The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course of negotiations, provided however, all final proposals are subject to approval by Association and Board.

ARTICLE III

GRIEVANCE PROCEDURE

A. DEFINITION

A "grievance" is a claim by an employee or the Association that there has been an improper application, interpretation or violation or an expressed term or provision of this Agreement, Board Policy or administrative decision.

B. PROCEDURE

1. A grievance may be filed by an individual employee, a group of employees or by the Association, either in its own name or as the representative of a group or class whose individual signatures shall not be necessary. Any grievance must be lodged at the proper initiating level within thirty (30) calendar days of the happening of the event.

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

4. A grievance which involves a question of salary shall be filed in duplicate. One copy shall be presented to the principal

involved and the other shall be filed with the Administrative Assistant for Personnel.

5. Except for group, class or policy grievances which shall be initiated by the Association at the Superintendent's level, any employee who has a grievance shall discuss it first with his/her principal (or immediate superior, if applicable) in an attempt to resolve the matter informally at that level.

6. If, as a result of the discussion, the matter is not resolved to the satisfaction of the grievant, he/she may within five (5) school days of the discussion, set forth the grievance in writing to the principal, specifying:

- a. the nature of the grievance;
- b. the nature and extent of the injury, loss or inconvenience;
- c. the result of previous discussions; and
- d. his/her dissatisfaction with decisions previously rendered.

The principal shall communicate his decision to the grievant within five (5) school days of receipt of the written grievance.

7. The grievant, no later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and his or her dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent shall communicate his/her decision in writing to the grievant and the principal.

8. If the grievance is not resolved to the grievant's satisfaction, he/she, no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the grievant and render a decision in writing within forty-five (45) calendar days of receipt of the grievance by the Board. Except for grievances alleging an improper application, interpretation or violation of an express term or provision of this contract, the Board shall be the final step of the grievance procedure.

9. If the grievance alleges an improper application, interpretation or violation of the express written terms of this

contract and is not resolved to the grievant's satisfaction pursuant to paragraph eight above, a demand for arbitration may be filed with the American Arbitration Association within ten (10) days after the receipt of the Board's decision. Notice of the filing of the demand for arbitration shall be given to the Board through the Superintendent simultaneously with the filing thereof. Said arbitration shall be advisory only and shall be conducted under the rules of the American Arbitration Association.

10. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from, the Agreement between the parties or any policy of the Board of Education. Only the Board, the Association, and the aggrieved shall be given copies of the arbitrator's opinion and award.

11. Rights of employees to representation.

- a. Any grievant may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by a representative selected or approved by the Association.
- b. When a grievant is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the Superintendent or any later level, be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.
- c. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting the grievance and shall receive a copy of all decisions rendered.

12. No meeting or hearing conducted under this procedure shall be public. The only parties in attendance shall be the parties in interest, witnesses and the designated or selected representatives contemplated in this article.

C. COSTS

1. Each party will bear the total cost incurred by themselves.
2. All other costs and expenses will be shared equally by the two parties.

ARTICLE IV
