ARTICLE II.

NEGOTIATION OF SUCCESSOR AGREEMENT.

1. A. The Parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Laws of 1974, as amended in a good faith effort to reach agreement on all matters concerning the terms and conditions of employment for all personnel in the negotiations unit for whom the Association is authorized to negotiate in accordance with Article I, "Recognition," of this Agreement. An Agreement so negotiated shall be applicable to the aforementioned personnel, shall be reduced to writing, and when adopted by appropriate Resolution of the Board and approved by appropriate resolution of the Association by its internal procedures, shall be signed by the Board and the Association. Prior to execution of the Agreement, the Association's representatives shall notify the Board in writing that they are authorized to execute the Agreement in accordance with and in compliance with its internal procedures.

B. The Association shall submit its contract proposals to the Board of Education through the Superintendent of Schools no later than November 1 in the school year in which this Agreement expires, and such submission of proposals shall constitute the opening of formal negotiations.

C. The Board reserves the right to present a proposal of its own as well as counter-proposals to those presented by the Association. Such proposals shall be presented to the Association

in writing within thirty (30) school days of receipt of the Association's proposal.

D. Additional proposals, if any, shall be submitted no later than ten (10) school days following the submission in writing of the Board's proposals.

**ARTICLE III.
GRIEVANCE PROCEDURE.**

1. Definitions.

- a. The term "grievances" is any alleged violation of this Agreement or any dispute with respect to its meaning or application.
- b. The term "grievance" and the procedure relative thereto, shall not be deemed applicable in the following instances:
- i. The failure or refusal of the Board to renew a contract of a non-tenured teacher.
 - ii. In matters where a method of review is prescribed by law, or by any rule, regulation or by law of the State Commissioner of Education or the State Board of Education.
 - c. The term "teacher" shall mean any regularly employed individual covered in Article I, "Recognition."
 - d. The term "representative" shall include any organization, agency or person authorized or designated by any employee or any group of employees, or by the Board to act on its or their behalf and to represent them.
 - e. The term "party in interest," is the aggrieved teacher, his/her immediate superior, the school principal or any staff member below the Superintendent who may be affected by the

BOE

determination of the Superintendent in connection with the procedure herein established.

2. Purpose.

- a. It is understood and agreed that both the Board and the Association have the right to utilize all provisions of this Article and that grievances may be processed either by the teacher who has been aggrieved or by the Board or the Association.
- b. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances which may, from time to time, arise affecting the teachers.
- c. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with the appropriate member of the administration and having the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given notice of such adjustment.

3. Procedure.

- a. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every reasonable effort should be considered to expedite the process. The time limits may be extended, however, by mutual agreement.
- b. An aggrieved teacher shall institute action under the provisions hereof within twenty (20) school days of the occurrence of the grievance. Failure to act within said twenty

BOE
FILE

(20) day period shall be deemed to constitute an abandonment of the grievance.

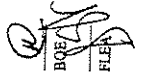

c. An aggrieved party may, at his/her election, first discuss the grievance informally with his/her principal or immediate superior, or discuss such grievance with his/her principal or immediate superior through the Association's designated representative with the objective of resolving the matter informally.

d. Whenever the teacher appears with a representative the Board shall have the right to designate a representative to participate at any stage of the grievance procedure.

e. A teacher shall first discuss the grievance orally with his/her immediate superior (supervisor or principal). Where the immediate superior is below the position of principal, the principal shall be notified and shall have the right to be present at and to participate in said hearing. A decision shall be rendered within five (5) school days of said hearing.

f. If the grievance is not resolved to the teacher's satisfaction within five (5) school days from the determination referred to in Paragraph e above, the teacher shall submit his/her grievance to the Superintendent of Schools or his designee in writing, specifying:

- i. The nature of the grievance;
- ii. The results of the discussion;

BOE

iii. The basis of the dissatisfaction with the determination.

iv. The remedy sought.

g. A copy of the writing called for in Paragraph f above shall be furnished by the aggrieved teacher to the school principal and to the immediate superior of the aggrieved teacher.

h. Within ten (10) school days from the receipt of the written grievance, the Superintendent or his designee shall hold a hearing at which all parties in interest shall have the right to be heard.

i. Within ten (10) school days of said hearing the Superintendent or his designee, shall in writing, advise the teacher and the representative, if there be one, of the determination and shall forward a copy of said determination to the school principal and to the immediate superior of the aggrieved teacher.

j. If the aggrieved party is not satisfied with the disposition of the grievance at the Superintendent's level, or if no decision has been rendered within fifteen (15) school days after reaching the Superintendent of Schools, the aggrieved party may request that the Association request a hearing of the Board. The Association's request shall be in writing, setting forth the reasons, and be transmitted within fifteen (15) school days to the Superintendent of Schools, who shall attach related papers, including copies of those requested by the Association and forward

the request to the Board. The Board, or a committee thereof, shall hear the grievance within fifteen (15) school days. The Board will make arrangements for a meeting with all parties in interest to hear the matter. The Board shall render a written decision within ten (10) school days from the date of the close of the hearing, setting forth reasons for its decision. Copies of such decision shall be transmitted to the aggrieved party and the Association within five (5) school days from the date the decision was rendered by the Board.

k. Grievances initiated by the Board shall be filed directly with the Executive Board of the Fort Lee Education Association within ten (10) school days after the event giving rise to the grievance has occurred. A meeting shall be held within ten (10) school days after filing a grievance between the representatives of the Board and the Fort Lee Education Association in an earnest effort to adjust the differences between the parties.

l. In the event a teacher is dissatisfied with the determination of the Board, he shall request that the Association pursue arbitration according to rules and regulations established by the American Arbitration Association. In the event the Board is dissatisfied with the determination of the Association, it shall have the same right to request arbitration. The authority of any arbitrator shall be limited solely to the interpretation of the Agreement and he shall have no authority to add to, subtract

from or modify any of said provisions. In rendering the decision, the Arbitrator may take into consideration arguments of past practice only as they relate to the particular grievance under consideration, provided, however, that the issue of past practice shall be confined to terms and conditions of employment and shall not include any matters involved with education policy decisions. In rendering the decision, the Arbitrator shall be bound by the laws of the State of New Jersey and the United States, decisions of the Courts of New Jersey and of the United States, and rulings and decisions of the Commissioner of Education and the State Board of Education. The decision of the Arbitrator shall be binding upon the parties.

m. A request for arbitration shall be made no later than twenty (20) school days following the determination at the prior step. Failure to file within said time shall constitute a bar to such arbitration unless the Association and the Board shall mutually agree upon a longer period of time within which to assert such a demand.

n. In the event of arbitration, the costs of the Arbitrator's services shall be borne equally by the Board and the Association. All other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

o. All meetings and hearings under this procedure shall not be conducted in public and shall include only such

parties in interest and their designated or selected representatives as are heretofore referred to in this Article.

ARTICLE IV.
NO STRIKE PLEDGE.

1. The Association agrees that during the term of this Agreement, neither the teacher organization nor any person acting on its behalf will cause, authorize or support any strike or any other job action, or the invocation of sanctions against the Board. Should a strike or other such job action occur, the Association shall attempt to direct its members to fulfill their responsibilities hereunder.
2. The teachers participating in the aforementioned actions may subject themselves to appropriate disciplinary action.

However, on or before March 1 of the school year prior to the year in which the teacher desires to return from child care absence, the teacher shall indicate to the Board, in writing, that she intends to return to teaching the following September. Failure to so notify the Board will be deemed to be a waiver by the teacher of her right to return from maternity leave that year.

GUIDELINES FOR HORIZONTAL MOVEMENT

All Courses, whether graduate or in-service, must be approved by the Superintendent of Schools or his designee, in advance of attendance.

Only passing grades will be credited toward advancement as determined by a review of the official college transcript submitted by the staff member.

The mandatory 100 hours of continuing professional development (N.J.A.C. 6:11-13.1, et seq) will not necessarily trigger horizontal movement; however, during the process of horizontal movement a teacher may satisfy the 100 hours.

At the earliest possible date in advance of September 1 of any school year by which a teacher will be confident that he/she will expect to qualify for advancement beyond his/her current salary guide class, inclusive of mid-point possibilities, effective for said September 1, he/she would prepare and send to the Superintendent of Schools or his designee two completed copies of the form, "Record of Superintendent's Approval for Advance Study relating to Salary Classification."

When a teacher completes ten (10) semester hours as approved by the Superintendent of Schools or his designee for credit toward the thirty (30) semester hour requirement differential between salary guide classes, the teacher will qualify for a salary adjustment as of September 1 in the school year immediately following the completion of said ten (10) semester per hour block credit with said amount of salary adjustment to be equal to one-third of the salary guide differential between the appertaining classes.

The following are the class categories and requirements reflective in the horizontal movement salary adjustment schedule:

Class I = Bachelor Degree
Class I.1 = Bachelor plus 10 credits
Class I.2 = Bachelor plus 20 credits
Class II = Bachelor plus 30 credits, or Master Degree

(Only those with a Master's Degree may advance beyond Class II; a person with a Bachelor's Degree remains at Class II, no matter how many additional credits are taken.)

Class II.1 = Master plus 10 credits
Class II.2 = Master plus 20 credits

A-4

Class III = Master plus 30 credits
Class III.1 = Master plus 40 credits
Class III.2 = Master plus 50 credits
Class IV = Master plus 60 credits, or any additional
