PREAMBLE

This Agreement entered into by the Atlantic City Municipal Utilities Authority (ACMUA), hereinafter referred to as the "Employer", and Local #2646, affiliated with AFSCME, District Council #71, AFL-CIO, hereinafter referred to as the "Union", has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of difference; and the establishment of rates of pay hours of work and other conditions of employment.

ARTICLE 1
RECOGNITION

1.1 The Employer recognizes the Union as the bargaining agent for the purpose of establishing salaries, wages, hours, and other conditions of employment for all of its employees in the classifications listed under Appendix "A" attached hereto and by reference made a part of this Agreement, and for such additional classifications as the parties may later agree to include. All provisions as stated herein shall apply to all Blue Collar Workers in Atlantic City Municipal Utilities Authority covered by THIS AGREEMENT and its addendum.

ARTICLE 2

CHECK-OFF AND REPRESENTATION FEE

- 2.1 The Employer agrees to deduct the Union monthly membership dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by the Treasurer of the Union and the aggregate deductions of all employees shall be remitted, to the Treasurer of the Union and the list of the names of all employees for whom the deductions are made. The revocation of this authorization shall be in accordance with the provisions of applicable statutes as presently existing or as may be amended by the State Legislature.
- 2.2 The Union will hold and save the Employer harmless from any claims, suits, demands, or obligations raised against it by virtue of the check off (transfer funds from employee to Union).
- 2.3 The parties agree that all employees in the bargaining unit who do not become members of the Union during any union membership year shall have deducted from their salaries and forwarded to the Union a representation

fee in a manner and in an amount as provided below.

2.4 Representation Fee Amount

Within thirty (30) days of the execution of this Article, the Union shall notify the Employer of the representation fee sum to be deducted from nonmembers' salaries for the remainder of the year. Thereafter, the Union shall notify the employees of the appropriate annual representation fee on an annual basis. Said sum shall not exceed eighty-five (85%) percent of the regular membership dues, fees and assessments charged to Union members unless the Legislature amends the existing ceiling rate whereupon the representation fee deducted shall be that amount set by the Union and consistent with the amended legislation. Any change in the representation fee shall be made upon written notification to the Employer.

2.5 Representation Fee Deductions

The annual representation fee shall be deducted from nonmembers' salaries in substantially equal monthly (bi-weekly) installments. Representation fee deductions from the salaries of all nonmember-employees shall commence within thirty (30) days following the beginning of their employment in a bargaining unit position or the tenth (10th) day following reentry into the

bargaining unit for employees who previously served in bargaining unit positions and who continued in the employ of the Atlantic City Municipal Utilities Authority employees in a non-bargaining unit position and persons being reemployed in such a unit from the reemployment list.

If during the course of the year the nonmember becomes a Union member, the Employer shall cease deducting the representation fee and commence deducting the Union dues beginning with the first paycheck to be issued ten (10) days after written notification of the change in status. Conversely, if during the course of the year the Union member directs the Employer to cease Union dues deductions in a manner appropriate under the terms of this Agreement, the Employer shall commence deduction of the representation fee with the first paycheck to be issued ten (10) days after written notification of the change in status. After deduction, representation fees shall be transmitted to the Union in the same manner and in the same time as union dues.

In addition, from the two (2) third period pays, representation fees of members and non-members, shall be deducted and remitted to the Treasurer of the Union,

AFSCME District council 71, as voted upon by the members of Local 2646.

2.6 Termination of Employment

The Union must determine if it desires the entire representation fee to be due and payable upon termination; if so, this clause shall provide that upon termination of a nonmember for any reason, the Employer shall deduct the undeducted balance of the representation fee from the nonmember's last paycheck and transmit the fee to the Union.

2.7 The Union shall save the Employer harmless from any claims, suits, demands, or obligations raised against it by virtue of any representation fee deductions (transfer of funds from Employee to Union).

ARTICLE 3
