ARTICLE I RECOGNITION

The Authority recognizes the Union as the exclusive representative for the purpose of collective negotiations with respect to the terms and conditions of employment of the members of the bargaining unit, which shall be defined as follows: all professional and non-professional, non-supervisory, regular, full-time and regular part-time employees performing laboratory, operations and maintenance functions employed by the Authority, but excluding all supervisors, as defined in the Act, foremen, superintendents, managerial executives, clericals, confidential employees, security personnel, casual summer employees, staff engineer, lead shift operators and all other employees of the Authority.

ARTICLE II PROBATIONARY PERIOD

- A. During the first one hundred eighty (180) calendar days of continuous employment, an employee shall be considered a probationary employee, and the Authority may terminate his employment within that time without challenge by either the employee or the Union and without resort to any grievance procedures or any other hearing procedure.
- B. Employees may become dues-paying members of the Union after thirty (30) days of employment.
- C. All benefits of this Contract shall apply to probationary employees with the exception of those specifically mentioned and with the exception contained in Paragraph D of this Article.
- D. Probationary employees may accumulate all types of leave, but may not use any until the completion of the probationary period.

**ARTICLE III
DUES CHECKOFF AND INDEMNIFICATION**

- A. Upon receipt of proper written authorization, the Authority shall deduct Union dues on a pro rata basis and shall remit the monies collected to the Union once each month.
- B. The Union agrees to indemnify, defend and hold the Authority harmless from any causes of action, demand, claim, suit, loss, damages or any other liability that shall arise out of or by reason of action taken under this clause.
- C. If the rate of dues should change, the Union shall provide the Authority with ninety (90) days advance notice of such change.
- D. Assignees shall have no right or interest whatsoever in any money authorized to be withheld until such money is actually paid over to them. The Authority or any of its officers and employees shall not be liable for any delay in carrying out such deductions by mail to the assignees' last known address. The Authority and its officers and employees shall be released from any and all liability to the employee-assignors and to the assignees under such assignments.

**ARTICLE IV
UNION SECURITY**

- A. Union Agency fees shall be deducted upon receipt of a signed waiver/consent to contribute pursuant to applicable law.
- B. These deductions shall commence thirty (30) days after the beginning of employment in the unit or ten (10) days after canceling their membership in the Union.
- C. The amount of said representation fee shall be certified to the Authority by the Union within five (5) working days after the effective date of this Article, which amount shall not exceed eighty-five percent (85%) of the regular membership dues, fees and assessments charged by the Union to its members.
- D. The Union agrees to indemnify, defend and hold the Authority harmless against any liability, cause of action, or claims of loss, whatsoever arising as a result of said deductions.
- E. The Authority shall remit the amounts deducted to the Union in a similar manner to which it remits regular dues, fees and assessments of members of the Union.
- F. The Union shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(c) (L. 1979 c.477) and membership in the Union shall be available to all employees in the unit on an equal basis at all times. In the event the Union fails to maintain such a system, or if membership is not so available, the Authority shall immediately cease making such deductions.

**ARTICLE V
MANAGEMENT RIGHTS**

- A. The Authority hereby retains and reserves unto itself without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to and after the signing of this Agreement by the laws and constitution of the State of New Jersey and of the United States, including but without limiting the generality of the foregoing following rights.
1. The executive management and administrative control of the Authority and its properties and facilities, and the activities of its employees;
 2. To hire all employees and to determine the qualifications and conditions of continued employment or assignment, and to promote and transfer employees;
 3. To suspend, demote, discharge or take other disciplinary action for just cause;
 4. To establish a code of rules and regulations of the Authority for the operation of the Authority;
 5. To make all decisions relating to the performance of the Authority's operations and maintenance activities, including but not limited to the methods, means, processes, materials, procedures and employees to be utilized;
 6. To establish any new job classifications and job content and qualifications;
 7. To determine the work performance levels and standards of performance of the employees;
 8. To take any actions considered necessary to establish and maintain efficiency and cost effective operations and maintenance;
 9. To change, modify, or promulgate reasonable rules and regulations;
 10. To assign work as it determines will benefit the Authority and/or the public it serves.
- B. The exercise of the foregoing powers, rights, authority, duties or other responsibilities of the Authority, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the express terms of the Agreement, and then only to the extent such terms hereof are in conformance with the constitution and Laws of New Jersey and of the United States.
- C. Nothing contained herein shall be construed to deny or restrict the Authority in its exclusive right to administer the Authority and control the work of its personnel, nor to deny or restrict the Authority in any of its rights, responsibilities and authority under N.J.S.A. 40A:14A or 14B (the Sewerage Authority Law) or any other national, state or local laws or ordinances.

- D. The failure to exercise any of the foregoing rights, or any right deemed to be a management right by tradition, by agreement, by mutual acceptance, or by practice, shall not be deemed to be a waiver thereof; all management rights ever granted or exercised heretofore are specifically incorporated herein.

ARTICLE VI NO-STRIKE PLEDGE

- A. The Union covenants and agrees that during the term of this Agreement and during negotiations of a Successor Agreement, neither the Union or any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of an employee from his position, or stoppage of work, or abstinence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out or other job action against the Authority. The Union agrees that such action would constitute a material breach of this Agreement.
- B. The Union agrees that it will take all reasonable actions to prevent its members from participating in a strike, work stoppage, slowdown or other activity aforementioned.
- C. In the event of a strike, slowdown, walk-out or any other job actions, it is covenanted and agreed that participation in such activity by any Union member shall be deemed grounds for disciplinary action.
- D. Nothing contained in this Agreement shall be construed to limit or restrict the Authority in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for an injunction or damages, or both in the event of such breach by the Union or any of its members.
- E. In the event of activity aforementioned, the Authority shall cease making deductions under the dues deductions clause herein.

ARTICLE VII GRIEVANCE PROCEDURE

- A. DEFINITIONS
The term grievance as used herein means any controversy arising over the interpretation, application or alleged violation of policies or administrative decisions affecting terms and conditions of employment or of the express terms of this Agreement, and may be raised by an individual unit employee, a group of unit employees, or the Union, at the request of any such individual or group (hereinafter referred to as the grievant).

B. PURPOSE

The purpose of this grievance procedure is to secure an equitable solution to grievances as herein defined. The parties agree that grievances should be resolved at the lowest possible administrative level. Therefore, no grievance shall by-pass any step of the grievance procedure except as expressly provided herein or by mutual Agreement of the parties and any failure to prosecute a grievance within the time periods provided shall constitute an absolute bar to relief and shall estop the grievant from prosecuting his grievance in any forum thereafter. This grievance procedure constitutes the sole and exclusive method for raising and disposing of controversies within the definition of the term.

C. PROCEDURE

1. Step One - Plant Superintendent

- (a) A grievant must file his grievance in writing with the Plant Superintendent within seven (7) days of the occurrence of the matter complained of. A copy shall be provided to the Shop Steward.
- (b) The written grievance must identify the grievant by name(s) and signed by him (them) and the Shop Steward. It must set forth a statement of the facts constituting the grievance, the approximate time and place of occurrence of the facts leading to the grievance, the names of all Authority representatives whose action or failure to act forms the basis of the grievance, and the specific contract provision(s), if any, forming the basis of the grievance, and must set forth the remedy sought by the grievant.
- (c) Once a grievance comporting with all the foregoing requirements is timely filed, the Plant Superintendent shall investigate the grievance and render a written response, which shall be given to the grievant within ten (10) days from receipt of the grievance. No meeting regarding the grievance shall take place without notice to the Shop Steward and without his attendance, if requested.

2. Step Two - Executive Director

In the event the grievance is not resolved to the grievant's satisfaction at Step One, or in the event the Plant Superintendent has not served a timely written response at Step One, then within seven (7) days after the response date set forth in Step One, the grievant may present the written grievance and any written response(s) received at Step One to the Executive Director or the Assistant Executive Director as the Executive Director's designee (collectively hereinafter "Executive Director" for Article VII only). Upon receipt of the grievance by the Executive Director, the procedures set forth in Step One shall be followed, except that the parties shall meet and a written response shall be given within forty five (45) days from the Executive Director's receipt of the grievance. With respect to all grievances not involving disciplinary matters, the Executive Director's decision shall be final. The Business Agent shall be afforded an opportunity to be present at any meetings concerning the grievance at this level.

3. Step Three - Binding Arbitration

- (a) With respect only to those grievances involving disciplinary matters and in the event the grievance is not resolved to the grievant's satisfaction at Step Two, or in the event the Executive Director has not served a timely written response at Step Two, then within ten (10) days after the response date set forth in Step Two, the grievant may notify the Executive Director in writing of the grievant's intention to submit the grievance to binding arbitration, and shall request the Executive Director to join in the request for arbitration.
- (b) Within five (5) days after receipt of the grievant's notice and request as aforesaid, the Executive Director shall serve upon the grievant his written determination respecting such request. The Executive Director shall join in the submission to arbitration if he determines that the grievance relates solely to a controversy involving a disciplinary matter.
- (c) In the event the Executive Director determines to join the submission to binding arbitration, or in the event the Executive Director has not served a timely written determination, then within five (5) days after the determination date set forth in paragraph (2) above, the grievant may invoke binding arbitration by submitting a written request to the Public Employment Relations Commission, with a copy of such request to the Executive Director. Thereafter, binding arbitration proceedings shall be conducted pursuant to P.E.R.C.'s rules, except as they may be expressly altered or modified herein.
- (d) The arbitrator shall be required to deliver to the parties a written award, coupled with a written opinion setting forth detailed reasons, findings of fact, and conclusions of law utilized in making his award, by no later than thirty (30) days from the date of closing the hearings, or if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The arbitrator expressly has no authority to modify, add to, subtract from, or in any way whatsoever alter the provisions of this Agreement.
- (e) Grievance and arbitration meetings and hearings shall be held at mutually acceptable times and places. The individual grievant shall have at his request a representative from the Union to assist in the resolution of the grievance at such meetings and hearings. Requests for such representatives and any witnesses shall be made to the Executive Director or his designee, and meeting or hearing dates shall be scheduled considering the availability of all parties and witnesses and the needs of the Authority.
- (f) Costs of the arbitrator shall be equally divided between the parties.
- (g) Additional costs incurred shall be borne by the party incurring same.

**ARTICLE VIII
POSTING OF JOB VACANCIES**

- A. All new and vacant positions within the bargaining unit shall be posted on the bulletin board for a period of seven (7) days. Employees applying for such vacancies shall make a request in writing to the Executive Director.
- B. Employees within the bargaining unit shall be given consideration in applying for job openings covered under this Agreement, provided that such employees are, in the discretion of the Authority, qualified.
- C. If two (2) or more qualified employees and/or outside applicants apply for such position or promotion, seniority will be considered along with qualifications in determining which of them shall be selected to fill the position. The Authority reserves the right, in its sole discretion, to select the most qualified candidate from within or without the Authority, to fill the position.
- D. Qualifications shall include not only ability and training, but also the Authority's determination as to the suitability for particular shifts.
- E. Employees may apply for positions only during the posting period.
- F. If promoted, an employee shall serve in the new capacity for a ninety (90) working day probationary period.
- G. It shall be the exclusive determination of the Authority whether to advertise job vacancies or new positions to the general public.

**ARTICLE IX
SENIORITY**

- A. It is hereby agreed that the parties hereto recognize and accept the principle of classification seniority in all cases of layoffs and recalls. In all cases, however, ability to perform the work in a satisfactory manner and qualifications will be considered equally to seniority in designating the employee to be affected.
- B. The seniority of an employee is defined as the length of continuous uninterrupted service in their classification dating back to his last date of hire within his classification.
- C. In the event of layoffs and rehiring, the last person hired in a classification shall be the first one to be laid off and the last person laid off in a classification shall be the first to be recalled in accordance with this seniority, provided, in the judgment of the Authority, the more senior employee is able to do the available work in a satisfactory manner, and provided that he has the proper qualifications.

- D. When job vacancies occur within the bargaining unit or whenever bargaining unit positions are created, the Authority shall first attempt to make promotions or transfers from its regular employees. Considerations for such promotions or transfer shall be based upon ability to perform the work and qualifications, as well as upon seniority, and if an employee so promoted or transferred is not deemed qualified after a ninety (90) working day trial period, the Authority may remove him and retransfer him to his former position if still available. Nothing herein shall preclude the Authority from exercising its option to seek and eventually hire applicants from outside the Authority.
- E. Once per year, the Authority shall prepare and forward to the Union a seniority list of union employees indicating classification and effective dates of employment with the Authority.
- F. Seniority shall terminate: when the employee resigns, when the employee is discharged for just cause, when the employee is laid off for a period in excess of one (1) year, upon absence without leave in excess of three (3) working days without justifiable reason, and upon failure of an employee to accept recall in accordance with Paragraph G of this Article.
- G. Notice of recall shall be sent to the employee by certified mail to the employee's last address of Authority record. Recall notice shall not require return to work earlier than one (1) week from the date of receipt of the notice.

ARTICLE X LEAVES OF ABSENCE

- A. Upon making a timely application, employees may apply to the Authority for a leave of absence without pay for a period not exceeding ninety (90) days without loss of seniority rights. Extensions for such leave may be granted. Such leaves may be granted to employees who are temporarily or physically handicapped or incapacitated to such an extent that they are unable to perform their duties.
- B. Leaves of absence may also be granted hereunder to attend an approved school with a course of study designed to increase an employee's usefulness upon return to service.
- C. A leave of absence will not be granted to employees as a matter of convenience or temporary advantage to such employees by reason of place of work, hours of work or increased compensation.
- D. Employees seeking leave of absence without pay shall submit such a request in writing, stating the reasons, when the leave is desired and the expected return to duty date.
- E. Any employee leaving a position prior to receiving such written authorization by the Authority shall be deemed to have left said position and abandoned his employment at the Authority.

- F. Failure to return on the anticipated date without proper notice shall be considered a voluntary resignation from the Authority.
- G. The Authority shall have sole discretion in matters of leave of absence and each decision shall be on its own merits. In no event shall the decision whether or not to grant a leave be precedential as to any other decision regarding the leave.
- H. Probationary employees shall not be eligible for leaves of absence under this Article.

- C. Employees shall cooperate with the Authority and report to work at all times possible during jury duty. The Executive Director or designee must be notified in advance any day that employees are not required to report for jury duty and employees shall report to work on those days. No second or third shift employee will be required to work during any day during which they serve on jury duty except as modified by paragraph B of this Article.
- D. Jury duty on an unscheduled work day shall not be paid by the Authority.

- A. All employees covered by this Agreement shall be granted sick leave with no loss of regular straight time pay of one (1) working day for each month of service (to a maximum of twelve (12) days per year).
- B. Sick leave may be utilized as allowed by law including bona fide illness, accident or exposure to contagious disease which necessitates absence from work. A certificate by the attending physician may be required by the Authority if there is suspicion of misuse or pattern of abuse. In any event, a certificate by the attending physician may be required after the sixth (6th) sick day used in any year, at the discretion of the Executive Director. The Executive Director may require proof of illness sooner for good cause.
- C. In the event of absence of an employee, such employee shall notify the Authority as soon as he knows he will be absent, but in no event less than two (2) hours prior to his scheduled shift. Such employee shall call prior to his scheduled shift for each subsequent day during which a sick day will be taken.
- D. Unused sick leave shall be reimbursed at the rate of one (1) day's pay for each two (2) days of such accumulated unused sick leave, upon retirement after ten (10) years of service with the Authority. The maximum amount payable shall be four thousand five hundred dollars (\$4,500.00) per employee.

- F. Sick leave may be used in minimum half day (½) blocks only.
