"UNION" represents the complete and final understanding on all the
bargainable issues between the Borough and the Union.

C. Nothing contained herein shall be construed to deny or restrict the Borough of its powers, rights, authority, duties and responsibilities under R.S. 40 and R.S. 11 or any other national, state, county or local laws or ordinances.

D. Any act taken by the Borough not specifically prohibited by this Agreement shall be deemed a management right, and shall be considered as if fully set forth herein.

ARTICLE III
GRIEVANCE PROCEDURE

A. Purpose:

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department supervisory staff and having the grievance adjusted without the intervention of the Union.

B. Definitions:

1. The term "Grievance" as used herein means any controversy arising from the interpretation, application or violation of policies, agreements, and administrative decisions which affect the terms and conditions of employment of an employee.

2. The term "work days" as used herein means calendar days, exclusive of weekends and holidays.

C. Procedure:

1. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent:

(a) Step One:

(1) An employee shall institute action under the provisions hereof by submitting his grievance in writing within three (3) working days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor for the purpose of resolving the matter informally. For Dispatchers the term immediate supervisor shall be defined as "Lieutenants of Police, Captains of Police and Chief of Police." Failure to file a grievance in writing within said three (3) working days shall be deemed to constitute an abandonment of the grievance.

(b) Step Two:

(1) In the event the grievance has not been resolved at Step One, then within five (5) working days the matter may be submitted in writing to the Business Administrator. Failure to submit the grievance in writing to the Business Administrator within said five (5) working days shall be deemed to constitute an abandonment of the grievance.

(2) The Business Administrator shall review the matter and issue a written decision within ten (10) working days from the receipt of the complaint.

(c) Step Three:

In the event that the grievance has not been resolved at Step Two, an employee may within five (5) working days following receipt by him of the determination of the Business Adminis-

trator submit the matter to the Public Employment Relations Commission for binding arbitration. In the event that the employee shall elect to submit the grievance for binding arbitration, the following provisions shall apply:

- (a) An arbitrator shall be selected pursuant to the rules of a Public Employment Relations Commission.
- (b) The arbitrator shall be bound by the parameters of the grievance definition stated above in this Paragraph B of this Article.
- (c) The decision of the arbitrator shall be final and binding upon the parties.
- (d) The cost of the services of the arbitrator shall be borne equally by the Borough and the Union. The arbitrator shall set forth the findings of fact and reasons for making the award within thirty (30) days after the conclusion of the arbitration hearing, unless otherwise agreed to by the parties.

Notwithstanding any procedures for the resolution of disputes, controversies or grievances established by any other statute, the grievance procedure herein established by this Agreement between the Employer and the Union shall be utilized for any dispute covered by the terms of this Agreement or affecting the employees covered hereunder.

Union Representation in Grievance Procedure:

1. The Shop Steward may be present and participate in the grievance procedure at Step 1.

2. The Business Agent of the local Union may participate in the grievance procedure at Step 2 and at all steps subsequent thereto.

3. The International Representative of the Union and any other Union personnel deemed appropriate by the Business Agent may participate in the grievance procedure at Step 3 and at all steps subsequent thereto.

4. At any meeting between a representative of the Borough and any employee in which discipline (including warnings which are to be included in the personnel file, suspension, demotion, discharge or withholding of wages because of tardiness or unauthorized absence) is to be announced, a Union representative may be present if the employee so requests.

ARTICLE IV

LEGAL REFERENCE

The provisions of this Agreement shall be subject to and subordinate to and shall not annul or modify existing applicable provisions of State and Local laws, except that any necessary amendments to existing ordinances to effect any changes agreed to in this Agreement shall be duly enacted by the Borough Council of the Borough of Avalon.

ARTICLE V

SENIORITY

A. Seniority standing shall be granted to all employees in the bargaining unit. This standing is to be determined on the basis of actual length of continuous service from the latest date of permanent employment with the Borough. Full time employees of the bargaining unit shall establish seniority by successfully completing the probationary period as set forth in this contract and thereafter their names shall be placed on the seniority list of their occupational classification on a bargaining unit-wide basis.

B. The Borough shall utilize experience, ability, aptitude, qualifications, attendance, and physical condition as the criteria for promotion of employees to job classification having a higher rate of pay. When all of the aforementioned factors combined are substantially equal in the judgment of management, seniority shall be a deciding factor.

C. Lay-offs, as the result of a reduction of force, shall begin with those employees having the least seniority in their occupational classification. For purposes of lay-off, probationary employees shall be terminated first in order of their date of latest continuous employment with the Borough.

D. In the exercise of seniority for lay-off, due consideration shall be given to experience, ability, aptitude, qualifications, attendance and physical condition to determine the ability to successfully perform the work required by job into which the employee will be

"bumping." When, in the judgment of management, the employee is qualified to perform the duties of the position with minimal retraining, then the employee may "bump" to the position. If not qualified to "bump," then the employee will be terminated subject to rehire according to seniority in the inverse order of lay-off.

E. The Borough shall mail or hand deliver to the Union Business Representative at his office, which address shall be supplied to the Borough by the Union, copies of any documents pertaining to promotions or demotions of employees or creation or abolition of job titles. The Borough shall also post notification of all openings in job classifications covered by the within Agreement on the Union Bulletin Board at least ten (10) days prior to the filing of same.

ARTICLE VI

UNION REPRESENTATIVES

A. Accredited representatives of the Union may enter the Borough facilities or premises at reasonable hours for the purpose of observing working conditions or assisting in the adjustments of grievances. When the Union decides to have its representative enter the Borough facilities or premises, it shall request permission from the Business Administrator stating the reasons therefore and such permission will not be unreasonably withheld, provided there will be no interference with the normal operations of the business of the Borough Government or the normal duties of employees. There shall be no Union business transacted nor meetings held on Borough time or property.

B. One Shop Steward and one Assistant Shop Steward may be appointed to represent the Union in grievances with the Borough. Whenever changes to the Union are made by the election of a Shop Steward and/or Assistant Shop Steward, the names of the newly elected representatives shall be submitted, in writing, to the Business Administrator.

C. During negotiations, authorized representatives, not to exceed three (3), may be excused from their normal work duties to participate in collective negotiations sessions that are mutually scheduled to take place during their regularly scheduled work time and shall suffer no loss of regular pay thereby.

D. One (1) duly designated employee-representative of the Union will be allowed to attend up to one (1) International, State or Local Union meeting per month (up to an aggregate maximum of six (6) days per

calendar year) with no loss in regular pay, and up to one (1) International, State or Local convention per calendar year, for up to three (3) days with no loss in regular pay. Employees so designated will provide reasonable notice to the Employer and such time off will be granted provided the Employer can schedule the relief Dispatcher and further provided that the Employer shall not be caused to expend overtime as a result of this clause.

ARTICLE VII

LEAVES OF ABSENCE

A. A leave of absence without pay may be granted for good cause to any employee for a period of up to six (6) months under the conditions set forth below. The leave may be extended for an additional period of time, not to exceed an additional six (6) months.

B. The request for an unpaid leave in accordance with this Article shall be submitted in writing at least thirty (30) days prior to the date upon which leave is requested to commence; however, in an emergency, the Business Administrator may waive the advance notice clause. Such request shall be directed to the Business Administrator and shall state the reasons for the leave. A request for leave to take another position shall not be granted.

C. An unpaid leave of absence for maternity may be granted for a period of up to six (6) weeks to any pregnant member of the bargaining unit. Disability payments shall be in accordance with the Borough's applicable insurance policy.

Prior to his completion of the probationary period, the employee shall be evaluated by the Department Head to determine whether he shall be granted permanent status or dismissed, or whether the probationary period should be extended. It is specifically understood that during the probationary period both the employee and the Union waive any rights to file a grievance or any other administrative action regarding such employee's discharge. If it is determined that the Department Head needs additional time to evaluate an employee properly, the Borough may ask for up to a sixty (60) day extension of the probationary period. The Union shall not unreasonably deny such request.

LONGEVITY PAY

In addition to salary, employees shall receive longevity pay to be computed at two percent (2%) of the employee's base pay for every four (4) years of service to a maximum of ten percent (10%). Longevity pay shall be computed from the original date of full time employment.

ARTICLE XXV

FULLY BARGAINED PROVISIONS

The parties acknowledge that during the bargaining which preceded this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties, after the exercise of that right and opportunity, are set forth in this Agreement. Therefore, the Borough and the Union for the life of this Agreement each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to, or not settled, during bargaining, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. Such matters shall not be subject to the grievance procedure.

ARTICLE XXVI

NO STRIKE PLEDGE

A. The Union covenants and agrees that during the term of this Agreement and during negotiations of a Successor Agreement, neither the Union nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike, work stoppage, slowdown, walk-out or other job action against the Employer or any of its employees. The Union agrees that such action would constitute a material breach of this Agreement.

B. The Union agrees that it will take all reasonable actions to prevent its members from participating in a strike, work stoppage, slowdown or other activity aforementioned, including within twenty-four (24) hours of the actions publicly disavowing the action, and advising the Employer, in writing, that the Union did not call for or sanction the action. The union shall also notify the employees of its disapproval of the action and advise them, in writing, to immediately cease and return to work immediately.

C. Nothing contained in this Agreement shall be construed to limit or restrict the Employer in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for an injunction or damages, or both, in the event of such breach by the Union or any of its members.

ARTICLE XXVII
