, a total of 2076).

Each officer will have one (1) drop day of their choice for every six (6) week cycle worked. If the police officer has not formally put in for the drop day request within the first three (3) weeks of the respective cycle, management has the right to assign said day. Drop days cannot be used on any of the thirteen (13) holidays already recognized by this contract.

C. Whenever an officer, excluding the Captain and Lieutenant, in any work week shall be required, directed, or authorized to work for any period in excess of his scheduled shift, he/she shall be paid at the overtime rate. Overtime pay shall be in lieu of compensatory time off.

D. Overtime will also be paid in the following situations to an officer who is not working his/her scheduled shift:

1) When called to substitute for another officer in accordance with the Rules and Regulations of the Cranbury Township Police Department.

2) When called or scheduled to appear in any court or administrative proceeding on a work related matter.

3) When scheduled by the Chief of Police for additional duty.

E. Whenever an officer, except the Captain or Lieutenant, as part of his/her duties, is summoned to return or report to duty other than his/her regularly scheduled shift, whether for emergency or otherwise, he/she except when there is an extension of a regular shift, be paid at any overtime rate for the hours worked but not less than three hours minimum.

F. No officers shall be entitled to be paid overtime unless such overtime is ordered, authorized or approved by his/her commanding officer.

G. Orders, authorizations or approvals must be recorded and maintained with the records of the Police Department on a form to be determined by the Chief of Police. Time cards and/or the time book are currently to be used to determine actual time worked.

H. Overtime shall be paid in the earliest possible paycheck.

I. Overtime shall be kept to a minimum except in cases of emergency, and must be authorized in advance by the immediate supervisor. The reason for granting of overtime shall be noted on the time report and certified by the Chief of Police.

J. A shift change occurs when an officer is notified that he/she will not be working his/her regularly scheduled shift as posted by the Chief each year. If 3 days notice of a shift change is not provided, overtime shall be paid for the difference in days between the notice given and the start of the changed shift. The officer may elect to come in early for his/her shift and then leave early with the approval of the Chief.

K. No officer shall be required to work more than eighteen (18) hours in a twenty-four (24) hour day, except in the case of a declared emergency, as determined by the Chief of Police. A manpower shortage due to previously approved vacation or previously approved personal time shall not constitute such an emergency.

L. Overtime for entire shift coverage shall be offered first to officers who are not already scheduled to work that day. An overtime list shall be maintained, and officers shall be offered overtime on a rotating basis from that list.

2. Is guaranteed by a physician because the officer has been exposed to a contagious disease.
3. Has the emergent need to visit a medical professional during a work shift.

Sick leave shall also be granted to an officer whose immediate family member, as defined below, through sickness or injury becomes incapacitated, quarantined, or seriously ill and requires the officer's attendance or has the emergent need to visit a medical professional during a work shift.

In no case shall sick leave be allowed for such things as ordinary dental care, nor for any professional services that may be normally scheduled within the officer's regular off-time. The utilization of sick leave for elective medical procedures will not be considered without sufficient medical evidence to substantiate the necessity of scheduling the medical or dental services during the workday.

Immediate family members shall be defined as spouse, child, stepchild, parent, father-in-law or mother-in-law.

Sick leave when applied to immediate family members shall be limited to the 12 days annually allotted between December 1st through the following November 30th.

After the use of sick leave for 3 consecutive workdays, a physician's certification will be provided.

B. Amount of Leave

Each full-time, and part-time officer, who is eligible for sick leave, shall receive 115 hours of sick leave per calendar year. Officers may accumulate up to one-thousand nine-hundred (1900) hours of sick leave.

All sick leave days in the officers sick leave banks as of 12/31/04, shall be converted to hours by multiplying the number of days of unused sick time by 9.5 hours.

2. The officer reporting sick leave shall notify the supervisor of:

The nature of the illness

The telephone number where the officer may be contacted during sick leave; and

The expected duration of sick leave, if known.

3. The supervisor shall record this information on the appropriate sick leave form.
4. Failure to notify the department head or supervisor may be cause for denial of the use of sick leave for that absence and constitute cause for disciplinary action. An officer who is absent and fails to notify the department head or supervisor is subject to discipline in accordance with the Rules and Regulations of the Police Department.

D. General

1. Habitual absenteeism is the presence of a pattern of sick leave usage over a period of three months or more, or failure to report absences. Habitual absenteeism may be cause for discipline up to and including discharge.

reports on the condition of the patient from the attending physician and/or a Township medical physician.

3. The Administrator reserves the right, in such cases where there is a difference of professional opinion, to require the officer to submit to an examination by a mutually agreed on third doctor at Township expense.
4. When under medical care, officers are expected to conform to the instructions of the attending physician if they wish to qualify for salary payment during such period of illness or disability.
5. In charging an officer for sick leave, the smallest unit to be considered is one hour of sick time.

E. Sick Leave Confinement Restriction

If an officer is absent for reasons that entitle the officer to sick leave or the officer is on Worker's Compensation leave because of an injury sustained during his/her employment, the officer shall remain at his/her place of confinement during the period in which he/she is scheduled for work on the day(s) in question, as per past practice, with the following exceptions.

To report for medical attention, doctor's office or hospital.

To engage in the exercise of his/her right to vote or attend religious services.

If an emergency necessitates his/her absence.

6. The supervisor may telephone the officer who has reported on sick leave or is on Worker's Compensation leave at his/her place of confinement during the scheduled workday(s).

7. To engage in therapeutic exercise per a doctor's prescription.

F. Sick Leave Buyout

1. For each officer with twenty-five years of service with the Township of Cranbury who qualifies for retirement and elects to retire from the pension system, there

will be a buyout of accumulated sick leave. The buyout will be paid at the officer's rate of pay for the year in which the officer retires for one half of the officer's accumulated sick leave up to a maximum as follows of \$15,000.00.

2. One years written notice to the Township of the intended date of retirement is required if the officer is to be paid for his accumulated sick leave at the time of retirement. In the absence of such notice, the Township, at its option, may choose to pay the officer's accumulated sick leave in the Township's next fiscal year. Upon receipt of the officer's written notice to retire, the Township will provide written acknowledgement within ten (10) business days.

3. In the event of an officer's death, excluding death by suicide as concluded by the medical examiner's office, the accumulated sick leave as defined in this section shall be payable to the officer's estate within forty-five (45) days of his/her death, as follows:

For each officer who uses 12 hours or less sick time from December 1 of the proceeding year through November 30 of the current year, an attendance payment of \$375.00 will be made by December 31st of the current year.

H. By January 31st of each year, officers shall be given a written accounting of their accumulated sick leave time as of December 31st of the immediately preceding calendar year. The officer will acknowledge in writing the accuracy of the report by signing the written accounting.

**ARTICLE XIII
OTHER LEAVE**

A. An officer shall receive three days off with pay for the birth, placement or adoption of his or her child commencing with labor, placement or adoption and the two days following, if scheduled to work during this time.

B. In the event of death in the officer's family, the officer shall be granted time off without loss of pay from the day of death up to and including the day of the funeral, but not to exceed the following:

<u>Family Member</u>	<u>Maximum Funeral Leave</u>
Current spouse and/or child	5 days
Sibling or parent	4 days
Grandparents or spouse's parent, Grandparent or sibling	3 days

Reasonable verification of the event may be required by the Township.

Such bereavement leave is not in addition to any day off, vacation leave or other time off falling within the time of the bereavement.

An officer may make a request of the Chief of Police or his designated representative for time off with pay to attend a funeral, separate and distinct from bereavement leave, which approval shall not be unreasonably withheld.

C. Each officer shall receive three (3) days of personal leave per calendar year. One day is based on the hours worked in a shift. The use of a personal day shall not be arbitrarily denied. Forty-eight (48) hour notice to the Chief or his/her designee shall be required, except under exigent circumstances. In the event of an officer's death or termination, all unused personal time shall be paid. In charging an officer for personal time, the smallest unit to be considered is one (1) hour of personal time.

**ARTICLE XIV
INSURANCE**

A. The Township shall provide the dental plan coverage, hospitalization insurance coverage, major medical insurance coverage and the prescription plan in effect at the end of 1998. If an officer elects to participate in an HMO and the HMO premium is greater than the Township's non-HMO insurance premium the difference shall be paid by the officer.

B. The Township has the right to change insurance carriers or institute a self-insurance program so long as the same benefits are provided.

C. Health benefit contributions will be in accordance with the terms set forth in New Jersey State Health Benefits Chapter 78 of the Laws of 2011.

D.
