AGREEMENT

This Agreement is made and entered into effective as of the 1st day of July, 1973, by and between the Manalapan-Englishtown Regional Board of Education, hereinafter referred to as the "Board", and the Manalapan-Englishtown Federation of School Secretaries, Local 2198, American Federation of Teachers, AFL-CIO, hereinafter referred to as the "Federation".

ARTICLE I - RECOGNITION

A. The Board recognizes the Federation as the sole and exclusive bargaining agent for secretaries and clerks, hereinafter referred to as employee(s), employed by the Board full-time (herein defined as twenty (20) or more hours of scheduled work per week); excluding, however, the secretary to the Superintendent of Schools, the secretary to the School Business Administrator, and all other employees not specifically included herein, pursuant to Chapter 303 of the 1968 laws of the State of New Jersey, known as the New Jersey Employer-Employee Relations Act, concerning terms and conditions of employment.

B. Employees hired on a part time or temporary basis who work four (4) or more hours per day shall be deemed to be full-time employees upon accumulation of ninety (90) such working days within a school year.

ARTICLE II - NON-DISCRIMINATION

The parties agree to follow a policy of not discriminating against any employee on the basis of race, color, creed, national origin, sex, or marital status, or membership, or participation in, or association with the activities of any employee organization.

ARTICLE III - GRIEVANCE PROCEDURE

A. Definition - A "grievance" shall mean a complaint by an employee covered by this Agreement that there is a violation, misinterpretation, or misapplication of the provisions of this Agreement concerning employee working conditions, except that the term "grievance" shall not apply to (a) any matter for which a specific method of review is prescribed either by law or any regulation of the State Commissioner of Education or any matter which according to law is either beyond the scope of Board authority or limited to action by the Board alone; and (b) any matter not specifically part of this Agreement.

B. Procedure - A grievance to be considered under this procedure must be initiated by the grievant within seven (7) calendar days from the time of its occurrence or the time when the aggrieved became aware or should have become aware of the alleged grievance.

Step 1: Any employee covered by this Agreement who has a grievance shall

discuss it first with the school official serving as her immediate supervisor in an attempt to resolve the matter informally at that level.

Step 2: If, as a result of the discussion, the matter is not resolved satisfactorily within five (5) school days, the grievant shall set forth her grievance in writing to her immediate supervisor specifying:

- (a) the nature of the grievance;
- (b) the nature and extent of the injury, loss or inconvenience;
- (c) the results of previous discussion; and
- (d) her dissatisfaction with decisions previously rendered.

The supervisor shall communicate his decision to the grievant in writing within five (5) school days of receipt of the written grievance.

Step 3: The grievant may, no later than five (5) school days after receipt of the decision in the foregoing Step, appeal the decision to her next higher level of supervision, which in the case of Business Office employees shall mean the School Business Administrator. In the case of other employees this shall mean the Superintendent of Schools. The appeal to the Superintendent or School Administrator must be made in writing reciting the matter as specified above and her dissatisfaction with decisions previously rendered. The Superintendent or School Business Administrator shall meet with the grievant and attempt to resolve the matter as promptly as possible and shall communicate his decision in writing to the grievant within twenty (20) school days of receipt of the written grievance.

Step 4: If the grievance is not resolved to the grievant's satisfaction, she may request, no later than five (5) school days after receipt of the Superintendent's or School Business Administrator's decision, a review by the Board. The request shall be submitted in writing through the Superintendent or School Business Administrator, who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the grievant and render a decision in writing within thirty (30) school days of receipt of the grievance by the Board.

Step 5: If the decision of the Board does not resolve the grievance to the satisfaction of the grievant and the Federation wishes review by a third party, the grievance may be submitted to arbitration. If arbitration is requested, the Federation shall notify the Board.

within ten (10) school days of receipt of the Board's decision in Step 4 of the grievance procedure. The following procedure shall be used to secure the services of an arbitrator:

- (a) A request will be made to the American Arbitration Association to submit a roster of persons qualified to function as an impartial arbitrator in the dispute in question:
- (b) If the parties are unable to agree upon a mutually satisfactory arbitrator from the submitted list, they will request the American Arbitration Association to submit a second roster of names; and
- (c) If the parties are unable to agree upon a mutually satisfactory arbitrator from the Second Submitted list, either party may request, within ten (10) school days from receipt of such list, the American Arbitration Association to designate an arbitrator.

The arbitrator shall limit himself to the interpretation and application of the terms of the Agreement, to the issues submitted to him, and shall not add to, nor subtract anything from the Agreement between the parties. The decision of the arbitrator shall be advisory only unless the Board and the Federation have previously mutually agreed that it shall be final and binding.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Federation. Any other expenses incurred shall be paid by the party incurring same.

C. General Provisions

1. Any grievant may be represented at all stages of the grievance procedure by herself or, at her option, by a representative selected or approved by the Federation.
2. Nothing in this Agreement shall be construed as compelling the Federation to submit an employee's grievance to arbitration.
3. No reprisals of any kind shall be taken against any participants in the grievance procedure by reason of such participation.
4. The time for a meeting or a hearing at all steps other than Step 1 within the prescribed time limits shall be fixed by mutual agreement. Such hearings must take place within the time limits provided in each step.

5. Any grievance placed in an employee's file shall contain all related papers, including the written resolution of the grievance.

ARTICLE IV - FEDERATION RIGHTS AND PRIVILEGES

- A. The Federation will be provided with a bulletin board in each faculty lounge for the posting of official Federation notices and announcements to employees covered by this Agreement and shall submit a copy of all material to be posted to the Building Principal.
- B. The Federation shall have the privilege of calling meetings of employees covered by this Agreement before and after school hours and, should occasion arise, during appropriate lunch periods, subject to approval within the guidelines of Board policies and provided such meetings do not interfere with the proper operation of the school system.
- C. Upon request, the Board agrees to make available to the Federation information in the public domain.
- D. The Board agrees to deduct from the salaries of employees covered by this Agreement dues for the Manalapan-Englishtown Federation of School Secretaries, Local 2198, American Federation of Teachers, AFL-CIO, in compliance with Chapter 310, Public Laws of the State of New Jersey, 1967, and of the rules established by the State Department of Education. Such monies collected, together with records of any corrections, shall be transmitted to the Treasurer of the Federation by the thirtieth of each month following the monthly pay period in which deductions were made. Authorizations for dues deduction shall be in writing signed by the individual concerned. Dues deductions will be made with the understanding that said deductions may be discontinued only if the person originally authorizing deductions files a notice of withdrawal, in which case dues deductions will terminate as of the January 1st or July 1st next succeeding the date on which the notice of withdrawal was filed. Authorization of dues deduction is to be forwarded to the School Business Administrator.

ARTICLE V - PERSONNEL FILES

- A. An employee may request the right to inspect material in her individual personnel file, except that all pre-employment material shall be treated as confidential and shall not be made available to the employee. An employee may make a copy of the material which she is permitted to inspect.

- B. The Board agrees that no derogatory information will be placed in an individual employee's file without the employee having the opportunity to see, initial, and reply to said information, with such reply to be placed in the personnel file.
- C. The Board agrees to continue its policy of treating these personnel files confidentially.

ARTICLE VI - TRANSFERS, REASSIGNMENTS AND PROMOTIONS

- A. In the event of a job vacancy, new position, or promotion, the Superintendent or School Business Administrator shall cause to be posted notice of such openings for fifteen (15) school days in all faculty rooms prior to filling said vacancies. The notice to be posted shall include the procedure to be followed in applying for the position and a brief description of the necessary qualifications. If the nature of the vacancy to be filled changes during the fifteen (15) day posting period, a revised posting shall be made for a new fifteen (15) day period. The salary of the new position shall be included in the posting, but the Board shall be free to post a position without an agreed-upon salary if the parties fail to reach agreement upon the salary within one (1) calendar week prior to the intended posting date. *2 copies*
- B. Voluntary Transfers - Employees covered by this Agreement may submit requests for job transfer or reassignment to the Superintendent or School Business Administrator through their immediate supervisors. In reviewing such requests, the Superintendent or School Business Administrator shall consider the following factors: (a) ability, performance evaluations, education and training, knowledge and skill required; (b) length of service in the Manalapan-Englishtown School District; and (c) the best interest of the school system. The Superintendent or School Business Administrator will afford an applicant and interview, if requested.
- C. Involuntary Transfers - In event of layoff, transfer to a lower-rated job, or transfer to another job in another building on other than temporary basis, or the elimination of a job, becomes necessary due to reorganization or otherwise, the Federation will be advised in advance and afforded an opportunity to discuss the matter and make recommendations. However, it is recognized that the Board retains the right to make such layoffs, transfers or job eliminations as it deems necessary in its discretion. In the application of the foregoing, in the case of individual employees, the Superintendent or School Business Administrator will consider the same factors as set forth in paragraph B, above. If the employee believes that the application to her of the factors has been arbitrary or capricious, she may file a grievance. If an employee's job is eliminated, that

employee would be given one week's notice or pay in lieu thereof and would be given priority in filling a new position provided she was qualified to do the work. No pay is required if there is no interruption in the employee's service.

- D. If new positions are created within the bargaining unit, rates of pay for such positions shall be established by the Board, subject to the provisions of paragraph A, above, but the Federation shall have the right to negotiate with respect to whether such rates of pay are equitable in relation to rates of pay for other jobs in the bargaining unit.
