**ARTICLE 2
NEGOTIATION PROCEDURE**

2:1 The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Law 1974, in good faith. Such negotiations should begin not later than October 15th of the calendar year preceding the so negotiated contract and it shall apply to all employees, to be reduced to writing, be adopted by the Association and the Board and signed by the Association and the Board.

2:2 During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counter-proposals. The Board shall permit the Association to inspect the following records, data and information of the Edgewater Park School District: an audit report, a complete list of "employees" names, salaries, and step on guide, and any anticipated state and federal funds.

2:3 Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.

2:4 This agreement shall not be modified in whole or in any part by the parties except by an instrument in writing duly executed by both parties.

**ARTICLE 3
GRIEVANCE PROCEDURE**

3:1 A "grievance" shall mean a claim by an employee that there has been a misinterpretation, misapplication, or a violation of Board Policy, this Agreement, or an administration decision which is in violation of either Board Policy or this Agreement and adversely affects him. A grievance, to be considered under this procedure, must be initiated by the employee within thirty (30) days of the time the employee knew or should reasonably have known of its occurrence.

3:2 As used in this Article, the term "employee" shall mean (a) an individual employee, (b) a group of employees having the same grievance.

3:3 It is agreed by both parties that these proceedings will be kept as informal and confidential at any level of this procedure.

3:4 Failure at any step on this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance by the grievant of the decision rendered at that step.

3:5 It is understood that employees shall, during and notwithstanding the pending of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

3:6 Since it is important that grievances be processed as rapidly as possible the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may be extended by mutual agreement.

3:7 Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option by a representative selected or approved by the Association.

3:8 When an employee is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the grievance at Level two be notified that the grievance is in process, have the right to be present and present its position in writing at all meetings with the employee held concerning the grievance, and shall receive a copy of all decisions rendered.

3:9 Level one - Any employee who has a grievance shall discuss it first with his principal, immediate supervisor or department head, if applicable, in an attempt to resolve the matter informally at that level.

3:10 Level two - If as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he may set forth his grievance in writing to his Principal on the grievance forms provided. The Principal shall communicate his decision to the employee in writing within five (5) school days of the receipt of the written grievance. (Sample grievance form on the last page.)

3:11 Level three - The employee, no later than five (5) school days after the receipt of the Principal's decision, may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing, reciting the matter submitted to the Principal as specified above, and his or her dissatisfaction with the decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the employee and the Principal.

3:12 Level four - If the grievance is not resolved to the employee's satisfaction, he, no later than five (5) school days after the receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request within five (5) school days to the Board of Education. The Board shall review the grievance and shall, at the option of the Board or upon request of the employee, hold a hearing with the employee and render a decision in writing within 45 calendar days of the receipt of the grievance by the Board or of the date of the hearing with the employee, whichever comes later.

3:13 Level five - No claim by an employee shall constitute a grievable matter beyond Level four or be processed beyond Level four if it pertains to (a) any matter for which a detailed method of review is prescribed by law or (b) any rule or regulation of the State Commissioner of Education or (c) any existing by-laws of the Board of Education or (d) any matter which according to law is beyond the scope of Board authority or limited to unilateral action of the Board alone (e) any complaint of a non-tenure teacher which arises by reason of his not being reemployed (f) or a complaint by any certificated personnel occasioned by lack of appointment to or lack of retention in any position for which tenure is either not possible or not required. If the employee is dissatisfied with the decision of the Board of Education and only if the grievance pertains to an alleged violation of this Agreement between the Board and the Association, the employee may request the appointment of an arbitrator, such request to be made known to the Superintendent no later than two weeks after the decision, in writing, of the Board of Education, was known.

An employee in order to process his/her grievance beyond Level four, must have his/her request for such action accompanied by the written recommendation for such action by the Association.

Such request can be honored only if the grievant or grievants and the Association representing them waive the right, if any, in writing of said grievant or grievants and the Association representing them to submit the underlying dispute to any other administrative or judicial tribunal, except for the purpose of enforcing the arbitrator's report.

3:14 The following procedure will be used to secure the services of an arbitrator:

A request will be made to the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question.

If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list within ten (10) days, they will request the American Arbitration Association to submit a second roster of names.

If the parties are unable to determine a mutually satisfactory arbitrator from the second submitted list within ten (10) days, the American Arbitration Association may be requested by either party to designate an arbitrator.

The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The findings of the arbitrator shall be binding upon the parties. Only the Board, the aggrieved, his representatives and the Association shall be given copies of the arbitrator's report. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.

If requested by either of the parties, the arbitrator will first decide the question of arbitrariness of the issue prior to entering into a hearing concerning the dispute.

3:15 Forms pertaining to the filing of grievances shall be prepared by the Superintendent or his designee after consultation with the Association.

3:16 Each party shall bear the total cost incurred by themselves.

3:17 The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

3:18 When prepared, grievance forms shall contain at least (a) the nature of the grievance and approximate date of occurrence, (b) the nature and extent of the injury, loss or inconvenience, (c) the results of previous discussions and (d) his dissatisfaction with decisions previously rendered and (e) the relief sought by the grievant.

3:19 The Edgewater Park Education Association and the School Board agree that differences between the parties shall be settled by peaceful means as provided within this Agreement. The Edgewater Park Education Association, in consideration of the value of this Agreement and its terms and conditions, will not engage in, instigate, or condone any strike, work stoppage, or any concerted refusal to perform normal work duties on the part of any employee covered by this Agreement for the duration of this Agreement.
