2. Vacations shall normally begin following the "regular days off" of the employee.

3. Vacation time must be taken in the calendar year in which it is earned, or it shall be forfeited. However, one year's vacation time or any part thereof, may be carried forward into the next succeeding year only, subject to the approval of the Director. Any such accumulation of vacation time may not be carried beyond the year immediately following

that in which it is earned, unless approved by the Business Administrator.

4. The vacation period shall be the calendar year, from the 1st day of January through the 31st day of December, giving preference to employee seniority where practicable and where consistent with efficient operations. All vacation requests and/or schedules are subject to the approval of the Director. vacation stretch and amount to between eight and ten working days depending on seniority) in two (2) day increments rather than all at one time. This is a voluntary program and is subject to the requirement of sufficient manning being available for the needs of the Fire Department.

Employees covered by this Agreement, who are entitled to vacation leave at the time of retirement, shall receive the earned vacation which has not been taken effective thirty (30) days prior to the date of retirement. It is understood and agreed that the retiring employee must give sufficient notice of retirement to enable him to use any accrued time off and vacation time prior to his retirement or such time will be forfeited. In the event that an employee is entitled to earned vacation leave at the time of his death, his widow or his estate shall receive the earned vacation pay on the same basis as an employee who is retiring. The widow or estate shall also receive earned pay for any accrued time that is owed to the employee as a result of accumulated, non-compensatory overtime.

In order not to jeopardize the efficiency of the department, the vacation schedule shall be as follows: the early section shall be used before June 15, the summer section shall be used between June 15 and September 15, and the late section shall be used after September to December 31.

ARTICLE XI

Leaves shall not be denied without just cause. In granting leaves or extensions of leaves, approval will not be unreasonably withheld. Extensions of such leaves may be granted providing that at least two (2) weeks prior to the date on which the initial and subsequent leave would terminate, the employee requests said extension of the Director. Falsification of the reason for leave or failure to return promptly at the expiration of a leave shall be considered reason for summary discharge. Leaves shall be granted or denied in writing. Copies shall be furnished to the Association and an opportunity for discussion of the rule or regulation will take place before the rule or regulation becomes effective.

It is understood that employees shall comply with all rules and regulations of the department, and orders or directives issued by the Director or his designee, from time to time. Employees shall promptly and efficiently execute the instructions and orders of superior officers. If an employee or employees believe a rule, regulation, instruction or order of a superior officer is unreasonable or unjust, the employee or employees shall comply with the rule, regulation, order or instruction, but with further provision that such employee or employees may regard the rule, regulation, order or instruction as a grievance which shall be handled in accordance with the Grievance Procedure as set forth in Article III of this contract.

In the event that an employee or employees shall refuse to comply with a rule or regulation, or shall refuse to

execute promptly and efficiently an instruction or order of a superior officer, appropriate action shall be within the province of the superior officer within the framework of department rules and regulations subject only to the right of the employees to file a grievance.
