THIS AGREEMENT made this *20th* day of *April 1981* by and between NEW JERSEY SPORTS AND EXPOSITION AUTHORITY located at East Rutherford, New Jersey party of the first part, hereinafter designated as the "EMPLOYER" and GUARDS AND SECURITY LOCAL 1412, AFL-CIO, with its principal place of business at P.O. Box 5260, Jersey City, New Jersey, 07305 hereinafter referred to as the "UNION", party of the second part.

WITNESSETH:

WHEREAS, the parties hereto collectively negotiated to promote and improve economic relations between the Employer and its employees and to set forth herein the agreement covering rates of pay, hours of work and conditions of employment to be observed by the parties hereto.

NOW, THEREFORE, in consideration of the foregoing and of the mutual covenants hereinafter entered into for other good and valuable considerations, the parties hereto agree to the following:

X April 20, 1981 - January 31, 1983

ARTICLE 2.

UNION SECURITY

The Employer agrees it will give effect to the following form of Union Security.

Section 1 (a). All present employees who are members of the Local Union on the effective date of this Agreement can remain members of the Local Union in good standing by payment of the regular monthly dues. All present employees who are not members of the Local Union will pay a Representation Fee as set forth hereafter.

Section 1 (b). It is agreed that at time of hire, newly hired employees, who fall within the bargaining unit, will be informed that they have the chance to join the Union thirty (30) days thereafter or pay to the Local Union a Representation Fee.

ARTICLE 1.

UNION RECOGNITION

Section 1. The Employer hereby recognizes and acknowledges that the Union is the exclusive representative for all of the employees employed by the Employer in its Security Department at East Rutherford, New Jersey, exclusive of the Supervisors of the rank of Lieutenant and above, Detectives, Office, Clerical, Management and Confidential employees, for the purpose of collective negotiations.

ARTICLE 2A.

CHECK OFF OF UNION FEES AND REPRESENTATION FEE

Section 1 (a). The Employer hereby agrees to deduct from the wages of employees by means of a check-off the dues uniformly required by the labor organization pursuant to the provisions of N.J.S. 52:14-15 9E. The Employer after receipt of written authorization from each individual employee, agrees to deduct from the salaries of said employees their monthly dues and initiation fees. Such deductions shall be made from the first (1st) salary paid to each employee during the month or for each event worked.

Section 1 (b). In making the deductions and transmittals as above specified, the Employer shall rely upon the most recent communication from the Union as to the amount of monthly dues and proper amount of initiation fee. The total amount deducted shall be paid to the Union within ten (10) calendar days after such deduction is made.

Section 2 (a). If an employee does not become a member of the Union during any membership year (from August 1, to July 31,), which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Union for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

Section 2 (b). Prior to the beginning of each membership year, the Union will notify the Employer in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that membership year. The representation fee to be paid by non-members will be equal to eighty five (85%) percent of that amount.

In order to adequately offset the per capita cost of services rendered by the Union as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees

and assessments charged by the Union to its own members, and the representation fee has been set at eighty-five (85%) percent of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Union membership year immediately following the effective date of the change.

Section 2 (c). Once during each membership year covered in whole or in part by this Agreement, the Union will submit to the Employer a list of those employees who have not become members of the Union for the then current membership year. The Employer will deduct from the salaries of such employees, in accordance with Section 3. below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Union.

Section 3. The Employer will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first (1st) paycheck paid:

- (a) ten (10) days after receipt of the aforesaid list by the Employer; or
- (b) thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position, and continued in the employ of the Employer in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first (1st) paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

Section 4. If an employee who is required to pay a representation fee terminates his or her employment with the Employer before the Union has received the full amount of the representation fee to which it is entitled under this Article, the Employer will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

Section 5. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

Section 6 (a). The Union will notify the Employer in writing of any changes in the list provided for in paragraph 1 above, and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Employer received said notice.

Section 6 (b). The Union shall hold the Employer harmless for any damages, costs or Judgments which may arise from implementation of the Article.

Section 7. On or about the last day of each month, beginning with the month this Agreement becomes effective, the Employer will submit to the Union, a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include (alphabetically) names, job titles and dates of employment for all such employees. The Employer further agrees to notify the Union in the event dues for an employee cannot be deducted from the designated salary and the reason thereof.

Section 8. Local 1412, L.I.U. of N.A., AFL-CIO shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5. 5(c) and 5.6, and membership in Local 1412, L.I.U. of N.A., AFL-CIO shall be available to all employees in the unit on an equal basis at all times. In the event Local 1412, L.I.U. of N.A., AFL-CIO fails to maintain such a system, or if membership is not so available, the Employer shall immediately cease making said deductions.
