- A. The Union and employees covered by this Agreement hereby covenants and agrees that, for the duration of this Agreement, neither the Union nor any person acting on its behalf shall authorize or support any strike (i.e. the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance or the employee's duty of

employment), work stoppage, slow-down, walk-out or other illegal job action against the Township.

- B. In the event of a strike, slow-down, walk-out or job action, it is covenanted and agreed that participation in any or all such activities by the employee shall be deemed grounds for discipline including possible termination of such employee(s), which discipline may be imposed by the Township.
- C. The Union and its members hereby agree that it will make every reasonable effort to prevent people covered by this Agreement from participating in any strike, work stoppage, slow-down or other activity aforementioned or supporting any such activity by any other employee or group of employees of the Township and that the Union will publicly disavow each action and order all such members who participate in such activities to cease and desist from same immediately and return to work, and take such other steps as may be necessary under the circumstances to bring about with the Union.

- A. All newly-hired employees shall be subject to a three (3) month probationary period. Purposes of said probationary period is to enable the Township to evaluate the employee's work performance and conduct in order to determine whether or not the employee merits regular employment status. If, at any time during or at the end of the probationary period, the conduct and/or performance of the employee is found to be unsatisfactory, the Township has the right to terminate the employee. The decision of the Township regarding the termination of employees who are probationary in status shall not be subject to the grievance procedure or any other recourse in law or inequity.
- B. Notwithstanding the aforesaid, the Township Committee may, in its sole discretion, determine that there is a need for an additional three (3) month probationary period for a particular employee and assign said employee such additional period. In the event that such extension should be given to an employee, and the Township later determines the employee has met the appropriate standards, the Township may, in its sole discretion, end the probationary period at any time, giving said employee the status of a regular employee from the end of the first three (3) month period. Temporary employees hired as regular full-time employees may be granted exception from any probation period.

- C. Personal days, vacation benefits, holiday pay and any other employee benefits given to regular employees under this contract will begin to accrue for probationary employees after three (3) months of service with the Township, but cannot be taken until after regular status is obtained, unless approved by the Township Administrator or designee. However, if there are benefits given regular employees which may also be granted to probationary employees during their term of probation, they will be given to those employees during probation as set forth in this Agreement.
- D. During said first three (3) month period of probation, the employee shall not have any of the employee benefits given regular employees unless set forth in this Agreement.
- E. Probationary employees with three (3) or more months of service are eligible for holiday pay.

**ARTICLE VIII

- A. A normal work week period shall be as follows:

September 30, 2103 and beyond shall consist of forty (40) straight time hours. For payroll purposes, the work week shall commence every Monday morning at the employee's regularly scheduled starting time.
- B. The Township reserves the right to institute a standardized number of hours to constitute a work week for all employees covered under this Agreement. In the event an employee is working more hours than the standardized work week, such employee shall continue to do so. In the event an employee is working fewer hours than the standardized work week, such employee will then work the standardized work week and will be compensated on a pro-rated hourly basis at straight time for the additional hours beyond his previous work week.
- C. All employees covered by this Agreement shall work a thirty seven and a half hour (37.5) work week prior to September 30, 2013 and a forty (40) hour work week on or after September 30, 2013.
- D. Employees will not be required to take minutes at night meetings as part of their jobs. Effective the date this contract is signed any work after thirty seven and a half hours (37.5) is considered as overtime and will be compensated at the rate of one and one-half (1 ½) times the employee's hourly rate. **ARTICLE IX**  
**SENIORITY, PROMOTIONS, JOB VACANCIES AND TRANSFERS**

A. Definition and Loss

1. Seniority is defined as an employee's length of service with the Township beginning with the employee's latest date of commencing work with the Township.
2. Newly appointed probationary employees shall have no seniority and shall not be eligible for seniority in terms of this Agreement until they have completed the probation period, seniority shall accumulate from their hire date until there is a break in the employee's service.
3. A break in service occurs when an employee resigns, is discharged for cause, is on leave of absence, exclusive of sick leave, retires, or is laid off. An employee who is reinstated after a break shall commence their seniority as of the date of their return without any concern toward the prior service.
4. For purposes of this Agreement, an employee who is absent without leave for five (5) consecutive days or who fails to notify the Township regarding a return from any leave of absence, including sick leave, shall be considered to have resigned from Township employ.

B. If new jobs are created or if vacancies occur of at least a thirty (30) calendar day duration, the Township shall determine the qualifications required for such position.

The Township agrees to post a notice of any new job or vacancy on the Union bulletin board for a period of seven (7) calendar days. Such notice shall contain a description of the job, hours of work, location, the Class or Grade of the position, and when the job shall be available. Employees who are interested, in order to be eligible for such job, must sign the notice. Any employee who fails to sign the notice shall not be eligible for the vacancy or position in question. Preference will be granted on the basis of departmental seniority for White Collar positions, provided that the applicant has the necessary skills and ability to perform the work required determined by the Township. However, all other employees are eligible to bid. If a bidder is a successful or non-successful applicant for the position in question, said employee will be notified by a memorandum and a notice thereafter will be placed on the bulletin board within seven (7) calendar days after the expiration of the seven (7) calendar days required for the posting of such notice.

C. Any employee so selected to fill such job shall be granted a training period of thirty (30) calendar days with the ability to extend for another thirty (30) calendar days at discretion of Township Administrator in consultation with the applicable Township Committee liaisons. If it shall be determined by the Township during this period that the employee is unqualified to perform the duties to which employee is promoted, the Township shall place the employee in their former position or a position equivalent thereto. The promoted employee shall receive the rate for the job in question as of the day that person begins the training period. If removed from the position, during or at the end of the

training period, the employee in question shall then receive the rate of the position to which the employee is assigned following the employee's removal.

- D. If a Union position becomes available due to a vacancy and a Union employee is moved to the vacant position, the employee will receive a two point fifty (2.50%) percent increase over their existing salary or the minimum salary for the new position guide, whichever results in a higher salary, provided the employee has a 2.5 rating or better on their current Performance Review and has not had a merit increase in the preceding twelve (12) months.
- E. All regular employees shall be given a forty-five (45) calendar day written notice prior to layoffs. In the event of a layoff, White Collar workers with the most Township seniority will have preference provided that they have the requisite qualifications, skills and ability to perform the work available. The determination of whether an employee has the requisite qualifications, skills and ability to perform the work available shall be within the sole discretion of management.
- F. The Township shall draw up an initial seniority list after the signing of this Agreement and such list will be posted on the Union bulletin board at that time. All employees covered by this Agreement who object to the said list shall inform the Township of said objections. The seniority list shall include name, hire date and Union date and shall be updated as needed.

## ARTICLE X GRIEVANCE PROCEDURES

- A. A grievance is a claim by an employee based upon and limited to an alleged violation of the express terms and conditions of this Agreement. Notwithstanding the above definition of "grievance", any dispute involving the following shall not be subject to this procedure.
  - 1. Any matter, which, according to law, is beyond the power of the Township or the Township Committee.
  - 2. Matters which have specific remedy in law.
- B. It is understood that the grievant shall, during and notwithstanding the pendency of any grievance, continue under the direction of his or her superintendent and supervisors, perform all assignments and adhere to all policies, procedures, rules and regulations of the Township, until such grievance and the effect thereof shall have been fully determined.
- C. The purpose of this procedure is to secure, at the lowest possible level, an equitable settlement of the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department, and having the grievance adjusted without the intervention of the Union.

- D. Failure by management to communicate a decision at any step with the time limits set forth in the procedure shall be deemed a denial of the grievance and the grievance shall go to the next higher step.
- E. Failure by the employee or the Union at any step to appeal the grievance to the next step within the specified time period shall be deemed a forfeiture of the right to process the grievance to the next higher step.
- F. Steps of the Grievance Procedure.

The Steps shall be followed in their entirety unless any step is waived by mutual consent:

### STEP ONE

1. An aggrieved employee shall institute action under this provision in writing hereof within twenty-one (21) calendar days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and employee's supervisor for the purpose of resolving the matter informally. Failure to act within the said twenty-one (21) calendar days shall be deemed to constitute an abandonment of the grievance.
2. The supervisor, or supervisor's designee, shall render a decision in writing within fourteen (14) calendar days after the grievance is first presented to them, if it cannot be handled informally.

### STEP TWO

If the grievance has not been resolved through Step One, the grievance shall be presented in writing to the department head, or department head's designee, within seven (7) calendar days after the supervisor's response is due. The department head shall respond in writing within seven (7) calendar days. In the event, the supervisor and the department head are the same individual, Step Two will be omitted and the matter will proceed to Step Three.

### STEP THREE

If the aggrieved wishes to appeal the decision of the department head, or the department head's designee, the grievance should be presented to the Township Administrator or the Administrator's designee, within seven (7) calendar days after receiving the department head's or department head's designee's decision. The Township Administrator or Administrator's designated representative shall schedule a meeting to review the matter and shall present a decision in writing within fourteen (14) calendar days after the receipt of such grievance.

### STEP FOUR

If the grievance is not settled through Step three then the grievant may petition for final resolution of the grievance directly to the Township Committee. The request for resolution shall be filed in writing, with the Township Clerk within seven (7) calendar days of the receipt of the

Step three decision. The Township shall then arrange a mutually acceptable time for a grievance hearing within fourteen (14) calendar days after the receipt of said request. The Township Committee shall hear only one (1) grievance on only one (1) issue per hearing. No multiple grievance hearing will be permitted unless by written consent of the Union and the Township prior to the commencement of the hearing. The Township Committee shall render a written decision within thirty (30) days after the hearing.

#### STEP FIVE

1. If the grievance is not settled at Step Four, the Union may only refer the matter to arbitration within fifteen (15) calendar days of the decision at Step Four. An arbitrator shall be selected in accordance with the procedure of the Public Employment Relations Commission.
2. Unless the parties mutually agree in writing, no more than one (1) issue shall be presented to an arbitrator in any single case.
3. The fees and expenses of the arbitrator shall be borne equally by the parties. Any other expenses incurred by the parties, including but not limited to the presentation of witnesses, shall be borne by the party incurring same.
4. The arbitrator shall be bound by the terms and conditions of this Agreement and shall not have any power to add to, subtract from, or in any way modify any of the terms of this Agreement.
5. The decision of the arbitrator shall be in writing with reasons therefore and shall be binding up on the parties, subject however, to any applicable statutes and case law available to the parties.
6. Union Representation at the Grievance Procedure:  

The employee may at his/her option be represented by the shop steward and/or the local president at Steps One through Three of the grievance procedure and by the shop steward and/or local president and the AFSCME representative at Step Four.
7. Either the Township or the Union may waive any steps of the grievance procedure, but said waiver can only be done in writing and with the consent of the other party in question.
8. The time limits set forth herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, the grievance shall be deemed to have been waived. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed, then the disposition of the grievance at the prior step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.

If an employee leaves the employ of the Township in a year in which employee changes steps in the vacation schedule, but prior to reaching employee's anniversary date and employee has already taken their vacation days based upon that date, any extra vacation time taken but not yet earned will be owed to the Township and his pay will be adjusted accordingly. Vacation request submitted after March 31st will not be subject to seniority preference and will be addressed on a first come, first serve basis.
