BOARD OF EDUCATION
BOROUGH OF CLOSTER, NEW JERSEY

hereinafter referred to as the "Board"; and

CLOSTER EDUCATION ASSOCIATION

hereinafter referred to as the "Association."

WHEREAS, the parties have heretofore conducted collective bargaining negotiations covering the matters hereinafter mentioned;

NOW, THEREFORE, in consideration of the promises and the mutual covenants herein contained,

IT IS AGREED AS FOLLOWS:

ARTICLE I
RECOGNITION

The Board recognizes the Association as the sole and exclusive representative for the purpose of collective bargaining negotiations concerning the terms and conditions of employment of all regularly employed and certificated teaching personnel exercising non-supervisory positions; the secretaries (except the secretary to the superintendent and the secretaries to the Business Administrator); the regularly employed paraprofessionals; and the custodial and maintenance personnel, with the exception of the Supervisor of Buildings and Grounds, employed by the Board.

ARTICLE II
DEFINITIONS

Whenever used in this Agreement, the following terms shall have the following meanings:

"Teacher" shall mean only regularly employed and certificated teaching personnel exercising non-supervisory positions.

"Secretaries" shall mean only the secretaries employed by the Board (except the secretary to the Superintendent and secretaries to the Business Administrator).

"Custodial and Maintenance Personnel" shall mean only the custodial and maintenance personnel employed by the Board.

"Paraprofessionals" shall mean only regularly employed paraprofessionals.

“All employees” or “all personnel” shall mean teachers, secretaries, paraprofessionals, custodial and maintenance personnel covered by this Agreement.

ARTICLE III **REPRESENTATION FEE**

A. If an employee included within the Recognition clause of this Agreement does not, for any year during the term of this Agreement, become a member of the Association, such employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association as majority representative.

B. Amount of Fee

Prior to the beginning of each membership year, the Association will notify the Board in writing:

- (1) of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for the membership year; and
- (2) of the amount which, in the determination of the Association, is the maximum fee permitted by law.

The representation fee to be paid by non-members will be equal to the maximum allowed by law.

C. Deduction and Transmission of Fee

The Board agrees to deduct from the salary of any employee covered by this Agreement who is not a member of the Association for the current membership year the full amount of the representation fee set forth in Section B above and promptly will transmit the amount so deducted to the Association.

The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to such employee during the remainder of the membership year in question. The deductions will begin with the first paycheck after October 1 in the school year for employees previously employed or 30 days after a new employee begins his or her employment in a bargaining unit position.

D. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee

during the membership year in question and promptly forward same to the Association.

E. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used in the deduction and transmission of regular membership dues to the Association.

F. Hold Harmless Clause

The Association will indemnify and hold the Board harmless against all claims, suits and liability, including the cost of reasonable legal fees, arising out of the Board's actions in compliance with the terms of this Article.

- c. A full-time teacher, secretary or custodial and maintenance member of the Association who retires from the District according to the provisions of TPAF or PERS, and who has had ten (10) or more, but less than fifteen (15), continuous years of service in the District, and who gives notice in the manner hereafter prescribed shall have an amount equal to \$65.00 per sick day accumulated at the time of his or her retirement, to a total maximum amount of \$5,850.00, deposited by the board into an available 403(b) Plan.

ARTICLE X
PERSONAL LEAVE

The parties agree that the following constitutes the policy with respect to personal leave:

Personnel covered by this agreement shall be entitled to personal days of absence with full pay as follows:

An allowance up to three (3) days for teachers, secretaries, custodial and maintenance employees and paraprofessionals in each year during the term of this Agreement shall be granted for matters of a personal nature with five (5) days' written prior notification to the school Principal and the Superintendent of Schools for any of the following reasons, viz:

- (1) Personal business which cannot be handled outside of school hours.
- (2) Legal business which cannot be handled outside of school hours.
- (3) Household or family matters which cannot be handled outside of school hours.
- (4) Any other emergency or urgent reason not included above if approved by the Superintendent of Schools and Principal. In cases of death or illness in the immediate family (defined as household members, parents, spouse, spouse's parents, grandparents, children, stepchildren, siblings and siblings' spouses), the determination of the length of personal leave is discretionary with the Superintendent of Schools, which shall in no event exceed five (5) days. A written statement of the reason for such emergency leave shall be submitted to the building Principal prior to the emergency leave or immediately following such emergency leave.
- (5) In case of a death in the "immediate family," a paraprofessional shall receive three (3) days leave of absence with pay, provided that if the employee has not used his/her personal leave days at the time of such death one of the three days leave under this paragraph shall be deemed to be a personal leave day. ("Immediate Family" means household members, parents, spouse, spouse's parents, grandparents, children, stepchildren, siblings and siblings' spouses.)

In cases of emergency, the required five (5) days' prior notification may be waived.

Prior notice should state the category under which such leave is requested and the date or dates the individual will be absent. Upon giving such notice, the employee may be entitled to be absent for the reason or purpose stated without further explanation to the administration, unless the administration determines that it is necessary to verify the purpose of such leave because of the employee's pattern of absences or the employee's requested absence would result in excessive staff absenteeism in a school building, which determination shall not be arbitrary, capricious or unreasonable.

In cases where personal leave exceeds three (3) days for teachers, secretaries and custodial and maintenance employees, and paraprofessionals, such absences in excess of these limits may be without pay. It shall be the responsibility of the Superintendent to decide whether extenuating circumstances are evident and to extend the applicable limit.

In addition to the previously stated leave days, teachers, secretaries and custodial and maintenance employees covered under this Agreement, with the prior approval of the administration, shall be entitled to professional leave days with full pay for the following reasons, viz:

- (1) To attend professional meetings; conferences or workshops.
- (2) To engage in professional visitations to other schools or educational systems.

Personal leave days unused during the year shall be accrued to a separate individual sick leave bank to be used by the individual employee after he or she has exhausted his or her annual and accumulated sick days. Such days shall be accumulative from year to year. However, such days shall not be added, at termination of employment, to the employee's accrued sick leave for reimbursement purposes.

For any employee employed in the district prior to July 1, 1992, any personal leave days accrued from July 1, 1987 to June 30, 1992 to the credit of the individual employee, shall be used only upon voluntary termination of the individual's employment, in the following manner: one-third of the accrued personal leave days may be added, at termination of employment, to the employee's accrued sick leave for reimbursement purposes. In no event shall the total of accrued sick leave and personal leave days exceed the maximum allowable under Article IX, Paragraph "J" of this Agreement. Accrual shall commence with personal days granted for the 1987-1988 school year.

ARTICLE XI **PROFESSIONAL DUES AND CREDIT UNION**

- A. Personnel covered by this Agreement may direct the Board to deduct Association dues from their remuneration and the Board agrees to remit the dues so deducted directly to the Association. Such direction shall be made in writing prior to opening school day in September 2007 for the 2007-2008 school year, prior to September 2008 for the 2008-2009 school year and prior to September 2009 for the 2009-2010 school year; and having once been made cannot be changed for the balance of the school year for which the deduction is authorized.
- B. Personnel covered by this Agreement may direct the Board to deduct specified sums from their remuneration for deposit in the Paragon Federal Credit Union and the Board agrees to remit such deductions directly to the Credit Union for deposit in the respective teachers' accounts. Any changes shall be made in writing and shall be limited to twice during any school year.

ARTICLE XII
LUNCH SUPERVISION

Teaching staff members shall be entitled to a duty-free lunch of the same duration as they received during the 2000-2001 school year, except that the Board shall be allowed, for every day that school is in session, to assign teaching staff members in each District school building to supervise students during the students' lunch/recess period.

The teaching staff members assigned to lunch supervision shall each be entitled to a duty-free lunch period of their own during either the student lunch period or the student recess period, which periods shall be of the same duration as existed during the 2000-2001 school year.

Each teaching staff member assigned to lunch supervision shall be responsible for supervising student lunch/recess activities during the portion of the student lunch/recess period when the other teaching staff member(s) assigned to lunch supervision that day are taking their lunch period.

The Superintendent or his designee shall establish a schedule for each day's lunch supervision.

The Board shall first seek volunteers from among the teaching staff to perform the lunch supervision. Teaching staff members may volunteer for both lunch supervision assignments available per day. Teaching staff members who volunteer for both lunch supervision assignments in a single day shall not receive any additional duty-free time for lunch.

In the absence of sufficient volunteers, lunch supervision shall be assigned among the teaching staff on an equitable rotating basis. No teaching staff members shall be involuntarily assigned to more than one (1) lunch supervision assignment per day.

The Board reserves the right to assign lunch supervision outside the terms of this provision in cases of emergency.

Teaching staff members shall be paid the highest hourly rate paid for school paraprofessionals for each student lunch period or recess period supervision assignment they perform. This compensation shall be paid in accordance with the payroll schedule established for all teaching staff members by the parties' collective negotiations agreement. Teaching staff members who perform both lunch supervision assignments in a single day shall not receive additional compensation in lieu of a duty-free lunch period or any other compensation beyond that which is described in this section.

Notwithstanding the other terms of this provision, nothing shall prohibit the Board from assigning teaching staff members to supervise student lunch/recess periods, without additional compensation, as part of their contractual obligation to perform non-teaching duties. Such a duty assignment may only be made if it does not interfere with a teaching

staff member's preparation time and duty-free lunch period. The lunch period shall be the same duration which existed during the 2000-2001 school year.

ARTICLE XIII
GRIEVANCE POLICY

The parties agree that a grievance is defined as a complaint based upon an event or condition which affects the welfare or working conditions of an employee or group of employees covered under this Agreement, which is contrary to established policy or administrative regulation governing or affecting employees"; they further agree that any grievance will be dealt with in accordance with the Grievance Procedure adopted by the Board on June 29, 1966, which is attached hereto as Schedule "G".

ARTICLE XIV
PART-TIME EMPLOYEES

Effective July 1, 1995, a part-time employee shall, upon the same terms and conditions as apply to full-time employees, be given credit, for salary purposes only, on this guide, for a full year of experience for each school year in which such employee was employed by the Board. The salary of such part-time employee shall be pro-rated in accordance with the number of full days worked by such employee.

ARTICLE XV
HOURS OF WORK OF SECRETARIES

The workday for secretaries shall be seven (7) hours and forty-five (45) minutes, Monday through Thursday. The workday on Friday shall be seven (7) and one half (½) hours.

Secretaries shall be given a compensatory day during the twenty (20) days they work over the summer for each day that they worked from September 1, through June 30, in excess of one hundred and ninety one (191) days.

ARTICLE XVI
SUMMER HOURS FOR THE SECRETARIES

The secretaries and clerks who work during the summer (July 1 - August 31) shall have the following hours: 8:30 a.m. to 3:00 p.m. with an hour for lunch.

SCHEDULE G
INDIVIDUAL GRIEVANCE POLICY AND PROCEDURES

The effectiveness of the schools is largely dependent upon the existence of effective working relationships among all employees of the school system. It is desirable, therefore, to eliminate, as much as possible, those areas of disagreement and dissatisfaction that inevitably arise among persons working together in the schools. The satisfactory settlement of complaints and grievances not only promotes wholesome attitudes and feelings about the performance of professional services, but also increases the efficiency and effectiveness of the worker in his or her relationship to pupils and the community.

Any individual employee of the school system shall have the right to appeal the application of policies and administrative decisions affecting him or her through administrative channels, with assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his or her appeal. He or she shall have the right to present his or her own appeal or designate representatives of the Closter Education Association or other group or persons of his or her own choosing to appear with him or her or for him or her at any step in his or her appeal.

1. Any employee who has a grievance shall discuss it first with his or her Principal in an attempt to resolve the matter informally at that level.
2. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he or she shall set forth in writing his or her complaint to the Principal. The Principal shall communicate his or her decision to the employee in writing within three (3) school days of receipt of the written complaint.
3. The employee may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing and must set forth the grounds upon which the grievance is based. The Superintendent shall request a report on the grievance from the Principal, shall confer with the concerned parties, and upon request, with the employee or Principal separately. He or she shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his or her decision in writing, along with supporting reasons, to the employee and the Principal.
4. If the grievance is not settled after reaching the Superintendent of Schools, the matter may then be referred to the Closter Education Association or other group or persons for consideration. This person, group or association shall make a determination as soon as possible, but within a period not to exceed ten (10) school days, notifying the employee in writing of that determination.

If the Closter Education Association or group or persons determines that the grievance has or may have merit, it shall recommend that the grievance be heard by the Board of Education.

If the Closter Education Association or other group or persons determines that the grievance is without merit, it will so advise the employee and a copy of its findings shall be sent to the Principal, the Superintendent of Schools and the Board of Education.

An employee whose grievance has been determined to be without merit by the Closter Education Association or other group or persons shall retain the right to appeal in writing to the Board of Education.

5. When an employee requests a review by the Board of Education, the request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance, hold a hearing with the employee if requested, and render a decision in writing within thirty (30) days. Its findings shall be sent to the Principal, the Superintendent of Schools and the employee.
 - A. Notice of this conference shall also be given to the Principal and to the Superintendent of Schools. The Principal and the Superintendent of Schools may be present at the conference and state their views.
6. If the grievance is not resolved as of the above mentioned step, the aggrieved employee may request a special convocation of a Board-Teacher Relations Committee or a similarly established group with a view to arriving at a mutually satisfying resolution of the complaint. The aggrieved employee and his or her representative, if any, shall be given at least three (3) school days' notice of the conference and an opportunity to participate.

The committee shall:

- A. Meet with the aggrieved employee to ascertain and discuss the problem.
- B. Gather facts to provide evaluation.
- C. Attempt to arrive at a solution.
- D. Present conclusions and recommendations to the full Board of Education if a mutually acceptable conclusion or recommendation has been reached.

7. It is the intent of the parties to this Agreement that the arbitration procedure herein shall serve as a means for the peaceable settlement of grievances which are not settled under paragraph 6 that may arise between them.
 - A. In the event that the aggrieved employee is dissatisfied with the determination of the Board-Teacher Relations Committee, he/she may request that his/her grievance be submitted to arbitration. A request for arbitration shall be made within ten (10) days of the committee's determination. The aggrieved employee and the Board may mutually agree to extend the period of time in which arbitration may be requested.
 - B. Within ten (10) days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission (hereinafter "P.E.R.C.") by either party. The parties shall then be bound by the rules and procedures of P.E.R.C.
 - C. The arbitrator so selected shall limit his/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to nor subtract anything from this Agreement between the parties or any applicable policy of the Board. The only grievances which may be arbitrated are those alleging that there has been a violation of the express, written terms of the locally negotiated agreement. The arbitrator shall not have the authority to rule on grievances which concern the interpretation, application or alleged violation of the Board policies and administrative decision affecting terms and conditions of employment, or of statutes and regulations setting terms and conditions of employment. Such grievances may only be pursued before the Commissioner of Education, the State Board of Education, and last to the state courts.
 - D. The parties in interest shall be afforded a full opportunity to present any evidence, written or oral, which may be judged pertinent to the matter in dispute.
 - E. The decision of the arbitrator regarding the violation, interpretation or application of this Agreement shall be final and binding on both parties in all matters except those dealing with a managerial prerogative which shall not be subject to any arbitration proceeding.

- F. The Arbitrator has no authority, express or implied, to add to or subtract from the language of the parties Agreement and the Arbitrator's decision must be based solely on the content of this Agreement as written and agreed upon by the parties.
- G. Each grievance will be arbitrated separately except those of a similar nature and when mutually agreed to by both parties.
- H. All fees and expenses of the arbitrator and arbitration proceedings shall be shared equally between the Board and the Association. All other costs related to arbitration, such as the payment for legal services, shall be paid for by the respective parties.
