The Township agrees to continue that standard of coverage with no change in the level of benefits for the life of the agreement. All employees shall be bound by the health insurance contribution requirements of P.L.2010, Chapter 2 and P.L. 2011, Chapter 78, and contributions shall continue in accordance with the Chapter 78 grid in **Exhibit A**. If an employee exercises his or her option to enroll in NJ Direct 10 or other plan offered by the State Health Benefits Program with a premium that exceeds that of NJ Direct 15, the employee shall pay the difference in premium costs between the base plan (NJ Direct 15) and the selected plan. For all employees with a hire date with the Marlboro Division of Police on or after January 1, 2017 and subsequently promoted into this unit, in addition to the required contributions, the base health benefits plan shall be NJ Direct 2035 offered by the State Health Benefits Program. If an employee exercises his or her option to enroll in NJ Direct 15 or other plan offered by the State Health Benefits Program with a premium that exceeds that of NJ Direct 2035, the employee shall pay the difference in premium costs between the base plan (NJ Direct 2035) and the selected plan.

B. The Township agrees to pay the entire premium for the present dental insurance coverage for the life of this agreement, except as herein provided. The maximum dental benefit shall be \$1,400.

C. The Township agrees to continue to provide a group life insurance policy for each employee in an amount not less than twenty thousand (\$20,000.00) dollars. Said policy shall be terminated when the employee is no longer employed by the Township.

D. If at any time the Township shall decide to change policies, a representative of the Lodge will review the policies with the representative of management.

E. Effective January 1, 1998, all employees will pay a \$250.00 deductible towards all in confinement stays at a hospital which is not within the PHCS or other health care network utilized by the Township, for as long as the Township participates in such.

F. The Township shall offer a "buy back" incentive of fifty percent (50%) of applicable premiums up to \$3,600.00 for those employees who wish to waive coverage, subject to the requirements of P.L.2010, Chapter 2 and P.L. 2011, Chapter 78. Employees who wish to participate may be required to show proof of alternative coverage.

ARTICLE XXVI

PENSIONS

A. The Township shall continue to provide pension and retirement benefits to employees covered by this Agreement pursuant to provisions of the statutes and laws of the State of New Jersey.

ARTICLE XXVII

SENIORITY

A. Traditional principles of seniority shall apply to employees covered by this Agreement as to the selection of vacation periods and compensatory days off, and reductions in force, where the qualifications of the eligible employees are equal.

B. Seniority shall be one (1) factor considered as to promotion, where the qualifications of the eligible employees are equal, as determined by the Township, except where promotions are governed by Department of Personnel Statutes, Rules or Regulations.

C. Seniority is defined to mean the accumulated length of service with the Department, by rank, computed from the date of certification by the Department of Personnel. If two (2) employees are promoted at the same time, the most senior employee shall be the employee with the longer service time, and, therefore, the greater seniority, in the certified title in the prior rank from which they were promoted.

D. Seniority will be considered as a factor for work assignments. However, the final decision will remain with the Chief of Police.

E. An employee's length of service shall not be reduced by time lost due to authorized leave of absence for a bona fide illness or injury certified by a physician not in excess of one (1) year. Such certification shall be subject to review by the Police Surgeon.

F. Seniority shall be lost, and employment terminated, if any of the following occur: (a) discharge; (b) resignation; (c) absence for five (5) consecutive calendar days without leave or notice of justifiable reason for failing to give same.

G. Failure to return promptly upon expiration of authorized leave without reasonable notice will subject the employee to disciplinary action.

H. The interpretation and application of this Article shall be in conformity with all applicable Statutes and Rules and Regulations.

ARTICLE XXVIII

BULLETIN BOARDS

A. The Lodge shall have the use of the bulletin boards located in Police Headquarters and the Special Service Bureau for the posting of notices relating to meetings and official business of the Lodge, and materials relating to the general welfare of the employees.

B. Only material authorized by the signature of the Lodge President or his designee shall be permitted to be posted on said bulletin board.

C. The Township may notify the Lodge to remove from the bulletin board any material which does not conform with the intent of the above provisions of this Article. If the Lodge fails to remove the objectionable material within one (1) hour after such notice, the Chief of Police or his designee may remove the material.

D. Prior to posting unofficial material on a bulletin board, the employee or Lodge shall obtain approval from the Business Administrator or the Chief of Police or their designee. No material may be removed from any bulletin board without prior authorization.

ARTICLE XXIX

A. Employees, while rendering aid to another community at the direction of their superiors, are fully covered by workmen's compensation, liability insurance and pension as provided by State Law.

ARTICLE XXX

IRS SECTION 125 PLAN

The Township will, no later than July 1, 2000, establish an IRS Section 125 plan such that an employee can set aside a portion of their earnings into a pre-tax account for the purposes permitted by the IRS. These purposes currently include family care and medical expenses.

ARTICLE XXXI

MAINTENANCE OF STANDARDS

A. In order to avoid the necessity for restating all terms and conditions of employment in the Agreement, it is agreed that all benefits, rights, terms and conditions of employment prior to January 1, 1984 shall remain in full force and effect unless specifically modified by this Agreement.

ARTICLE XXXII

SAVINGS CLAUSE

A. In the event that any provision of this Agreement shall at any time be declared invalid by legislative act or any court of competent jurisdiction, or through government regulations or decree, such decision shall not invalidate the entire Agreement, it being the express intent of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.

ARTICLE XXXIII

INJURY LEAVE

A. 1. In the event an employee becomes disabled by reason of service-connected injury or illness and is unable to perform his duties, then, in addition to any sick leave benefits otherwise provided for herein, he may be entitled to full pay for a period of up to one (1) year. In the event injury leave is granted, an employee's accumulated sick leave shall not be reduced for the period of injury leave. In the event an employee is granted said injury leave, the Township's sole obligation shall be to pay the employee the difference between his regular pay and any compensation, disability, or other payments received from other sources provided by the Township. At the Township's option, the employee shall either surrender and deliver his entire salary payments, or the Township shall pay the difference.

2. If an employee returns to work from injury leave for less than one (1) year, he may return to injury leave for the same injury for an additional period of time which, when added to the initial period of injury leave, totals no more than one (1) year.

3. When an employee returns from injury leave, he shall be entitled to a new period of injury leave for a period of up to one (1) year if the employee submits a new injury claim due to an independent event causing re-injury or a new injury.

B. Any employee who is injured, whether slight or severe, while working, must make an immediate report within two (2) hours thereof to the Chief of Police or the Officer-in-Charge.

C. It is understood that the employee must file an injury report with the Chief of Police or Officer-in-Charge so that the Township may file the appropriate Workers' Compensation Claim. Failure to so report said injury may result in the failure of the employee to receive compensation under this Article.

D. The employee shall be required to present evidence by a certificate of a physician designated by the insurance carrier that he is unable to work, and the Township may reasonably require the employee to present such certificate from time to time.

E. If the Township does not accept the certificate of the physician designated by the insurance carrier, the Township shall have the right, at its own cost, to require the employee to obtain a physical examination and certification of fitness by a physician appointed by the Township.

F. In the event the Township appointed physician certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated, unless the employee disputes the determination of the Township appointed physician. Then the Township and the employee shall mutually agree upon a third physician who shall then examine the employee. The cost of the third physician shall be borne equally by the Township and the employee. The determination of the third physician as to the employee's fitness to return to duty shall be final and binding upon the parties. In the event the third physician also certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated.

G. The Township, at its option, and upon certification by the Township appointed physician, may extend the injury leave for no more than one (1) additional

year. The Township appointed physician must certify that the employee is incapable of performing his duties for the additional time period.

H. if the Township can prove an employee has abused his privileges under this Article, the employee will be subject to disciplinary action by the Township. If the employee is found to be in violation of this Article, he shall be subject to disciplinary action by the Township to the extent which is provided in this Agreement and any ordinance in effect governing the Township of Marlboro Police Department.

ARTICLE XXXIV

PERSONNEL FILES

A. The Township shall establish personnel files or confidential records which shall be maintained under the direction of the Chief of Police.

B. Upon prior notice to and authorization of the Chief of Police or his designee, all employees shall have access to their individual personnel file. Any such request shall not be unreasonably denied.

C. The Township shall not insert any material into the personnel file of the employee, unless the employee has had an opportunity to review, sign, receive a copy of and comment in writing upon the material, unless the employee waives these rights.

D. The employee shall have the right to respond in writing to any complaint, negative report, or disciplinary warning entered into his individual personnel file, and said response shall also be placed in the employee's individual personnel file attached to the respective complaint, negative report, or disciplinary warning.

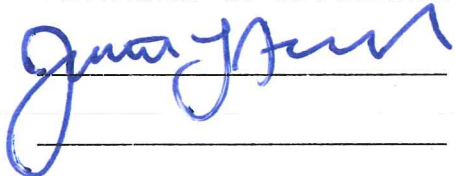

ARTICLE XXXV

DURATION OF AGREEMENT

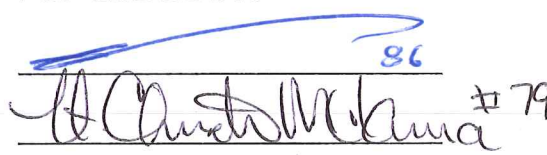

A. This Agreement shall be in full force and effect as of January 1, 2020, and shall remain in effect to and including December 31, 2023, without any reopening date. This Agreement shall continue in full force and effect from year to year thereafter, until one party or the other gives notice, in writing, no sooner than one hundred fifty (150) nor later than one hundred twenty (120) days prior to the expiration of this Agreement of a desire to change, modify or terminate this Agreement.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals at the Township of Marlboro, New Jersey, on this 8 day of June, 2020.
