The County agrees to deduct from the salaries of its employees, subject to this Agreement, dues for AFSCME, Local 2302, District Council #71. Such deductions shall be made in compliance with Chapter 123 Public Laws of 1974, N.J.C.S.A. (R.S.S. 214-15, 9E) as amended, and members shall be eligible to withdraw such authority during January and July of each year.

A. A check-off shall commence for each employee who signs a properly dated authorization card supplied by the Union and verified by the Treasurer of the Council during the month following the filing of such card with the County.

B. The aggregate deductions from all employees shall be remitted to the Treasurer of the Local together with the list of names of all Employees for whom the deductions were made by the 10th day of the succeeding month after such deductions were made.

ARTICLE V

MANAGEMENT RIGHTS

A. The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authorities, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following specific rights:

- (2) To take personnel action subject to the provisions of N.J. Dept. of Personnel and PERC law as amended;
- (3) To maintain the efficiency of County operations;
- (4) To take all necessary actions to carry out its mission in emergencies (emergency to be construed as a sudden generally unexpected occurrence demanding immediate action);
- (5) To exercise control and discretion over its organization and the technology of performing its work;
- (6) To schedule employee work hours pursuant to the terms of this Agreement;
- (7) To take disciplinary action.

B. The exercise of the foregoing rights, powers, authorities, duties and responsibilities of the Employer, the adoption of policies, rules, regulations and practices in

furtherance thereof, and the use of judgment and discretion in connection with the implementation thereof, shall be limited only by the specific and express written terms of this Agreement and then only to the extent such specific and express terms are in conformance with the Constitution and laws of the State of New Jersey and of the United States.

C. It is understood and agreed that the Employer, at its sound discretion, possesses the right, in accordance with applicable laws, to manage all operations, including the direction of the working force and the right to plan, direct and control the operation of all equipment and other property of the Employer (County), except as modified by this Agreement.

ARTICLE VI

GRIEVANCE PROCEDURE

A. Purpose.

1. The purpose of this procedure is to secure, (at the lowest possible level), equitable solutions to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration and the Union and having the grievance adjusted.

B. DEFINITIONS

The term "grievance" shall mean an allegation that there has been:

1. A misinterpretation or misapplication of the terms of this Agreement which is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a "contractual grievance"; or

2. Inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the employer, which shall be processed up to and including the Employer, and shall hereinafter be referred to as a "non-contractual grievance".

C. PRESENTATION OF A GRIEVANCE

The Employer agrees that in the investigation and the presentation of a grievance there shall be no loss of pay for the time spent in presenting the grievance by the grievant and Union representatives who are employees of the Employer throughout the grievance procedure.

D. STEPS OF THE GRIEVANCE PROCEDURE

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement.

Step 1

- a. The grievant shall institute action under the provisions hereof in writing, signed and delivered to his/her Division Director within fourteen (14) calendar days of the occurrence complained of, or within fourteen (14) calendar days after he would reasonably be expected to know of its occurrence. Failure to act within said fourteen (14) days shall be deemed to constitute an abandonment of the grievance. The grievant may be represented by an employee who is the Shop Steward or Local Union Representatives.
- b. The Division Director shall render a decision in writing within fourteen (14) calendar days after receipt of the grievance.

Step 2

- a. In the event satisfactory settlement has not been reached, the grievant shall, in writing and

signed, file his complaint with the Department Head within fourteen (14) calendar days following the determination at Step 1. The grievant may be represented by an employee who is the Shop Steward or Local Union Representatives.

- b. The Department Head, or his designee, shall render his decision within fourteen (14) calendar days after the receipt of the complaint.

Step 3

- a. Should the grievant disagree with the decision of the Department Head, or his designee, the aggrieved may, within fourteen (14) calendar days, submit to the Atlantic County Director of Human Resources a statement in writing and signed as to the issues in dispute. The Director of Human Resources shall review the decision of the Department Head together with the disputed areas submitted by the grievant. The grievant and/or the Union representatives may request an appearance before the Director of Human Resources. The Director of Human Resources will render his/her decision within fourteen (14) calendar days after the Grievance Board meeting at which the matter has been reviewed. If the decision of the Director of Human Resources involves a non-contractual grievance, the decision of the Director of Human Resources shall be final. The hearing officer will render decision within

fourteen (14) working days. If grievance is not responded to within this fourteen (14) day period, the Department Head at the 3rd step will be made aware and a hearing must be scheduled within five (5) working days thereafter.

- b. The grievant may be represented by the Local Union Officer or the International Union Representative, and/or District Council 71. A minority organization shall not present or process grievances.
- c. If a hearing is to be provided, it shall be scheduled within fourteen (14) calendar days, unless the parties mutually agree in writing to an extension, and provided that the Union hand delivers the third-step grievance to the Director of Human Resources.

Step 4

- a. Any unresolved contractual grievance (as defined in B1, Definitions above) except matters involving appointment, promotion, or assignment or matters within the exclusive province of New Jersey Department of Personnel, may be appealed to arbitration only by the Union. The Union must file the request for arbitration within fourteen (14) calendar days after the receipt of the decision of the Director of Human Resources.
- b. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to

arbitration or to represent an employee before New Jersey Department of Personnel. The Union's decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.

- c. The arbitrator shall be selected in accordance with the panel of arbitrators maintained by the Public Employment Relations Commission, in accordance with the election procedures of the Public Employment Relations Commission, or; by selection from the panel of arbitrators maintained by the American Arbitration Association, in accordance with the selection procedures of the American Arbitration Association.
- d. The parties shall meet at least fourteen (14) calendar days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.
- e. The decision or award of the arbitrator shall be final and binding on the Employer, the Union, and the grievant or grievants to the extent permitted by and in accordance with applicable law and this Agreement.
- f. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by

law and is consistent with the terms of this Agreement, except that he may not make an award which exceeds the Employer's authority. The arbitrator shall have no authority to prescribe a monetary award as a penalty for the violation of this Agreement.

- g. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declarations of opinions which are not essential in reaching the determination.
- h. The costs of the services of the arbitrator shall be borne equally by the Employer and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same.
- i. The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.
- j. The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible after his selection and shall issue

his decision within thirty (30) days after the close of the hearing.

- k. Grievance resolutions or decisions at Steps 1 through 4 shall not constitute a precedent in any arbitration or other proceedings unless a specific agreement to that effect is made by the authorized representatives of both parties. This is not to be construed as limiting the right of either party to introduce relevant evidence, including such grievance resolution, as to the prior conduct of the other party.

ARTICLE VII

HOLIDAYS

1. The following days shall be recognized as holidays:
  - (1) New Year's Day
  - (2) Martin Luther King's Birthday
  - (3) Lincoln's Birthday
  - (4) Washington's Birthday
  - (5) Good Friday
  - (6) Memorial Day
  - (7) Fourth of July
  - (8) Labor Day
  - (9) Columbus Day
  - (10) General Election Day
  - (11) Veteran's Day
  - (12) Thanksgiving Day
  - (13) Christmas Day

Whenever any such day falls on a Sunday, it will be observed on the following day or if it falls on a Saturday, the preceding Friday. Holidays also include those days established from time to time by gubernatorial proclamations and additional days which may be established by appropriate authority by rule, proclamation, or order in a given locality as holidays for public employees in that locality.

2. If a holiday as indicated above occurs while an employee is on leave with pay (excluding educational leave), the day shall be recorded as a holiday instead of sick or vacation leave. Holidays do not accrue during any leave of absence. If an employee is absent without pay before and after a holiday, he/she shall not be paid for that particular holiday.

ARTICLE VIII

VACATION

1. Full-time employees may be granted vacation leave as follows:

One (1) working day for each month of service or major fraction thereof during the remainder of the calendar year following date of appointment;

After one year of service through five years of service, twelve (12) working days per year;

After five years of service through twelve years of service, fifteen (15) working days per year;

After twelve years of service through twenty years of service, twenty (20) working days per year;

After twenty years of service, twenty-five (25) working days per year.

Service includes all temporary and/or provisional continuous service immediately prior to permanent appointment with the Employer or other county office of the same county, provided there is no break in service of more than one week. Any increase in vacation days based on years of continuous County service will be credited at the beginning of the calendar year in which the employee attains it, with the anticipation that his/her employment will be continuous throughout the calendar year.

2. Part-time employees will earn vacation leave on a prorated basis.
3. Seasonal employees are not entitled to vacation leave.
4. Employees resigning or retiring shall be granted vacation leave pro-rated on the basis of current annual allowance divided by 12, multiplied by the months of service completed within the particular year.  
  
Any employee separated from the service of the County for any reason, including resignation or retirement, prior to exhausting all his or her vacation, shall be compensated in a lump sum for the unused vacation he/she accumulated up to the time of separation.
5. Accumulation of vacation - where in any calendar year the vacation leave or any part thereof is not granted by reason of pressure of work, such leaves of absence or parts thereof not granted shall accumulate and may be carried over to the next succeeding calendar year only.
6. Vacation for Veterans - A returning veteran shall be entitled to full vacation time for the year of return and for the year preceding, provided the latter can be taken during the year of return.

7. Deceased Employees - Whenever any employee in the classified service dies, payment shall be made to the estate of such deceased employee for all earned and unused vacation leave, within the limits set forth in #5 above, based on the last approved compensation rate for the deceased employee.

8. Vacation leave days accumulate and are credited at the beginning of the calendar year. They shall be advanced as follows:

First calendar year of service - As earned only.

After first calendar year thru five years of service 50% of the days accumulated and credited on January 1st each year.

After July 1st the remaining allocated balance of such days not used.

After five years of service - 100% of the days accumulated and credited on January 1st each year.

The advancement of the aforementioned leave days is based on the fact that it was anticipated that the employee's

employment would be continuous throughout the calendar year, therefore, any advance leave days used but not earned will have to be recouped by the end of the calendar year.

The advancement of time is an employee convenience; time is still earned on a monthly basis and upon separation from the service of the employer, advanced time which was paid but not earned, will be recouped on an hour-for-hour basis.

9. Vacations will be granted, subject to management's responsibility to maintain efficient operations. If the nature of the work makes it necessary to limit the number of employees on vacation at any given time, the employee with greatest seniority, (as it relates to total years of service with the County) shall be given preference in vacation scheduling.
  
10. Vacations may be taken in increments of 1/2 day. Vacations may also be taken in one (1) hour increments with approval as detailed in ½ day vacations.
  
11. The requesting procedure is as follows:

For one-half (1/2) day vacation	- Approval needed from the Department Head or his/her designee one (1) working day in advance.
For one (1) day vacation	- Approval needed from the Department Head or his/her

designee two (2) working  
days in advance.

For two (2) or three (3)  
days vacation

- Approval needed from the  
Department Head or his/her  
designee three (3) working  
days in advance.

For more than three (3)  
days vacation

- Approval needed from the  
Department Head or his/her  
designee ten (10) working  
days in advance.

ARTICLE IX

SICK LEAVE

1. Definition

Sick leave means the absence of an employee from duty because of illness, injury, pregnancy disability (during the period of actual incapacitation as shown by a physician's certificate), exposure to contagious disease, necessary attendance upon a member of the immediate family seriously ill, death in the immediate family or other relatives living in the employee's household. A physician's certificate may be required whenever an employee is on sick leave for four (4) consecutive working days or more. "Immediate family" is defined by N.J. Department of Personnel.

2. Any time the Employer reasonably suspects abuse of sick leave, the Employer may likewise require medical evidence.

3. (A) If an employee is absent for four (4) or more consecutive working days for any reason set forth in the above, the employee may be required to produce medical evidence.

- (B) Medical evidence may be required for every usage of sick leave beyond the utilization of eight (8) individual incidents in a calendar year.
  - (C) Evidence of sick utilization shall be in the form of a physician's note which states the date of illness and provides medical justification for absence.
  - (D) The County reserves unto itself the right to send an employee to an appropriate County appointed specialist to verify the usage of sick leave if County suspects abuse of sick leave.
4. An employee who does not expect to report to work because of personal illness or for any of the reasons included in the definition of sick leave set forth above, shall notify his/her immediate supervisor, by telephone or personal message within one hour after the beginning time of the employee's scheduled work day. Those employees in 24 hour operations shall notify their immediate supervisor by telephone or personal message, one hour prior to the start of the scheduled shift, and no later than 15 minutes after the scheduled shift commences. If employee fails to comply with this procedure he/she shall be considered absent without pay.

5. Days lost due to injury or illness as a direct result of or arising out of the employee's employment with the Employer for which the employee has a claim for Worker's Compensation; these days shall not be charged to sick leave except for the five days indicated in Article XXIII.
6. Paid holidays occurring during a period of paid sick leave shall be recorded as a holiday instead of sick leave.
7. Employees shall be notified biweekly of the number of unused sick days and vacation days to their credit. The Union shall be provided with a list on an annual basis if requested.
8. Permanent and Provisional employees shall be entitled to the following sick leave with pay as accrued:

Employees will accumulate sick leave privilege on the basis of one (1) day per month of service or major fraction thereof during the remainder of the first calendar year of employment and fifteen (15) days annually thereafter.

Employees resigning or terminating their services with the Department of Family and Community Development shall be permitted to use only that sick leave for the reasons defined in paragraph #1 which has been earned and accumulated up to the date of termination on a pro-rated basis. The unused portion of sick leave will be accumulated without limit. Sick

leave days accumulated and credited at the beginning of the calendar year shall be advanced on the following basis

First calendar year of service - As earned only.

After first calendar year - 50% of the days  
thru five years of service accumulated and credited on  
January 1<sup>st</sup> each year. After July  
1st the remaining allocated balance of such days not used.

After five years of service - 100% of the days  
accumulated and credited on January 1st each year.

The advancement of the above leave days is based on the fact that it was anticipated that the employee's employment would be continuous throughout the calendar year, therefore, any advance leave days used but not earned will have to be recouped by the end of the calendar year.

9. Temporary employees working for the Employer shall be entitled to sick leave with pay as accrued on the basis of one working day's sick leave with pay for each month served per year during such full-time employment.

10. Employees on a daily or seasonal basis are not eligible for sick leave.

11. All employees who retire from the Public Employee's Retirement System shall be entitled to receive a lump sum payment for unused accumulated sick leave. This shall be computed at the rate of one-half (1/2) of the eligible employee's daily rate of pay for each day of earned and accumulated sick leave based upon the average annual compensation received during the last year of employment prior to the effective date of retirement provided such payment shall not exceed \$15,000.00. The definition of "retiree" is found in Article XXIII, Section C.

12. The advancement of sick leave days is an employee convenience; sick leave is still earned on a monthly basis and upon separation from the service of the Employer,

advanced sick leave which was paid but not earned, will be recouped on an hour-for-hour basis.

13. There will be a perfect attendance quarterly bonus of \$125.00 plus \$350 additional for annual perfect attendance (excluding only administrative, approved furlough and vacation day usage).

Employees shall not be granted leave to accept employment outside of the Department of Family and

Any employee who is a member of the Union and is legally elevated to an official full time position in the parent Union upon request and with the approval of the Employer, Department of Family and Community Development and the New Jersey Department of Personnel, shall be granted a leave of absence without pay, to attend his/her official duties, for a period not exceeding one year, which period may be renewed for an additional year upon appropriate request and approval.

A Military Leave

Any permanent employee who is a member of the National Guard or Reserves shall receive such leave with pay as required by law. Approved military leave shall be in addition to vacations.

B. Pregnancy Disability/Child Care Leave

All permanent employees of the Employer who become pregnant shall be granted childbirth (pregnancy disability/child care leave) leave upon request as follows:

An employee shall submit written notification to his/her immediate supervisor stating the anticipated duration of the leave of absence at least two weeks in advance, if circumstances permit. Such leaves shall be granted for a period of time not to exceed six (6) months.

Upon the request of the employee and at the discretion of the Department Head, pregnancy disability/child care leaves may be extended or renewed for a period not to exceed six (6) months. In no case shall the total amount of leave exceed twelve (12) months.

In no case shall the employee be required to leave prior to childbirth unless she can no longer satisfactorily perform the duties of her position. Such determination shall be made by her physician.

While an employee is on pregnancy disability/child care leave, the duties of his/her position shall either be performed by remaining staff and the position kept vacant or they shall be performed by a provisional or temporary employee

In accordance with New Jersey Department of Personnel Regulations an employee has the right to return to his/her permanent title in the same classification she held before going on pregnancy disability/child care leave.

Upon return from pregnancy disability/child care leave, an employee shall retain all seniority and pension rights that had accrued up to the time of his/her leave, but these rights shall not accrue during the approved pregnancy disability/child care leave without pay.

An employee who is on pregnancy disability/child care leave without pay is entitled to use accrued sick leave (for the period that he/she is unable to work as certified by a physician). Additionally, he/she may use all accrued annual vacation and administrative leave. All other periods of leave related to pregnancy disability/child care leave shall be leave without pay. Unused sick and vacation leave shall be carried over until his/her return. An employee shall not earn annual and sick leave while she is on pregnancy disability/child care leave without pay.

C. Administrative Leave
