The Township retains all rights of management previously employed or exercised by the Township, including but not limited to the following:

- (1) To manage and administer the affairs and operations of the Township including the rights of management personnel to perform bargaining unit work.
- (2) To direct its work force and operations.
- (3) To hire, promote, transfer and assign employees.
- (4) To demote, suspend, discharge and otherwise take disciplinary action against employees for good and just cause according to law.
- (5) To take necessary action in emergencies.
- (6) To determine standards of selection for employment.
- (7) To determine standards of performance for employees.
- (8) To evaluate employee performance.
- (9) To determine the methods, means and personnel by which the Township's operations are to be conducted.

(11) To promulgate rules and regulations, from time to time, which may affect the orderly and efficient administration of the Township.

Section C. Nothing contained in this Agreement shall operate to deny or restrict the Township in the exercise of its powers, rights, responsibilities and authority pursuant to the laws of this state and of the United States.

ARTICLE VII. GRIEVANCE PROCEDURE

Section A. This grievance procedure shall be in full effect for the period covered by this Agreement.

Section B. For the purposes of this grievance procedure the following terms shall have the meanings herein ascribed:

"Grievance" shall mean any dispute concerning the interpretation, application or any alleged violation of a specific written provision of this Agreement.

"Immediate Superior" shall mean the person to whom the aggrieved employee is directly responsible.

"Grievant" shall mean an employee of the Township who is a member of the Association.

Section C. The purpose of the grievance procedure is to secure an equitable solution to the problems affecting employees arising during the term of this Agreement.

Section D. The parties agree that disputes shall be resolved at the lowest possible level. Thus, the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual and his/her immediate superior. In the event that such discussions fail to produce a satisfactory resolution of the complaint, it shall only then be reduced to writing and submitted as a grievance.

Section E. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent.

(1) Grievant must file his/her grievance in writing with his/her immediate supervisor within five (5) working days after the grievant has availed himself/herself of the procedure outlined in Section D above, or within five (5) working days of presumed knowledge of the occurrence giving rise to the grievance. Failure to act within the said time period shall constitute an abandonment of the grievance.

(2) Once the grievance is timely filed, the grievant shall discuss the grievance with his/her immediate superior. If the grievant is not satisfied with the resolution or if no resolution is made within three (3) working days by the immediate superior, the employee must present the grievance to the Department Head for further consideration, unless said immediate superior is the grievant's Department Head, in which case the grievance shall be presented to the Township Administrator and shall be treated as Step 3.

(3) In the event there is not a satisfactory resolution of the grievance by the Department Head at Step 2 or an answer is not given within three (3) working days, the aggrieved employee may present the grievance to the Township Administrator within five (5) working days thereafter. The Township Administrator will then render a decision within ten (10) working days.

(4) In the event there is not a satisfactory resolution of the grievance at Step 3 or a decision is not rendered by the Township Administrator within the time allowed, the aggrieved employee may appeal to the Township Council, in writing, within ten (10) working days thereafter, by use of a mutually approved grievance form. The aggrieved employee may at this time also request a hearing before the Township Council which hearing shall take place within thirty (30) days of the proper and timely presentation of the request. The Township Council shall make a determination within thirty (30) days from the receipt or hearing of the grievance and shall give written notification to the aggrieved employee of its determination. This time may be extended by mutual agreement of the parties. The decision of the Township Council is final and binding.

Section F. Failure on the part of the grievant to appeal the answer to the next higher step shall be deemed an acceptance of the Township's previous answer. The grievant shall waive his/her right to appeal the grievance to any other steps in the Grievance Procedure. Failure on the part of the Township to submit a written disposition within the prescribed time limits shall allow the grievant to proceed to the next step.

Section G. The time limits set forth in this provision may be extended in writing by mutual agreement of the Township and the Association.

Section H. At the request of the aggrieved employee, the Association President or his/her designee may participate in the grievance procedure at Steps 3 and 4.

ARTICLE VIII. WORK SCHEDULES

Section A. The normal workweek for all Association members hired prior to January 1, 1995, shall consist of five consecutive days, Monday through Friday. Persons employed after December 31, 1994, shall work five (5) consecutive days, Monday through Friday or Tuesday through Saturday, except that police dispatchers hired after December 31, 1995, shall work a varying schedule pursuant to Section E hereof.

Section B. Employees covered by this Agreement shall work a seven (7) hour day, except that civilian police dispatchers shall work a maximum of thirty-five (35) regular time hours in any calendar week, pursuant to the schedule set forth in Section E hereof.

Section C. The standard working hours for employees covered by this Agreement shall be 8:30 a.m. to 4:30 p.m.; provided, however, that persons employed after December 31, 1994, may be required to work other hours and further provided that civilian police dispatchers shall work pursuant to the provisions of Section E hereof.

(1) Except for civilian police dispatchers, no starting time may be established prior to 6:00 a.m. nor later than 6:00 p.m. without the consent of the affected employee(s).

(2) An employee's starting time shall not be varied, except in the case of an emergency, without the said employee receiving not fewer than ten (10) days' notice.

(3) No starting time shall be established for punitive reasons.

Section D. Recognizing that the Police Department operates on a 24-hour, seven-day schedule, it is agreed that police dispatchers may be required to work shifts which differ from those of all other employees covered by this Agreement. Such schedules shall be at the discretion of the Chief of Police subject to the following:

(1) No such schedule shall require an employee to report for duty on more than five (5) days in any calendar week.

(2) No such schedule shall provide for an employee to be on duty more than thirty-five (35) hours in any calendar week.

(3) No such schedule shall require that an employee shift be longer than twelve (12) clock hours

(4) Shifts may begin and end at any hour within the above parameters, but once established may not be changed, except in emergencies, without the employee receiving a minimum of ten (10) days' notice.

Section E. Department heads may establish other starting times in case of an emergency.

Section F. Any employee of the Township who, during the term of the collective bargaining agreement in force prior to this one, was regularly working a shift which commenced and ended outside of the standard shifts as defined in Section C above shall be deemed to have consented to continue to work that shift irrespective of his/her date of employment with the Township.

Section G. All employees are entitled to a lunch break of one (1) hour, which period shall be scheduled to begin between the third and fifth hours of any work shift. Lunch breaks are to be scheduled to ensure that workstations are covered without interruption. However, employees are expected to take their lunch break and not work through the lunch break without the prior approval of the Township Administrator, Department Head or his/her designee.

Section H. All employees are to receive two (2) fifteen (15) minute breaks during the workday, one in the first half of the work period and the other in the second. Breaks are not to be combined with the lunch break and employees are expected to utilize their breaks.

ARTICLE IX. OVERTIME AND COMPENSATORY TIME

Section A. Overtime is defined as any work performed in excess of the number of hours in an employee's normal single workday, or the total hours in any workweek for the said employee as set forth in Article VIII.

Section B. Overtime requires the prior approval of the Township Administrator, except that in cases of emergency, supervisory personnel may authorize overtime for the duration of the emergency.

Section C. Except as provided elsewhere herein, all covered employees shall be paid at the rate of one and one-half (1-1/2) times their normal rate of pay for overtime worked in excess of the normal workday or normal workweek for that employee.

Section D. At any time the employee works more than six (6) consecutive hours beyond his/her normal quitting time, or when an employee on call-out works for six (6) consecutive hours, he/she shall be paid double (2x) his/her normal rate of pay for all consecutive hours worked beyond six hours. The six (6) hours and any time additional thereto shall be considered consecutive regardless of the department to which the employee is assigned, so long as there is no interruption other than an authorized work or meal break.

Section E. Compensatory time is defined as time off in lieu of payment for hours worked in excess of a normal workday or workweek. Employees are entitled to compensatory time equal to one and one-half (1.5) times the hours worked for all time worked in excess of the employee's standard workday or workweek. If the employee chooses compensatory time for time for which he/she would be compensated at double rate pursuant to Section D hereof, such compensatory time shall be calculated at the rate of two times (2x) the actual hours worked.

Section F. Employees may bank compensatory time for future use at a mutually convenient time for the Township and the employee, but no more than one hundred twenty (120) hours of compensatory straight time equivalent may be carried forward from one year to the next.

Section G. Employees are expected to keep track of their compensatory time available and to use same in a timely fashion to avoid having an excess banked at the end of the year.

Section H. Compensatory time which is not to be carried forward must be used prior to December 1 of the contract year.

Section I. Compensatory time in excess of one hundred (100) hours banked at the end of the year shall be compensated at the employee's regular hourly rate of pay for that year.

Section J. Any employee called to work outside of his/her normal working hours shall receive a minimum of two (2) hours pay at the rate of one and one-half (1-1/2) times his/her regular rate of pay, except that there shall be no minimum when the overtime is worked contiguous to the employee's normal work hours.

Section C. To be entitled to holiday pay, an employee must have worked his/her full scheduled work day immediately before and after the holiday unless his/her absence is authorized. Authorized leave with pay includes:

Section B. The status of each employee with respect to annual vacation credits shall be determined on the anniversary date of each employee's appointment as a full-time employee of the Township.

Section C. All vacations shall be scheduled in the first quarter of the year and scheduling shall be based on seniority. Eligible members must submit a written request for time off preferred no later than March 15 of each year.

Section D. Upon death, retirement or termination of employment for any reason, there shall be paid to the said employee or to his/her estate a sum equal to one (1) day of pay for each unused vacation day. Payment shall be made in one lump sum payment exclusive of pension benefits or payments.

ARTICLE XII. ABSENCE AND LEAVES OF ABSENCE

Absences from duty are classified as "illness," "vacation" or "other," and are to be noted on time reports. An authorized leave of absence will be reported as "illness" or "other" depending on its nature. Days off charged to "other" shall be left to the discretion of the Department Head. The reason for each absence listed on the time report as "other" will be noted thereon, with a statement as to whether it is approved by the Department Head.

Each employee must notify his/her Department Head of any absence from duty. If it is not possible to do so in advance of the working day, the report shall be made by telephone or otherwise at least one (1) hour prior to the employee's starting time or as early as possible on the day the employee is absent. If not possible to contact the Department Head, the employee shall notify the Township Administrator. Failure to notify the Department Head and/or Township Administrator may be cause for the denial of use of sick leave for that absence and can constitute cause for disciplinary action.

Section A. Sick Leave

(1) All employees shall be entitled to accumulate one (1) working day of sick leave (12 days per year) with pay for each completed month of service to be used only for illness which shall include time to care for a spouse or child who resides with the employee during the period of illness of said spouse or child.

(2) In cases of reported illness or disability, the Township reserves the right to have a physician designated by the Township examine the employee and report on the condition of the employee to the Township Administrator.

(3) When the absence on account of illness or disability does not exceed three (3) days, the employee's statement of the cause will be accepted without a supporting statement from his or her physician. The Township may, in cases of frequent illnesses, have an employee examined by a designated physician in order to determine the severity of illness of the employee. The Township Administrator has the right to waive such requirement, or may require an employee to be examined by a physician designated by the Township for the purpose of certifying the employee fit for duty before the employee returned to work.

(4) During prolonged periods of illness or disability, the Township Administrator may require periodic reports on the condition of an employee from an attending physician. (5) Any sick leave payments exceeding accumulated sick leave of an employee requires the approval of the Township Council.

(6) Any employee certified by an accident report as being absent on account of disability due to an accident or illness directly caused in the line of his or her work shall not have such absence charged against his/her sick leave.

(7) Any employee on sick leave and receiving his/her normal compensation who in addition qualifies for payments under Worker's Compensation weekly benefits shall during the period he/she is receiving said benefits be entitled only to that portion of his/her regular salary which, with the Worker's Compensation payments, equals the employee's normal straight time salary

(8) No employee, while on sick leave from the Township, shall be elsewhere or otherwise employed or engage in any outside work or employment.

(9) Each employee shall be required to establish and maintain a bank of not fewer than forty-five (45) accrued unused sick days. Once such bank has been established, an employee may thereafter redeem the unused sick days from his/her annual allotment thereof at one-half the then current straight time rate. In any case where an illness shall reduce the balance of banked sick days to fewer than forty-five (45), the member must return the bank to a minimum of forty-five (45) days before redeeming any additional days.

(10) In addition to redeeming days from the current year, a member may redeem up to ten (10) days from prior years' accruals at one-half straight time rate for the immediately prior year.

(11) Employees desiring to redeem unused accrued sick time shall notify the Township Administrator in writing by December 1 of each year of the number of days to be redeemed. Payment for such days will be made not later than [the first paycheck in] January 7 of the following year, or the last workday prior thereto if January 7 is a weekend or holiday.

(12) Any employee with at least five (5) years of service who retires, is permanently separated or who voluntarily leaves the service of the Township shall be entitled to one-half (1/2) day's pay at his/her regular straight time rate for each day up to a maximum of two hundred (200) days of unused sick leave credited to him/her at the time of such separation from the Township payroll, except that in no case shall such payment exceed fifteen thousand dollars (\$15,000).

(13) Notification must be made to the Township Administrator not fewer than thirty (30) days prior to such separation, unless circumstances render such notice impossible. Payment of this supplemental compensation shall be on a biweekly basis at the level of employee's last rate of pay until such benefit is exhausted.

Section B. Bereavement leave

(1) In the event of a death in the immediate family of an employee, the Township will grant an absence with pay to the employee from the date of death to and including the day after the funeral

(2) Immediate family is defined to mean a parent, grandparent, spouse, child, sibling, parent-in-law or any other relative who resides in the household with the employee.

(3) In the event of a death in the family not mentioned in Paragraphs (1) and (2) above, the Township will provide one (1) personal day of bereavement leave to the employee to attend funeral services. In cases where such services are to be held beyond a two hundred (200) mile radius of East Hanover, the Township Administrator may grant special consideration for travel time where the employee has no vacation or compensatory time available.

Section C. Leave of Absence without Pay

A leave of absence without pay may be requested by an employee who shall submit in writing all facts bearing on the request to his/her Department Head, who will append his/her recommendation and forward the request to the Township Administrator for Township Council action. Each case will be considered on its merits and will not establish a precedent. Leaves of absence without pay shall be limited to a maximum of six (6) months.

Section D. Jury Duty

If any employee is legally selected for jury duty, every effort shall be made to enable such employee to serve as a juror. Each employee shall be paid for time served as a juror at his/her regular rate of pay providing that any compensation received as a juror shall be turned over to the Township immediately upon its receipt.

Section E. Military Leave

When a full-time employee who is a member of the reserve component of any United States Armed Force or the National Guard of any state including the Naval Militia and Air National Guard is required to engage in field training or is called for active duty, the employee will be granted a military leave of absence for the duration of the service. The first thirty (30) workdays of the leave shall be with full pay except that a member of the New Jersey National Guard shall receive full pay for the first ninety (90) days. Thereafter, the employee shall be paid the difference between military salary and the employee's regular salary. The paid leave will not be counted against any available time off including but not limited to sick, vacation or personal time. A full-time temporary employee who has served less than one year shall not be entitled to paid leave but shall be granted non-paid military leave without loss of time.

Employees on military service will also continue to receive paid health insurance coverage during the period of the paid leave plus an additional thirty (30) calendar days after the paid leave is exhausted. After this period has expired, employees may continue coverage for themselves or their dependents under the New Jersey State Health Benefits group plan by taking advantage of the COBRA provisions. Members of the state administered retirement systems (PERS and PFRS) will continue accruing service and salary credit in the system during the period of paid leave.

Pursuant to the Uniformed Services Employment and Reemployment Rights Act, any employee released from active duty under honorable circumstances shall return to work without loss of privileges or seniority within the following time limits:

- (1) For service less than thirty-one (31) calendar days, the employee must return to work on the beginning of the first regularly scheduled workday or eight hours after the end of military duty, with reasonable allowances for commuting.
- (2) For service of thirty-one (31) to one hundred eighty (180) calendar days, the employee must submit an application for reinstatement within fourteen (14) calendar days after completing military duty.

If no personal days are used in a year, they shall be redeemed at one hundred percent (100%) of the employee's regular pay. If any but not all of the personal days in a year are used, the remaining days shall be redeemed at the rate of fifty percent (50%) of employee's regular pay. Personal Days are not intended to be used to extend vacations or weekends, but for single day events not covered by other forms of leave. Payment for such unused days shall be made, upon proper notification, not later than January 7 of the following or the last prior workday if January 7 is a weekend or holiday.

Section H. Terminal Leave

(1) Any employee with at least twenty-five years of continuous service shall receive ninety (90) working days prior to the effective date of retirement and the employee shall not be required to report for or to perform any duties during this period.

(2) Any employee applying for terminal leave must submit said notification in writing to the Township Administrator not fewer than ninety (90) days prior to the effective date of the retirement. Failure to do so may subject the employee to forfeiture of terminal leave benefits.

It is the express intent of the parties that all provisions not declared invalid shall remain in full force and effect.

ARTICLE XXV. TOTAL AGREEMENT

Notwithstanding any other agreements previously in effect, the foregoing constitutes the entire Agreement between the parties and no verbal statements or other amendments, except an amendment mutually agreed upon between the parties in writing and annexed hereto and designed as an amendment to this Agreement, shall supersede or vary the provisions herein.

Re: Corrections to 2008-2011 EHEA Agreement
Date: September 26, 2010

As we discussed and agreed to at our September 16 meeting, please be advised I have attached the corrections to the existing 2008-2011 agreement between the East Hanover Employee Association' and The Township of East Hanover. Although the changes were relatively minor the corrections were necessary for the record. These corrections reflect the language changes and the few mathematical mistakes reflected in the Salary Schedules, Salary Guides, Step Schedules, and Longevity Guides.

The changes reviewed and agreed to are noted below:

- Page 12 of the Agreement language changes are reflected in the Paragraph starting with, "The annual clothing allowance....."
- Schedule A- Salary Schedule changes made for Employees DiBernardo and Zoppi in order to correct the mathematical errors in the salary guide numbers originally published.
- Schedule C- Salary Guide corrections were made to Grade II, 2008, Step 5 as well as Grade VI 2010, Step 7 and Grade XI Step 8
- Schedule B- Step Schedule Hire Date change for Employee Fran Serra
- Schedule D- Longevity Schedule change for Employee Fran Serra

Kindly attach this memo to the highlighted changes in the agreement and in turn they can be an addendum to the original agreement. Thank you for your cooperation and do not hesitate to call me if you have any additional questions.
