PREAMBLE

THIS AGREEMENT by and between the TOWNSHIP OF UPPER, in the County of Cape May, New Jersey, a Municipal Corporation of the State of New Jersey, hereinafter called the "TOWNSHIP", and COUNCIL 71, AMERICAN FEDERATION OF STATE, COUNTY AND MUNICIPAL EMPLOYEES (AFSCME), AFL-CIO, hereinafter called the "UNION", represents the complete and final understanding on all of the bargainable issues between the TOWNSHIP and the UNION.

ARTICLE I

RECOGNITION

In accordance with the "Certification of Representative" of the Public Employment Relations Commission dated April 21, 1980 (Docket. No. RO-80-121), the **TOWNSHIP** recognizes the **UNION** as the exclusive collective negotiations agent for all employees covered in the aforementioned Certifications and more specifically including all laborers, truck drivers, equipment operators, mechanics, recreation maintenance workers, building maintenance workers, carpenters, and all non-professional employees employed by the **TOWNSHIP OF UPPER**, but excluding managerial, confidential and professional employees, police, emergency medical and craft employees and supervisors within the meaning of the Act.

ARTICLE 2

DUES CHECK-OFF

A. The **TOWNSHIP** agrees to deduct the monthly members dues from those employees who individually request that such deductions be made. Such request must be made, in writing, to the Employer (**TOWNSHIP**). The amounts to be deducted shall be certified in writing to the **TOWNSHIP** by the **UNION** and the aggregate deductions shall be remitted to the **UNION** by the **TOWNSHIP** together with a list of the names of all employees for whom the deductions were made.

B. It is understood and agreed that upon signing this Contract the "Agency Shop" concept, as established by the passage and signing of the amendments and supplements to the "New Jersey Employer-Employee Relations Act", shall take effect.

ARTICLE 3

MANAGEMENT RIGHTS

A. The TOWNSHIP hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. To the executive management and administrative control of the TOWNSHIP Government and its properties and facilities and the activities of its employees;

2. To hire all employees and, subject to the provisions of law, to determine their qualifications and conditions for continued employment or assignment and to promote and transfer employees;

3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the TOWNSHIP, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the TOWNSHIP of its powers, rights, authority, duties and responsibilities under Title 40, Title 40A, Title 11 of the Revised

Statutes of the State of New Jersey, or any other Federal, State, County or Local Laws or Ordinances.

#### ARTICLE 4

#### GRIEVANCE PROCEDURE

##### A. PURPOSE:

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution of the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department supervisory staff and having the grievance adjusted without the intervention of the UNION.

##### B. DEFINITION:

The term "grievance" as used herein means any controversy arising over the interpretation or adherence to the terms and conditions of this Agreement and may be raised by an individual, the UNION or the TOWNSHIP.

##### C. NOTICE OF DISCIPLINE AND DISCHARGE:

Other than an oral reprimand, the employee, the Local Union and the District Council shall be furnished with a written copy of any disciplinary action taken provided that the employee involved authorizes this disclosure in writing. Upon receipt of the notice of disciplinary action the employee may be given a form which the employee may use to opt out of disclosure to union officials. The reasons for such disciplinary action(s) shall be included in this written notification.

D. STEPS OF THE GRIEVANCE PROCEDURE:

The following constitutes the sole and exclusive method of resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent, in writing:

STEP ONE:

(a) An employee shall institute action under the provisions hereof within five (5) working days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor for the purpose of resolving the matter informally. Failure to act within said five (5) working days shall be deemed to constitute an abandonment of the grievance.

(b) The immediate supervisor shall render a decision within five (5) working days after receipt of the grievance. A copy of that decision shall be immediately filed with the Personnel Officer and the Township Clerk, who shall distribute a copy of such decision to the members of the Township Committee.

(c) In the event the grievance involves the Department of Public Works and a satisfactory resolution has not been reached under STEP ONE (b) above, the employee shall, in writing, file his grievance with the Superintendent of Public Works within five (5) working days following the determination by the immediate supervisor. A copy shall also be filed with the Personnel Officer and the Township Clerk. The Superintendent of Public Works shall render a written decision on the grievance within ten (10) working days following receipt of the grievance. A copy of that decision shall be immediately filed with the

Personnel Officer and the Township Clerk, who shall distribute a copy of such decision to the members of the Township Committee.

STEP TWO:

(a) In the event a satisfactory settlement has not been reached under Step One, the employee shall, in writing and on forms supplied by the **TOWNSHIP** or the **UNION**, file his grievance with a member of Township Committee having general administrative and oversight responsibility for the Department within eight (8) working days following the STEP ONE determination. A copy shall also be filed with the Personnel Officer and the Township Clerk.

(b) The member of Township Committee, or a representative appointed by such member of the Township Committee, shall render a written decision on the grievance within ten (10) working days following receipt of the grievance. A copy of that decision shall be immediately filed with the Personnel Officer and the Township Clerk, who shall distribute a copy of such decision to the members of the Township Committee.

STEP THREE:

(a) In the event that the grievance has not been resolved at Step Two, then within eight (8) working days following the decision under Step Two, the grievant may then have the matter submitted to the Township Committee. The grievant shall initiate Step Three by filing the written grievance with the Township Personnel Officer and the Township Clerk.

(b) The Township Committee shall provide the grievant the opportunity for a full and impartial hearing of the dispute with both sides (**UNION** and management) offering argument and testimony where

necessary. Said hearing is to be held within ten (10) working days after receipt by the Township Clerk of a demand for such a hearing, which demand may be filed by any party to this Agreement. A written decision shall thereafter be rendered by the Township Committee within ten (10) working days from the date of the hearing.

(c) In the event that a hearing is not demanded, the Township Committee shall, nevertheless, review the matter and make a determination within twenty (20) working days from the filing of the grievance with the Township Clerk.

STEP FOUR: APPEAL TO DEPARTMENT OF PERSONNEL.

(a) In the event that the aggrieved employee is dissatisfied with the decision of the Township Committee, such employee may, if permitted by law and by the rules and regulations from time to time established by the New Jersey Department of Personnel ("Department"), seek a review by the Department, which review shall be initiated and conducted in accordance with the rules and regulations of said Department.

(b) Any employee wishing to appeal to the Department shall do so by filing the appropriate request within fifteen (15) days of the decision of the Township Committee. In the event that an appeal to the Department is not initiated within such fifteen (15) day period, such failure shall constitute an abandonment and waiver of the right to seek a review by the Department.

(c) In the event of an appeal to the Department, any costs and expenses involved in such a proceeding, including but not limited to legal fees, shall be the sole and exclusive responsibility of the party incurring same.

STEP FIVE: ARBITRATION.

(a) In the event an employee elects not to appeal the decision of the Township Committee to the New Jersey Department of Personnel, such employee may, if permitted by law and by the rules and regulations from time to time established by the Public Employment Relations Commission (hereinafter PERC), appeal said decision to PERC. An arbitrator shall be selected in accordance with the rules and regulations of PERC.

(b) Any request to PERC must be initiated by the aggrieved employee within fifteen (15) days of the decision of the Township Committee. Failure of the employee to file an appeal within such time period shall constitute an abandonment and waiver of the right to appeal to PERC.

(c) The arbitrator shall be bound and governed by the provisions of this Agreement and restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto.

(d) The decision rendered by any arbitrator selected pursuant to this Article shall be final and binding upon both parties to this Agreement.

(e) The **TOWNSHIP** expressly reserves the right to seek a judicial review of any appeal filed with PERC and, if appropriate, to seek an Order of a Court of competent jurisdiction restraining such appeal and/or arbitration.

(f) The cost for the services of the arbitrator shall be borne equally by the **TOWNSHIP** and the **UNION**. Any and all other

additional costs including legal fees shall be paid by the party incurring same.

E. UNION REPRESENTATIVE IN GRIEVANCE PROCEDURE:

1. At the request of the aggrieved employee, the Shop Steward may participate in the grievance procedure at Steps One and Two. The grievance form shall contain a checkoff which the employee may use to opt out of union participation.

2. The International Representative of the **UNION** and the Shop Steward may participate in the grievance procedure at all subsequent steps.

ARTICLE 5

SENIORITY

A. Seniority, which is defined as continuous employment with the **TOWNSHIP** from the date of last hire, will be given due consideration by the **TOWNSHIP** under the following circumstances:

1. The most senior employees shall be given preference in the selection of vacations provided that there is no interference with the normal operations of the **TOWNSHIP**.

2. The employer shall assign overtime, preferential days off, working out of title and shifts based upon an employee's seniority to the fullest extent possible and provided that there is no interference with the normal operations of the **TOWNSHIP**. For example, the operations of the **TOWNSHIP** may require the specific skills of a particular employee or, in order to complete a special project, the same employee should receive the overtime assignment. Taking into consideration **TOWNSHIP** operations, to the greatest extent possible, assignments shall be made on a rotating basis. This means that in the assignment of overtime, for

example, management shall offer such work to that employee with the most seniority. On the next occasion when overtime is required, management shall offer it to the employee with the next highest seniority and such a schedule shall be followed until a complete cycle is completed with regard to the employees in the bargaining unit. If a particular employee waives his seniority rights with respect to preferential assignment of overtime on a particular occasion, it shall be offered to the employee next in line based on seniority principles. There shall be no obligation on the TOWNSHIP's part to offer preferential assignment to an employee who has waived seniority preference until there has been a complete rotation within the department. However, there shall be no rotation (but seniority will be applied) with respect to least desirable task assignments, including any employee working out of title.

3. Seniority for overtime purposes with regard to snowplowing shall be determined in accordance with Article 8(A).

4. Job openings in the bargaining unit shall be filled by that individual having the best skills and abilities to perform the work. If two (2) employees are equally qualified to perform the work, then the employee with the most seniority will be given preference for the job. Promotions shall follow step-by-step progression as set forth in the current organizational chart for the TOWNSHIP. A copy of said chart is attached hereto as Exhibit A. No employee shall be promoted above the next step in line nor shall a promotion be given which jumps over a step as set forth on the organizational chart.

5. In the event of a dispute between the parties hereto, an earnest effort shall be made to resolve the differences and an informal meeting shall be held between the affected employee(s), UNION

representatives and the TOWNSHIP. In the event that the parties cannot agree, then the grievance procedure specified herein shall control.

B. ROTATIONAL ORDER LIST:

Lists showing a rotational order of each employee, the total Overtime worked and the total Overtime refused by each employee shall be maintained in the work unit. Such lists shall be made available for semi-annual reviews upon requests to Union Officers, Stewards and employees. This review is for the purpose Overtime Equalization.

C. LAY-OFFS:

1. Any lay-offs which may be necessitated during the term of this Agreement shall be in accordance with seniority so that the first employee laid off in a particular classification shall be the employee with the least seniority.

2. The classifications are: Equipment Operator, Truck Driver and Laborer. Additional classifications are Mechanic, Senior Recreation Maintenance Worker, Recreation Maintenance Worker, Carpenter, Senior Carpenter, Senior Mechanic, Mechanic's Helper, Maintenance Repairer, Groundskeeper and Building Maintenance Worker.

3. In addition to the above, any lay-offs shall occur in accordance with the procedures, rules and regulations promulgated by the New Jersey Department of Personnel.

4. At least ten (10) business days prior to a decision by the TOWNSHIP to contract out work which may possibly result in the layoff of an employee who performs or could perform the same functions, the TOWNSHIP shall notify the District Council in writing.

ARTICLE 6

UNION RIGHTS, ACTIVITIES AND REPRESENTATION

A. Accredited representatives of the **UNION** may enter the **TOWNSHIP** facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustment of grievances. When the **UNION** decides to have its representative enter the **TOWNSHIP** facilities or premises, it shall request permission from the Township Committee through notification to the Township Clerk, stating the reasons therefore, and such permission shall be obtained by the Township Clerk from the Township Committee and the Township Clerk shall communicate such permission to the **UNION**. Such permission will not be unreasonably withheld, provided there will be no interference with the normal operations of the business of the **TOWNSHIP** government or the normal duties of employees. There shall be no **UNION** business transacted nor meetings held on **TOWNSHIP** time or property.

B. A Chief Shop Steward and a Shop Steward shall be the representatives of the **UNION** in the **TOWNSHIP**. Whenever changes are made by the election of a Chief Shop Steward and/or Shop Steward, the names of the newly elected representatives shall be submitted, in writing, to the Township Clerk within two (2) working days of such election.

C. All elected and/or appointed **UNION** officials of the **TOWNSHIP OF UPPER** shall be permitted time off, without loss of pay or benefits, to investigate grievances by employees covered under this Agreement, or to engage in other **UNION** activities and education provided, however, that the maximum time permitted all such elected and/or appointed **UNION** officials shall be an aggregate of seven (7) days or fifty-six (56) man hours during each calendar year of this Agreement. It is understood that the total of seven (7) days or a maximum of fifty-six (56) man hours shall apply in the aggregate during each calendar year during the term

of this Agreement and it is expressly understood that each elected and/or appointed official shall not individually be entitled to seven (7) days per year for such activities. The **TOWNSHIP** shall not unreasonably deny permission for time off in order to engage in such activities, provided that such activities do not interfere with the normal operations of the business of the **TOWNSHIP** or the normal duties of the employees. Any employee who will be off work and engaged in such activities shall notify the Township Clerk of such fact at least ten (10) days prior to the intended absence. The **TOWNSHIP** reserves the right to request such date be altered when it is reasonable to do so: (i) in order to insure the orderly and efficient transaction of **TOWNSHIP** business; and (ii) to insure there will not be any unreasonable interference with the conduct of **TOWNSHIP** business and operations.

D. An employee covered by the within Agreement shall be permitted to attend grievance hearings, arbitration hearings or Civil Service (Department of Personnel) hearings or any meeting called by the **TOWNSHIP** which may, in any way, affect the employee's terms and conditions of employment and/or the terms and conditions of this Agreement without loss of pay or benefits to said employee. Any preparation for grievance hearings, arbitration hearings or Civil Service (Department of Personnel) hearing shall be conducted by the affected employee on his own time and preparation for such hearing shall never be conducted on **TOWNSHIP** time.

E. Each employee shall, if he/she requests, be given an opportunity to review any evaluation of his/her work performance or conduct prepared during the term of this Contract. This provision would include all information and documentation found in personnel folders or permanent supplementary personnel files known as unit or cottage files.

ARTICLE 7

HOURS AND OVERTIME; COMPENSATORY TIME

A. The normal work week shall consist of forty (40) hours per week, five (5) days per week, Monday through Friday.

B. All work performed by an employee on Saturday or Sunday shall be compensated for at the premium rate of time and one-half (1-1/2). This provision does not apply where an employee (for example, a recreation worker, lifeguard, etc.) is scheduled to work on a Saturday or Sunday and is scheduled for time off during Monday through Friday.

C. All work performed by an employee beyond the normal eight (8) hour workday shall be compensated for at the premium rate of time and one-half (1-1/2). When this occurs on a holiday, the employee will be compensated at two and one-quarter (2-1/4) times the employee's regular rate. This is the holiday rate of one and one-half times the overtime rate of one and one-half (1.5 x 1.5) for work performed by an employee beyond 8 hours on a holiday. After sixteen (16) consecutive hours of work an employee shall be compensated at double the normal rate commencing with the sixteenth (16th) hour and for each hour thereafter. When this occurs on a holiday, the "normal rate" to be doubled upon the 16th consecutive hour is the holiday rate of time and one-half of the employee's regular rate. In other words, if the 16th consecutive hour occurs on a holiday, the employee will be compensated at three times the employee's regular rate.

D. The provisions of Paragraphs (B) and (C) shall apply notwithstanding the fact that the Township Administrative Offices may be closed either for the entire day or some portion thereof because of storm, snowfall, other weather conditions or other emergency or disaster. Stated differently, Department of Public Works (DPW) personnel are

frequently required to report for work when other **TOWNSHIP** offices are closed and other employees do not report for work or may be sent home prior to the conclusion of the normal work day. The fact that **TOWNSHIP** employees other than DPW personnel are excused from reporting for duty shall not result in any change in the amount of compensation for DPW personnel. Moreover, DPW personnel shall not be entitled to any compensatory time for working during such conditions.

E. The overtime provisions of this Article shall apply only to full-time employees in permanent or probationary status and not to summer, seasonal, part-time or temporary employees.

F. All employees shall receive a fifteen (15) minute break in the morning and a fifteen (15) minute break in the afternoon. A break may not be combined with lunch and shall not occur within the first hour of work that day or within one-half hour of the end of the day or the lunch break. The break shall be taken at the employee's present location at the specified time. At the discretion of the supervisor, breaks may be staggered throughout the day provided that employees not at the same location as a supervisor must call the supervisor at both the start and end of the breaks. Employees not at the same location as a supervisor must call the supervisor at the start and the end of a lunch break.

G. Overtime shall be offered on the basis of generally accepted seniority principles and in accordance with Article 5(A)(2) hereof.

H. Nothing contained herein shall prevent the **TOWNSHIP** from hiring temporary employees, part-time employees, summer or seasonal employees.

I. Employees specifically identified in Paragraph "H" above shall not be used with the purpose of avoiding overtime for regular full-time employees covered by this Agreement.

J. The mechanics shall not be included in the overtime rotation with respect to snow plowing and salting operations.

K. At the employee's option, he/she may elect to receive compensatory time in lieu of payment for overtime hours worked. The election to use compensatory time in lieu of payment for overtime hours worked must be exercised before the close of the pay period during which the overtime situation occurs. Compensatory time shall be subject to the following:

- (1) The total number of accumulated hours which may be carried to the following calendar year shall not exceed 60 hours, except that any hours accumulated in December may also be carried to the following calendar year.
- (2) The employee shall be entitled to receive cash compensation for unused accumulated compensatory time when the employment relationship is terminated.
- (3) The employer shall allow for the use of compensatory time within a reasonable period of time following the employee's request to take time off unless the operation of the department would be unduly disrupted by the employee's absence from work.

#### ARTICLE 8

##### WORKING CONDITIONS PERTAINING TO TRASH TRUCKS

A. Utilization of manpower on trash trucks is a management prerogative; however, any substantial changes from existing routines shall occur after notification to and consultation with shop stewards.

B. When a laborer is absent from a trash or recycling truck crew, the replacement for the absent laborer shall be the available laborer of the Department of Public Works with the least seniority and if there is

not a laborer available, then the replacement shall be the employee with the least seniority from among the other employees of the Department of Public Works.

C. The crew working the rear of the trash truck shall be entitled to certain hazardous duty pay as set forth in Article 13 hereof.

ARTICLE 8A

SPECIFIC CONDITIONS DURING SNOW PLOWING OR SALTING;

ASSIGNMENT OF RESPONSIBILITY BETWEEN DEPARTMENTS

(A) Only one (1) employee shall be required in a truck when it is engaged in snow plowing or salting.

(B) The assignment of overtime for snow plowing and salting activities shall be made on the basis of a seniority list within the Department of Public Works in accordance with the provisions of Article 5 of this Agreement.

(C) The mechanic shall not be included in the overtime rotation with respect to snow plowing and salting operations. Supervisors and Assistant Supervisors that will be operating snow plowing and salting trucks shall participate in such overtime assignments pursuant to a seniority list which includes union employees and Supervisors and Assistant Supervisors. Supervisors and Assistant Supervisors that are not operating such trucks are not subject to this limitation.

D. If the following holidays fall on a Saturday or Sunday, they shall be celebrated on the State holiday schedule; if the following holidays are celebrated on a Monday per State holiday schedule, they shall be celebrated on the State schedule as opposed to the traditional date for the day:

The following holidays shall be celebrated on the traditional date regardless of the day on which they actually fall:
