B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, solutions to grievances. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided adjustment is not inconsistent with terms of this Agreement.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified, however, may be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

A grievance to be considered under this procedure shall be initiated by the employee within twenty-five (25) calendar days of its occurrence. If a principal or immediate supervisor is without authority to resolve the grievance, the grievance shall be forwarded by the principal/supervisor to Level Two within twenty-four (24) hours of submission except in the event of the principal or supervisor's absence, in which case, the grievance shall be forwarded within forty-eight (48) hours of submission.

If the grievant is dissatisfied with the decision of the Board of Education, and the Association deems the grievance to be meritorious, the Association may request the appointment of an arbitrator by requesting the New Jersey Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the dispute in question. If the parties are unable to agree upon a mutually satisfactory arbitrator from the list submitted, they will request the New Jersey Public Employment Relations Commission to submit a second list. If the parties are unable to agree upon a mutually satisfactory arbitrator from the second list, the New Jersey Public Employment Relations Commission may be requested by either party to designate an arbitrator.
2. The arbitrator shall function in accordance with the rules and procedures of the New Jersey Public Employment Relations Commission.

When an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. Such procedure concerning representation shall not apply at Level One.
